

## HUSKERS DEFEAT KANSAS AGGIES IN EASY FASHION

### Coach Schulte's Tracksters Pile Up 76 2-3 Markers In Annual Event

### MILLER IS HIGH MAN

### Nebraska Wins Clean Sweep Of Both Hurdle Races And Dashes

(By Fritz Daly)

Coach Henry F. Schulte's Scarlet and Cream track artists opened their 1929 Big Six competition in impressive style, Saturday afternoon, on the stadium indoor track, overwhelming Coach Ward Haylett's Kansas Aggie squad by a 76 2-3 to 18 1-3 score, in their annual indoor meet. It was a case of too much strength and a well balanced cinder squad that experienced little difficulty in piling up a huge margin of victory.

Nebraska athletes scored clean sweeps in both hurdle races, the sixty yard dash and the quarter mile dash and garnered at least two places in every event. Miller was the only Kaggie man to lead a single event, his winning of both the mile and two mile jaunts giving him high scoring honors for the afternoon.

### Many Huskers Star

Fleming's close victory in the high hurdles with a time of eight seconds flat for the sixty yard race, Ashburn's heave of the shot for a distance of 43 feet 4 1/4 inches, Miller's fast time in the mile event and Ossian's clearing of the bar at 12 feet 6 inches in the pole vault were the highlights of the afternoon's affair. Ossian placed second in the regular competition to Witte of Nebraska and after having his turn at the pole, continued upwards to twelve and a half feet, which is plenty high for the indoor season.

The Cornhusker mile relay team completely outdistanced the Purple and White quartette and were leading over a half a lap of the indoor boards at the finish.

Freshmen and novice varsity men competed in individual events, following each varsity race in consecutive order.

## BRITISH CAMERA MAN GIVES LECTURE TODAY

### Photographer to England's Royal Family Talks on Art Production

### EXHIBITS ON DISPLAY

R. N. Spaergh, court photographer to the British royal family, will give an address this afternoon at 3 o'clock in Morrill hall on "Photography and Its Place in Art Production." The exhibits of the Nebraska Art association will also be on display for public inspection from 2 to 6 o'clock.

Mrs. A. R. Edminston, a Nebraska artist, who has several works in the exhibits, will conduct a gallery tour at the address, beginning at 4 o'clock. She will explain and interpret the various art offerings on display.

### Altruism Club Meets

On Feb. 26, the Altruism club will hold a meeting in Morrill hall and will view the exhibit. Professor Grumman will have charge of this meeting.

Mrs. B. R. Leland, who also has paintings in the exhibit, will conduct a gallery tour on Tuesday, Feb. 19, for the Tuesday Travel club, which will hold its regular meeting in Morrill hall. The Crete Women's club will also inspect the exhibit during the week.

Lincoln school children are being afforded an opportunity to see the display during the duration of the exhibit. Supervisors who explain the pictures have charge of the groups.

## Venezuela Geologist Gives Talk to Class

Clarence Lee, '26, geologist for the Lago Petroleum Corporation of Maracaibo, Venezuela, South America, visited Professor Schram's office in the department of geology last Monday. At this time he lectured to the professor's class in field geology at 5:00 p. m.

## Ponies Will Stomp at Temple This Week in Tryouts for Spring Show

Out west where men are men, and some take ladies' parts in Kosmet Klub spring shows. This might characterize the tryouts for the pony chorus and the leading female roles in the production.

However, even if the tryouts are only next week, all contestants should appear without beards, but soprano voices need not be cultivated. There, John, aren't those boys built? No, they do not endorse cigarette advertisements.

Tuesday and Wednesday and Thursday, in fact three whole days! Tryouts will be held to determine the Nebraska sweethearts of the masculine complex. Excuse us boys, there will be no embarrassment at the tryouts even if you

## A. T. O. House Gets Real Chicago Early Morning Greetings

Swish! Bang! Crash! Sounds like Chicago but fear not. Neither is it a wild west story from the next issue of the Awgwan. The adjectives were used only to reproduce the sound of a flying missile through the air, striking a window pane and sending the shattered pieces to the floor.

Early yesterday morning a short, stocky character, mounted on a small, black touring car bore his deadly missiles of morning papers and one by one fired upon each of the fraternity and sorority houses on the campus. Zealous in his mission and incited by the early morning air, he released one of his missiles with extra-powerful strength. His aim erred a bit and the deadly missile crashed through a large window at the A. T. O. house.

## NEW INFIRMARY WILL BE OPENED MONDAY

### Lymán Reports University Hospital in Position For All Cases

### HAS A LARGE STAFF

Monday morning has been set as the opening date for the new university infirmary, according to Dean R. A. Lymán, who has charge of the hospital. Work on the plant has been delayed by the lack of material, but all cases will be taken care of Monday morning.

The infirmary, which is located in the old chancellor's residence next to Ellen Smith hall, has been completely remodelled for hospital use. It is equipped with much new medical apparatus, making the institution able to take care of students' ills more efficiently than before.

### Will Take Care Of All Cases

The dispensary, which has been located in Pharmacy hall, has been taking care of as many as sixty students a day, with the average running between twenty and fifty. Cases of contagious diseases can be isolated in the new infirmary, a service heretofore impossible with the existing facilities.

The resident staff of the infirmary will consist of Mrs. Loise Vining and Miss Lillian Stuff. Three or four Lincoln doctors will give part time service and will be available for calls outside the infirmary.

All illness must be reported directly to the infirmary for free medical service. The regular staff will take care of all cases, and the university will not be responsible for any bills of students during illness if they do not call the infirmary and be attended by a university doctor. A charge of one dollar a day will be made for board to students in the infirmary.

## CHANCELLOR SPEAKS AT COUNCIL DINNER

### More Money for Faculty Salaries Is Stressed By Burnett

Chancellor E. A. Burnett discussed the financial needs of the university at a dinner of the Inter-fraternity council in the Inter-fraternity club, Thursday night. Prof. E. F. Schram of the geology department was the chairman of the meeting.

The chancellor suggested that the Board of Regents' plan of expansion be elaborated, with more money being allowed for salaries of faculty members and new buildings. A new heating plant, engineering building, home economics building and dormitories for men, as well as women, were needed, he said.

Following the chancellor's address, Professors C. J. Frankforter and C. E. Mickey gave short talks. Approximately 75 fraternity men were present at the short business meeting which followed the dinner. George W. Holt, Phi Sigma Kappa; Harold Halblissen, Alpha Sigma Phi; Frank Moeckler, Pi Kappa Alpha; composed the committee in charge of the affair.

## Prof. W. H. Adolph Will Speak at Museum Hour

Prof. W. H. Adolph of the department of chemistry will talk on "China: Habits of Life and Thought," at the weekly museum program at 4 o'clock Sunday afternoon in Morrill hall. Dr. Adolph lived in China for some time. His talk will be illustrated by pictures he took there.

## Complexion Soap in Vogue

Palmolive soap sales have risen like the temperature at a midnight show, because of the quest for school girl complexions, but never fear, the lights will be soft, the music low and the black narcissus will be prevalent. Think that over. From all indications, the lads who persist in wearing spats will

give the lads a free riding membership in the equine pastime. This is merely a name to indicate that the boys are small, built, can dance, and like to be petted. However lads with big feet will be at a disadvantage, for surely no sorority girl would have shoes to fit some of the prospective hoofers.

Complexion Soap in Vogue. Palmolive soap sales have risen like the temperature at a midnight show, because of the quest for school girl complexions, but never fear, the lights will be soft, the music low and the black narcissus will be prevalent. Think that over. From all indications, the lads who persist in wearing spats will

## STUDENT BODY WILL VOTE ON CLASS OFFICERS

### Temple Polls Open Tuesday For Second Semester Elections

### FOURTEEN ON BALLOT

### Four Candidates Declared Ineligible by Office of Registrar

Fourteen candidates will be competing for the four class presidencies and Ivy day orator at the second semester election to be held Tuesday in the Temple lobby. Four candidates who filed for office were declared ineligible by the registrar after the closing of filings at 5 o'clock Friday afternoon.

Polls will be open Tuesday from 9 o'clock in the morning until 5 o'clock. Identification cards will have to be presented. Ballots for the offices to be filled will be printed in different colors to facilitate counting. Political organizations to which the candidates belong will not appear on the ballots as had been planned when the Student Council at its meeting last Wednesday approved such a move. Abandonment of the plan was made, according to Munro Kezer, chairman of the election committee, because of the fact that many did not indicate their factions when filling, due probably to the council's action coming after filings had been open for several days.

### List of Candidates

Senior class president: Charles Dox and DeForest F. West; Junior class president: Paul Burgert and Glen G. Reichenbach; Sophomore class president: Robert Danielson

Continued on Page 3.

## DR. McVEY WILL BE GRADUATION SPEAKER

### President State University Of Kentucky Consents To Give Address

### EXERCISES ARE JUNE 8

Dr. Frank L. McVey, president of the State University of Kentucky, Lexington, Ky., will give the commencement address to the University of Nebraska graduating class of 1929 at the exercises June 8. His acceptance was announced by Chancellor E. A. Burnett.

Dr. McVey has been president of the University of Kentucky since 1917. He served as secretary of the National Association of State Universities from 1916 to 1922, and as president in 1923.

### Received Degree from Ohio

Dr. McVey received his degree of doctor of arts from Ohio Wesleyan university in 1893, and the degree of doctor of philosophy from Yale in 1895. He holds honorary degrees of doctor of laws from Ohio Wesleyan university and the University of Alabama.

He was an editorial writer in New York during 1895, then taught history for a year in Columbia Teachers' college. He went to the University of Minnesota where he stayed until 1907, becoming professor in economics, then served the two following years as the first chairman of the Minnesota Tax commission. He accepted the presidency of the University of North Dakota, where he stayed until 1917, as president in 1917.

Dr. McVey is the author of several works on history and economics.

## 'WILD WEST' NUMBER BRINGS NEW FEATURE

### Editor Calls for Copy as Work Is Started on March Issue

Election of the "Western Queen" whose identity will be revealed in the March "Wild West" number of the Awgwan, will be held Thursday, February 21. Details of the election will be published later.

A full page out of the "Western Queen" of Nebraska will be the feature of the monthly humor magazine sponsored by Sigma Delta Chi, national professional journalistic fraternity. The identity of the "Queen" will be withheld until the magazine is issued on March 11.

### Issue Call for Copy

Calls for copy of the "Wild West" type is being made by Douglas Timmerman, editor. Copy has already been turned in by Neal S. Gomon, Margaret Day, L. O. Laing, Mercedes Wochner and L. S. Gilman.

A full page of poems by Natalie Field will be featured in the "Wild West" number. Art work by James Pickering, Arch Powell, Gene Allyn, Catherine Ashford, Milton Reynolds and Margaret Ketring has already been submitted for the March number.

Copy contributors and students to work on the business staff are requested by the editor to report as soon as possible for assignments on the March issue.

## CANDIDATES

Senior Class President  
Charles "Chick" Dox, Blue Shirt.  
DeForest F. West, Independent.

Junior Class President  
Paul Burgert, Blue Shirt.  
Glen H. Reichenbach, Non-Fraternity.

Sophomore Class President  
Claude Rowley, Blue Shirt.  
Robert Danielson, Non-Fraternity.

Freshman Class President  
Marie Broad, Independent.  
Howard Gardner, Yellow Jacket.

Harrie Shearer, Blue Shirt.  
Ivy Day Orator.

David Fellman, Independent.  
George Johnson, Independent.  
John McKnight, Yellow Jacket.  
Lester Schoene, Non-Fraternity.  
Bruce Snyder, Blue Shirt.

## PLEDGING MEASURE GOES TO COMMITTEE

### Amendment Seeks to Have Bill Into Effect by Fall of 1930

### RIGID RULE IS DESIRED

The house committee on education Friday reported out to general file the bill for deferred pledging. Representative Hovis, chairman of the committee on education, introduced the bill several days ago. In a hold-over session held Saturday the bill was referred to the House committee of education for an amendment to provide that the bill shall become effective September 1930.

The bill would prohibit students of the state university, the state normal schools and other institutions of higher learning from pledging or joining fraternities during the freshman year. The penalty for violation is expulsion and it is made mandatory upon school authorities to expel.

### Bill Is Opposed

Sentiment in the legislature is not unanimous for the bill. At least two members of the committee are known to oppose it.

Another amendment was proposed that would permit ex-service men to enter the University and other schools of higher education without payment of tuition and fees. This would affect, the state explained, only about sixty students. It would, he said, give many an opportunity to learn some trade or profession. Its application would be to Nebraskans only.

The deferred pledging bill probably will come before the House in the committee of the whole this week.

## DR. STAUSS TAKES UP WORK AT CHICAGO

### Physics Professor Awarded Fellowship to Study in X-Ray

Dr. Henry E. Stauss of the department of physics at the University of Nebraska will go to the University of Chicago next year, having been awarded a national research fellowship by the national research council.

His study will be in the field of X-ray. He will work in the laboratory of Prof. A. H. Compton of the University of Chicago, who two years ago received the Nobel prize for investigations in X-ray.

Dr. Stauss has published two papers dealing with X-ray, the second of which was done while at the University of Nebraska. He expects to publish a third paper in the spring. This is the second year that Dr. Stauss has taught here. He took his undergraduate work at Washington university in St. Louis, and his graduate work at the University of California, where he received his degree of doctor of philosophy.

## Mozar Is Scheduled To Speak at Vespers

Anatole Mozar will speak on "Russia Since 1917" at Vespers in Ellen Smith hall Tuesday, February 19. This is the third of a series of talks by foreign students and professors sponsored for Vespers services. Next week, Miss Helen Thoburn will speak on "China." Special music, being arranged for the services will be announced later. Inez Bolln will lead the services Tuesday.

## One Copy of Charter Edition of Nebraskan Is Mailed to France

Copies of the Charter Day edition of the Daily Nebraskan are being sent to all parts of the United States. However, Miss Kate Field in the registrar's office believes she is setting a record for distance in sending a copy. She mailed one yesterday to her brother, Edmund Field, in Loche, France.

Edmund Field graduated from the University in 1916 receiving the Bachelor of Science degree. He is employed as a teacher of English in the Zoni school in Loche, and his graduate work at the University of California, where he received his degree of doctor of philosophy.

## SCARLET QUINT TAKES VICTORY OVER BULLDOGS

### Huskies Win 37-24 in Non-Conference Battle on Coliseum Court

### FISHER IS HIGH SCORER

### Maclay Aids in Keeping Nebraska Basketeers in Lead During Game

Coach Charley Black's Husker cagers had little trouble in disposing of the Drake Bulldogs on the Coliseum floor last evening, the final count standing 37-24 in favor of the Scarlet quintet. The game was a non-conference one, however, and did not affect Nebraska's standing in the Big Six.

Morris Fisher's basket eye was functioning in perfect fashion, and he led his teammates in the scoring column with 15 points. Both he and Maclay were working well under the basket and tipped in many shots from the backboard. Bowles led the scoring efforts of the Des Moines crew, accounting for one-third of the Drake tallies.

### Huskies Open Scoring

Some moments of play had elapsed before either team could find the hoop at the beginning of the fray. Referee Eagan found several of both the Drake and Nebraska players guilty of fouling. Witte converted the opportunity from the free-throw line for the first counter, and Maclay soon followed with an under-basket shot. Nebraska accounted for 7 points in quick order before Drake entered.

Continued on Page 4.

## Campus Puts On Silents Manner For Elections

Election Tuesday! What hopes and long cherished desires, what fears and unshakable dreads are linked up with those two little words. Yes, election of the four class presidents as well as Ivy day orator will take place Tuesday and by this time campus election machines are well oiled and the well-known steam roller has been resurrected from the attic so that rust and other marks of age may be nicely removed.

Class filings have been announced in today's Nebraskan and it remains to be seen whether Yellow Jacket or Blue Shirt reigns supreme. Oh yes, and there is a third party. Who is it? Use your imagination.

### Campus Is Silent

For the past week, the campus has been taking on a silent, suppressed and more mysterious air which daily grows more suppressed and more mysterious.

In class rooms, in halls, on street corners, and other places of diversion are seen groups of students clustered together and talking in low, inaudible voices. What they are saying is nobody's business—right now. But next Tuesday will tell the tale.

## JUNIOR-SENIOR PROM TICKETS GO ON SALE

### Fraternity Representatives Will Handle Sale for Closing Formal

Tickets for the Junior-Senior Prom, which will be given Friday evening, March 1, in the new Cornhusker Ballroom, will go on sale Wednesday, February 20. Members of the committee and fraternity representatives will have charge of ticket sales. The price of admission to this year's Prom will be three dollars.

The names of the six candidates for Prom girl will be printed on the tickets. The candidates will be elected Tuesday, February 19, by popular vote of the junior and senior classes. Votes will be cast for four senior girls, and the six highest will be considered candidates.

### Each Ticket Is Ballot

Each ticket will serve as a ballot for Prom Girl the night of the party. Members of the committee and two faculty members will count the ballots. The presentation of the Prom Girl will be the feature of the party. As has been the custom, only senior women are eligible to election.

The committee is still negotiating in an effort to secure a headline orchestra for this important function. Definite announcement in regard to music will be made the first part of the week.

Decorations will be handled by members of the committee and a professional decorator. Extensive plans are being formulated, and indications are that the new Cornhusker Ballroom will be considerably transformed—from any party given this year.

Favors have already been selected. The committee promises favors they are unlike any ever given at a major social function at Nebraska.

## Bull Snake in Bessey Loses Nose in Battle With Small White Rat

A bull snake at Bessey Hall lost half of its nose the other day during a fight with a small white rat which had been given to it for food. The snake, being semi-torpid, has not eaten anything since last October. Its activity seemed to indicate hunger one day last week, but it did not prove agile or strong enough to kill its prey or even to defend itself successfully. Besides mutilating the snake's nose, the rat also bit its tail and back, leaving deep gashes.

It was believed that such reptiles would not eat anything at all during the season of dormancy. It is to be moved from the cool room to a warm one as an experiment to find whether or not its activity will increase or whether it will take any food.

## CADET BAND APPEARS AT COLISEUM SUNDAY

### Second of Concert Series Will Be Broadcast Over KFAB

### NINETY PIECES ON STAGE

Lincoln music lovers will be offered a special treat this afternoon when the university R. O. T. C. band, under the direction of Prof. W. T. Quick, presents its second concert of the season at the Coliseum.

For the first time since the cadet band concerts have been inaugurated, the entire program will be broadcast through radio station KFAB, enabling people over the state who are unable to attend the concerts to hear the music as well as though they were seated in Nebraska's Coliseum.

The main features on the program this afternoon will be a trumpet solo, "Grand Fantasia," "You'll Remember Me," played by Lyell Klotz with band accompaniment; "Procession of the Knights," from Wagner's "Parsifal," and selections from "Rose Marie," by Rudolph Friml.

The band's membership this semester is made up of more than ninety cadet musicians. There is no admittance charge for the concert, which begins at 3 o'clock. Doors will open at 2:30 p. m.

The program:  
Overture, "Barber of Seville," G. Rossini.  
Intermezzo from "Naila," L. DeLibes.

Funeral March of A Marionet, Ch. Gounod.  
Trumpet solo, Grand Fantasia, "You'll Remember Me," Lyell Klotz.

"Procession of the Knights" from "Parsifal," Wagner.  
Humoresque, Piccolo Pic, W. L. Slater.  
Selection, Rose Marie, Rudolf Friml.  
My Nebraska, The Cornhusker, Theo. C. Diers.

## FORUM PROGRAM FOR SEMESTER RELEASED

### Dr. R. H. Wolcott Appears Wednesday for Second 'Y' Lecture

Program for the World Forum luncheons for the second semester has just been announced by C. D. Hayes, secretary of the university Y. M. C. A. Prof. C. H. Patterson opened the series of talks with an address on "The Religion of a Philosopher" at the first meeting, last Wednesday.

The World Forum meets each Wednesday noon. Tickets may be purchased Tuesday evening at the Y. M. C. A. office in the Temple or at the Y. W. C. A. office in Ellen Smith hall for 35 cents, or at the door on Wednesday for 40 cents.

### February

The program:  
February 20—"The Religion of a Philosopher," by Dr. R. H. Wolcott.  
February 27—"The Religion of Another Land," by Miss Helen Thoburn, of China.

March 6—"The Religion of a Sociologist," by Mrs. Hattie P. Williams.  
March 13—"The Religion of a Historian," by Prof. C. H. Oldfather.

April 3 and April 10 the meetings will take up the merits and defects of our present economic system.

## Frosh Catch Up on Sleep as Probation Hours Bring to Close Rough Initiation

Probation ended the fifty-six hour period allotted by the Interfraternity ruling this morning. Weary-eyed individuals, having survived this qualifying ordeal, are catching a few winks of sleep and dreaming of initiations as the next step towards wearing a coveted fraternity pin.

Tedious, humiliating, deprecating, and in many cases painful, probation is designed as the panacea for all shortcomings of the uninitiated man. The tales, related by the various freshmen, take the nature of yarns as each one attempts to paint his experiences in the most awesome color. Others clothe their adventures of the past few days in knowing and mysterious composition, but the nodding of heads during lectures and other classes will indicate the strain which these students have willingly endured.

Stay Within Houses

## KOSMET KLUB HOLDS SPRING SHOW TRYOUTS

### Manager John Trout Asks All Men to Sign Schedule in Book Store

### COOKSEY DIRECTS DANCE

### Eligibility Plays Important Part in Selection For Play

Every one who has singing or dancing ability is requested to try out for the Kosmet Klub male spring show, "Don't Be Silly," next week, John Trout, show manager, announced last night. Kosmet Klub members stated that a large turnout for tryouts is expected and close competition will mark the selection of the principal parts, and the pony chorus.

### Pony Chorus Tryouts Tuesday

Tryouts for the pony chorus will be held at the Temple, Tuesday afternoon and evening. All men under five foot seven inches, who have ability to dance are requested to sign up for tryout. Dancing ability and shapeliness will be the major factors in picking the men for the pony chorus. Approximately sixteen men will be chosen after the tryouts, so as to allow for scholarship ineligibility which may develop later. The pony chorus will be chosen by Mrs. M. B. Cooksey, who instructed the chorus for "The Matchmakers," the mixed cast production last fall.

Tryouts for the seven principal parts which are open, will be held in the Temple, Wednesday and Thursday evenings. All men desiring tryout must sign the schedule posted in the book store, and appear the time for tryout. Four male and three female parts comprise the list of principals which

## FEBRUARY ALUMNUS APPEARS ON CAMPUS

### Article by Governor Arthur J. Weaver Features Monthly Book

### STRESSES EDUCATION

"Weaver Stresses Quality of Education" an article presenting Governor A. J. Weaver's attitude toward the University of Nebraska is the feature article of the February issue of the Nebraska Alumnus. The monthly magazine appeared on the campus Friday and was mailed to subscribers yesterday.

In the article Governor Weaver recommends a 10 percent boost in the University's maintenance fund and a decrease in the building appropriation. Chancellor E. A. Burnett has also contributed an article outlining the dormitory program of the University.

### Weaver's Study Given

Dr. J. E. Weaver, professor of plant ecology, has made some important explorations in the field of ecology. His findings from these explorations have been considered invaluable to the crop growers of the world. His article is titled, "Dr. J. E. Weaver Turns Explorer."

Among the other articles in this issue is "Steele Holcombe Now at Assiut," Mr. Holcombe, 16, is now secretary of the Y. M. C. A. in Egypt and is superintending the construction of a new Y. M. C. A. building at Assiut.

The sports section includes news of Nebraska's wrestling and cage season, the return of Henry Schulte and Ed Weir to Nebraska's coaching staff, and Coach Dana X. Bible's talk on the "Educational Value of Football" which he gave at a dinner composed of faculty members.

The cast for "Faust" which will be presented here in March is announced in the issue. Space is also given to recent events on the campus.
