

## OUTDOOR TRACK ATTRACTS MANY

All Valley Schools Will Send Competitors to Lincoln This Week-End

Missouri valley track athletes will gather in Lincoln May 18 and 19 to compete in the twenty-second annual Missouri Valley conference track and field championships to be run off at the University of Nebraska Memorial stadium. Preliminary events will be staged Friday, May 18, and finals Saturday, May 19.

Entry lists for the meet will be in the first of next week and directors of the meet are expecting each of the ten valley schools to be represented. Kansas university won the valley outdoor championship last year and the Oklahoma Sooners carried off second honors. Coach Henry P. Schulte's Cornhuskers placed third in the 1927 games.

**Cornhuskers Look Good**  
This year's meet promises to afford more competition than did the preceding one. Hard races are predicted in the hurdle events with both of last year's champions returning to defend their titles. Captain Gartner of Kansas Aggies will be on hand to defend his 220-yard low hurdle valley record and title, and Ray Dunson, Oklahoma Indian who won the 120-yard high barrier race last year will accompany the Sooner aggregation to the meet.

Among those who threaten to unseat the present barrier champions are Diamond, Missouri; Carmen, Oklahoma, and the Nebraska hurdle quartet that have shown up so well this season. Frause, Trumble, Thompson, and Arganbright. The distance races promise to be hotly contested this season, also, with Frazier, Kansas; Moody, Kansas Aggies; Keith, Oklahoma; along with several Ne-

### Becker Clips Record By Unofficial Clock

Red Becker clipped one-fifth of a second off Charley Paddock's 175-yard dash record Monday afternoon when he was clocked in an unofficial trial sprint over that distance in 17.1 seconds. In setting up the mark Becker was aided by having the wind to his back.

Becker is the leading sprinter on this year's freshmen track team and will compete in the Missouri valley freshmen telegraphic meet for the University of Nebraska which will be run off starting today in conjunction with the tri-color meet.

braska runners Johnson, Drake, Janulewicz, Chaddock, Griffin, Eberlein, and other outstanding meet competitors.

**Competition Promised**  
According to performances this season, the race for the valley track title seems to lie between the Oklahoma Sooners and the Cornhuskers. Kansas, Missouri, and Iowa have strong teams this season, also. Drake, which finished fourth in last year's meet, is strengthened this season by the addition of its freshman team of 1927 which won the valley freshmen telegraphic meet. A large crowd is expected at the valley track meet this year because of the great interest in the sport evident in all parts of the state.

### Tri-Color Tracksters Meet Last Time Today

Two Final Competitions Are Being Combined So Present Series May Be Completed

Tri-color cinder teams will compete for the last time this season in the tri-color track meet to be held this afternoon on Memorial stadium track and field, Jimmy Lewis, director of the events, announced Monday. The events will follow the regular outdoor tri-color schedule beginning promptly at 4 o'clock.

This final tri-color meet will serve as two meets so that the present series may be completed today. A double system of counting will be used in today's meet. Some hard competition is assured in the events this afternoon as the result of the meet will determine the winner of the final series.

## INTEREST GROWS IN BOWLING TOURNEY

Third Round of Greek Tourney Takes Teams Into Stiffer Games; Champs Are Losers

In a big third-round upset Pi Kappa Phi, winner of the round-robin cup, who was picked to win the university trophy, was knocked off by a 15-point margin by Delta Upsilon. Delta Tau Delta easily eliminated Alpha Tau Omega in the second round game last night.

Previous to the third round, Delta Upsilon put out Sigma Phi Epsilon and Phi Sigma Kappa. Pi Kappa Phi put out Sigma Phi Sigma and Delta Sigma Lambda. Xi Psi Phi eliminated Alpha Gamma Rho, and drew a forfeit from Beta Theta Pi.

In the second bracket, Delta Tau Delta and Alpha Tau Omega had failed to play their second round game. Theta Chi eliminated Theta Xi and Omega Beta Pi.

The remaining teams, Kappa Sigma, Pi Kappa Alpha and Phi Kappa Psi slid into the third round on a succession of forfeits.

Announcement from the alleys is to the effect that the third round games must be rolled by Tuesday night. Semi-final games are scheduled for 7 o'clock Thursday night, and the final games will be played at 5 o'clock. The games are being rolled on the Saratoga alleys.

## Eliminated in Round Three

Pi Kappa Phi bowling team who went through the first bowling tournament of the season to capture the round-robin trophy by a narrow margin. They were eliminated last night in the third round of the University Interfraternity tournament, when Delta Upsilon knocked over fifteen more pins. Reading from left to right: top row, Smidt and Sloan. Bottom row: Strand, Pumphrey, Davies.

## CLAPP ANNOUNCES WRESTLING RULES

Physical Education Head Says Missouri Valley Schools Show Most Interest

Dr. R. G. Clapp, of the University physical education department, and secretary and acting chairman of the rules committee of the National Collegiate Athletic Association, has released notice of the changes in collegiate wrestling rules for 1928. These rules will be published in Spaulding's Annual Guide.

The other members of the committee are: H. L. Reiter, Lehigh University; John A. Rockwell, Massachusetts Tech; G. M. Troutman, Ohio State University; and Lieutenant-Commander H. D. Clarke, U. S. Naval Academy.

The rules were discussed in committee meeting at the national wrestling meet held at Ames, last month. Thirteen out of twenty-one places were captured by Missouri Valley wrestlers in this meet, although sixteen schools were represented. The winners will contest for the Olympic team at Grand Rapids, Michigan.

**Draws Up High School Rules**  
In the opinion of Dr. Clapp, the Missouri Valley takes more active interest in wrestling than any other section of the country.

The committee, at the request of many high schools, also drew up a suggested set of rules for high school wrestling bouts. These rules are not considered authoritative, but they will be published in next year's wrestling guide.

Important changes in wrestling rules are:  
1. A 155-pound and a 165-pound class have been introduced to take the place of the old 158-pound class.  
2. In over-time bouts, if both contestants secure falls in the extra

period, the contestant securing the fall in the shortest time will be awarded five points, and the contestant securing the fall in the longer time will be awarded three points, and the bouts will go full three minutes unless stopped by falls.

3. The defeated contender in the final second place match, who is loser in the first match also, shall be given third place in championship bouts.

4. Contestants may now receive coaching during rest periods of extra-period matches.

5. Changes in the illegal holds section give the referee more authority to stop stalling and to prevent injury to contestants. He may stop the bout by merely anticipating injury.

## ATHLETES AT AMES ARE REAL SCHOLARS

Time-Worn Adage Is Dispelled as Letter Winners Beat All Student Average

Ames, Iowa, May 7—The time-worn adage that athletics and scholarship do not mix has been dispelled again by grade sheets of Iowa State athletes. Varsity athletes competing during the winter quarter averaged 83.90 compared to the all-college average of 82.4, and the average of 83.30 for athletes non-competing during the winter.

Two yearling athletes, Carl Carlson of Des Moines, a basketball numeral winner, and Jesse Doty of Lake City, numeral winner in football and wrestling, both averaged over 90 during athletic competition.

78.56. Other sports; swimming, 86.62; cross country 86.80; baseball 85.73; track 84.89; wrestling 80.86.

## University College Is Approved at Michigan

New Plan Provides for Two Year Course Before Enrollment in Regular Schools

Ann Arbor, Mich.—(IP)—The board of regents of the University of Michigan has approved the plan for a university college, two years which all students wishing to enter regular schools at the university must take before they will be eligible for entrance into the advanced schools.

The plan was proposed by the general faculty of the university some months ago, and although opposed by the faculty of several schools on the campus, has received the support of the majority. The schools of nursing and pharmacy will alone be unaffected by the new university college.

## WANT ADS

**SALESMAN WANTED**  
STUDENTS—TEACHERS—Do you want to earn \$10.00, \$15.00 or \$20.00 a day this summer—enough to put you through another year of school? We have just such a position for you.
