

## MEN TRAIN FOR VALLEY CLASH

Schulte's Husker Cinder Squad Takes Rigorous Workout in Monday Practice

With the home stretch of preparation for the twenty-first annual Missouri Valley conference track and field championship meet to be held at Nebraska Memorial stadium, Friday and Saturday May 18 and 19 before them, Coach Henry F. Schulte's Cornhusker cinder men went through a rigorous workout for Monday afternoon's practice.

Davenport, Campbell, and E. Wyatt, quarter-milers, breezed through several 220-yard dashes as a conditioner. Monday's workout was handicapped somewhat by the chilly and rainy weather but the full practice as scheduled by Coach Schulte was run through regardless of this.

**Huskies Strong in Dash**  
Davenport, Easter, Snyder, Lowe, and Donisthorpe stepped two 75-yard sprints together with a fast 180-yard dash. The performances of the Husker sprint section in the Valley meet Saturday will be an important factor in the Nebraska showing. Oklahoma, the favorite for the title, is not so strong in this event as in others and if the Huskers could collect some points in the sprints, it would greatly aid them in the race for the championship.

Trumble, Thompson, Arganbright, and Krause, Nebraska's strong hurdle quartet, worked out with three flights of hurdles in Monday's practice and finished up with a 220-yard sprint.

### Pay Summer Expenses Have Liberal Surplus Taking Orders from Housewives

**KLEANEZY**  
The New Self-Wringer Mop with the Broad Steel Plate

It's clean—no soap, no water, no scrubbing. Just turn the knob and it will wring out dollars. A child's tiny fingers can wring this Mop drier than a man's strong hands can wring the common mop. Price is low, demand enormous. It's the best vacation work you can find. Work at Home, in your College, Town or Travel. You can take orders ANYWHERE. Tour the country, if that's your ideal, making expenses and a big surplus besides. We supply complete selling outfit—no capital required, as you simply take orders.

The Nebraska barrier toppers are expected to score heavy in the Valley games as they have made an impressive record during this season. Chadderton, Dexter, Janulewicz, Sprague, and Cummings ran a 660-yard dash and several 220-yard sprints before going to the showers Monday. Some hard competition is promised for the distance events in the Valley meet and Coach Schulte wants his men to be in tip-top shape for the battle. With Keith of Oklahoma; Moody of Kansas Aggies; Frazier of Kansas, and Caulum of Iowa State among the entrees the long runs promise to provide a world of interest.

## MISSOURI TOPS LIST IN TRACK VICTORIES

Nebraska Ranks Second in Number of Points and First Place Honors on Cinders

When the curtain falls on the twenty-second annual Missouri Valley conference outdoor track and field meet to be held at the Nebraska Memorial stadium Friday and Saturday, May 18 and 19 the University of Missouri will lay claim to the all-time outdoor championship of that league as six members are withdrawing this spring.

The strength of the Missouri claims are preserved in the records of athletic director C. L. Brewer of Missouri which show that the Tigers have won eight Valley championships, tied for first once and placed second four times and third once. The Tigers have amassed the greatest number of points scored by any other team during the various championship meets—631.

**Huskies 534**  
Nebraska, out of the conference for three years, receive second all-time Valley track honors with five championships, two seconds, four thirds with a total score of 534 points. Iowa State with 415 points

is third but boasts only one championship having one the first meet held in Kansas City in 1908. However, the Cyclones have captured five seconds and four thirds. The other teams finished in the following order: Kansas, fourth with 384 points; Grinnell, with 207; Kansas Aggies with 205; Drake with 169; Washington with 128; Oklahoma with 121 and, Oklahoma Aggies with 24. This order of places may be changed by the results of the final Missouri Valley meet this weekend.

## SOONER TRACKMEN TRAIN FOR CLASSIC

Oklahoma Cinder Team Prepares for Missouri Valley Meet After Undefeated Season

After keeping their five-year dual meet record clean by defeating the Oklahoma Aggies, 77 to 54, the University of Oklahoma track men are in training for the Missouri Valley conference meet at Lincoln, Neb., May 18 and 19.

Some of Coach John Jacob's men will enter the National collegiate meet at Chicago June 9 and 10, and Harold Keith and Tom Churchill will enter the Olympic tryouts. Keith has been the Sooner's star miler and two miler during the season.

Due to a mistake, he was forced to enter the 3,000 meter steeple chase at Penn relays, winning the event over the best stars of the nation although it was his first time over such a course. Tom Churchill will make his bid for a decathlon position on the United States team. He won this event at the Kansas Relays and placed third at Penn, which places him among the probable representatives.

During the season the Sooners have defeated some of the strongest teams in the middle west in the major relay carnivals and have repeated as Missouri Valley Indoor champions. They defeated Missouri, Nebraska, and Oklahoma Aggies in dual meets making a total of 17 consecutive victories in dual encounters. They won over Missouri 76 to 55, and stopped the Cornhuskers 66 to 23 to 64 to 1-3. Jacobs' men won ten first places in both the Missouri and Nebraska meets, and 11 against the Oklahoma Aggies.

The Sooners hung up their share of new meet records during the season. Harold Keith set a new record at the Kansas City Athletic Club Indoor meet when he turned the mile in 4 minutes 22.4 seconds. Jack Carman cleared the 50-yard low hurdles in 5.9 seconds in the conference indoor meet to set a new mark. Bruce Drake made a new mark at the Rice Relays when he pole vaulted

13 feet to win first place. A. D. "Hippo" Howell threw the discus 141 feet and 9 inches in the Kansas Relays for a new record. The medley relay team (John Hewitt, Heston Heald, Russell Carson, and Harold Keith) established new marks at the Rice and Kansas Relays. A medley team, Taylor, Adkison, Sarson and Keith) set a new mark in the Texas Relays.

## John Grover Is to Be Valley Track Starter

John C. Grover of Kansas City, veteran valley track and football official, will be the official starter at the twenty-sixth annual Missouri Valley track and field championships to be held at the University of Nebraska Memorial stadium, May 18 and 19.

Grover has been starter at the valley championships for a number of years.

An average of 50,000 persons a year have been served by the educational cooperation department of the University of Oklahoma for the past three years.

## Oklahoma R.O.T.C. Is Given Very High Grade

Norman, May 14.—After recently inspecting the R. O. T. C. unit at the University of Oklahoma, Lieut. Col. C. R. Mayo, eighth corps area officer, said that he considered the unit the best in the history of the school. "The appearance of the unit as a whole is uniformly good," Lieut. Col. Mayo said on his departure. For several years the university unit has won distinguished college rating, which is the highest rating bestowed on any college or university in the United States.

## One-Man Track Team Sets Record at Meet

State College, Pa.—(IP)—A one-man track team, made up Paul Heydrick, from Potomac State school, Keyser, West Va., set a record for individual point scoring here recently at a 14 school meet, when

he piled up 33 points for himself and his alma mater. Heydrick took first places in the high jump, broad jump, pole vault, hammer throw, discus and javelin events, and finished second in the shot-put.

## COMPTON IS AUTHOR OF LIBRARY ARTICLE

Nellie J. Compton, assistant librarian of the university, is the author of an article entitled "In Library Workrooms," in the March issue of the Step Ladder, publication of the Order of Bookfellows. The article was written for those not familiar with library work.

U-HALL BASEMENT South Side

Extra copies of the Cornhusker are available for those who have failed to reserve them earlier.

If you have one reserved, bring your receipt.

Price \$5.00

## When Dad was a "Modern Youth"

**B**ICYCLES, stereopticon lectures, and the "gilded" youths with their horses and carts; at night the midnight oil burning in student lamps while the gas lights glared and flickered across the campus—the gay nineties when Dad was in college seem primitive to us to-day.

Now it's sport roadsters, the movies, and radios. At night the MAZDA lamp replaces the midnight oil in dormitory rooms, while modern

street lighting sheds its friendly glow over the campus.

Without electricity we would have none of these improvements. To-day's marvel of electrical invention becomes to-morrow's accepted utility. In the coming years, by taking advantage of new uses of electricity you will be able to go so much farther that the "tearing twenties", will seem just as primitive as the "gay nineties".

Scientists in the research laboratories of the General Electric Company keep G.E. a leader in the field of electrical progress. Skillful G.E. engineers develop each latest invention. The G.E. factories carry out the engineers' designs with high-quality material and expert workmanship.
