PRICE 5 CENTS

SOUSA WRITES SPECIAL MARCH FOR NEBRASKA

Famous Composer Complies With Request Made Last Autumn

TO BE FORWARDED SOON
University Band Will Have Own Distinctive Music For Programs

John Philip Sousa has composed a "University of Nebraska March" which will be forwarded to University officials soon.

Sousa's military band presented a concert in Lincoln last fall, and the leader was asked at that time by Acting Chancellor E. A. Burnett to compose a march for the Cornhusker school. Word was received yesterday that Commander Sousa had completed the "University of Nebraska March."

Writes Letter to Burnett
Nebraska's R. O. T. C. band will soon have a distinctive march written by the "march king" of America. The letter telling of it follows:
Dear Mr. Burnett:

Remembering my promise to write a march to be dedicated to your University, the inspiration started working a couple of weeks ago and last night I finished the band score and the piano score of the march.

Will you let me know immediately if you want the title called the "March of the University of Nebraska," or whatever other names suggests itself that will be in keeping with the dedication? I sincerely hope the march will appeal to you and the students. My friends seem to like it very much.

Yours sincerely,
JOHN PHILIP SOUSA.

STUDENT SNOBS ARE THEME OF VESPERS

Tuesday Meeting Takes Up "Greatest Student Sin" as it Affects University Life

Snobbishness, voted most popularly as the worst student sin in a recent canvass, was discussed at Vespers Tuesday evening both as it affected individuals and as it affects group organizations.

"Snobbishness is probably a much greater sin than the other things which were mentioned as sins when the votes were taken, because the other things don't hurt other people, they are individual concerns, and snobbishness is something we do that hurts someone else," declared Mrs. Roy Green, a member of the advisory board of the Y. W. C. A. She dealt with snobbishness particularly as it affects the individual.

"The snobs that step on people are no worse than the snobs that let themselves be stepped on," she continued, "but sometimes we just don't" (Continued on Page 2.)

ELLEN SMITH'S LIFE IS BOOKLET SUBJECT

Literary Society Publishes History and Anecdotes Concerning Early University Registrar

To the memory of Ellen Smith, the registrar of this University from 1877 to 1902, who was commonly known to her students as "Ma" Smith, Josephine Frisbie and Marjorie Stutz, representing Chi Delta Phi, women's literary society, have published a booklet of the life of Miss Smith.

Doublets some of the students have wondered why that stately building at the corner of R street and Fourteenth was named Ellen Smith Hall. This building, like the booklet, is a tribute to the memory (Continued on Page 2.)

Scientists Are Always Open to Conviction, Says E. F. Schram

(Editor's Note: The following is the third of a series of interviews with University of Nebraska scientists concerning scientific dogmatism, which will be published in The Daily Nebraskan.)

(By Paul Nelson)
"Personally I do not think that modern science is dogmatic in its assertions," declared Prof. E. F. Schram, professor of geology, when asked for his opinion on the more prevalent idea that science is becoming as dogmatic in its assertions as religion was until recently.

Organization Write-ups Wanted for Cornhusker

All organization write-ups should be in the Cornhusker office not later than Thursday, announced Fritz Daly, organization editor, yesterday. To date, few of the organizations have turned in their stories and it is holding the staff back in their work. The organization section will go to press as soon as the write-ups are turned in.

They should include a list of the members, officers, the organization's activities, when it was established and what for. Any other information, not exceeding 250 words, as to the nature of the organization is desired.

BURNETT PLANS PARKING CHANGE

Acting Chancellor Proposes New Traffic Rules for University

EXTEND YELLOW LINES

Suggested changes in the present parking regulations affecting the University near R street were proposed by Acting Chancellor E. A. Burnett in a letter Monday to Commissioner Bair.

Chief among the contents of the letter was the statement that the Chancellor planned to ask for an order banning parking for about twenty-five feet on each side of Twelfth street, along the north side of R street.

Would Help Walk
"That is," Chancellor Burnett explained Monday evening, "the yellow line on the north side of R street would be extended east and west from Twelfth street to the other sidewalks." He pointed out that these sidewalks are used extensively by students and that clearance of cars parked in that region caused considerable traffic disorder at the corner of Twelfth and R streets, particularly during the rush hours.

The letter also stated that permission would be asked for parking at the fire department cistern near the building at Tenth and R streets. Not more than two cars can be parked at the cistern, according to the Chancellor, and in the event of a fire they could be removed easily.

Objection to this latter proposal was voiced by Fire Chief Hansen. "The cistern should never be blocked" (Continued on Page 2.)

MISSOURIANS WILL ENTERTAIN MATMEN

Valley Wrestling Meet Scheduled For March 9 and 10 at Columbia School

Missouri University will be host to the Missouri Valley wrestlers in the Valley meet on March 9 and 10, as announced by Chester L. Brewer, director of athletics at the Tiger school.

Seven of the ten Missouri Valley members will send full seven-member teams to the meet. Grinnell, Washington and Drake will send individual entrants in several classes. The latter three schools in the conference have not entered a schedule of intercollegiate dual wrestling meets.

Continuous Matches
On Friday morning, March 9, the matches will be run off in a continuous performance, which will close Saturday night. Two rings in Rothwell gym will be set up so that two matches may be run off at the same time.

"Sec" Taylor, sports editor of the Des Moines Register and veteran official, and Leon Bayann, wrestling coach at Kemper Military school and a former national champion, will officiate.

Gold, silver, and bronze medals will go to the champions, runners-up and third place winners in the seven classes.

Campus Topics Revolve About New Prom Girl

Co-Eds Boost Candidates for Position as March 2 Draws Nearer

Speculation as to the probable choice of the Prom Girl, has been the main topic of campus chatter the past few days. With hardly more than a week left until the prom, March 2, sorority sisters have already started a campaign for their particular choice. Junior and senior men are being confronted at least six times a day with the question, "Who is your choice for Prom Girl?"

Misses Ruth Palmer, Edith Mae Johnson, Irah May Cottrell, Maxine Smith, Geraldine Fleming and Ernestine McNeil will be candidates for final balloting the night of the prom as a result of the second semester elections. This plan enables all juniors and seniors to have a part in the selection of the prom girl.

"Dates" Will Influence

Final voting will no doubt develop into the choice of the "date." Sororities at present are not guilty of political factions but those not having a member in the final polling will probably instruct sisters as to whom they should support and even in this day and age, the woman reigns su-

STARRELS TALKS AT NOON WORLD FORUM

Rabbi of Lincoln Church Will Speak at Regular Weekly Meeting at Grand Hotel Today

"Americanization and Common Sense" will be the subject of the talk to be given by Solomon E. Starrels, rabbi of the Jewish Congregational church, B'Nai Jesurun, this noon at the World Forum luncheon. Tickets are still on sale at the Y. M. C. A. and the Grand Hotel.

At his many appearances before World Forum, Rabbi Starrels has met with success, according to the opinions of those connected with World Forum luncheons. A large crowd is expected by the committee to greet Rabbi Starrels when he presents his address today. Having completed many speeches on topics of nationwide interest, Mr. Starrels will come to World Forum today with many recommendations from those who recently heard him address the Woman's Club of the city on the subject of "Americanization and Common Sense."

He is at the present time a student in the University of Nebraska. Since his arrival in Lincoln in 1923, Mr. Starrels has spoken at World Forum on various occasions. In 1925 he gave an address on the subject of "Universalism." Today he will attempt to give his points of view on the subject of "Americanization and Common Sense."

HOME EC WILL STUDY MEAT

Professor Loeffel Will Demonstrate Different Grades of Meat

On Wednesday and Thursday afternoons the food study classes of the home economics department, under the direction of Miss Matilda Peters, will attend a meat-cutting demonstration given by Professor W. J. Loeffel of the animal husbandry department. The demonstrations will be given at the meat laboratory at the Agricultural college.

In the demonstrations Professor Loeffel will aim to show the students the different grades of meat as well as to acquaint them with the different wholesale and retail cuts.

It is felt that this demonstration is a most valuable part of the work given on meats.

Business Officials Will Visit Students

Officials of the Northwestern Bell Telephone and Western Electric companies will be on the campus Thursday and Friday interviewing graduating seniors. Seniors who wish to learn of opportunities for college men in these organizations may meet them in Mr. Bullock's office, Social Science 307.

Kosmet Show Cast Hos Not Yet Been Selected

Persons who tried out for the Kosmet Klub show, "The Love Hater," will be compelled to wait another day before the cast is announced.

Due to the unexpected crowd of applicants Monday evening it will take Kosmet Klub longer to pick the cast. It will probably be announced in tomorrow's issue of The Daily Nebraskan.

University of Nebraska Debaters

Above are the members of the University of Nebraska debate team, which last night debated the question of government interference with the University of Missouri. From left to right they are: top row, David Fellman, Robert Baldwin, Reginald Miller; bottom row, Lester Schoene, Evert Hunt, Joseph Ginsberg. Lester Schoene and Evert Hunt debated at Missouri last night, while David Fellman and Reginald Miller appeared against the southerners at Lincoln. The other two members of the team did not debate against Missouri.

Y. M. C. A. MEN ARE NOMINATED

Hager and Olson Candidates For President; Hunt, Groth, Tomson Will Run

BALLOTS WILL BE MAILED

Nominations for officers of the University Y. M. C. A. for next year were made at a recent meeting of the nominating committee. Those who were nominated were: Gordon V. Hager, '29, Lincoln, Lincoln, and Carl W. Olson, '30, Lincoln, president; F. Wendell Groth, '31, Lincoln, and Coburn T. Tomson, '31, Lincoln, secretary; Joe M. Hunt, '28, Scottsbluff, representatives on the Rocky Mountain field council.

No vice-president was nominated as the candidates receiving the next to the highest number of votes for president will automatically become vice-president. The latter is not merely a nominal position but shares the responsibility of the work connected with the office of the president.

New Office Made

A new office has been created, that of representative of the Rocky Mountain field council. It has come about through the creation of the new national student division of the Y. M. C. A. Under this plan there is a council in each field into which the country is divided.

This position has taken the place (Continued on Page 2.)

Y. W. C. A. DINNER IS THURSDAY NIGHT

Annual Staff Entertainment Will Be Held in Preparation for Finance Drive

A dinner for all staff members of the Y. W. C. A. will be held Thursday evening at 6 o'clock, in Ellen Smith Hall. The dinner will serve as the annual get-together of the staffs in preparation for the annual Grace Copeck drive to collect funds for Nebraska in China. Miss Elsie Ford Pieper will speak on Grace Copeck's school years at Nebraska.

A musical skit will be presented by Harriet Davies, Pauline Bilon, Katherine Williams, Faye Williams, Geneva Davis, and Hazel Sutton. Delta Omicron, musical sorority, will furnish entertainment during the dinner. Eloise Keefer, chairman of the Publicity Committee, is in charge of the affair, assisted by Dorothy Craig, decoration; Geraldine Heikes, secretary. (Continued on Page 3.)

BIG SISTERS PLAN WASHINGTON PARTY

Will Give Annual Entertainment for Little Sisters Saturday at Ellen Smith Hall

George Washington's birthday is to be the occasion of a party given for the Little Sisters of the campus by the Big Sisters Advisory Board at Ellen Smith Hall, Saturday, February 25. Every February the Little Sisters are entertained. Last year a Valentine Day program featured the party.

The Big and Little Sisters will gather at 3 o'clock Saturday afternoon. For two hours they will be (Continued on Page 4.)

Visitor Gives Local Campus His Approval

By Bill McCleery

"The Nebraska student council made a wise move in eliminating all but the senior honoraries under the existing circumstances," stated Hartley Pollock in an interview last evening before the Missouri-Nebraska debate. Pollock is a member of the Missouri student body and was a delegate to the National Student Federation of America convention held in Lincoln this winter.

"The average university campus," continued Mr. Pollock, "is over-organized. I believe in concentration upon university work which is lost in too many individual organizations." Pollock went on to say that, in his opinion, the student council of a university should occupy the paramount place among university organizations. He added that Nebraska's system represented what he considered the proper arrangement of organizations.

Approves N. S. F. A. Meet

Pollock expressed his approval of the manner in which the N. S. F. A. convention was handled at Nebraska. "Jensen, Palmer and Kezer deserve a lot of credit," remarked the debater. Incidentally, the N. S. F. A. convention will be held at Missouri next fall.

"I'm mighty glad to be back!" asserted Hartley Pollock, emphasizing the fact that he had been very hospitably received. He was interviewed (Continued on Page 3.)

HOME EC GIVES NEW COURSE

Household Equipment Laboratory is in Machinery Hall

The laboratory for household equipment, a new home economics course, is located on the second floor of Machinery Hall. The room has been turned into an attractive laboratory and is one of the busiest places on the campus.

There are now five units in the laboratory: the laundry unit, the house cleaning unit, the stove unit, the electrical appliance unit, and the non-electrical appliance unit. Each contains household appliances.

Special effort is being made to have a course in household equipment in summer school. This will be useful for graduates who will return for summer school work.

A new home economics course in special problems in equipment is being offered this semester according to Miss Mary Mason who has charge of this work. This requires that the girls taking this course do work on individual research problems.

Eight practical equipment problems are well under way and are being worked out by the following girls who compose this class: Ruth Davis, Henrietta Fleck, Dorothy Layler, Kathryn Meier, Mary Mills, Margaret Richert, Mary Theobald, Thelma Young and Jessie Baldwin.

Leaders in Prom Ticket Sale Will Get in Free

The three students who sell the most tickets to the Junior-Senior Prom will be given complimentary tickets to the party, it was announced yesterday by Charles O. Bruce, chairman of the ticket committee. Students wishing to buy tickets may obtain them at their respective fraternity houses or in the Cornhusker or Daily Nebraskan offices.

BLUES RECORD TRI-COLOR WIN

Senior Team Finishes First on Cinders for Third Consecutive Time

RED GROUP IS SECOND

The senior Blue team again proved its supremacy when it won its division for the third consecutive time in the tri-color track meet staged Tuesday afternoon under the east stadium. Coach Henry F. Schulte, Jimmy Lewis, "Choppy" Rhodes, and the student managers, William Dubois and Harold Miller, supervised the meet.

The Blue team scored 102.5 points in Tuesday's meet; the Red team, 95.5; and the Black team, 81 points. The junior Black team scored 52 points and edged out the Blues who totaled 51. The Red team garnered 48 points for third place.

New Scoring System

According to the scoring system used by the student managers, the winning team of each meet makes one point; second place, two; and third place, three. The team having the lowest number of points after the first four meets wins a "feed" from the other two teams of each division. Following the first three meets, according to this scoring method, the senior Blue team has three points; the Red team, 6 points, and the Black team 9. The Blue team has already won the first series of four (Continued on Page 4.)

PRIZES ARE OPEN TO UNIVERSITY CO-EDS

College Women's Association Offers Scholarship Awards to From One to Four Students

The Lincoln branch of the American Association of University Women will give scholarship awards to women students who will be juniors or seniors next year. The application blanks may be secured at the office of the Dean of Women and must be filled out by March 12.

The awards are made on the basis of high scholarship or academic distinction and financial need. The committee in charge consists of Dr. Winona Perry, Dean Amanda Heppner, Professor Margaret S. Pedde, Miss Gertrude Hanford and Miss Muriel Greer.

Four students received the scholarship awards last year, and from one to four may be given it for the coming year.

Campus Knights Fare Forth Bravely To Rescue of Beleaguered Damsels

By Maxine Hill

The day of chivalry has not vanished from modern campuses. The Alpha Sigma effectively proved that knighthood is in flower when they volunteered as a chapter to rescue their neighbors, the Tri Deltas, whose doors, windows, and fire escape were being battered by a veritable army of little ragamuffins. Perhaps all members of the chapter couldn't find their trusty spears and armor.

A swarm of boys, ranging in age from about ten to fourteen, feeling especially sociable, burst into the Tri Delta house through the back door late Monday afternoon, and proceeded to cause a stampede, smoking their weed cigars and demonstrating their

NEBRASKA WINS AUDIENCE VOTE OVER MISSOURI

Debaters, Upholding Negative of Issue, Get Majority On Their Side

JUDGE WILSON PRESIDES

Visitors Contend that Rights of People Are Being Taken Away

By Don Carlson

Exhibiting concise, energetic arguments, propounded with striking bits of humor, the Nebraska debate team, debating on the negative side of the question, "resolved, that this house deplores the tendency of governments to interfere in the rights of individuals," won the decision by majority of the audience over the Missouri debate team, in the intercollegiate debate held last night at the Social Science auditorium.

The Nebraska team composed of David Fellman and Reginald C. Miller presented a constructive argument that won the approval of the audience over the Missouri debaters, Mr. M. M. Christensen and Mr. Hartley Pollock. Although the debaters of this University were accorded a large majority of the votes, the debate was very close, according to the opinion of Judge W. W. Wilson, of the Supreme Court Commission, who presided.

"I think that this was a magnificent" (Continued on Page 3.)

GLEE CLUB SONGS WILL BE BROADCAST

Radio Fans Will Hear Program by Men's Chorus From Local Station KFAB

The Men's Glee Club of the University of Nebraska will broadcast from KFAB Wednesday night at 10 o'clock. Herman T. Decker, director, accompanied by Jean E. Decker, will give a group of songs. He has selected in Arcady by Moonlight, Branscombe; The Desert Song, Romberg; Captain Mac, Sanderson, and The Drum Major, Newton.

The Glee Club will give the two following groups of songs: Song of the Volga Boatmen, Russian Folk Song; Stars of the Summer Night, Woodbury; The Heart of You (from the Largo of Dvorak's "New World Symphony"); Love's Greeting, Elgan. The second group is: Sweet Little Woman O' Mine, Bartlett; Plantation Love Song, Deems Taylor, and Droutheim (a short Cantata), Protheroe.

The Varsity Quartet consisting of (Continued on Page 3.)

DEAN LYMAN IS ON STATE COMMITTEE

Nebraska Professor Named Chairman of Group for Revising Local Physiology Courses

Dr. R. A. Lyman, dean of the College of Pharmacy, has been appointed chairman of a committee for revision of physiology courses offered in the high schools of the state. The appointment was made by the State Department of Public Instruction, through G. W. Rosenlof, director of secondary education and teacher training in the state.

It will be Doctor Lyman's duty as chairman to appoint members of his committee and to supervise the work of revision. This committee is responsible for the preparation and submission of a one-semester course in physiology to the general committee on revisions, which is composed of seven members representing the university, the state department, and the Nebraska State Teachers' Association.

knowledge of profanity. Those who were forcibly pushed out or who were not lucky enough to get in scrambled up the fire escape, ran around to the windows, or began to push against the doors which by that time were firmly barricaded by a half dozen terrified girls.

In answer to a hurried telephone call two noble knights emerged from the Alpha Sig house, and since the marauders had combined their efforts in an attempt to make another entrance through the back door, the would-be rescuers glanced skeptically about and strolled leisurely across the street. Another minute and the front door was again the subject of (Continued on Page 3.)
