TRACK MEN COME BACK FROM TRIP TO TEXAS CAMPS

Thinclads Roll Into Local Field Sunday; Showing Pleases Schulte

LAMSON DRAWS HONORS

Neligh Sophomore Ties Meet Record in High Hurdle Race at Austin

Coach Henry F. Schulte and his varsity tracksters, twenty-one strong, returned to familiar stamping grounds Sunday afternoon from the annual Texas and S. M. U. Relays where they opened their 1929 outdoor competition. Encouraged by the showing of the Scarlet and Cream representatives, especially sophomore performers, the Nebraska mentor expressed himself as being very well pleased with his progress and prophesied big things for the Husker team in coming Big Six competitions.

Highlights of the Cornhusker invasion were Willis Lamson's victory in the high hurdle event at Austin, Friday where he tied the meet record, Bevard's high jumping effort and Cobe Tomson's broad jumping. All three of these men are sophomores and should count often this coming season.

Time Considered Good The Neligh HI hurdler stepped over the barriers in 14.8 seconds, which is very good for an early season mark, while Bevard twice got over the six foot mark in the high jump, a boon to Husker high jump fans for a six foot high jumper has been scarce around Nebraska since the days of Hob Turner and his remarkable efforts. Tomson opened his varsity competition with a second at the Texas games and a third at the S. M. U. affair, both times setting above the 23 foot mark.

Members of the Nebraska team were high in their praise of the southern Relays, stating that they never had seen such real competition. Two meet marks were broken by Nebraska athletes and then they could gain only fifth places with their efforts. Bevard hurled the javelin for a new meet record Friday at Austin but had to be content with a fifth place while the Cornhusker 440 relay quartette stepped the distance in record time but to no avail for it too only meant a fifth place.

Compete Until Finish A third in the two-mile relay was the only scoring in the baton passing events that the Husker representatives placed in but in all the races they turned in remarkable time only to be nosed out at the finish.

The Friday games at Texas University were held under ideal weather conditions with flowers blooming all around, quite a contrast to last week-end conditions in Nebraska. Members of the southern track teams, aided by good outdoor training conditions, were in excellent shape, and had the jump on all the northern schools. Saturday's meet was held in a stiff wind, which hampered the record breaking performances of the previous day.

Many Praise Huskers

Performances of the Cornhusker representatives received the praise of all who witnessed the meet and indicates an increase in strength in the coming Big Six meets. Nebraska athletes were included in the best competition the country had to offer and came through with flying colors. Their efforts compared very favorably with other Big Six members.

Monday's work consisted of limbering up with a varsity vs. varsity meet scheduled for this Friday. The Kansas Relays at Lawrence are the next meet on the Husker schedule, carded for April 12.

RHODES ISSUES BALL MEN NEW UNIFORMS

Coach States That Changes In Team Are Possible Before First Game

New baseball uniforms have been issued to the seventeen members who will comprise the varsity baseball squad of the University of Nebraska for the 1929 baseball season. The uniforms were issued to the varsity Friday evening after practice.

In passing out the suits, Coach "Chippy" Rhodes made plain that this did not necessarily constitute final selection of the team and that there may be and probably will be some more changes before the opening game which is early next month. Those men who received the new uniforms and who at present look to be the best of the lot are:

Pitchers: Clair Sloan, Verdon, The Pickett, Scottsbluff; Henry Armata, Columbus.

Catcher: M. Williams, Stockville; Harold Halbeisen, Litchfield; Kenneth Gaston, Ogallala.

First Basemen: Harvey Graci, Mascot; Adolph Lewandowski, Chicago, Ill.

Second basemen: Loyd Betts, Arcadia; Jake Maser, Lincoln.

Shortstop: Glenn Ulstrom, Lincoln; L. Williams, Stockville.

Third basemen: Marshall Keyes, Holdbrook; James Row, Hooper.

Outfielders: Gilmore Decker, Washington; Anos Allen, Mitchell; and Willard Witte, Lincoln.

Schulte Postpones Greek Track Events Until Today

Tri-color track meet, which was postponed yesterday because of high winds, will be held this afternoon in the stadium, according to Henry F. Schulte. All track men are urged to participate.

Blue, Dan Get Chance With New York Giants

Blue Howell and Dan McMullen, number Nebraska gridiron stars, have received contracts to play with the New York Giants professional football team. Blue declared last night that he was considering the proposition favorably and that he would probably know definitely within a few days whether or not he would accept the proposition. He stated at the same time that McMullen, likewise, was considering signing the contract.

The New York Giants team has had a successful record in late seasons and ranks as one of the better eastern professional teams, though not on a par, perhaps, with such outfits as the Frankfort Yellow Jackets, with which Ed Weir was connected for a time.

BALL TEAMS BATTLE ON WINDY DIAMOND

In a practice game featured only by habitual booting, the varsity "B" team came back to the Coliseum last night with an 8 to 4 victory over the "A's". Stureck was hurling for the victors, while Gauger started for the "A's", but he was chased from the mound in the third after a barrage of hits and booting. It was a mean day for a ball game in anyone's league, the high wind making fielding extremely treacherous. No one seemed to be playing their standard brand of baseball, although Poppe was looking at short.

Snyge and Grace managed to poke out hits that were good for three bases, while Keyes got the only two bagger for the afternoon. Coach Rhodes worked his men for six innings and called it an afternoon. Armatis, Sloan and Pickett are scheduled to work tomorrow in the regular practice game. The summary is as follows:

Husker A Team. Routs, 20; Ulstrom, 12; Ray, 20; Grace, 15; Witte, 10; Maser, 10; Williams, 10; Keyes, 10; Poppe, 10. Totals: 21 8 14 7 4

Husker B Team. Keyes, 20; Poppe, 20; Lewandowski, 10; Decker, 10; Smith, 10; Krieb, 10; Hartman, 10; Rosenburg, 10; Snyge, 10; Gauger, 10; Wondra, 10. Totals: 23 4 18 10 4

Three base hit, Snyge. Struck out: by Poppe 1, by Gauger 1. Base on balls: off Snyge 1, off Poppe 1, off Gauger 1, off Wondra 1. Hit by pitcher: How the gaugers, Witte, Wondra, Krieb and Snyge, off Snyge, 2 and 2 in 2, off Poppe, 2 and 2 in 2, off Gauger, 1 and 1 in 2, off Wondra, 2 and 2 in 2. Winning pitcher: Snyge. Loss: Gauger. Double play: Keyes to Lewandowski, Decker to Rosenburg to Lewandowski.

GLIDERS SCHEDULE MEETING TONIGHT

Glider club will hold a meeting tonight in M. E. 207, at 7:30 o'clock. The main business of the evening will be the election of permanent officers of the organization. There will also be a discussion of the general nature and details of the glider which the group is at present engaged in building.

This plane is expected to be completed in about two months' time. It will have a thirty-two foot wing spread, length of twenty feet, and width of seven feet. The organization is open for membership to anyone regularly enrolled in the university.

Ellensburg, Wash.—(IP)—The following item appeared in the Campus Crier, at Washington State Normal:

"Perhaps you noticed some up-to-date news items in the Campus Locals last week concerning Miss Meisner, Miss Grupe, and Miss Picken. The enterprising make-up men at the printers while searching for more items for the Campus Local column, used their ingenuity, wire stuff. We may published state news once in a while, but we will endeavor to see that this column is printed untampered hereafter."

PLAYERS OPEN WEEK'S RUN IN FRENCH DRAMA

Continued from Page 1. not taken by the cribbed poetry and artificial learning of Trissotin, had a prominent part in the play. Her sister, Armande, played by Grace Rowe, had disdained the hand of Chtandre for the higher things, in her estimation, such as philosophy, science and literature.

Costumes Are Realistic

The costumes of the players are very realistic from the women with their long hooped dresses to the men with their knee breeches. They are appropriate for the time in which the action is supposed to have taken place.

The complete cast included: Harlan Easton, Irene Martin, Grace Rowe, Creta Bricks, Robert Reade, Mary Murchison, Zolley Lerner, Elwood Ramay, Edwin Quinn, Irene Lavelly, Harold Woods, Al Poska, and Joy Storm. Miss Alice Howell directed the play.

Announcement was made on the program of the season's finale in which the University Players will present "Shakespeare's 'Midsummer Night's Dream'." That vivid comedy will be shown at the Temple theater in the week April 22-27.

KOSMET COMPLETES TRIP ITINERARY

Continued from Page 1. produced in the Kramer high school auditorium under the direction of Judge Johnson and Bruce T. Clarke, both former students at Nebraska. Associated with these two men in promoting the Kosmet entertainment are the members of the Nebraska Alumni association at Columbus.

RACQUET MEN START TEAM COMPETITION

Playing Determines Varsity Eight Outfit; Matches Take Full Week

DUBRY, HEACOCK PLACE

Preliminary competition among university racquet-ers for places on the varsity special eight-man team was held yesterday afternoon on the local tennis courts and five matches were scheduled. To the accompaniment of a strong wind and a great deal of dust which it stirred up the following matches were played off:

Anderson vs. Cameron, Fishbaugh vs. Fullbrook, Del Rosario vs. Sherman, Stephens vs. Zelen, Robertson vs. Gant.

Last Through Week

Matches will continue the rest of this week, and a new set of names will be posted over at the courts each afternoon. Six men will be chosen from the most successful of those competing and will be included as six out of the eight that will compose the varsity team. Two of the eight former veterans, Charles Heacock and Coral Dubry, have already been awarded places. Other serious candidates include Zelen, Bender, Sherman and Robertson.

The first meets of the season will be held some three weeks hence, April 26 and 27, when the varsity eight will encounter the Kansas Aggies and Kansas university, both at Kansas.

MIXED DOUBLES MUST MAKE RESERVATIONS

Play Lasts Until Friday; Groups Set Own Time to Wage Contests

Mixed doubles groups of the tennis tournament will play off their games this week before Friday, April 5. Each group is to arrange within itself the playing hour, and reservations are to be made one day in advance with the caretaker. Men's intramurals are co-operating with the girls' intramurals to sponsor this mixed doubles tournament. Tournament bulletins have been posted at the tennis courts, and in the women's gymnasium. Those entered are as follows:

Hall, Gamma Phi Beta, and Maxwell, Delta Upsilon, vs. Brandt, 1449 Q. Hammond, Tau Kappa Epsilon, Margaret Day, Kappa Alpha Theta, and Don Waterhouse, Alpha Tau Omega, vs. Kathryn Indle, Phi Mu, and Harry Pollock, Phi Gamma Delta. Nellie Mae Biese, and Ebenhart, Delta Sigma Lambda, vs. Nellie, Delta Zeta and Simpson, Sigma Nu. Nellie Mae Biese, and Ebenhart, Delta Sigma Lambda, vs. Nellie, Delta Zeta and Simpson, Sigma Nu. Jim Elliott, Sigma Phi Epsilon, and Betty Pringle, Delta Gamma, and Jack Tack, Phi Kappa Phi. Hesterfield, Phi Omega, and McClay, Alpha Sigma, vs. Raymond, Alpha Delta Phi, and Lewin, Delta Upsilon. Phil, and John, Alpha Tau Omega, Alpha Phi, and John, Delta Delta Delta, and John, Phi Kappa Phi, and Gillespie, Sigma Nu, vs. John, Phi Kappa Phi, and John, Phi Kappa Phi. Horton, Alpha Xi Delta, and Smith, Phi Kappa Phi, vs. Raymond, Phi Omega, and Patricia, Alpha Sigma Phi. Adams, Gamma Phi Beta, and Dan, and Oswald, Phi Kappa Phi, vs. Schrick, Alpha Xi Delta, and Hoker, Delta Tau Delta. Hawthorn, Alpha Delta, Theta, and Zuehlke, Phi Kappa Phi, vs. Northman, Sigma Kappa, and Miley, Phi Omega. Beth Baker and Woodward, Phi Sigma Kappa, vs. Louise, Kappa Sigma, Delta Zeta, and Limberg, Theta Upsilon. Miller, Sigma Iota Tau, and Grossman, Delta Zeta Tau, vs. Vincent, 1222 B, and Howard, 1449 Q. Edburg, Theta Phi Alpha, and Schloer, Theta Xi, vs. Ernest, Phi Omega, and Hill, Alpha Gamma Epsilon. Rathburn, Delta Gamma, and Orra-Coverly, Theta Upsilon, vs. Raymond, Kappa Gamma and Reuman, Delta Tau Delta. Lemere, Delta Gamma, and Taylor, of Tau Kappa Epsilon, vs. Standen, Phi Mu, and Art Kreschler, Kappa Sigma. Lemere, Delta Gamma, and Fredrick, Sigma Nu, vs. Peckard, Chi Omega, and partner. Mildred Hoff, 1429 E, and Charles, of Theta Xi, vs. Alpha Xi Delta, vs. Alpha Chi Omega, and Kappa Sigma.

MANY ENTER GIRLS SINGLES TOURNAY

Eighty-five girls are now entered in the girls' singles tennis tournament. Entries for the tournament will close Wednesday at noon. All who entered will find their opponents' names on the tournament bulletin in the gymnasium Thursday. First rounds are to be played off by April 13. Courts can be reserved with the caretaker of the college courts one day in advance.

'Doc' McLean's Fame Stretches Over Wide Field; Rubs Nurmi

"Doc" Martin J. McLean, Nebraska trainer, has a reputation extending into international athletic circles. The fact was brought out Saturday at the S. M. U. relays in Texas, when Phavo Nurmi, the "Phantom Finn" came to him and asked for a massage, preliminary to Nurmi's participation in a special two-mile race.

The famous runner requested that "Doc" examine his muscles and give him a rub-down. The request complied with, he speeded to another victory, although falling short several seconds in his attempt to establish a new world's record.

'Doc' Makes Comment

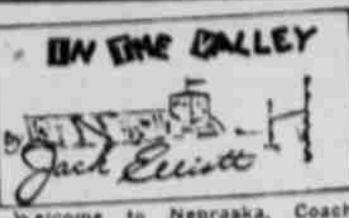

Nurmi's visit, "Doc" said, was probably occasioned by knowledge of the Nebraska trainer gained from Willie Ritola, the Finnish runner who was in Lincoln during the national A. A. U. games last summer.

"That's the only way I can think of for him to find out about me," said "Doc." "I thought perhaps Schulte had sent him, but I found out that he hadn't, so the only way he could have heard about me was from Ritola. I worked on him last summer when he was here during the A. A. U. games."

ST. PAUL GOES INTO NATIONAL TOURNEY

St. Paul high school, Nebraska interscholastic basketball champions, are entered in the national high school tournament to be held this week under the auspices of the University of Chicago. St. Paul will play in a first round game Tuesday Naugatuck, Connecticut according to the tourney draw announced Saturday.

The Winnemucca, Nev., team, on its way to the meet, passed thru Lincoln Sunday. St. Paul entered the national tourney last year but was eliminated in the first game in both the championship round and the consolation.

Welcome to Nebraska, Coach Dana K. Bible! Yesterday the new Cornhusker gridiron mentor took charge of the 1929 Cornhusker football squad in the third week of the spring football session. Although Coach Bible did not take over reins completely, leaving much of the work to Coach "Bunny" Oakes, he spent two hours in getting acquainted with the men on the squad and the various positions held by each. An usual the arrival of a new gridiron mentor is a big event at the Cornhusker school and photographers and newspaper men from all over the Missouri Valley region were on hand to get an interview and a photograph of the new football director. From now on the wearers of the Scarlet will be instructed in a new and faster brand of the pigskin game. Coach Bible is an advocate of the wide-open game with plenty of forward flips and ball deception. With the power and weight of the Nebraska squad, Bible will have some good material to work with.

The showing made by the Cornhusker track squad at the annual Texas relays at Austin and at S. M. U. in Dallas was nothing to be ashamed of. The Husker thinclads came through with some points and Lamson turned in some exceptional times in the hurdles. "Cobe" Tomson placed third in the broad jump at S. M. U. and Bevard took second in the high jump with the mile relay team finishing third to complete the Nebraska scoring at Dallas. The showing made at Austin was as equally brilliant as at S. M. U. Coach Schulte has been pointing for the conference championship in the outdoor for the past three years and this year it seems the "Indian" will have one of the best opportunities in years to bring back the Big Six flag. Individual track men are developing as the time draws near for the outdoor meet at Iowa State and some marks should be hung up by the Cornhusker tracksters.

Claude Bracey, sensational Rice Institute sprinter, turned in a world's record in the century in two consecutive days at the southern relays but was not allowed the record because of a slight wind at his back. In the Southern Methodist Relays at Dallas, the southern sprinter clipped the century in 9.4 but Knute Rockne did not allow the time because of the wind advantage. At Austin the day before in the Texas Relays, Bracey was clocked at 9.5, bettering the world's record by one-tenth of a second. Bracey's record at Austin may be considered as a world's record as there was very little wind advantage at his back.

Oklahoma A. & M. won the team championship in the national collegiate wrestling tournament at Ohio State University Saturday. The Oak Aggies won four out of the eight matches and the four men to win in the finals were McReady, Bancroft, Van Webber and Caldwell. The Oklahoma Farmers have a reputation of being one of the strongest wrestling teams in the country and was the only school to place in more than two matches. The Sooners from Oklahoma won one match in the 125-pound division, two titles went to the University of Illinois, and one to Cornell. Nebraska gained one point in the tourney by Captain Joe Toman's victory in the second round of the 165-pound class. Toman was eliminated in the third round.

BOXERS ENROLL FOR A.A.U. TOURNAMENT

Students Enter Contest at Omaha Which Decides 1929 Champions

Seven University of Nebraska students are among the thirty-five amateur boxers who have entered the Mid-west A. A. U. tourney tonight at the Creighton University gymnasium. New 1929 senior A. A. U. champions in eight divisions will be crowned at the meet.

Robert L. Kinoshita, 30, 115 pounds, Harold S. Ostran, 32, 126 pounds, present state champion, Earl Fredrickson, 30, 126 pounds; Harry Dingman, 31, 125 pounds, present state champion; Curtis Post, 31, 147 pounds, present senior A. A. U. champion; William Whit, 32, 147 pounds, and John Adams Jr., 30, 160 pounds, will compete.

and the tournament will be played at the volley ball courts in back of Social Sciences. Deck tennis is similar to tennis in scoring. Instead of a ball and racquet, rings of rubber are thrown over the net. There are two girls on a team, and any number of teams may be entered by a group.

Seattle, Wash.—(IP)—(and U. of Wash. Daily)—Rows and rows of bottles containing poison surround Waite Rising, pharmacy graduate in the University of Washington. Called "Post-Mortimer" by his fellow students, Rising is studying the effects of different poisons on the human body after it has been embalmed. Each bottle contains a poison and a small piece of stomach. With these he is making a quantitative

Do you prefer the V-Line or the Narrow Heel?

Most women seem to discover a need for both types!

The Gordon V-Line — with the shapely tapering shadows on either side of the ankle — is beautifying beyond a doubt. For it was designed by an artist to repeat in silk the natural shadows of the ankle.

The Gordon Narrow Heel — leaves almost the entire ankle clad in sheer silk... and yet gives the necessary reinforcement. This is especially attractive for street and daytime wear.

And the new Gordon colors... not only the costume but the woman herself is considered! They are planned to match skin tones (whether pale or sun-tanned) — distinctly a modern note in colors.

will be crowned at the meet. Robert L. Kinoshita, 30, 115 pounds, Harold S. Conquering the Cascades

SNOW falls every month in the year where the Great Northern crosses the Cascades. Steep, tortuous grades increase the difficulty of the railroading problem. Nature has stubbornly resisted man's effort to conquer the range.

In January, 1929, the new Cascade tunnel was opened. Man, with electricity as an ally, had conquered the Cascades.

The eight-mile bore was driven in three years—a record impossible without electric power. And electrification has been extended to the entire 75-mile route through the mountains.

The conquests of electricity on the land and on the sea, in the air, and underground, are making practicable the impossibilities of yesterday. As our vision encompasses wider horizons, electricity appears as a vital contribution to future industrial progress and human welfare.
