Discussion Went to Faculty Committee After Vote Taken By Student Council

Definite action was deferred on the abolition of student honorary societies, at the meeting of the Faculty Committee on Student Organizations late yesterday. Among the reasons for the deferred action, was the consideration as to whether the Valkyrie organization had enough activities to merit its existence, or whether it should be included with the rest of the societies in question.

The meeting was called as the result of a Student Council meeting last week, when it was voted to abolish Viking, Silver Serpent, Xi Delta, Iron Sphinx, Mystic Fish and Green Goblin honoraries, because of their inactivity and lack of purpose.
