

MEET THE TEAM AT 9:30 MONDAY.

# THE DAILY NEBRASKAN

WEATHER  
Partly cloudy with rising temperature.

VOL. XXVII, NO. 42.

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, SUNDAY, NOVEMBER 13, 1927.

PRICE 5 CENTS

## FRESHMEN WIN OLYMPICS BY LARGE SCORE

First Year Men Overwhelm Sophomores With 82½ Points Over 17½

### FEW SOPHOMORES ENTER

Victory Gives Yearlings Right To Remove Green Caps On Thanksgiving Day

The freshmen won the Olympics and the right to discard their green caps Thanksgiving day by defeating the sophomores yesterday afternoon by the overwhelming score of 82½ to 17½. The sophomores made a creditable showing in the individual events but they were helplessly outnumbered in the mass events.

When the final event of the day, the pole rush, arrived, only a handful of sophomores surrounded the pole on which the president, Arthur Bailey, was perched. After this event the crowd of freshmen divided into squads for a game of push ball. It was originally scheduled for one of the features of the Olympics but the sophomores defaulted, not being able to organize a team. After the game was completed the big sphere was boosted over the fence and rolled down O street by the enthusiastic victors.

### Sophomores Win in Wrestling

The sophomores succeeded in winning all three of the wrestling matches, taking the decision in the lightweight, middle weight, and heavyweight classes. The lightweight match was a family affair, H. Erion competing for the sophomores, while his brother, D. Erion represented the yearlings. The elder Erion won by a fall in the middle weight class, Koehne took the decision from Skinner. Reimers won the decision for the sophomores in the heavyweight match.

The feature of the boxing events was the heavyweight bout between Urban fighting for the frosh and Hurd representing the sophs. Urban won the decision. Wilson, freshman middleweight, held Poet, midwestern A. A. U. champion to a draw. Tooly, sophomore, took the decision over Fussell in the lightweight bout.

### Freshmen Win Relay

The relay, which was a 110 yard event, was won by the freshmen. The lead was held by them throughout the race.

All wrestling and boxing bouts were held in the coliseum and were held during intermissions of the Nebraska-Pitt football reports. After these were completed the contest was (Continued on Page 2)

## SUMMER SESSIONS GAIN IN IMPORTANCE

Dean Sealock Chosen New Secretary Convention Will Meet in Lincoln Next Year

Summer school sessions are becoming more and more important in American colleges and universities, R. D. Moritz of the University Teachers' college reported on his return from a meeting of the association of summer school directors last week. The directors met at Cornell university, Ithaca, N. Y., for discussion of problems relating to summer sessions. The annual meeting will be held at Lincoln next year.

Dean W. E. Sealock of the Teachers' college was chosen secretary for the coming year. Other officers are E. F. Buchner, John Hopkins university, president; and P. C. Packer, University of Iowa, statistician. When the meeting is held here next October it will be the first time it has come to a western university.

### Columbia University Leads List

The association is composed of the thirty-five leading American universities. It was reported that a total of 105,630 students were enrolled in summer sessions at these institutions, Columbia university at New York leading all with an enrollment of 13,857. The University of California had the second largest summer school, with 6,839, and the University of Chicago was third with 6,474. Nebraska ranked ninth, with an enrollment of 3,401.

The universities who are members of the association, with the prominent educators who represented (Continued on Page 2)

### Bible Discussion Group To Meet This Afternoon

A Bible round table discussion will be held at the Pilgrim hour, 1504 Q street every Sunday afternoon from 4 to 4:20 o'clock. Everyone is invited.

## Blood Gives Address To Club at Fremont

Professor F. C. Blood, instructor of advertising and marketing in the College of Business Administration, addressed the Fremont Advertising club Thursday evening, November 10. The subject of his speech was "The Purpose of Advertising." Mr. Blood has made many such speeches throughout the middle west. Recently he spoke before a national advertising meeting at Chicago. Before beginning his work of teaching, Mr. Blood made an extensive study of advertising and spent several years in commercial advertising.

## POLO TOURNAMENT DRAWINGS LISTED

Inter-fraternity Water Sport Will Begin With Three Games On Monday Evening

Drawings have been made for the inter-fraternity water polo tournament. The tournament will begin with three games Monday evening in the Y. M. C. A. pool, announced Rudolph Voegler, instructor.

Inter-collegiate water polo rules were adopted by a meeting of team captains held in the coliseum Thursday. Practice sessions may be arranged for by calling at the coliseum.

There are about twenty-four teams entered in the tournament which will begin next week and finish by December 1. Teams forfeiting any game will lose their entrance points, was decided by the athletic department.

The schedule as fixed by the drawings is:

- Monday**
- Phi Delta Theta vs. Delta Chi.
- Tau Kappa Epsilon vs. Alpha Theta Chi.
- Phi Kappa vs. Pi Kappa Alpha.
- Tuesday**
- Sigma Alpha Epsilon vs. Delta Sigma Lambda.
- Delta Sigma vs. Sigma Epsilon.
- Wednesday**
- Theta Chi vs. Alpha Sigma Phi.
- Lambda Chi Alpha vs. Alpha Tau Omega.
- Alpha Gamma Rho vs. Sigma Chi.

## Novel Debate Form Used at South Dakota

Vermillion, S. D., Nov. 12.—Instead of being seated on the platform, the debaters will be scattered throughout the audience at the debate between the University of South Dakota and State College November 15, in accordance with a new plan being instituted at the university this year by L. S. V. Judson, professor of public speaking and coach of debate.

No debaters will be seated on the platform which will be occupied by the chairman, the parliamentarian, and the time-keeper. The question to be debated will be introduced by a member of the audience in the form of a resolution, followed by a motion to limit the debate. Upon the closing of the discussion the question will not be voted upon. There will be a non-decision settlement, disposed of by withdrawing the motion, referring it to a committee, postponing it indefinitely or by laying it on the table, after which, if no further business is brought up, a motion for adjournment will be in order. (Continued on Page 2)

## FERGUSON LEADS MEETING

Executive Committee of Engineering Group Convenes Saturday

Dean O. J. Ferguson of the College of Engineering was presiding officer at a meeting of the executive committee, the sixth district, American Institute of Electrical Engineers, in his office Saturday.

Members of the committee are R. B. Bonney, A. L. Jones, and W. H. Edmunds of Denver, and N. W. Kingsley, C. W. Minard, and M. R. King of Omaha. Dean Ferguson is vice-president of the institute from his district, which includes Wyoming, Nebraska, North Dakota, and South Dakota.

## Davis Returns From Long Southern Trip

Prof. H. P. Davis, head of the dairy department at the College of Agriculture, has returned from an extensive southern and eastern trip. He attended the national dairy exposition at Memphis, Tenn., and went to Washington, D. C., where he studied the work of the dairy bureau, United States department of Agriculture.

## Rally To Be Held For Team Monday Morning

The football team will arrive in Lincoln from Pittsburgh at 9:30 o'clock Monday morning over the Burlington. Students are urged to meet the train as a welcome rally will be held at the depot. The committee of innocents in charge is requesting that where possible 9 o'clock classes be dismissed early to enable students to be at the station to welcome the returning squad.

## 'TURKEY TROT' TO BE UNIQUE

Committee Adopts New Ideas In Music and Decorations For Second Varsity

### RALLY WILL BE FEATURE

The "Turkey Trot", the second Varsity dance of the season will be given at the coliseum the evening before the Nebraska-New York Thanksgiving game. The committee reports that this party will be something entirely different for Varsity dances. A rally will be one feature of the evening, Phil Sidles, Nebraska yell king will lead yells and songs throughout the party.

The rally and torch light parade to welcome the New York team to Nebraska will start at 7:30 o'clock and will be over by 8:15, thus giving the students plenty of time to prepare for the rally dance. The rally effect to be carried out is something new in Varsity parties.

### Decorations To Be Unusual

A professional decorator has been placed on the committee, and decoration for the evening will consist of many new and novel ideas. Lighted badges of the Nebraska fraternities will be used in the lighting effect.

"The Oklahomans" will furnish the music for the dance and will be one of the features of the evening with their varied entertainment and musical hits. This is the first time "The Oklahomans" have visited Lincoln this season and are assuring the Varsity party committee satisfactory music.

### New Plan Is Devised

A new plan has been devised for utilizing the coliseum for dances. The orchestra will be placed on the stage and the front two-thirds of the floor will be used for the dancers, while the rear portion will be used for tables and chairs, and refreshments. The two sections of the floor will be petitioned off and three arch ways will lead to the dance floor.

Decorations for the party will be in accord with the Thanksgiving season.

## JOURNALISTS ARE TO HEAR NOTED MEN

Well-Known Editors Will Speak At National Sigma Delta Chi Convention

Lawrence, Kan., Nov. 12.—J. Alfred Spender, editor of the Westminster Gazette, London; and Carl C. Magee, former editor of the New Mexico State-Tribune, now of the Oklahoma City News, will be two of the chief speakers at the thirteenth annual convention of Sigma Delta Chi, national journalistic fraternity, to be held at the University of Kansas November 14, 15, and 16. More than 100 delegates will come from the various chapters at schools (Continued on Page 2)

## Television System Will Be Subject Of Public Address Here Wednesday

How moving pictures are transmitted by wire to a distant screen will be told by Dr. M. B. Long of New York in a public lecture at the University of Nebraska Wednesday evening.

Dr. Long is a member of the technical staff of the Bell Telephone laboratories, where the television system has been developed within the last few years. He will explain the process by which on April 7 of this year Secretary Herbert Hoover, speaking from a platform in the national capitol, "appeared" before a New York audience and addressed them.

The lecture is under the auspices of the College of Engineering and will begin at 8 o'clock in room 206, Mechanical Engineering building. It is open to the Lincoln public.

Television is a scientist's dream come true, say faculty members of the College of Engineering. The transmission of "still" photographs by wire has become so developed that newspapers now make free use of this means of obtaining news pic-

## KOSMET KLUB SELECTS ACTS FOR PROGRAM

Kappa Kappa Gamma and Alpha Tau Omega Submit Best Skits to Committee

### CHORUS TO BE NAMED

General Plans for Variety Vaudeville Show Are Nearly Complete

Skits submitted by Kappa Kappa Gamma and Alpha Tau Omega were selected for presentation by the Kosmet Klub for their variety show in the Orpheum theater Thanksgiving morning. Fifteen skits were submitted by fraternities and sororities, and considerable difficulty was experienced by the committee in charge in selecting the best act submitted by a fraternity, and the best one submitted by a sorority.

The characters for the Kappa act are an artist and his models. The entire skit is fashioned in the form of a review, and includes a great deal of singing and dancing. The artists models in this act will represent latest successes in Broadway theaters. Elaborate scenic effects, and spectacular lighting arrangements will be featured in this act. About thirty girls will participate in the Kappa skit, and the latest Broadway song and dance hits will characterize it.

### Music Features Fraternity Act

The Alpha Tau Omega act will be novel as to music. It will include songs and dances, interspersed with dialogue. Three pianos will be used in this musical skit, and the act will feature a new Nebraska song written by Joyce Ayres and Lamar Burling. These two artists will also play and sing several other original numbers. Hal Childs will take the leading rôle in the Alpha Tau Omega skit. Tryouts for the pony chorus of (Continued on Page 2)

## Y.M.C.A. FINANCE CAMPAIGN OPENS

Annual Drive Begins With Meeting Of All Captains and Workers This Afternoon

The annual Y. M. C. A. finance drive will be opened this afternoon with a meeting of all the captains and workers in the Y. M. C. A. rooms in the Temple at 3 o'clock. Cards bearing the names of all men in the school will be divided up between the twenty teams. Sherman Welpton, general chairman, declared that it is urgent that all men report for this meeting.

The real work of the drive will be started Tuesday evening at 6 o'clock, with a dinner at the Grand hotel. Several speakers will be included on a short program following the dinner. Immediately after, the teams will begin soliciting and will continue (Continued on Page 2)

## Film On Asbestos Will Feature Program Today

A three-reel film on "Asbestos" will be the feature of the university museum's weekly program at 4 o'clock Sunday in the lecture room, lower floor of Morrill hall. The film deals with the production of asbestos from its discovery, through the mining stages and marketing, and illustrates the many uses to which it is put.

## SCHOOL CHILDREN SEE FILM

Many Are Shown Colored Reels On Silkworm at Morrill Hall

Large audiences of Lincoln school children attended the showing of a colored film on the silkworm, given by the university museum in Morrill hall last week. The film was shown every afternoon at 4 o'clock, and fourth, fifth and sixth grade pupils attended in a body.

### This Will Be a Regular Feature at the Museum, It Is Planned. Films Will Be Shown Once Every Two or Three Weeks.

This will be a regular feature at the museum, it is planned. Films will be shown once every two or three weeks.

Students investigate problems and write reports of findings. The classes in food economics, under Miss Gibbons and Miss Peters, are having reports on marketing problems which have been investigated by individual members of the class. Some of the most interesting have been on the following subjects: "Observation of Women's Marketing Practices"; "The Number of Brands of Canned Goods Carried by a Single Store"; "A Comparison in Price of the Same Products in Different Types of Grocery Stores"; "Imported Products in a High Class Grocery Store"; "Effect of Size of Container upon Price"; "A Study of Food Advertising."

## High Point Man

Blue Howell, smashing Cornhusker halfback who scored the two Husker touchdowns against Pittsburgh yesterday in the east-west intersectional clash at the Pitt stadium. Howell's playing against the Panther eleven was one of the outstanding features of the game and brought many favorable reports from eastern football critics. Howell scored the first touchdown early in the first quarter after Welch made his sensational run after the kickoff.

## BALL TICKETS SELL RAPIDLY

New Honorary Colonel Will Be Presented at Annual Military Party

### CROWD MAY BE LIMITED

The ticket sale for the nineteenth annual Military ball is moving along fairly rapidly, according to Ira Brinkerhoff, chairman. Several of the men selling tickets have called for a second allotment and the sale has been on for only three days. Brinkerhoff urged in a statement yesterday that in the fraternity houses, the upperclassmen be allowed to secure their tickets before the underclassmen. This has been the rule in the past, since it is customary to limit the crowd. Henry Jorgenson, chairman of the (Continued on Page 2)

## FIVE GIRLS ENTER JUDGING CONTEST

Team From Department of Home Economics Takes Part in Kansas City Show

The department of home economics will have a team in the Intercollegiate meat identification and judging contest to be held in connection with the American Royal Livestock show at Kansas City, Missouri, on November 14. The following students will comprise the team: Louise Genung, '29, Carns; Dorothy Norris, '29, Laurel; Mary Schaff, '28, Lincoln; Marjorie Schultz, '28, Lincoln.

Five teams have entered for the contest. The Nebraska team is being coached by Professor W. J. Loeffel of the department of animal husbandry. A part of the expenses of (Continued on Page 2)

This will be a regular feature at the museum, it is planned. Films will be shown once every two or three weeks.

### CLASSES STUDY MARKETS

Students investigate problems and write reports of findings.

The classes in food economics, under Miss Gibbons and Miss Peters, are having reports on marketing problems which have been investigated by individual members of the class. Some of the most interesting have been on the following subjects: "Observation of Women's Marketing Practices"; "The Number of Brands of Canned Goods Carried by a Single Store"; "A Comparison in Price of the Same Products in Different Types of Grocery Stores"; "Imported Products in a High Class Grocery Store"; "Effect of Size of Container upon Price"; "A Study of Food Advertising."

## PANTHERS SCORE 21 TO 13 TRIUMPH OVER HUSKERS

Nebraska Gridmen Are Defeated In Spectacular Game Before Crowd of 25,000 Rooters; Howell Makes Two Touchdowns and McMullen Kicks Goal

### NINETY-SEVEN YARD PANTHER RUN IS GREATEST FEAT

Huskies Hold Opponents To Low Score and Outplay Them At Times But Are Unable to Overcome Panther Lead; Howell and Presnell Are Outstanding Stars

(Special to The Daily Nebraskan)

Pittsburgh, Pa., November 12.—In the most spectacular game ever played in the new Pitt stadium at Pittsburgh, Pa., the Nebraska Cornhuskers held the strong Golden Panthers of the University of Pittsburgh to a 21-13 score before a crowd of 25,000 frenzied rooters. The Huskers not only held the Panthers to a low score but outgained, outplayed, and outpassed the potential champions of the east, scoring nine first downs to Pittsburgh's eight.

On the first kickoff of the game, Richards kicked to Captain Welch of the Panthers who caught the ball on his own three-yard line and then pulled off the greatest feat of the day by running 97 yards through the entire Husker team for a touchdown. After he passed the 35-yard line the Panther captain had an open field for a touchdown. Booth added the extra point from placement and the score stood Pitt 7, and Nebraska 0.

## PICTURES MUST BE TAKEN SOON

Panels for Junior and Senior Sections Will Be Sent To Engravers Wednesday

### MANY YET TO REPORT

The panels for the junior and senior class sections of the Cornhusker yearbook will be sent to the engravers Wednesday morning, according to Dwight Wallace, editor of the yearbook. All pictures appearing in this section must have been taken by this time.

The Nebraska yearbook will contain one of the most elaborate sections which will appear in college yearbooks this year. The staff, the members point out, are going to considerable expense for these sections and so have been particularly desirous of having a representative number of pictures appear.

### Panels Must Go Wednesday

A large number of juniors and seniors have not reported to the studios. The panels will go to the engravers Wednesday regardless of the number who have had their pictures taken," the editor declared.

Cards are being sent to all class members who have not had their pictures taken, urging them to do so. Definite assignments are being given to the class members by the staff and if the students do not respond to this, the staff members say it will be necessary to omit them from the class sections of this year's book.

More than 800 members have reported thus far, leaving an equally large number who are to report before Wednesday in order to appear in the book.

## Y.M.C.A. Opens Fiftieth Year In Universities

New York, Nov. 12.—The student work of the Y. M. C. A. in 700 colleges and universities, 200 preparatory schools and 50 theological seminaries of the United States and Canada is celebrating its fiftieth anniversary this fall under the greatest stimulus since the movement was launched at the Louisville international Y. M. C. A. convention back in 1877.

This stimulus is the assurance of an enlarged measure of self-government as a major division of the Y. M. C. A., co-equal in status with the home division under the jurisdiction of which it formerly existed as a department. Action toward this goal has just been taken by the National Council of the United States at its fourth annual meeting in Chicago. The change will not become completely effective until a constitutional amendment is ratified a year hence.

The National Council of Student associations also advocated a measure to counteract the growing materialism and "realism" of the colleges. "The greatest need" it declared, "is a restatement of religious truth in terms compatible with the best knowledge and the most scrupulous intellectual honesty." Experimentation was urged to find methods to solve the issues arising out of "changing standards of marriage and relations of men and women, conflicts between racial groups and industrial and international relations."

Bicycle riding is the latest sport for co-eds at Northwestern university.

After the first minute of play Presnell caught the next kickoff on his own two-yard line and raced to the 43-yard line before he was stopped after a beautiful gain. The Huskers made several small gains through the Pitt line but were forced to kick. Pitt completed a 17-yard pass on which play Bronson was hurt and Captain "Jug" Brown replaced him.

Nebraska got the ball on downs and Presnell ripped off his second brilliant run of the game when he skirted the Pitt right end for a thirty-one-yard gain. Howell broke through Pitt's left tackle for eleven yards and Presnell added four more. After two plays Howell went over the Pittsburgh goal line from the two-yard line to score Nebraska's first touchdown. McMullen made his placement try good. This touchdown came after a powerful fifty-yard march down the field by the Husker backs, and ended the scoring for the first period.

### Pitt Makes Second Score

Pittsburgh's second score came as the second quarter started when Pitt had the ball on her own thirty-six yard line. Hagan ran to the far left side of the field, cut straight down the field, juggled through the Husker secondary defense, till held on open field, and raced sixty-three yards for the second Pitt touchdown. Booth added the extra point, making the score Pitt 14 to Nebraska 6. Captain Welch later scored when he took a long high pass from Hagan and ran sixty yards for a touchdown. Booth again kicked goal. The half ended soon after with Pittsburgh in possession of the ball. The Huskers far outplayed the Panthers for the remaining of this period but the Pittsburgh line stiffened when the (Continued on Page 2)

## TEACHERS GO TO CHICAGO

Home Economics Professors Attend Land-Grant Colleges Meet

The University of Nebraska will be represented at the Land-Grant college meetings to be held in Chicago, November 15, 16, and 17 by Professors Margaret Fedde and Mary Ellen Brown of the department of home economics.

At the home economics section the following subjects will be discussed: 1. "Present Social Problems of the American Family." 2. "Present Economic Problems of the American Family." 3. "Present Education Problems of the American Family."

Professor Fedde is on the program to discuss the third topic.

## Many Graduates Visit Department

Among the visitors at the department of home economics last week during the state teachers' meetings were the following graduates of the class of '27 who are now located in towns throughout Nebraska: Gladys Martin, Arnold; Lulu Baugh, York; Alberta Grandy, Alvo; Dorothy Held, Nebraska City; Helen Hildebrand, Gandy; Mildred Larsen, Exeter; Marion Overholt, Tecumseh; Mary Runnals, Stromsburg; Esther Tritsch, Lewiston; Ethel Wells, Wyoming.

## Doane Gives Readings To University Women

Professor Doane, university librarian, will give readings for the university women Sunday. Selections from Vachel Lindsay and other contemporary authors will be read at the Westminster house, 325 North 14 between 5 and 6 o'clock Sunday afternoon.
