

HUSKER BOXERS WIN TWO A. A. U. TITLES

Rock, Poet Earn Right to Compete in National Tourney; Urban Takes Second

Two titles were won by University boxers at the Midwestern A. A. U. boxing tournament, which was held Friday in Omaha. Rock won in the lightweight class, while Poet won in the welterweight division for the second consecutive year.

Rock took his prize by scoring two first round knockouts. Poet scored a K. O. in his first bout, while the second victory came by the decision route. These men are entitled to enter the national tourney which will be staged in Boston, April 23 and 24.

May Go to Boston
The United States Olympic team will be selected from the winners of this tournament. Although no def-

inite announcement was made yesterday, it is quite probable that Rock and Poet will take part in the big mitten-slinging contest.

In the lightweight class, Toohy placed second. Dingman may be awarded first in this class as his opponent is alleged to be a professional. Protest was filed by Coach Rudolph Vogeler, who is in charge of the Nebraska pugilists.

Urban won second place in the heavyweight class, while Brainerd failed to place in the light heavyweight division. Cherry was an entry in the lightweight class.

PRIZES ABOUND FOR RUNNERS AT KANSAS

One Award for Every Four Athletes Entered in Competition Is Offered by Officials

Lawrence, Kans., April 14.—Although nearly one thousand athletes compete in the sixth annual Kansas relays here, the afternoon of April 21, the prizes are so numerous that they total one for nearly every four men. All of which means that every athlete and school has a good chance to take home some kind of prize.

The trophies, medals, cups and gold wrist watches up as rewards for winners of first, second or third place in the fourteen relay races and ten special individual events total exactly 225.

The prizes are even more numerous this year than in the past because of the new team trophy being offered this year to winning relay teams in the fourteen races for universities, colleges, and high schools. The new team trophy is a gold-bronze plaque, twelve inches high,

with a metal base upon which it stands. Upon the plaque is shown two relay runners making a pass of the baton, with the Kansas memorial stadium and the outline of the University of Kansas for a background.

In addition to the plaques there are thirteen challenge cups or trophies for the various relay races, fifty gold, seven jewel wrist watches for winning relay teams in the college and university class relays, sixteen gold medals for winning relay teams of the high school class, sixty-six silver medals for second place winners in all events, and sixty-six bronze medals for third place winners in all events.

Iowans Wins Cup
Several of the challenge cups already have been won twice by certain schools, most of which will be back this year in an attempt to clinch possession.

One of the chief challenge cups is that offered by Dr. John H. Outland, father of the Kansas Relays, for the mile relay of the university class. The University of Iowa won permanent possession of the first challenge cup offered by Dr. Outland and has two legs upon the present cup. The Iowa team will be back again this year with another crack mile quartet that will rule as favorite in that event.

The university scholastic axe fell hard on the students of the University of Washington when 678 students were dropped from the university roll for failure to meet scholarship requirements. The majority on the list was composed of undergraduates effected for the first time by the new rule which requires freshmen and sophomores to keep two thirds of their grades for any two quarters up to C or better.

HUSKERS DEFEAT MISSOURI 88-43

(Continued from Page 1)

was not until Hursley won the 440-yard dash in the remarkable time of 50 seconds that the Tigers could boast a first place. The Huskers took all three places in the high and broad jumps, Benbrook winning the former with Potts and Fleming second and third; while Andrews leaped 21 feet, 7 inches for a first in the broad jump with Fleming and Potts placing behind him.

Trumble Wins
"Timber" Trumble, Schulte's hurdle ace, scored a victory in both of the barrier events, running the high hurdles in 15.6 seconds and dashing to the tape in the fast time of 24.7 seconds in the low hurdle race. Easter, besides winning the hundred sprinted to first place in the 220-yard event being clocked in 22.7 seconds. Dills, Missouri, finished second in this race.

Miller Brown, Tiger weight star, was high point man of the meet with 11 points recording wins in the discus and shot put events and a third in the javelin. Easter and Trumble, Nebraska, with 10 points each, tied for second high scoring honors.

Epstein, Missouri, and Johnson, Nebraska, staged a thrilling race in the 880-yard run when they battled for the lead down the home stretch with the Tiger runner emerging victor by a slight margin. The Missouri mile relay team defeated the Huskers, holding the lead throughout the race and being timed in 3 minutes, 26.7 seconds.

The summary of events:
Track Events
Mile run: won by Janulewicz, Nebraska; second, Etherton, Nebraska;

third, Thelan, Missouri. Time 4 minutes 34.2 seconds.

Ithaca, N. Y.—(IP)—Cornell University students last week waded to classes through the heaviest snow-storm they have had since 1925.

Seek Olympic Honors
Charley Paddock and Jackson Scholz are trying for their third Olympics and if they succeed in winning places on the U. S. contingent will be the only American sprinters ever to have competed in the Games three times.

What Shakespeare says about Coca-Cola

"Nature's above art in that respect"

King Lear may have looked like a walking florist shop, but he certainly talked a full-meaning headline for this Coca-Cola ad:

A pure drink of natural flavors—produced before the day of synthetic and artificial drinks, and still made from the same pure products of nature.

The Coca-Cola Company, Atlanta, Ga.

8 million a day — IT HAD TO BE GOOD TO GET WHERE IT IS

STEP LIVELY!

Hayfoot, Strawfoot, Wingfoot, men! Strut her out and back again. You can't beat the way it feels Stepping out on WINGFOOT HEELS.

LIFE travels at a nifty clip these days, in college as well as out, and to be among those who finish strong, you must be properly heeled.

You may start out briskly enough on hard heels, for instance, but the constant jolt and jar of uncushioned steps will wear you down. Better get onto rubber—for rubber gives, and lifts, and helps.

Best of all, get onto Goodyear Wingfoot Heels. They are all fresh, live rubber; full of better cushioning, longer wear, and latest style.

More people walk on Goodyear Wingfoot Heels than on any other kind. Your shoe repairman puts them on in 2:01 1/2. Just say, "new Goodyear Wingfoot Heels today!"
