

SCHULTE PLANS 1928 CAMPAIGN

Veteran Mentor Begins Work Towards Building Team For New Year

HEAVY INDOOR SCHEDULE

Nearly one hundred candidates for Nebraska's 1928 track and field squad started work-outs on the indoor track under the east stadium Wednesday afternoon, with a similar number out again Thursday.

Meetings were held Thursday afternoon for men in similar events to agree on practice times. Coach Schulte plans to have all sprinters work out together, all distance men work out together, all pole vaulters work out together, and so on through all events. The veteran Husker coach expects to get stronger competition by getting the men in each event together three times a week.

Coach Schulte has barely had a chance to look over the 1928 hopefuls. A heavy indoor schedule is in the process of the making and the Huskers have one of the best outdoor schedules of recent years, culminating with the annual Missouri Valley meet which will be held here for the third successive time.

Wants More Candidates

More men out is the chief desire of the Nebraska coach at present. Past experience has taught him that it is only out of a large squad that a championship team is built. The Huskers fell to third place in the valley last year, the lowest since Coach Schulte took over track and field here. They were barely nosed out by Oklahoma University with Bobby Stephens, captain and holder of the indoor broad jump record, sitting on the bench, and "Perly" Wyatt, re wrenching a bad tendon in his leg on the first heat of the 100 yard dash, an injury which kept him out of the remainder of the meet.

Sprinters, hurdlers, 440, 880, mile and two mile runners, met Thursday afternoon with Coach Schulte to choose a common time for practice three nights a week. Field events men will meet this afternoon under the stadium with Coach Schulte to agree on times for them to meet.

The schedule of meetings is as follows: high jumpers, 4:15; broad jumpers, 4:30; pole vaulters, 4:45; shot putters, 5:00; discus throwers, 5:15; javelin throwers, 5:30.

IN THE VALLEY

By JACK ELLIOTT

Roiland "Gip" Locke, Nebraska sprinter and world's record holder for 220 yards, and "Chief" Elkins, the Indian who established a new American record in the decathlon last summer at the A. A. U. meet in Holland this summer. Both men have started training in preparation for the Olympic games in July.

Locke recently underwent an operation for the removal of his tonsils and as a result is expected to run better than ever before. "Chief" is an all-around star at Nebraska and has started in his training and is expected to be a real contender for Olympic decathlon honors.

Coach Ernest E. Bearg, head football coach at Nebraska, has been offered the position as football coach at the University of California, Southern branch, according to reports issued during the holidays. University officials have not commented on the report. The California school is said to have made Coach Bearg two offers, the terms of which are unusually attractive. Bearg was out in California during vacation to witness the tournament of Roses battle and as yet has not returned.

The Pitt Panthers, erstwhile football champions of the east and conquerors of the powerful 1927 Cornhuskers, suffered their first defeat of the year at the hands of "Pop" Warner's Stanford Cardinals in the annual Tournament of the Roses at Pasadena Monday. The first half of the annual battle was a thrilling game and both elevens were held scoreless but in the third stanza both teams unleashed a powerful offensive drive and by virtue of its point after touchdown the big red team from the Pacific coast won the fray 7 to 6.

A colorful throng of 60,000 saw the Cards come back in the third period after a heartrending break had put them on the short end of the 6 to 0 count. A fumble by Wilton was picked up by Hagen and the Panther back ran nineteen yards to cross the chalk line for the first counter of the battle.

The American football coaches association at their meeting in New York on December 30 ruled and eliminated the rules made in 1927 affecting the lateral pass and the recovery of fumbled punts. The coaches voted in favor of returning to the 1926 rules affecting these two features.

The rules committee, however, stood pat on all the rest of the rules that were inserted into American football last year. The moving of the goal posts back ten yards and other alterations made in the code have accomplished their purpose and were left alone.

starting in the lineup want the same route as the Pittsburgh Panthers, losing the benefit game at San Francisco December 26 to the All-star western eleven, 16 to 6. Glenn Presnell and Ray Randels were the two Nebraska men who started the game.

The All-American material from the east failed to impress the rangy westerners with their reputations, who before the game was five minutes old took the lead, never to be headed. Joel Hunt, stocky halfback from the Texas Aggies; "Butch" Meeker of Washington State, who would be taller if he lay down sideways up, and "Cowboy" Kutsch, a wiry streak from Iowa, were the principal factors in the downfall of Coach "Andy" Kerr's eastern aggregation.

ALPHA SIGS DEFEAT PHI GAM QUINTET

Nose Out 16-15 Victory in Last Period of Only Game Played in Basket Tourney

Alpha Sigma Phi staged a rally in the final period of play to win over Phi Gamma Delta 16 to 15 in the only game of the class B inter-fraternity basketball tournament last night.

The game was a hard fought contest from the first whistle and was won in the closing seconds of play by a free throw made by Anderson of the Alpha Sig quintet. Anderson played an excellent game throughout and was responsible for 12 of his team's points.

The Alpha Sigs led out in the scoring, but were soon tied by the opponents, the quarter ending in a 2 to 2 tie. In the second period Phi Gamma Delta piled up five points to two for the Alpha Sigs. In the third period Phi Gamma Delta raised its total to 11 to six for the Alpha Sigma Phi team.

In the final period the Alpha Sigma Phi quintet hit its stride and seemed able to locate the basket almost at will, rolling up ten points in the last few minutes to win the game. Anderson starred for the winners by piling up 12 of his teams total singlehanded. Towne and Roberts starred for the Phi Gams, each making six points.

furnish athletics to all students and to give the non-fraternity men competition on an equal basis to that of the fraternity man. It is also for uncovering new track material. In addition the meets increase company loyalty as well as provide competition within the company, stated "Jimmy" Lewis of the athletic office.

The meet will be run off in three periods for each company, one period taking place each week. The first period consists of a 50 yard dash, high jump and shot put. The second period will be taken up with the broad jump, 256 yard run, 50 yard low hurdles, and the pole vault. At the third meeting the 35 pound weight will be thrown, the 35 yard high hurdles and four relay teams of four men each will run two laps or 512 yards each.
