INSTRUCTORS WILL GO TO CONFERENCE

Miss Lee and Miss Huesman Plan to Attend Mid-West Physical Education Meetings

Miss Mabel Lee, director of the department of physical education for women, Miss Teresa Huesman and Miss Kerstin Thorin, staff members, will attend the Mid-West physical education conference in Michigan this week-end and next week.

Clarice McDonald, president of the Women's Athletic Association left Tuesday for Columbus, Ohio, where she will attend the meetings of the athletic conference of American college women. Girls from all the universities and colleges of the Mid-West will be present. Miss Lee will arrive in time for the big play-day which the University of Ohio will sponsor Saturday as a closing feature of the conference.

Meet at Ann Arbor

April 30 to May 2 are the dates of the meetings at Ann Arbor, Mich., of the Mid-West society of directors of physical education for women in colleges and universities. The department of physical education for women of the University will be hostesses to the convention. Miss Lee, Miss Huesman and Miss Thorin will be among the directors and staff members from all colleges and universities of the Middle West who attend. Miss Lee will present a paper on the need of research in physical education work.

Nebraska delegates will go from Ann Arbor to Detroit where the Mid-West Society of Physical Education will meet from May 2 to 6. An attendance of between three hundred and four hundred of physical education workers is anticipated at this conference.

Washington Scientist Will Be Honor Guest

Dr. Harrison E. Howe, Will Talk at Meeting of Engineers' Clubs Friday Evening

Dr. Harrison E. Howe, Washington, D. C., scientist, will be the guest of honor at the regularly monthly meeting of the Engineers' Club of Lincoln which will be held at the Annex cafe at 6:15 Friday evening, April 27. It will be a joint dinner with the Nebraska section of the American Chemical society and the Nebraska section of the American society of Mechanical Engineers.

Dr. Howe, editor of "Industrial and Engineering Chemistry," will give a talk on "Science in Industry," at the meeting. Dr. Howe has national prominence in research work and is a member of the National Research Council. He will review some of the late achievements in the industrial world, with emphasis on the changes due to science and engineering.

Co-Eds Need Umpires For Baseball Tourney

Umpires are needed for the co-ed intramural baseball tournament which begins Friday, April 27 and closes May 12, according to announcement from department of physical education for women. Ten teams are entered in the tournament and it is planned to run two or three games at a time. University men who have free hours in which they could umpire games are asked to call the office of the department of physical education for women in the Army and offer their services.

Countryman Features Fair in April Number

Jodon Writes About Exhibits; Ruth Davis Explains 'Master of Miracles' Pageant

April issue of the Cornhusker Countryman, College of Agriculture monthly magazine, has been released. Its columns are devoted almost entirely to publicity for the annual Farmers' Fair to be held Bay 5.

Nelson Jodon, assistant editor, has written an article on "Exhibits, the Heart of the Fair." In his story he tells how each department makes contributions essential to the development of an ideal Nebraska farm. Exhibits were brought together for the first time during last year's fair, and this year they are to be correlated for the first time. The purpose of emphasizing exhibits, according to the article, is to help discover and improve practices that will aid farmers to produce and sell more effectively.

Will Have Exhibits
The committee on exhibits, headed by Clarence Bartlett, will focus the work of the departments in a way (Continued on Page 2.)

Burnett Will Review Regimental Parade

Chancellor E. A. Burnett will review a regimental parade to be staged by the cadets of the University tonight at 5 o'clock. Pershing Rifles, honorary military organization, will form as the right company of the first battalion.

At 4:50 o'clock the first call for the review will be sounded. Assembly will be at 5 o'clock. Lieut. Col. F. F. Jewett has issued the order that all cadets must attend unless properly excused.

ALPHA RHO TAU PICKS EIGHTEEN

Honorary Scholastic Fine Arts Fraternity Announces New Members

MRS. THOMAS RANKS HIGH

Of the fifteen newly elected members of Alpha Rho Tau honorary scholastic fine arts fraternity, Mrs. Mary Hall Thomas ranked highest with an average of 94.23. The lowest average was 88.17.

Announcement of those elected was made Tuesday morning at the Temple theater, following a musical convocation. Wilma M. Clyde, pupil of Elizabeth Bonnell-Davis, and Lois Jane Grammer, Lura Schuler Smith pupil, gave a junior recital.

Scholarship and achievement are the bases for election to Alpha Rho Tau which was founded at the University of Nebraska in 1921. Only those taking the degree of bachelor of fine arts, or the bachelor of arts degree with a major part of the work in the school of fine arts are eligible. (Continued on Page 2.)

CHORUS PRESENTS 'WEDDING FEAST'

Song from 'Hiawatha,' Masterpiece of Famous Negro Composer, Will Be Given May 4

The University Chorus under the direction of Howard Kirkpatrick will present "The Wedding Feast" from Coleridge Taylor's "Hiawatha" at convocation in Grant Memorial Hall May 4. This will be the third appearance of the chorus this year.

Composer Is Negro
Mr. Kirkpatrick says that this is a very beautiful piece of work and is really the masterpiece of all of Taylor's contributions to music. Taylor is Negro, a native of Haiti, and is considered one of the most prominent Negro composers.

Walter Wheatley will sing the solo parts of this musical drama based on Longfellow's poem of the same name.

Asphalt Will Be Topic At Engineer Meeting

G. W. Craig, Asphalt Association Manager, Will Give Talks Here, Next Friday

George W. Craig, manager of the Middle Western branch of the Asphalt association, will give an address under the auspices of the student chapter of A. S. C. E., in M. A. 206, at 11 o'clock, Friday morning, April 27. Mr. Craig will lecture on the topic, "Asphalt Pavement." The meeting is open to the public, and engineering students are especially urged to attend.

At noon, Friday, Mr. Craig will be guest of honor at an informal luncheon at the Lincoln Chamber of Commerce. State, county, and city engineers and contractors will be present to hear his talk on several phases of the asphalt industry following the luncheon. Plates are available at 50c, and reservations may be made with L. F. Rader, Mechanic Arts, 105.

Co-Ed Golfers Tie Ball to Stake To Avoid Loss and Broken Windows

Altogether now—drive, and "ping" go a score of golf balls and "whiz" they come tearing back to a row of enthusiastic co-eds. There is no danger of making an exceptionally long drive and losing one's golf ball if remarks of women out for physical education golf be true.

Why—the answer is simple. The golfers have them tied to a stake and they come bouncing right back. That is, the ball is fastened to a rubber band and staked down. The golfer can take off with all the force she can muster and the ball does not crash through the dormitory window at the end of the field. (We understand they practice on a field instead of links.)

Balls Return Swiftly
This plan might be altogether successful were it not for the playful attitude in which the said golf ball returns to its mistress. Immediately after teeing off she must prepare for

ENGINEERS PLAN ANNUAL DISPLAY FOR NEXT WEEK

Departments of Physics and Geology Will Help With Program This Year

ZIPP ELECTED CHAIRMAN

Pep Rally to Open Festivities; Field Day Will Be Staged At Antelope Park

Engineers' week will be held April 30 to May 5, according to announcement from John Clema, publicity chairman for the event. During this week, engineers will conduct a display of work from each department of the College of Engineering as well as a program of sports events, convocation and banquet. The departments of physics and geology will cooperate with the engineers to make this event the biggest of the year in the College of Engineering.

Festivities begin with a convocation and pep rally Wednesday morning, May 2. In the afternoon the engineers will go to Antelope park for their field day events, which includes an athletic program.

Plan Engineers' Night
On engineers' night all buildings in the College of Engineering will be open to the public for inspection of methods pursued and accomplishments of engineers in their class work. The week ends with a banquet.

Harold Zipp is general chairman of the week. Robert Rensch is secretary-treasurer. Irvin Hember who is activities chairman has the following assistants: banquet, Fred Chase; ticket sales chairman, Ira Reese; field day chairman, Richard Blore; pep rally chairman, Russell Lindskog; window displays, Earl L. Krasser; program chairman, Carl Olson; publicity chairman, John M. Clema; campus structures, William Van Wie.

Marvin Haith is work chairman. His assistants are: agricultural engineers, Clyde Christensen; architectural engineers, Albert Bartos; chemical engineers, Swanson; civil engineers, Theodore Blaschke; electrical engineering, G. Ross Kilgore; mechanical engineering, Lefis W. Imm; physics, Edward Hiltner; and geology, Elton Fee.

GREEKS SET MAY 1 AS BANQUET DATE

Scholarship Trophy and Plaques Will Be Presented Highest Ranking Fraternities

Hainer scholarship cup will be presented to the national social fraternity having the highest scholarship standing for last year and fifteen plaques will be awarded to the Greek letter societies having the smallest percentage of delinquent hours, at the annual interfraternity banquet to be held Tuesday, May 1, at the Scottish Rite temple.

The scholarship cup, which was donated by Mr. E. J. Hainer in 1912 has been presented annually to the organization having the highest ranking. The trophy was first awarded to Phi Kappa Psi in 1914.

Since then it has been held by the following fraternities: Phi Kappa Psi, 1914, 1915, 1916; Kappa Sigma, (Continued on Page 2.)

Paint Specialist Will Hold Chemist Meeting

Mr. H. W. Elley, of the Jackson Laboratories, representing the E. I. DuPont de Nemours Paint Co., Wilmington, Delaware, will talk to graduate students and seniors in chemistry today at 11 o'clock in room 208, Chemistry hall.

KNOW YOUR KAMPUS

Morrill Hall, the Museum building, is named after Charles H. Morrill of Stromsburg, who has given over \$75,000 to the fund for collections which are or will be placed in the building. Mr. Morrill served as president of the Board of Regents for twelve years, being first elected to that body in 1892.

April 24, 1903, or twenty-five years ago the first graduating class from the College of Agriculture received their diplomas.

Senior sneak day which is now a thing of the past on the campus was started by the class of 1898 which "cut" school for a day in the spring and staged a big picnic which was a subject of conversation for students for some time.

Fraternities Are Asked To Report Game Results

To assist in publishing the results of the inter-fraternity baseball games that will start today, fraternity athletic managers of the winning teams are asked to phone or bring the results of each day's game to the Daily Nebraskan office as soon as the contest has been completed.

The score, hits, errors and the battery of each game will be published daily in The Nebraskan if fraternities will co-operate in this matter.

KOSMET PLANS NEW CAMPAIGN

Klub Will Handle Ticket Sale For 'The Poor Nut' in Recoup Efforts

ONE-THIRD OF DEBT PAID

Sale of tickets for "The Poor Nut," Liberty theater's next week presentation, will be handled by the Kosmet Klub to assist in the paying of their Playhouse fire debt. More than one-third of the debt has been paid from the proceeds of the "Midnight Revue," but \$1,854.50 worth of claims remain to be paid, according to a report made at a meeting of the Klub held Tuesday afternoon.

"The Poor Nut" is a college play centering around a gentleman who suffers from an inferiority complex. "It is the best burlesque on college athletics that I have ever seen," stated Prof. William Lyon Phelps of Yale university. Kosmet Klub will begin their ticket sale this week for the play scheduled to start Monday evening.

DOLAN IS DELEGATE TO ART CONVENTION

Coolidge Will Address American Federation of Art, May 16 In Washington, D. C.

Miss Elizabeth Dolan has been appointed delegate to the nineteenth annual convention of the American Federation of Art, to be held May 16, 17 and 18 in Washington, D. C. The 1927 convention of the Federation was held last November in Lincoln.

The address of welcome will be given by President Coolidge. One of the prominent speakers will be Lora Taft, famous sculptor, author and lecturer. Professor Paul H. Grummann, director of the School of Fine Arts, will speak before the convention on May 18.

Riepma Will Address World Forum Today

Pastor Will Tell Experiences While Becoming An American Citizen At Closing Meeting

Dr. Sears Riepma, pastor of the Second Presbyterian church of Lincoln, will address World Forum this noon on the subject, "The Price of Becoming an American." This will be the closing talk of the year, according to Miss Julia Rider, and Perry Morton, joint chairmen of the committee in charge.

Doctor Riepma is a naturalized American citizen, having come from Holland. He will tell of his experiences while becoming an American citizen, and the reason why he considers it important to every inhabitant of the United States.

Tickets are on sale this morning at the Y. M. C. A. office in the Temple and at the Y. W. C. A. for twenty-five cents. Tickets bought at the door will cost thirty-five cents. A large crowd is expected by the committee in charge as this is the last talk to be given at World Forum this spring.

Plays Female Lead

Mrs. Logan Jones, who will play the leading female role in "Caponsacchi" the final production of the University players this year.

'CAPONSACCHI' IS BROWNING EPIC

'Ring and the Book,' Original Poem Is Cut by Goodrich To Make Drama

PLOT CENTERS ON MURDER

"Caponsacchi," a re-arrangement of Browning's famous epic, "Ring and the Book," which will be presented this week-end and every evening next week by the University Players, has an interesting history. The original Browning poem is long, and so involved that a drama based directly on the epic itself would be impossible.

The suggestion that finally led to the arrangement of the poem in drama form came from a Philadelphia girl, Miss Rose Palmer, in a letter to Mr. Walter Hampden, suggesting that Browning's poem would make excellent drama if properly cut down, and re-arranged. She especially stressed the character of the priest, Caponsacchi and included in her letter a few rough sketches for scenes. Mr. Hampden handed the letter to his brother-in-law, Mr. Arthur Goodrich, who is a devoted student of Browning.

Mr. Goodrich took the poem itself, and started on his task. The story is originally told many times, but Mr. Goodrich cut it down, limiting it to the priest's recital of the mysterious (Continued on Page 2.)

CRAIG AND DAY ARE VESPER SPEAKERS

Students Discuss 'Friendship' and 'What A Big Sister Means to A Little Sister'

"Friendship" and "What A Big Sister Means to A Little Sister" were discussed at Vesper service sponsored by the Big Sister board Tuesday evening at five o'clock in Ellen Smith hall. Following the talks an announcement was made calling for girls to volunteer to serve as big sisters next fall.

Dorothy Craig, who talked on "Friendship" described it as an old, old thing mentioned frequently in the Bible. "Friendship is the first thing one recalls in life. It varies with the years but its growth is constant unless it isn't nourished, and it cannot continue without sympathy," she declared.

Says Friend's Piece of God

"A friend is a little piece of God, someone who keeps you out of difficulties and leads you along the best and easiest paths. God is your best friend for he is always the same—a constant inspiration, guide and help, someone to count on for everything," ship of her big sister had on her freshman year of college were described by Helen Day, who discussed "What A Big Sister Means to A Little Sister."

"A big sister takes an interest in her little sister, which is flattering to the younger girl just because someone who has already made her place in college is willing to help her and make her too, a part of the college," she stated.

"My big sister was a source of strength and encouragement during the week of examinations, explained the traditions of college and campus life and urged me to do bigger and better things. She made me feel as (Continued on Page 2.)

PARKING RULES SCORED BY FIVE GREEK OFFICERS

Presidents of Organizations On R and Sixteenth Make Vigorous Protest

'BAD IDEA' CLAIMS ONE

Directing of Traffic Through New Fraternity Section Decried by All

"We are very much against parallel parking," stated five fraternity and sorority presidents yesterday evening when questioned by The Daily Nebraskan. These student representatives expressed their disapproval of Sixteenth street as a "thru street". Sentiment of students was aroused anew on the problems concerning traffic by a cartoon which appeared in yesterday's issue of The Nebraskan.

"It's a bad idea, this thing of having parallel parking on R street and Sixteenth for a 'thru street'," answered Austin Sturdevant, president of Delta Tau Delta fraternity when questioned. "Some of our men think that parallel parking is all right because it gives them more room for driving. We all think that Seventeenth, rather than Sixteenth, should be a 'thru street', and that traffic (Continued on Page 2.)

DELEGATES DISCUSS A. W. S. CONFERENCE

Reports Given by Kathryn Douglas and Helen Anderson Tell Of Carleton Meet

Reports of the National Associated Women Student conference held at Carleton college, Minnesota, April 18 to 21, were given by Kathryn Douglas and Helen Anderson, representatives from the Associated Women Student board of the University of Nebraska, at a meeting of the board Tuesday noon.

The conference opened Wednesday afternoon with registration and a welcome by the president of the local organization. The Rev. Berne Jones of Minneapolis spoke on "Beyond College Walls," stressing the importance of college activities and the valuable training they give for a fuller life after college.

Thursday morning a welcome address was given by Dean White, dean of women at Carleton college. Frances Propt of Grinnell spoke on the work of the W. S. G. A. on a university. (Continued on Page 2.)
