

Many Names Go On Election Ballots

(Continued from Page 1)
with the declaration that the faction would "make things hum".
Failure of the "Yellow Jackets" to file for all offices and ineligibility of two of the candidates they filed indicated a light vote for most of the college representatives with a concentration of effort on the contests where there are several candidates.
Biggest surprise of the filings was the failure of the "Yellow Jackets" to file a candidate for the senior member of the Student Publication board. Charles O. Bruce, business

manager of the Cornhusker, and "Blue Shirt" candidate will run unopposed for that position, as far as names printed on the ballots is concerned.

Lively battles are expected for the other two positions on the publications board. Filing of the name of Maxine Hill for junior member increased the uncertainty of the race for the junior member. "Blue Shirts" are supporting Ray E. Sabata while Willard "Dutch" Witte is being run by the "Yellow Jackets."

Trio of Junior Candidates
Sabata is a member of Pershing Rifles, Corn Cobs, and Acadia fraternity. He was on the Varsity Party committee and the Kosmet Klub production staff. Witte was a varsity football and basketball performer this year, coming up with a brilliant athletic record in Lincoln high school. He is a member of Sigma Alpha Epsilon. Maxine Hill attended Coe college last year and has been on The Daily Nebraskan staff this year. She is a member of Delta Delta Delta.

Sophomore publication candidates are George R. Cook, for the "Blue Shirts" and William Ure, "Yellow Jacket". Cook is a freshman track man, played in the Kosmet Klub orchestra, losing his drums in the Playhouse fire, and is a member of Delta Tau Delta. His opponent, William Ure, Phi Gamma Delta, has been on the Cornhusker business staff this year.

Phi Kappa Psi's bid for fame starts in the race for candidates for the Student Council as seniors-at-large. Two men are to be elected. Both candidates of the "Yellow Jackets" are Phi Psi's, Elmer Holm and Joe Hunt. "Blue Shirt" opposition will be furnished by Carl W. Olson and

Bruce Thomas.
Carl Olson, varsity basketball player, members of the Glee club and Varsity quartet, assistant business manager of the Blue Print, engineering magazine, vice-president of the Y. M. C. A. cabinet, member of Sigma Tau, honorary engineering fraternity, of the Varsity Party committee, and of Delta Tau Delta is an engineering student.
Bruce Thomas, his running mate for the "Blue Shirts", is assistant business manager of the Cornhusker, is a Corn Cob, and a member of the Varsity Party committee, as well as Beta Theta Pi.

Elmer W. Holm, is with "Blue" Howell, joint-captain of the 1928 Nebraska football team. He is also a member of the varsity basketball team and is a member of Phi Kappa Psi.

Joe Hunt, also Phi Kappa Psi, has recently completed a year as president of the University Y. M. C. A. He worked on the student directory and has been a football candidate.

In marked contrast to the contest expected among the men candidates for senior-at-large is the lone co-ed entry for the two women positions to be filled. Irene Davies is a member of Varsity Party committee, Y. W. C. A. staff, member of W. A. A., associate editor of the Cornhusker, and member of Sigma Kappa. A second candidate filed but her average fell below the 75 percent minimum required by the Student Council constitution.

Of the eight junior men to be selected for the Student Council, only three will find contests. George Powell, assistant business manager of the Cornhusker Countryman and a member of Alpha Gamma Rho has a clear field from the College of Agriculture.

Bailey and Wyatt

Arthur Bailey and Earl Wyatt are expected to run a close race for the representative from the College of Arts and Sciences. Bailey, wearing a "Blue Shirt" is an assistant managing editor of the Cornhusker, was sophomore class president first semester, plays in the R. O. T. C. band, and is a member of Gamma Lambda, the Dramatic club, and Delta Upsilon.

Earl Wyatt is a varsity track man, brother of Perley Wyatt, captain of this year's Husker squad. He is a member of Kappa Sigma.

William L. Mutschallat and George C. Ray will face each other for the representative from the College of Law. Mutschallat was senior class president the first semester and is a captain in the R. O. T. C. regiment. He is a member of Delta Theta Phi, running on the "Blue Shirt" ticket. George C. Ray, varsity foot-

ball candidate last fall is a member of Phi Kappa Psi.

Frank Mockler, "Blue Shirt" candidate from the College of Business Administration is opposed by Douglas Timmerman, the fourth candidate filed by Phi Kappa Psi for Tuesday's election.

Mockler is a member of the Y. M. C. A. cabinet, is a sophomore football manager, and has been on the Lincoln and Omaha Y. M. C. A. swimming teams.

Timmerman is editor of the "Bizzard News", chairman of "Bizzard Day", a member of Delta Sigma Pi, the University Commercial club, the "Bizzard" Executive council, and has worked on the Awgwan, Cornhusker, and The Daily Nebraskan.

Remaining juniors are running without opponents. Ralph E. Raikes, editor of the Nebraska Blue Print, and candidate from the College of Engineering, is also associate editor of the Cornhusker, chairman of the committee in charge of the convention next fall of the national association of engineering magazines, and is on the engineering publication board. He is a member of Lambda Chi Alpha.

Cannon Lane Candidate

Virgil Cannon, Kappa Psi, is the sole candidate from the College of Pharmacy, following the declaring of the "Yellow Jacket" candidate ineligible by the registrar for failure to make a 75 percent average.
Donald H. Porter, lone candidate from the College of Dentistry, is a former vice-president of the Cornhusker, and has worked on the dental section of the Cornhusker.

W. Joyce Ayres, as assistant news editor of The Daily Nebraskan, is unopposed from the School of Journalism. He is a Corn Cob, Gamma Lambda, plays in the R. O. T. C. band, sings in the Glee club and Varsity quartet, and was in the Kosmet Klub show this year. He is a member of Alpha Tau Omega.

Victor Z. Brink, lone candidate from the Graduate college, is the first student to file from that college for several years. He is a past president of Delta Sigma Pi, was an R. O. T. C. captain, a member of the Commercial club and Eta Gamma Sigma, and was in the 1927 Kosmet Klub show. He is a member of Pi Kappa Alpha.

Contests confront candidates for three of the four offices to be filled by junior women. Ruth White is running unopposed at the College of Agriculture, opponents filing having been found ineligible through failure to meet the scholastic requirements for the council. Ruth White has been active in the Y. W. C. A. and is a member of the Home Ec club.

Mary Morgan and Gretchen Standeven are running from the College of Arts and Sciences. Mary Morgan is on the Y. W. C. A. staff and on the Cornhusker staff. She is a member of Sigma Kappa.
Gretchen Standeven is on the A. W. S. board, the Y. W. C. A. staff, and has participated in W. A. A. tennis. She is a member of Phi Mu.

From the School of Fine Arts, the names of Jane Glennon and Faye Williams, will appear on the ballot. Jane Glennon is on the A. W. S. board, was vice-president of the sophomore class the first semester, is on the Y. W. C. A. staff, Vesper choir, and Dramatic club. She is a member of Pi Omega Phi.

Faye Williams is on the Y. W. C. A. staff, is a member of Tassels, and the Dramatic club, and worked on the Grace Coppock drive. She is a member of Alpha Omicron Pi.
Three candidates have filed from the Teachers college, Mildred Cole, Helen McChesney, and Edna B. Schrick. Mildred Cole is a member of Silver Serpents, Pi Lambda Theta, and Kappa Delta.

Helen McChesney is on the freshman commission, Y. W. C. A. staff, vocational guidance committee for

A. W. S., has done work on the Cornhusker, and is a member of Delta Delta Delta sorority.

Edna B. Schrick is a member of Tassels, and is on the Y. W. C. A. staff, Big Sister board, and Y. W. C. A. cabinet.

Polls will be open Tuesday in the Temple lobby from 9 o'clock in the morning until 5 o'clock in the afternoon. They will be kept open during the noon hour, so that students having classes running straight through may be able to vote.

Plans for handling the student vote are being carried forward under the direction of Robert Davenport, who is serving as chairman of the election committee for the third successive time. Every precaution is being taken by the council to insure an honest election, faculty checking being planned at all phases.

Blue Print for April Has 45-Page Content

(Continued from Page 1)
"Arc Welding of Steel Structures and Machinery" is the title of Prof. A. M. Candy's article, one of the April issue's features. Professor Candy is a master welding engineer from the Westinghouse Electric and manufacturing company.

Other articles appearing in the Blue Print are written by Prof. J. W. Haney, John M. Clema, and Charles Brokenick.

"One more issue of the Blue Print this year will appear sometime next month," announced Ralph Raikes, editor.

University Is Host At Academic Meet

(Continued from Page 1)
school students came to Lincoln for the academic contests alone, and the enrollment this year is expected to exceed that.

The outstanding event of the academic contest next Saturday is an innovation this year—the first annual academic "pentathlon," a battle of wits corresponding to the all-around competitions of athletes. The board of regents of the University of Nebraska offers scholarships to the students winning the four highest places in the pentathlon.

On Friday and Saturday the fifth annual all-Nebraska music competition will be held in Morrill hall. Winners in county and district contests will compete in solo, small group, glee club, band, and orchestra events.

A week after these first contests the best high school athletes and debaters in Nebraska will gather in Lincoln for their big tournaments—the annual debate elimination contest and the track and field meet.
The Western Passenger association has authorized an open rate of a fare and a half for high school week, on sale May 3 to 12, to return by May 14.

been attempted. It will be run off the first two weeks of May and the singles tournament will be played during the last two weeks.

All co-eds who wish to enter the doubles tournament are asked to sign up on the W. A. A. bulletin board before Wednesday, designating their partners and the hours when they can play. A score keeper and referee will be assigned to each game and players who do not arrive on schedule time must forfeit the game.

Report to W. A. A. Office

Entrées must hand in to the W. A. A. office slips showing five practices and giving the time played, length of practice, partners, and class. Points will be awarded according to the average of progress in both tournaments if both are entered and according to progress in one tournament if the other is not entered.

Appointments for the use of the tennis courts can be made by calling Dr. Clapp's office any day from 11 to 12 o'clock or by making arrangements with Mr. Sherman who can be found at the courts from 2 until 7 o'clock any day of the week. A schedule of hours when the courts cannot be used is posted on the W. A. A. bulletin board.

Matchings will appear on the bulletin boards Tuesday and actual playing will start Wednesday. Entrées are requested to watch the bulletin boards for further announcements.

COURSE IS GIVEN IN HEALTH EDUCATION

Tuberculosis and Medical Groups Finance Project; Teachers' Needs Are Recognized

A course in health education will be offered by the University of Nebraska the first term of the summer school session June 4 to July 13. The Nebraska Tuberculosis association is financing the regular class work and the Nebraska State Medical association is providing a series of lectures that deal with the various phases of health conservation and disease prevention.

This course is offered with a view

for recognizing the need of knowledge of health among the teachers of the state and the requirements of the law which compel every teacher to make a physical examination of his pupils, providing the examination is not made by a regularly licensed physician. Classroom work will be given by Miss Katherine Connelly, supplemented by special lectures under the direction of the public activities committee of the Nebraska State Medical association. Emphasis will be laid on health service such as health examinations.

Will Arrange Conferences

There will be opportunity for group conferences for those interested in special phases of the work such as mental hygiene, nutrition, elementary school problems and high school problems. Special attention will be given to needs of individual teachers. Students wishing to take this course will register for physiology 162. Two hours credit will be given. There will be two lectures daily and special lectures on Tuesday and Thursday. Classroom work will be held at 2 o'clock and special lectures at 3 o'clock.

MISS STAPLES SPEAKS AT PLATTSMOUTH MEET

Miss Ruth Staples, assistant professor in home economics who is in charge of the division of home management and child care in the department of home economics spoke at Plattsmouth on Thursday, April 26 before the Better Homes meeting on the subject of "The Pre-School Child in the Better Home."
