## GOALSHOOTERS PLAY CHAMPIONSHIP GAMES

Kappa Sig Men Work Up From Beneath to Win From Alpha Sigs

## KRONKRIGHT TOPS SCORE

Kappa Sigma's class A basketball team came from behind to smother Alpha Sigma Phi in the last half of their championship game in the Coliseum last night. The final score was 16-9. Phi Sigma Kappa failed to show up for the game scheduled with Phi Gamma Delta, and the Phi Gams were awarded a forfeit. Delta Sigma Lambda, Alpha Gamma Rho and Theta Xi were winners in important class B games.

Kappa Sigma and Alpha Sigma Phi battled on even terms during the first half. A long shot by Rhea in the closing minutes gave the Alpha Sigs a one point lead. In the third quarter, Kappa Sigma outplayed Alpha Sigma Phi decisively but managed to score only one basket, making the score at the beginning of the final period 8-7, with Kappa Sigma leading. Paulsen scored under the basket. Paulsen made good on two free throws, adding four points to the Kappa Sig total. Rhea connected with another long archer for the Alpha Sigs, making the count 12-9. An underbasket shot, and a sinker from behind the foul circle, both by Kronkright, put the game on ice.

## Hard to Find Baskets

Both teams had trouble making their shots count, the number of opportunities being almost even for both. Most of the tallies were rung up on attempts from far out on the floor. Kronkright was high scorer, with three field baskets.

The Phi Sigma Kappa - Phi Gamma Delta game was a part of the final round, and with their victory by forfeit, the Phi Gams made a percentage equal to that of the Kappa Sigs and the Alpha Sigs in the final round. The three-way tie for first place necessitates another round robin of play, with but three teams participating. However, if the Kappa Sigs should beat the Phi Gams, further play would be unnecessary, and the title would go to the Kappa Sigs.

## Phi Gams Win

By defeating Phi Gamma Delta 14-6, in class B play, Delta Sigma Lambda won its way into the finals of the class B tourney. Alpha Gamma Rho also went to the finals when Phi Kappa Alpha forfeited.

In a final round game in class B, Theta Xi trounced Phi Sigma Kappa, 19-1. White scored eight points for the winners.

## FINAL PHASE OF PLAY ARRIVES IN TOURNEY

Sigma Kappas, N'Ergettes Are Stated for Closing Game Saturday

Close scores marked the women's intramural basketball tournament in the semi-finals. N'Ergettes won from the first team of Delta Zeta, 14 to 4, and Sigma Kappa won from the second team of Delta Zeta, 8 to 7. In each game quickness and agility marked the playing.

The final game will be played Saturday morning, March 2, from 11:00 to 12:00 o'clock in the women's gymnasium, between Sigma Kappa and the N'Ergettes. This will bring to a close the intramural basketball tournament in which twenty-eight teams representing twenty-one groups have participated. Three hundred girls in all have taken part in some forty games of the tournament.

Tournament Begins Interclass tournament starts Tuesday, March 5. Teams for the interclass basketball tournament will be chosen from the girls who have played in the intramural tournament. Tryouts for freshmen and junior team were held Thursday, February 28, at which time fifty girls competed for the class squads.

Seniors and sophomores will try out Friday, March 1, in the women's gymnasium, from 5:00 to 6:00 o'clock. Additional tryouts for those who were not able to come to the other tryouts for all class groups will be held Saturday, March 2, from 1:00 to 2:00 o'clock in the women's gymnasium. Results of the tryouts will be published in the Sunday edition of the Daily Nebraskan.

## Dakota Librarians Comply With Wishes Of Various Inquirers

Librarians at the University of South Dakota are having a busy time of it this year trying to keep ahead of the mother's clubs, parent-teachers associations, business men's organizations and high school students who are clamoring for information on subjects ranging from the cause of the world war to the manufacture of tooth-picks.

Business men who write frankly for material the day before they are to make a speech, commencement orators, history clubs, labor organizations, high school students, and lovers of poetry—all write to the university library for their wants.

of the 1929 Big Six basketball flight. At present the Husker cagers are in third place due to the trimming handed the Missouri Tigers early in the week and to the defeat Kansas administered Iowa State Wednesday. The Aggies, from Manhattan who will be the Husker guests Saturday evening, have previously defeated the Nebraskans, but the dope bucket is favoring a Scarlet victory. The Kansas-Iowa State game at Ames was a surprise for conference court followers as the Jayhawks were rated as the underdog and to continue their streak of defeats. A one point victory margin was snatched by the Allen crew which gives the Jayhawks a better chance to sneak out of the cellar position in favor of the Kansas Aggies.

Oklahoma's basketball five, champions of the Big Six conference, wanted a post-season game with the champion five of the Big Ten, but reports from John L. Griffith, commissioner of athletics in the Western Conference, states that a possible game between the Sooners and the Big Ten winners is ruled out by conference regulations. A ruling in the Big Ten limits conference teams a maximum of seven games during the season, twelve of which must be with conference teams.

Only two basketball quintets in the entire nation remain unbeaten as the winter pastime draws to a close. The University of Washington Huskies in the far west and the Loyola five of Chicago are the only teams recorded without a defeat for the 1929 campaign. Such powerful quintets as Fordham in the east, Arkansas in the south-west and Oklahoma in the Big Six region have fallen during the season. The Huskies of Seattle boast of a great record. They have taken thirteen conference games and piled up a total of 527 points to 346 allowed the opponents. This is an average of better than 40 points a game to 24 for the defeated teams.

One Cornhusker follower gave his version of why D. X. Bible made such a hit with the New Yorkers. The majority of gridiron tutors are wont to get up at banquets and eulogize at some length on the great collegiate pastime. It seems that Coach Bible does not fall in that category and for such reason his short talk was in his favor. And yet another follower on the campus states that Coach Bible was not given enough time at the alumni banquet at Manhattan to give a long talk. D. X. spoke about five minutes but seems everyone who appeared on the list was in the talking mood that evening and monopolized all the time.

Dr. H. J. Huff, Kansas track mentor, is entering a squad of 28 men at Kansas City today and tomorrow. The Jayhawk thinclads are touted as one of the powerful contenders for the indoor title on the indoor track for this season. Nebraska and Oklahoma also loom up as the strength of the conference although Iowa State and Missouri will make themselves known.

Captain Lester Lande, captain of the Iowa State Cyclones, led his last Iowa State College basketball five against a conference foe on the floor of State gymnasium this week. Lande and his team mates did not pile up enough counters to turn in a win to close the season. Kansas taking the game by a one-point margin. Two other Cyclone basketballers also finished their play for Ames. They are Fred Ludwig, forward and "Doc" Taylor, forward and guard.

## ELEVEN TEAMS ENTER WRESTLING COMPET

McCook, Defending Champ, May Be Hard Pushed By Omaha Tech

Eleven teams will compete in the Nebraska high school wrestling meet which starts this afternoon in the Coliseum, with semi-final matches tonight at 7:30 o'clock and the finals being staged Saturday afternoon. Creighton Prep and Borden Bow, two late entries, will compete with Aggie High of Lincoln, St. Paul, Gibbon, Teachers College high of Lincoln, Brock, Omaha Tech, Milford, Ashton and McCook. This is the second annual wrestling tournament for high schools and promises to be a close race with McCook, defending champion, hard pushed by Omaha Tech. McCook took the honors last year and has a strong team in the field again while Omaha Tech has shown up well in dual meets and promises to give the champs a fight for their money.

Weight Class are Listed  
Weight classes will be 95 pounds, 105 pounds, 115 pound, 125 pound, 135 pound, 155 pound and an unlimited heavy-weight class. The tournament will open Friday afternoon at 2:30 o'clock with the first place preliminary matches, semi-final matches coming at 7:30 Friday evening. The finals start Saturday afternoon at 2 o'clock, preliminary and final second place matches following immediately afterward. This is to be both an individual and team event, first, second and third places being awarded. Contestants and coaches will be the guest of the athletic department at the basketball game between Nebraska and Kansas Aggies Saturday night.

## MRS. MERRILL SPEAKS TO INTERSCHOOL BODY

Mrs. Maurice Hitchcock Merrill spoke on the subject of "Indians" at the regular interschool staff meeting of the Y. W. C. A. in Ellen Smith hall at 5 o'clock last evening. It was erroneously reported in yesterday's Daily Nebraskan that she was to speak at the open house rather than at the interschool staff meeting.

Mrs. Merrill, wife of Professor Merrill of the College of Law, lived in Oklahoma, so she knows the American Indians as they are on the reservations today.

## PALLADIANS SECURE MEIER FOR ADDRESS

An illustrated talk by O. W. Meier on his recent trip to Cuba, together with several novelty and musical numbers will be the features on the program at the open meeting of the Palladian Literary society to be held this evening at 8:30 o'clock at the Temple.

Mr. Meier was a veteran in the Spanish-American War. Last year he made a trip to Cuba where he attended the National Convention of Spanish-American War Veterans. It was while on this trip that he secured the pictures with which he will illustrate this evening's talk.

## Law Sophomore at South Dakota Makes Hobby of Taxidermy

Vermilion, S. D., Feb. 28.—Garner Waddell, Webster, a sophomore in the school of law at the University of South Dakota, is one of the several students at the university who are developing taxidermy as a hobby to fill in spare moments between the routine hours of class work and study, and in many cases to earn extra money to help pay college expenses.

Waddell now has on display in the museum at the university a large pile and a perch, both caught by himself in one of the lakes in Day county and mounted during spare moments at school. The work of preparing and mounting animals is being done by students in the natural history museum. W. H. Over, curator, assists the boys in learning the art of taxidermy.

Skunks, owls, pheasants, fish of various kinds, squirrels, canaries, and many other different animals have been prepared and mounted by the university students engaged in the hobby.

**Ames Coach Gives Call For Baseball Players**

AMES, Ia., Feb. 28.—Noel Workman, head baseball coach at Iowa State College, sounded the first call to his prospective spring varsity baseballers yesterday when he announced a meeting of all candidates in State Gymnasium next Monday. Coach Workman looks for a good ball club this season, as a large number of veterans will be back in suits. Indoor practices will be started next week.

## Y. M. C. A. LEADERS WILL MEET TODAY

Officers and a group of Y. M. C. A. leaders will meet with Arthur Rugh, formerly of China, at the Nebraska hotel today noon to discuss plans for developing religious emphasis in connection with the work of the university Y. M. C. A. Mr. Rugh has special responsibility for work of this kind under the national student council of the "Y," and has made a study of this subject in a large number of colleges in the United States the past two years. From Lincoln, Mr. Rugh goes to the state student volunteer meeting at York, March 1 to 3.

## MANY SCHOOLS ASK FOR HEALTH CENTER

Lawrence, Kan., Feb. 28.—More than eighty public school systems of Kansas have made application for establishment next September of health education centers, proposed by the Commonwealth fund of New York, working through the extension division of the University of Kansas.

Additional applications are arriving daily, and when the list of applicants is complete, selection of five cities will be made, for the establishing of the health centers September 1. It is intended that various types of schools shall be represented, including the rural school, the consolidated school, the school in the city of the third class, and the ward school of some larger city.
