

THE DAILY NEBRASKAN

BOARD SELECTS DEAN HAMMOND EDITOR-IN-CHIEF

Holdrege Boy Heads Staff Of Daily for Second Semester

NEW SYSTEM STARTED

Maurice Konkel Is Named to Additional Position as Associate

Dean E. Hammond, '29, Holdrege, was appointed editor-in-chief of The Daily Nebraskan and Maurice W. Konkel, '29, Cheyenne, Wyo., associate editor by the student publication board Thursday afternoon. No other appointments were announced by the board. It will reconvene Friday afternoon at 3 o'clock for consideration of other positions.

The publication board announced that second semester seniors would be considered only for the chief positions. Reasons given for this feeling were that a second semester senior cannot give any competition to other members of the staff, that he is not likely to have conflicting interests and that it is preferable to spread out the training to as many students as possible.

Former Managing Editors

Both Hammond and Konkel have served as managing editors of the Nebraskan during the past semester. Munro Kezer, Fort Collins, Colorado, is the retiring editor-in-chief, having been appointed last spring for the office during the first semester.

Hammond is a member of Tau Kappa Epsilon, Sigma Delta Chi, professional journalistic fraternity, and Sigma Upsilon. He is enrolled in the school of journalism. Konkel is affiliated with Alpha Sigma Phi fraternity, is a member of Sigma Delta Chi, and vice-president of the senior class. He is also a senior in the school of journalism.

COUNTRYMAN EDITOR SELECTS ASSISTANTS

Personnel Second Semester Farm Magazine Staff Made Public

Appointments to positions on the staff of the Cornhusker Countryman have been announced by the newly-elected editor, Nelson Jodon. Jodon has made several changes in the make-up of the staff, although the number working on the paper will remain about the same as during the past year.

"The number of applications for writing positions was unusually large this year, and was more in proportion to the needs than was the case a year ago," states Jodon. Assistant business managers and assistant circulation managers have not been definitely picked, but will be announced in the near future.

Four Assistants Named

There will be four assistant editors during the coming semester. These are Donald Facka, Harold Marcott, Merlin Matzke and Claude M. Roe. Assistants to Georgia Wilcox, home economics editor include Mable Bignell, Genevieve Brehm and Eula Bee Martin.

The remainder of the staff will be composed of contributing editors with special duties to perform. Frank Sampson will edit the "Campus Breeze" page with Dorothy Mohrman, Carl J. Smith and Carl Zimmerman as his assistants. Marge Britton and Edward Janke will be the alumni editors. One of the 4-H club page will be Otto Dillon, editor; assisted by Jessie Bilyeu, Lily Danielson and Margarete Trough.

Jay Pierson will act as feature writer for the publication. Joseph King will have charge of vocational education reporting, and Haven Smith will be a special reporter of agronomy news. The jokes will be submitted by Glenn Burton and Wesley Heunfeld. W. P. Bullock will act in the capacity of typist.

NATATORS HOLD SPEED TRYOUTS

Speed trials to select men for the swimming team were held Thursday at the Y. M. C. A. pool under the supervision of Coach Rudolph Vogeler. The first meet will be held in Omaha February 9.

Chaloupka made the best time in the 200-yard dash, and Mockler showed up well in the back stroke events. Waldo made good time in the 40-yard free style, and is second best man for backstroke. Van derlippe, one of last year's men, will compete in the 40-yard free style and the relay. Waldo, Mc Bride and Cahow will complete the relay team.

Kelley, who has been out for some time on account of injuries, may be back for the 100-yard dash. Peterson, Ungles and Gallup made the best time in the breast stroke events. Holt, Hestbeck and Thomas will compete in the distance races. Practice will be speeded up next week, according to Vogeler, for the dual meet to be held in Omaha February 9.

Husker Rifle Team Turns in Nine Wins Out of Ten Matches

University of Nebraska rifle team has a record of nine wins out of ten matches held so far this season. This includes meets with teams both in and outside of the Missouri Valley.

The one defeat goes to the Kansas Aggies, who outpointed the Nebraska team in the match held this week. The nine victories were won from the University of De Pau, Connecticut Aggies, University of Wyoming, University of Tennessee, University of Dayton, New York Stock Exchange, Oklahoma Aggies, University of Minnesota, and University of Oklahoma.

Targets in the Missouri Valley matches are sent to Washington University for grading, and the results announced there. In other matches the scores are sent by mail or telegraph.

UNIVERSITY CHORUS PRESENTS 'MESSIAH'

Vocal Organization Appears Before Large Audience Thursday Morning

ARTISTS RENDER SOLOS

University chorus of 250 voices presented Handel's "Messiah" in Memorial hall Thursday at 10:30 o'clock before an audience of approximately one thousand persons. This, the thirty-third production of the "Messiah" on the University of Nebraska campus, was undoubtedly superior to those of preceding years. It was broadcast over Nebraska Buick station, KFAB.

Lincoln artists of note rendered the solo numbers: Mrs. Altinas Tullis, soprano; Miss Ruth Habery, contralto; Herbert Gray, tenor; and Ed. C. Boehmer, bass. Howard Kirkpatrick directed the chorus and semi-chorus, composed of Viola Butt, Louise Hauser, Elizabeth McPherson, Marguerite Kerchner, Katharine Barclay, Inez Westering, Alice Etting, Ruth Habery, Nellie Daly and Emma Johnson.

Professional musicians of the city and students in the University School of Music made up the orchestra which furnished the accompaniment. Edith Burlingame Ross presided at the organ and Fieda Graham Ziegenfuss at the piano. All students in the fine arts classes were deemed to attend the performance, and many other instructors dismissed classes. The rendition of the "Messiah" usually occurs before the Christmas recess, but it was postponed this year because of the prevalence of the flu epidemic. Many other schools have established the custom of presenting Handel's "Messiah" yearly.

STUDENTS RATIFY TWO AMENDMENTS

Council's Recommendations Are Accepted at Mass Meeting

At a mass meeting of the student body Thursday afternoon at 5 o'clock, two amendments to the constitution, proposed by the Student Council, were voted on and passed by the students.

The first amendment taken up, which will be amendment II in the constitution reads as follows: "Article VII shall be amended to read as follows: A meeting of the newly elected Student Council shall be called by the outgoing chairman within ten days after the election day. At the establishment of the Student Council, the first meeting shall be called by the retiring president of the Student Council, who will act as chairman of the meeting. At this meeting, a president, vice-president, secretary, and treasurer shall be elected."

The other amendment, which will be amendment III in the constitution will read as follows: "Article XI shall be amended to read as follows: Amendments to this constitution or revision of it may be submitted for adoption to the student body at any regular student election. Amendments may be submitted by majority vote of the Student Council or by petition from one hundred students to the Student Council, provided that the amendment is so submitted ten days prior to the election. A majority of the vote cast is sufficient for the passage of an amendment."

COLD HAMPERS TUNNEL WORK

Nebraska students will have opportunity to indulge in the pastime of mountain climbing for another month before the miniature mountains of the campus are removed. The construction of the heating tunnel is expected to be completed by the last of February, according to Operating Superintendent L. F. Seaton Thursday.

The cold weather is hindering the progress considerably. It is difficult to get a good job of concrete work done while the weather is so cold. The concrete work had to be covered with straw to prevent its cracking and freezing. The construction of the tunnel is necessary because the old heating mains are giving out. The tunnels are seven feet high and five feet wide, the construction of them will cost the university \$14,000.

It Takes Knight Work

NOTABLES COMPRISE LIST OF CHAPERONS

Complete Schedule of Events For Cornhusker Carnival Is Formulated

NEW FEATURES PLANNED

Governor and Mrs. Weaver, Mayor and Mrs. Verne Hedge, Chancellor and Mrs. E. A. Burnett and Lieut. Col. and Mrs. F. F. Jewett are some of the patrons chosen for the second annual Cornhusker Carnival to be held in university Coliseum tonight, beginning at 7 o'clock. More than thirty-five patrons in all were invited to attend the Carnival.

The complete program of the Carnival will consist of basketball, wrestling, boxing, relays, hurdle and sprint races, gymnastics, archery, tennis, clogging, tumbling and numerous other stunts and activities. Kappa Sigma will play Pi Kappa Alpha in the first of several of the championship intramural basketball games, which will take place during the course of the evening.

Many of the University's best grapplers will wrestle in a number of wrestling matches. A number of two minute boxing matches will be fought at intervals. The bouts are part of the intramural boxing tournament and promise to afford good amusement. "Rudy" Vogeler, boxing mentor, will referee all of the matches.

"We have received a great number of entrants in the "Dance Marathon," stated Jimmy Lewis, assistant director of athletics, when he was asked about this feature of the evening. "But the names of the contestants shall not be known until the marathon begins," Lewis also added. Much interest has been shown in the Dance Marathon, in which the strongest dancers of the

Next Group of Curios Belongs To Old Period

"Can't you see how priceless our museums will be in a few years' time when so many of the most interesting animals have been killed off and the specimens in the museum will be the only ones to be seen," pointed out F. G. Collins, assistant curator of the museum in his radio talk from the university studio Thursday morning.

MAJOR ART DISPLAY FEATURES PAINTINGS

Forthcoming Exhibit Will Include Works of Local People

Oil paintings will constitute a major part of the annual exhibition of the Nebraska Art association which will be held on the second floor of Morrill hall, from February 8 to March 10. There will also be water colors by Lincoln artists, and photographic studies made by downtown studios. The galleries will be open to university students, but a small admission fee will probably be charged for the general public. Gallery talks will be given at various times during the exhibition, although no definite arrangements concerning the lectures have been made as yet.

The chief attraction of the exhibit will be a group of pictures which were shown at the fall display of the Chicago Art Institute. A few paintings of the well-known artists, Daniel Garber, Rockwell Kent, and Ross Moffat have been secured for the exhibition.

SUCCESSFUL JUDGING TEAMS ARE HONORED

Members Are Given Medals During Convocation Thursday

23 RECEIVE AWARDS

Twenty-three judging team members received tangible evidence of their success in attaining the coveted places on the teams which represented Nebraska in five contests at an Ag College convocation held in the activities building at 1 o'clock Thursday.

Coaches presented the medals to members of their respective teams on behalf of the Ag club. Jim Rooney, president of Ag club, presided. The animal husbandry team was the first to receive medals. Harold Fulscher, Clarence LaRue, Clarence Bartlett, Warren Rice, Victor Sander, and William Heuermann were members of this team, which was coached by W. W. Derrick.

Numerous Awards Made
Coach R. F. Morgan presented medals to the dairy cattle judges, Glenn Hedlund, Bruce Snyder, Raymond Nixon and George Powell. This team won first place and many trophies at the American Royal.

Barbour Is Scheduled To Speak on Stone Age

Dr. E. H. Barbour, curator of the university museum, will lecture on "Men of the Old Stone Age," at the regular Sunday program in Morrill hall at 4 o'clock. The talk will be illustrated by 200 colored slides. A film, "School Pals," in which chimpanzees are the actors, will also be shown.

New Bill Removes Four Mile Limit on College Buildings

A sixty-year-old law which limits the construction of university buildings to a four mile radius of the state capital will be changed if H. R. 110, by Hovis of Dawson county is passed during this session of the legislature.

Such a change is advocated by Hovis because at the present time buildings of the university are located in Omaha and Curtis, both outside of the limit. Under the present law appropriations for use in these places cannot legally be made. "We are doing something contrary to law and some one may check up on us," Hovis said in support of his proposed bill. It was approved in the house committee of the whole Wednesday.

SUMMER SCHOOL PLAN FOR 1929 ANNOUNCED

Extension Group Makes Announcement of One Term Session

REGISTRATION JUNE 10

Preliminary announcement of plans for the Summer Session of 1929 have been announced by the university extension department in the weekly publication. The outstanding difference in the coming session is the fact that it will consist of one term of nine weeks, rather than the usual two terms of six weeks each.

The session will open June 12 and close August 8. Registration will be held June 10 and 11. These recommendations of the University senate and the summer school director, were approved by the board of regents in November.

Change to the nine weeks plan was made in part in response to the demand that the summer school work should be of a quality comparable to that of the regular school year. Most of the university courses during the academic year are three hour courses, and a nine weeks' session lends itself better to such courses.

Set Nine Hour Maximum
Owing to the lateness of commencement, the summer session cannot begin until June 10. Starting then, the twelve weeks term continued until the Friday before most schools in the state begin. Teachers and superintendents insisted upon a greater marginal difference.

Under the new plan a student may earn nine college hours in the summer session. A student who remains in college continuously may satisfy the requirements for a degree in three years. A graduate student may earn ten hours. A two weeks' coaching school under the entire university coaching staff will begin June 12, and give two hours credit. It is offered particularly for those who are directing athletics in secondary schools.

Vitalized agriculture will be offered in a special two weeks course to be given by Professor Bert Cooper of the Northwest Missouri State Teachers college, Maryville, Mo. Among the other visiting professors who will offer courses are Dr. Ernest Anderson, head of the department of chemistry at the University of Arizona and well known as a research worker in the field of carbohydrate chemistry.

Courses in American history will be offered by Dr. Louis Pelzer of

DECKER MAY EFFECT SMALLER GLEE CLUB

Director Gives Outline of Program of Events For Next Term

"We are expecting to reduce the number of men in the University Men's Glee Club with the commencement of the second semester," Hermann T. Decker, director of the Glee Club announced yesterday. Mr. Decker gave his reasons for the reduction, stating that a smaller number of upperclassmen in the organization can better accomplish the purpose of the club and may present a better type of music.

The program of events outlined for the organization for the second semester include a spring concert in Lincoln during February and several week end trips to adjacent towns in the state. The combined glee club and quartette will open the Midnight Frolic next Friday night with several selections from musical comedy successes. The "Ranger Song" has been selected for one of their presentations. With the Varsity quartette, the glee club will be featured in the first unit of the Koestler Klub midnight revue.

GREEK COUNCIL FLAYS APATHY

At a special call meeting of the Interfraternity council last night plans for reorganization of the council were discussed but no definite action taken. E. F. Schramm, chairman of the organization, was unable to attend the meeting due to illness. C. J. Frankforter acted as chairman at the meeting last night. Among the things taken up was the apparent apathy of the fraternities toward the Interfraternity council.

OPERA COMPANY OFFERS SPECIAL STUDENT RATES

'Faust' Ticket Prices Are Lower for Large Group Purchases

REDUCED 20 PERCENT

Admittance Cards Must Be Procured in Blocks by February 9

A special price reduction of 20 percent will be given any group of University of Nebraska students purchasing a block of twenty-five or more tickets to "Faust," provided the purchase is made before Saturday, February 9. Announcement of the special rate was made Thursday by John K. Sellenck, business manager of athletics, who is in charge of the Nebraska appearance of the Chicago Civic Opera company. The artists will sing Gounod's famous opera at the Coliseum, Thursday, March 21.

Last year many campus organizations cashed in on the opportunity to purchase opera tickets at the reduced rate, thus availing themselves of a cash saving as well as more choice location of seats. "This reduction is being made to encourage the purchase of opera tickets by students," Mr. Sellenck explained Thursday. "The University of Nebraska is the only university sponsoring the appearance of the Chicago artists on their transcontinental tour and we feel students should avail themselves of this great musical treat on the home campus."

Plan Is Given
In outlining the plan of reduced prices to student groups the sponsors of the opera appearance explained: The tickets must be used only by students. A list of students purchasing tickets must be submitted at the time of the purchase.

The reduction applies only to the \$5, \$4, \$3 and \$2 tickets. The group need not sit in any one section—that is, a group may purchase twenty tickets at \$3 and \$5 tickets at \$4 and still obtain the reduced rate. The purchase of tickets at a reduced rate must be made before Saturday, February 9. All group purchases must be made at the student activities office in the University of Nebraska coliseum. Individual tickets are now on sale at the coliseum. An additional box office will be opened at Ross B. Curtice, 1118 O street, Monday, January 28.

DRAMATIC SERIES CLOSES SATURDAY

Three More Performances Scheduled For 'Arms and Man'

"Arms and the Man," fourth seasonal production of the University Players, and the dramatic work of George Bernard Shaw, noted humorist, will continue its week's run with evening performances tonight, Saturday and an afternoon performance tomorrow.

Receiving well attendance, in the opinion of the business manager of the Players, the production will close the week with productions of well-filled houses for the remaining performances. Tickets are still on sale at Ross P. Curtice Music company for seventy-five cents, with the matinee seats priced at fifty cents.

With Gretchen Meyers and Herbert Yenne, University Players members, casted in the leading roles, and a small supporting cast of veteran University Players performers, the play will continue to present its performances to Lincoln residents and University students.

According to the business manager, the Lincoln resident patronage has far exceeded that from University students, but from the number of tickets being sold to students, the remaining performances will be attended by a greater number of Nebraska students.

TEACHERS JOIN IN ANNUAL FETE

Teachers College faculty members and their families will join in an annual "get-together" at a 6 o'clock dinner this evening at Ellen Smith hall. Miss Elisabeth Tierney, instructor in the School of Fine Arts, is chairman of the committee.

An instrumental trio composed of Patrice Nichols, playing the piano; Gertrude Gierrmann, the viola; and Doris Holcomb, the violin, will be members of the program. C. C. Weidemann, a member of Teachers College faculty, will present a novel entertainment. Approximately eighty-five are expected to attend, according to Miss Gertrude Beers.

Nebraskan Will Appear Again February Fourth

Today's issue of The Daily Nebraskan will be the last paper issued this semester. The new staff will begin work Monday, February 4, following the final examination week.
