### FERGUSON GOES TO FOOTBALL SQUAD DISTRICT MEETING

Dean O. J. Ferguson, of the Col-lege of Engineering, is attending the convention of the second district of the American Institute of Electrical Engineers being held at SPRING PRACTICE Cincinnati, Ohio, March 20 to 23. The second district comprises the states of Ohio, West Virginia, Pennsylvania, New Jersey, Delaware and Maryland. A meeting of Oakes Drills Aspirants on the committee on reactive power will be held in connection with the

owd of gridiron fans are anxious ly awaiting the arrival of Coach Dana X. Bible, the Cornhusker achool's new gridiron tutor. When D. X. does arrive, bleachers will probably have to be erected on the COACH LIKES TURNOUT stadium practice field to accomo-Dana X. Bible Will Arrive date all the spectators who will want to watch the new coach take charge of the Cornhuskers, Bible is expected sometime this month, but when, is still a question for mere man to leave for someone

labored under a hot March sun Wednesday afternoon on the stad-"Indian" Schulte now Coach um practice field, getting the funturns his attention to the coming relays at Texas. The "Indian" is damentals drills of the opening sure of entering in the mile relay days of spring practice. Coach "Bunny" Oakes, assisted by Cap-tain Lehman, Bill Day and Ted James is giving his Cornhusker event. With Captain "Stew" Campbell and Earl Wyatt running the quarter close to 52, the Husker line aspirants all the initial worktrack mentor will be able to put a fast relay team on the cinders at Austin on March 29 and 30. Claude The idea of the spring senatons is to get the men in better shape Rowley, possessor of the educated toe who kept the Huskers from for the fall campaign and to lowhat might have been defeat cate the outstanding gridders comagainst Pitt, is performing brilliantstated Coach Oakes yesterday. The Nebraska line mentor, who has ly in the broad jump event. Rowley Young and Cobe Tomson are three turned out some of the gretest football lines in the history of Cornhusker football, looks with a promising field men in this event. Schulte has not stated definitely who will make the southern jaur but will announce that later.

great deal of satisfaction on the cearling prospects that he is working with this spring. He states that there is a host of material in the spring squad and that the va-cant hole in the line will not look so bad by next fall.

Developing his line charges into inst offensive men is the main number on the spring program. Coach Oakes would not trade a tast charger on offensive tactics for two heavy men who were slow Coed Alley Competition Is in coming around on interference during the offensive play. A man to take Elmer Holm's place in the Scarlet wall, is what Oakes is look-ing for during the spring months.
