Secretary and Active Head of Rhodes Trust Talks Here Next Monday

CLASSES TO BE EXCUSED

Upon the successful completion of his work and of the organization of self government for South Africa, Mr. Kerr returned to London where he was editor of the Round Table, a quarterly review devoted to problems of government. In 1916 he became secretary to Lloyd George, then prime minister of England, which position he held throughout the remainder of the war and through the peace conference. Afterwards he joined the staff of the London Times which position he relinquished to take up his present duties with the Rhodes trusts.

Presnell Fails To Boost Score But Holds Lead

Glenn Presnell, thundering Cornhusker halfback and Nebraska's candidate for the mythical All-American eleven, continues to lead the Missouri Valley in scoring honors. Presnell failed to score in the east-west clash with Pittsburgh but continued to hold the lead among conference scorers.

"Blue" Howell, running mate of Presnell, boosted his total in the Pitt-Husker game and crossed the white line for two touchdowns to advance his total to 41 points. The Panther eleven was watching Presnell in the intersectional clash at Pitt but failed to figure of the plunging work of Howell and the Omaha back slipped across his two counters for the Scarlet.

Presnell has led the Missouri Valley scorers since early October when he jumped into the lead after the Grinnell game at Lincoln. Although he failed to score against Pitt his 54 points accumulated in five games still stood high in the conference. Presnell's points have all come from touchdowns while Howell has kicked a trifling more versatile and has kicked five goals from placement. In total touchdowns, Presnell has nine

"Y" DRIVE WILL GET UNDERWAY THIS EVENING

Annual Finance Campaign for Religious Organization Is Being Staged

DINNER HELD TONIGHT

Final Organization to Be Made At Meeting at Grand Hotel, 6 O'clock

The annual Y. M. C. A. finance drive will get under way tonight. During the next three days every man in school will be personally approached by one of the 130 workers taking part, the committee declares. The goal is \$1,250 and represents that part of the total budget of the organization that is spent directly for student activities.

The drive will open with a dinner at the Grand Hotel at 6 o'clock followed by a short period of final organization. Similar dinners will be held on Wednesday and Thursday evenings, for the purpose of checking results and issuing cards to the workers. Soliciting will not be limited to evening work, but will be carried on throughout the three days of the campaign.

All of the workers in the Y. M. C. A. finance campaign are urged to be present at the dinner this evening at the Grand Hotel. Attendance at this banquet counts toward the total number of points for each team. The men who have not yet selected their cards, for soliciting have been asked to do this in the Y. M. C. A. office before 5 o'clock this evening.

Sherman Welpton, campaign manager, explained yesterday, that the drive is not for new members to the "Y". It is an organization for the entire student body, and is open to any one. Its activities are not limited to a small group of members. The Y. M. C. A. cabinet is chosen from the student body at large and in its plans it strives to carry out those things that will benefit the school. Welpton also explained that the \$1,250 which the students are asked to contribute is used only to pay for the activities which are of direct benefit to the school. Part of this money is used to bring noted speakers to the school, and part of it helps to maintain the reading room in the Temple. The other expenses incurred in the operation of the Y. M. C. A. secretary's office are paid by alumni and friends of the university.

Budget Explained
"The budget of this organization spends about \$2 per student," explained C. D. Hayes, general secretary.
