

# TEAMS BATTLE TO BREAK TIE

Delta Sigma Phi and Sigma Phi Epsilon Play Many Extra Period but End in Tie

## FOUR TEAMS UNDEFEATED

The Delta Sigma Phi-Sigma Phi Epsilon battle was the feature of Thursday night's program in the inter-fraternity water polo tournament. Four extra periods were played after a 1-1 tie at the end of the first two, and at the end the score was still a tie, 2-2. The game will be played off later. Tau Kappa Epsilon, Sigma Chi, Lambda Chi Alpha and Alpha Sigma Phi will also go to the second round as the result of the other games of the evening.

Theta Chi and Alpha Sigma Phi played close in the second game, and the only point made by the Alpha Sigs was on a foul. This put them on the heavy end of a 1-0 count, however.

### A. T. O. Defeated 10-0

Alpha Tau Omega showed lack of experience in their contest with Lambda Chi Alpha, and both field goals made were tallied in the first period. The A. T. O.'s stiffened up in the second half, however, and kept their opponents from scoring again. The final score was 10-0.

Spangler starred for Sigma Chi and made their goal against Alpha Gamma Rho. The A. G. R.'s scored one free throw making the final count 5-1.

Tau Kappa Epsilon decisively beat Alpha Theta Chi in the final game, the score being 20-0 at the final whistle.

## IN THE VALLEY

By JACK ELLIOTT

The Pitt Panthers will visit Lincoln on November 17 next year for a return engagement with the Cornhuskers. This date was announced by Herbert Gish yesterday. The game will be the Saturday before Thanksgiving, the Kansas Aggies coming to Lincoln for the Turkey year classic. The Pitt eleven and Nebraska are now standing fifty-fifth with one game won and one lost. Nebraska took the first meeting 10 to 0 and lost last week.

There will probably be numerous changes in the Husker team that faces the Aggie Wildcat at Manhattan tomorrow when the referee's whistle sends the two elevens into action. Ashburn will start the game at the wing position and the other end is doubtful but Lee is expected to be at his old post. Richards and Rands, Nebraska's pair of tackles are not in the best of condition for the Aggie mix and Bearg will take no chances on ruining Nebraska's hopes against the Violet eleven on Thanksgiving.

Captain "Jug" Brown will be barking the signals and the Husker backfield will be intact, with Howell and Pressnell at the halves and Oehlrich at full.

Elsewhere in the paper appears the Husker football schedule for 1928. The schedule will be one game shorter next year than this year but another game will probably be scheduled at Lincoln as there are only three home games on the card for next season. Nebraska opens the season as they did this year with Iowa State. The game is at Ames and the second encounter finds the Nebraskans trekking to the camp of the Syracuse eleven for a return engagement. On November 10 the Huskers play Oklahoma at Norman. This is the first Sooner-Husker game for some time.

Coach Charley Bachman, football mentor at Kansas Aggies will resign after the close of the football season, it is rumored throughout the Missouri Valley. Bachman is one of the foremost football coaches in the Valley and mid-west and his loss will be a keen one for the Aggie school. Bachman has brought the Wildcat team up within the past few years until it is one of the title contenders every season.

The Missouri Valley cross-country race will be held at Manhattan tomorrow and Coach Henry F. Schulte will take six of his distance runners to Manhattan for the run.

Governor McMullen of Nebraska, will be the guest of Governor Paulen of Kansas at the annual Missouri-Kansas football clash tomorrow. With new uniforms and bonfire speeches every night the Kansas Jayhawkers hope to raise the morale of the team and turn back the Tiger eleven at Lawrence.

## CHEMISTS HOLD MEETING

Burkey Addresses Phi Lambda Upsilon on "Perfumes"

Professor Fred S. Burkey of the College of Pharmacy, spoke on the subject "Perfumes" at an open meeting of Phi Lambda Upsilon, honorary chemistry fraternity last evening.

Professor Burkey gave a brief account of the origin and development of perfumes. He also displayed a number of rare perfumes.

They call it Water Polo. Well, after witnessing a few games we call it a mixture of wrestling and boxing.

Just that time of year when they taste awful good.

## KAGGIES GET READY FOR NEBRASKA TILT

Bachman Makes Changes in Kansas State Lineup; Is Shifting Backfield Players

Manhattan, Kans., Nov. 17.—Although there have been radical changes in the Kansas State football lineup with nearly each game, still another combination is due for a test against Nebraska, according to Coach Charley Bachman. With the loss of Holsinger and other setbacks with which to contend the Aggie coach yet hopes to show an aggressive backfield to the Cornhuskers Saturday, November 19.

Captain Jim Douglass, who has been the driving power of the Wildcats during the games with Iowa State and Texas, will probably play right halfback with his substitute, H. J. Dayhoff, at fullback. It is also conceded in the Aggie camp that Freeman, tackle, may show in the backfield for the first time at fullback.

Saunders Has Speed  
The job of left halfback is likely to rest on the shoulders of "Chief" Saunders who was used considerably at right half against Texas last Saturday. Saunders has speed and power and if he is able to master the new job in so short notice, he should make himself felt against the Nebraska eleven.

At quarterback Karl Enns will have his second competition since the opening contest when he was injured. He is still somewhat handicapped by a lame leg but Coach Bachman is counting more on Enns in his passing combinations than as a ball lugger.

The Aggie line, in spite of the one sided score that resulted from the Texas game, showed improvement against the Longhorns from that line which did not hold back the drives of Lindbloom and Miller of Ames two weeks ago. On the ends Fleck and Towler are listed to start with Edwards as a possible substitute for either. Neeley, who has been acting as understudy to Fleck, is lost to the Purple mentor since his withdrawal from school.

## NEBRASKA RUNNERS LEAVE FOR KANSAS

Schulte Takes Six Cross-Country Men to Enter Valley Meet

Six Nebraska cross-country men and Coach Henry F. Schulte are ready for the annual Missouri Valley run at Manhattan tomorrow. Three members of the Husker team were scheduled to leave this morning with the football team at 6:50 o'clock from the Burlington station, the other three planning to make the trip by car with Coach Schulte.

Captain Glen Johnson, Chadderdon, Sprague, Griffen, Etherton, and Kibble will make up the Husker team. Kansas and Oklahoma between them have victories chalked up against all Valley teams and are favored to annex the title won last year by Iowa State.

writes to annex the title won last year by Iowa State. Nebraska's close run against the Jayhawks here November 5, however, indicates that the Huskers have a fighting chance to bid for a place with the leaders. Three of the Husker runners, Johnson, Chadderdon, and Sprague ran in last year's meet. The other three are new men to the squad this year, having won their places after four dual meets and a series of try-outs.

## Out of the Game

Joe Holsinger, veteran back of the Aggie team, who will be on the bench during the Nebraska game. Holsinger was the triple-threat man against the Huskers last year and his loss to the Purple squad is a big one.

## JAYHAWKS HOPE TO RENEW MIZZOU JINX

Kansas Have Never Lost to Saturday Opponents on the Memorial Field

Lawrence, Kan., Nov. 17.—With one more football game this season, and that the all-important contest with Missouri, the University of Kansas squad, back from the Oklahoma defeat, has settled down to hard practice.

Season's dope is entirely against Kansas. Missouri is undefeated in the conference, while Kansas has won two, lost three and tied one.

And yet—Missouri has yet to win a game on the Kansas Memorial field. Two years ago Kansas won 10 to 7, and the time before—the year of the big snow—the score was 3-0. In 1921, the year the new stadium was used, Kansas won 15 to 9.

teams have been playing. Advance ticket sales, and inquiries coming to the athletic office indicate the 34,000 seating capacity of the enlarged stadium will be taxed for the game Saturday. If necessary, additional seats can be placed at the south end of the field. The game marks the final appearance of at least six of the Kansas players, and if George Mackie gets into the fray it will close his playing at Kansas. He has been out all season with a bad ankle. Included in the list playing their last football for the Jayhawks will be Captain Barrett Hamilton, quarterback; Wesley Cramer, tackle; Carl Kullman, guard; Harold Schmidt, halfback; Glenn Burton, center; and Thomas Myers, guard.

## MILLER LOST FOR SATURDAY TUSSLE

Iowa State Backfield Ace Has Knee In Cast; May Be Ready For Marquette

Ames, Iowa, Nov. 17.—No operation has been performed upon the "trick" knee of "Touchdown Johnnie" Miller, Iowa State backfield ace, according to an announcement of Coach Noel Workman. However, Miller's knee was placed in a cast by Waterloo doctors following the Missouri game and the Cyclone halfback will be lost for the tilt with Grinnell at Ames Saturday.

Whether or not he will be at his old post for the important non-conference clash with Marquette at Milwaukee Thanksgiving day cannot be determined until the cast is removed in about a week. Miller's knee was injured in the 12-to-12 tie with Illinois. In the opening kickoff Miller carried the ball seventy-five yards and was downed five yards from the goal, hurting his knee. In every game since his knee has gone bad after a few jolts.

Workman Grooms Three Men  
To replace him Coach Workman is grooming three men, "Chink" Hill, "Red" Hill and Kulp. All three men have been used previously with good results. Hill's passing was one of the features of the Drake victory. Hill relieved Miller in the Illinois game and was one of the highlights

of the Cyclones' driving offense. Kulp, weighing 142-pounds, is a consistent performer. Against Grinnell, Holloway Smith will again take up his tackle berth, while the rest of the lineup for Grinnell will be the same as that used against Missouri. No scrimmage sessions will be used to get the Iowa State team in shape for Grinnell.

## Pivot Man

Pearson, Aggie center, is one of Bachman's mainstays in the Purple forward wall. Pearson has been playing a good game all season at the center position and will start against Nebraska at Manhattan Saturday.

## CLOTHES in the MARLBOROUGH MOD

What Is Individuality?  
It is that something which makes you different from any one else among the billions of persons in the world. It is what men and women like about you. It is what your business acquaintances respect in you. The man of attractive individuality stands out in a crowd. He is a success in business and in social life.

Let Us Give Your Attire a "Protected Individuality"

IF YOU REALIZE (and of course you do) the business and social value of absolute individuality in your costume—  
If you agree with us (and don't you?) that individuality is the sine qua non of truly smart attire—  
We have a message for you.  
For the first time in this city, we are offering masculine styles with a Protected Individuality.  
By special arrangement with the makers of the celebrated Marlborough Modes, we are authorized to sell only a strictly limited number of each Marlborough style. In this way, each purchaser is insured against that "standardized," "factory-made" appearance which is so distasteful to the man who knows and cares.  
In Marlborough Modes we can give you authentic University styles such as only a few of the best tailors in the leading university towns could produce—and at a price which, naturally, no custom tailor could match. Owing to the limited feature, which makes possible the protected individuality of Marlborough Modes, an early selection would be to your advantage.
