VACATION POSITIONS ARE OPEN TO CO-EDS

Women Students May Get Y. W. Camp Portfolios Upon Request

Summer camp positions at Camp Maqua, Poland, Me., and at Camp Okoboji, Milford, Ia., are being opened to women students on this campus if they apply immediately at the offices of the University Y. W. C. A. in Ellen Smith hall, according to information received from that office.

The two camps are sponsored by the national Y. W. C. A., and the positions which are open will be filled by a carefully selected group of girls from colleges all over the country.

Exclusively Women's Camp
Camp Maqua, only forty miles from Portland, Me., is used almost exclusively as a vacation camp for young women, though there are some conference groups which meet there. There are few counselor positions open to girls, but there are a number of well paid openings on the general camp staff.

Camp Okoboji is used entirely by conference groups and has a number of positions similar to those at Maqua waiting to be filled and there are also several swimming coachships open at the Iowa camp.

The positions which are open at Camp Maqua are as follows, as set out in folders giving advance information:

MANY STUDENTS ARE ILL WITH INFLUENZA

Health Authorities Report Over Six Hundred Cases in University

DISEASE IS CONTAGIOUS
More than 600 students, or nearly a tenth of those enrolled in the University, are out of school with the influenza. Dr. Earl N. Degen, university physician, announced yesterday. The number of those who are ill has remained about the same for the past few days.

In nearly all cases the student carries a fever for about twelve hours, and recovers in about two days. None of the cases are serious, and it is possible that the high mark has not yet been reached.

Rumor Is Denied
A report that school was to be dismissed a week early on account of the epidemic was denied yesterday by Chancellor E. A. Burnett, who said that no such plans were being made.

A warning regarding the care of those who are ill was issued some time ago by Dr. R. A. Lyman, head of the student health department, who urged that the patient be given the best of care. Plenty of rest in bed, a light diet, and the use of laxatives, were recommended.

TEACHERS MAY APPLY FOR JOBS

Department of educational service of the university will receive registration blanks from students desiring teaching positions next year for four days beginning Monday, December 10.

A meeting was held Wednesday evening for persons wanting college, administrative, or high school positions, and a meeting Thursday evening for those wishing grade school positions. At these meetings Director R. D. Moritz explained the method of filling out the registration blanks.

The blanks will be filed in the department and the names entered on the list of candidates for teaching positions.

TICKET SALES CLOSE MONDAY

Tickets for the Big and Little Sister dinner to be given in the Armory at 6 o'clock Tuesday evening, must be purchased before Monday noon.

The tickets are on sale at College book store, Co-op book store and at Ellen Smith hall. The price is fifty cents each and at least 250 girls are expected.

FORMAL SEASON IS USHERED IN FRIDAY

Over Seven Hundred Couples Attend Military Ball At Coliseum

RUTH BAKER IS COLONEL
Ruth Baker, of Lincoln, was presented as the new Honorary Colonel of the R. O. T. C. regiment Friday evening at the twentieth annual Military Ball which was given in the Coliseum. Miss Baker is selected to the honor position by popular vote on the campus during the fall election and her identity was kept secret until the presentation ceremonies Friday evening.

The Military Ball marked the opening of the formal season on the university campus and was attended by more than seven hundred couples. Shields bearing American flags were placed on ten foot columns around the dance floor while the ceiling decorations consisted of six box lights suspended from the top of the Coliseum.

Voice Announces Colonel
Smilax and greens were strung from the center of the ball room to the side of the columns and the dance floor was lighted by colored lights, suspended from the ceiling.

At 10 o'clock the ballroom was thrown into darkness and a voice announced that the new colonel was on her way from the planet Mars. Planes were heard and seen circling in the air on the stage before the plans made its appearance with Miss Baker. She was met at the foot of the stage by John Trout, cadet colonel of the R. O. T. C. regiment. The new colonel was escorted across the Coliseum floor to lead the grand march which was formed by the cadet officers and their sponsors.

CORNHUSKER AWAIT FRATERNITY REPORTS

Representatives of Campus Organizations Are Asked To Come to Office

Organizations wishing to have pictures in the 1929 Cornhusker are requested to report to the office in the basement of University hall immediately, according to Bruce Thomas, business manager.

It is necessary that the Cornhusker staff know the number of organization pages and pictures that the book will contain in order to continue its work. The call was issued for presidents of organizations to report some time ago, but representatives of only a few of the clubs have appeared at the Cornhusker office.

The business staff of the 1929 Cornhusker is in the office every afternoon, and is anxious to see those who have been delegated by their organizations to contract for pictures and write-ups.

POOL WILL GIVE SUNDAY LECTURE

Dr. R. J. Pool, chairman of the department of botany, will speak at the regular Sunday program in Morrill hall. His talk, on "A Trip over the High Peaks of the Rockies," will be illustrated by colored slides.

A film on Yellowstone national park will also be shown at the program, which begins at four o'clock.

OMAHANS TALK OVER ATHLETIC SITUATION

Alumni Hold Assembly to Ascertain Opinions On Matter

DESIRE INVESTIGATION
Omaha alumni of the University of Nebraska met Friday at a round-table discussion of the athletic situation at the University. According to a report taken from the Omaha World-Herald, the meeting was held in the University Club rooms to discuss and determine opinions of the local body.

The members are seeking only to determine the facts concerning this situation. No declaration of opinion will be given until a thorough investigation of the athletic situation has been made. In the near future a committee of three to five men will be sent to Lincoln to act as a board of inquiry. They will interview members of the athletic board, the chancellor and several others, to find out what action has been taken.

Will Interview Chancellor
They also decided to invite Chancellor E. A. Burnett to address the Omaha association in the future on the general problems of the university, including the condition of athletic control.

After the report of the inquiry committee and the chancellor's point of view the Omaha alumni will make their decision and present it to the University authorities.

Although there was no official statement the alumni are evidently in favor of naming the director of athletics with the power to select coaches, make schedules and be responsible only to the chancellor and the board of regents.

No formal discussion of coaches was made, but there was a general discussion of who should succeed Ernest Beare as football mentor. Warren Howard, chairman of the committee, will name the committee, and the club will probably meet next week to finish out their plans and present them to the university.

SIGMA XI WILL MEET MONDAY

Sigma Xi, honorary scientific fraternity, will hold the third meeting of this year in the auditorium at Morrill hall, Monday, December 10, at 8 o'clock. This is the 217th stated meeting of the chapter.

Dr. J. Jay Keegan, dean of the College of Medicine and professor of clinical pathology, will speak on "The Interpretation of the Disease Influenza Based on Experimental and Clinical Studies." Dr. Sergius Morgulis, chairman of the department of biochemistry, will speak on "The Biochemistry of Calcium."

The members on the staff of the College of Medicine will have charge of this meeting which is open to the public.

VARSITY PARTY STAFF EXPECTS LARGE CROWD

Extensive Plans Are Being Made for 'Holiday Hop' Saturday Night

OMAHA BAND IS BOOKED

With the "Holiday Hop" only a week off, members of the Varsity Party committee are working on the presentation of an elaborate pre-vacation Christmas dance. Meetings of the entire committee have been held during the past week, and reports of the various chairmen indicate that the Varsity Party scheduled for Saturday evening in the Coliseum, will be an outstanding all-University party.

The dance will be Varsity Party's third in the 1928 season. Few parties have been scheduled for the evening of December 15. For this reason, and considering that no students will be going out of town on a week-end so near Christmas vacation, the Varsity Party committee expects a record attendance at the "Holiday Hop."

Decoration Plan Withheld
"Only ten more hopping days until Christmas," is the slogan that has been adopted for the "Holiday Hop," because of the December 15 date. Campus publicity is due to appear in the near future, according to the chairman of publicity. Cards and signs advertising the dance will be posted on bulletin boards Tuesday.

As was announced in Thursday's issue of the Daily Nebraskan, Monahan Post orchestra of Omaha has been booked by the Varsity Party committee for the Christmas dance. The dance band is made up of ten pieces and its contract calls for only such intermission as is required by law. "The non-stop

Nebraskan Is Given Post Of Vice-President at Convention

Elvin Frolik, junior in the College of Agriculture, was elected to the office of vice-president of the National Ag council at the annual meeting in Chicago recently. This council is composed of delegates from student organizations in agricultural colleges all over the United States.

Frolik and Gordon Hedges attended the convention as delegates from Nebraska. Hedges, who has served as president of the Nebraska Ag club, also was secretary of the national organization during the past year. H. Frolik, editor of the Cornhusker Countryman, and Hedges, business manager were also delegates to the convention of the Agricultural College Magazine Association, which is an association of fourteen different student publications at agricultural colleges. Its purpose is to solicit national advertising, discuss circulation problems, and to strengthen the editorial policies by an exchange of ideas and suggestions.

During the discussion the Cornhusker Countryman was acclaimed as having the outstanding illustration on his cover pages of any of the magazines. The material and advertising of the Countryman were very favorably commented upon by delegates from other schools.

Hedges, who is a member of the Innocents society, is well known in university activities and has served twice as a delegate to both conventions. Frolik, who served as junior delegate to the National Ag Council in a member of the Junior Farmer's Fair board, Alpha Zeta, Alpha Zeta freshman medal winner, holder of a research scholarship, has served on two university judging teams, and is a member of Pershing Rifles.

NEWLY ELECTED REGENT WILL BE FRIDAY SPEAKER

M. A. Shaw of David City Is To Give Main Address at Husker Banquet

R. JOYCE WILL PRESIDE

Local Man States Intention To Be Toastmaster for Third Time

M. A. Shaw, attorney of David City, and an "N" man, who was recently elected to the Board of Regents of the University, has been secured to deliver the principal address at the Cornhusker banquet Friday, December 14, in the Coliseum. It was announced last evening by Charles Bruce, who is in charge of the arrangements for the banquet.

Bruce stressed the fact that the banquet will begin promptly at 5:45 o'clock, and that it will be over not later than 8 o'clock, in order not to interfere with parties that will be held later in the evening.

Robert Joyce, of Lincoln, has consented to serve as toastmaster for the banquet, which will be the third he has attended as master of ceremonies.

Expect 1,000 Men
The banquet will be held in the Coliseum, as that is the only building in the city in which a large crowd can be accommodated. Approximately 1,000 men are expected to attend, according to the committee in charge.

The university band will be present at the banquet to furnish music. Definite announcement of other arrangements will be made in The Daily Nebraskan Tuesday morning. Tickets for the banquet will be placed on sale early this week, Bruce stated yesterday. They will be handled by a representative in every fraternity house, and will also be sold at the Co-Op and College book stores. For the convenience of alumni who wish to attend, tickets will also be sold at Latsch brothers. The price is one dollar.

PLAY WILL BE GIVEN AT ELM PARK CHURCH

Religious Drama Is to Be Presented by Wesley Players Tonight

"The Other Wise Man," will be given at Elm Park Methodist church this evening, by the Wesley Players, Methodist dramatic organization. This is the last appearance in Lincoln before Christmas.

"The Other Wise Man," is a religious play in four scenes, written by Dr. Henry Van Dyke, dramatized from his own well-known book bearing the same title. This is the third time this season that this group has given this play. They gave it in November at St. Paul's Methodist church and at First Methodist, University Place. At the two previous presentations about thirty-five hundred people witnessed this drama.

Play Is Appropriate
The play is very appropriate for the Christmas season as it is centered around the birth of Christ and tells of the long search of

NEXT FORUM SPEAKER IS NATIVE EGYPTIAN

John Hanna Fam Will Talk Wednesday on 'Student Life in Egypt'

John Hanna Fam, a native Egyptian from Cairo, Egypt, will speak on the subject of "Student Life in Egypt," at the World Forum luncheon, Wednesday, December 12, at the Nebraska hotel.

Mr. Fam has just completed his graduate work at the University of Chicago. He is associated in the Y. M. C. A. work at Cairo with C. Steele Holcombe, a graduate of the University of Nebraska in 1916. Mr. Fam will be in Lincoln Tuesday and remain for a short visit before going on to take up 'Y' work.

Talks Arranged in Groups
The meeting Wednesday is the second of a series dealing with international topics. The series was opened last week, by Dr. F. M. Fling, who spoke on the "Kellogg Peace Pact."

The World Forum committee this year has arranged for group talks instead of having each topic entirely independent of the rest. Much interest has been shown and the meetings have been well attended.

Thirty-five cents is charged for the luncheon. The program is completed for 1 o'clock classes, but usually some students remain for a discussion after the talk. Tickets for the luncheon may be obtained at the "Y" office in the Temple or in Ellen Smith hall, until Tuesday evening.

Attention of Students Is Turned to 'Holiday Hop' as Next Social Event

Only "ten more hopping days until Christmas" might not mean anything, but associated with the "Holiday Hop," the Christmas edition of the Varsity Party. It means that the loyal Nebraskans with inclinations toward rhythmic dance music will have their opportunity.

Now that the Military Ball is over, and the identity of the Honorary Colonel is known, the next important event on the Cornhusker social calendar, besides the appearance of Santa Claus, is the "Holiday Hop" with features enough to entertain the most particular.

December 15 probably will be just Saturday to many people, but
