FOUR STATE HIGH MARKS TOPPLE IN TRACK MEET

Lambert Scorches Cinders to Slash Old Century Time; Runs 9.9 Race

WEIGHT RECORDS TUMBLE

Grand Island, Tecumseh, and Randolph Annex Three Group Honors

(By Fritz Daly)

Cornhusker prep school athletes took advantage of ideal track weather to turn the twenty-sixth annual Nebraska Interscholastic track and field championships into a record breaking affair when four marks went over the boards and two were tied at the Memorial stadium, Friday and Saturday afternoons.

A total of over eight hundred athletes representing eighty-seven schools gathered in Lincoln to participate in the greatest meet in Nebraska high school history.

Richard Lambert, flashy Kearney high cinder artist, opened the record breaking affair when he tore down the century to break a twenty-four year old mark and set the remarkable time of 9.9 seconds. Roby Nelson had just broken the old record, running the 100 yards in 10.1 one-tenth of a second better than the former mark, only to have the Kearney sprinter break his mark five minutes later.

The weight events all received a terrible mauling, new marks being recorded in the shot, discus, and javelin. (Continued on Page 3.)
