### Coach Appears Pleased Over Husker Prospects for Autumn Games

## TRACK OUTLOOK BRIGHT

### Cinder Men Get Ready for University of Kansas Relays April 20

Husker grid candidates will get their second taste of competition Thursday afternoon when two of the picked teams from the squad clash in the second spring practice game. The game will start promptly at 4 o'clock and will be played on the stadium sod.

Wednesday afternoon the teams were sent through a short drill. Work was light as nobody would be kept out of today's game because of bruises. Coach Bible appears quite pleased with the showing as made so far and hopes to give the grid fans a real exhibition of spring football this afternoon.

### Backfield Is Strong

The two backfields will probably be chosen from Peaker, Long, Marcus, Paul, Scherzinger, Perry, Captain Farley, Frahm, Young, McBride, Packer and Hanley. The line candidates include Greenberg, Houk, Still, Justice, Bauer, Morrison, Schieler, Prucha, Hubka, Dempsey Douglas and Rhea.

Announcement has been made by H. D. Gish director of athletics at the University, that Nebraska will be represented in the special football relay, a new 440 yard event on the Drake relay program.

### Huskers Show Promise

Football letter men of 1928 are eligible to compete and time trials for the Cornhusker squad will be held within the next fortnight. The Cornhusker candidates of promise include Sloan, Frahm, Rowley, Morgan, Young, Peaker and Farley. The grid relay event will be staged the final day of the relay program, April 27.

Intensive track activities loom on the horizon for Coach Henry F. Schulte and his Cornhusker cinder athletes with the coming annual Kansas relays, scheduled for April 20 at Lawrence, Kas., which will open the 1929 Missouri Valley and Big Six competition for the Scarlet and Cream. Followed by the Drake Relay classic, April 26 and 27, Coach Schulte and his proteges will be busy until the Big Six conference meet at Ames, May 17.

### Preparation for Kansas Relays

Preparation of the coming Kansas cinder game occupies the time of the scarlet jerseyed cinder men at present, with intensive work on the program for the past two weeks. The veteran Husker mentor is determined to make a good showing at the Jayhawk affair and is putting in extra efforts to the Nebraska representatives in the best of shape.

Nebraska has been represented at the Kansas affair since it was first started, six years ago, and has carried off more than its share of honors. Two individual records and one relay team record are held by the Cornhusker athletes. Roland "Gipp" Locke, Nebraska's sensation sprinter of a few years back, is holder of the best time in the 100 yard dash with a time of 9.6 seconds, which ties the world's record for the century dash.

### Weir Makes Mark

Ed Weir, another of Schulte's pupils, is credited with the best time in the high hurdles with a mark of 15 seconds flat, while the 880 yard relay team of Hein, Davenport, Daley and Locke holds the relay record for the half mile baton changing event.

The event of the shuttle hurdle relay in the Drake program of events, comes as welcome announcement to Nebraska track fans. Fleming, Arganbright, Thompson and Lamson who won this event at the Illinois relays, will carry the Cornhusker colors into this race and should carry off the honors.

### Quarter Relay Planned

A football quarter mile relay has also been added to the Drake roster of races. Announcement was made Wednesday by Drake officials that teams from Nebraska, Notre Dame, Drake and the Army would compete in this special race. Members of the relay teams must have also been members of last fall's football squad.

The Army quartet will include "Red" Cagle, Murrell, Sprague and Hammock, all gridiron stars. The Notre Dame entrants will no doubt have Cevigny and other Rockne stars competing.

Tryouts for the Nebraska team will be held Thursday along with the other scheduled try-outs Coach Schulte has arranged.

Cold damp weather drove the Husker squad indoors Wednesday afternoon with the hope that the sun would be shining for Thursday's competition. A special program for the benefit of the Lions club will be held Thursday noon with quarter-milers, hurdlers, shot putters and broad jumpers strutting their stuff. The rest of the try-outs will be held Thursday afternoon.

Varsity team members are scheduled to return from their spring vacation not later than 2:00 Tuesday afternoon of next week. Work-outs will be held starting Tuesday until the team leaves for the Kansas games.

### Time for Tennis Doubles Extended Until Saturday

Mixed doubles of the tennis tournament are to be played off by Saturday, April 13. Courts in the Coliseum are to be used for the games since the weather does not permit outdoor tennis. Reservations for the courts may be made by calling the men's athletic office at the Coliseum.

## HUSKER DASH MAN QUILTS UNIVERSITY

Dick Lambert, University of Nebraska freshman and holder of the state record in the 100-yard dash, has left school. Lambert is from Kearney and last spring in the state high school track meet he clipped the distance in 9.3 seconds. He also tied the state mark of 32 seconds for the 220-yard dash, held by Art Easter, now a junior in the University. Lambert has been showing up well in freshmen meets and was counted upon to score points next year.

## KEARNEY HIGH HIRES ELLIOTT FOR COACH

### University Graduate Leaves Superior Schools for New Position

Thomas Elliott, an alumnus of the University, has been elected to the position of head coach at Kearney high school. He is at present coaching successfully at Superior. He will succeed H. C. Eberhart, who has held the coaching post at Kearney for eight years, and who returned his next year's contract to the school board, resigned.

During his University career, "Tom" was a participant in many extra-curricular activities. He was captain of the basketball team in 1927, a member of the football squad for two years, and was active in tennis and track. He was prominent in debate work, and was a member of the glee club. He was also a member of the Innocents. Elliott is affiliated with Sigma Phi Epsilon.

## NET TEAM CONTEST CONTINUES INDOORS

### Six Men Try for Places on Varsity Tennis Squad at Coliseum

April showers forced the six competitors for the four remaining positions on the varsity tennis team to retire to the Coliseum yesterday afternoon and today to play off their round robin on indoor courts put up for their use.

The six men that are playing for the positions are Fullbrook, Fishbaugh, Robertson, Cameron, Zelen and Del Rosario.

Monday afternoon the matches were played off on the outdoor courts. Three matches were scheduled. Robertson won from Fullbrook 6-4, 4-6, 6-3. Fullbrook came back strong and took the match from Del Rosario by the score of 6-4, 5-7, 11-9. But Del Rosario also came back in a following match played with Fishbaugh and won 4-6, 5-2, 6-0.

Tuesday afternoon the courts were ready for service in the Coliseum and out of the prospective showers. Only one match was engaged and Zelen emerged with a win from Fishbaugh, recovering in the final set with the result 6-1, 2-6, 6-2.

Wednesday afternoon playing continued on the Coliseum courts and in the first game Robertson won two straight sets from Cameron driving the ball to the count of 6-1, 6-4, to win the match.

### Liet Present Standings

Standings of the six men so far this week are as follows: Robertson leading the sextet with 4 wins, no losses. Fullbrook is second with 3 wins and 2 lost. Zelen has won 2 games and lost 1. Fishbaugh won 0, lost 4.

The high four in this week's round robin will fill four out of the seven places on the varsity team. Harold Sherman, Charles Heacock, and Coral Dubry are the remaining members of the team that will stage its first valley competition April 26 and 27 against the Kansas Aggies and University of Kansas respectively at Kansas.

## LITERARY GROUP HOLDS INITIATION

### Two Honorary Members and Seven Actives Join Chi Delta Phi

Chi Delta Phi, honorary literary sorority, held its annual initiation and banquet at the Cornhusker hotel, Tuesday evening. The list of initiates includes Alice Geddes, Elaine Gibson, Ruth Gregory, Harriet Horton, Esther Dahmes, Audrey Musick and Charlotte Wells. Mrs. Clarence Lowe and Helen Magaret were initiated as honorary members.

Marjorie Stuff presided at the banquet which followed. The decorations were carried out in pastel colors. Spring flowers adorned the table. Mrs. E. A. Burnett, Mrs. Samuel Avery and Mrs. Herman G. James were present as guests of honor. The active members presented the following program: "News of the Year," Marjorie Stuff; original poems, Helen Magaret; original story, Dorothy Thomas; piano selections, Henrietta Rees; original play, Ruth Moore Stanley. About forty were present at the affair.

## Coach Bible Will Talk To Methodist Men's Club

Coach Dana X. Bible will speak tonight at a dinner meeting of the Trinity Methodist Church Community Men's club, to be held at the church at 6:30. Following the dinner there will be a program for the entertainment of the Trinity basketball teams which took part in the Y. M. C. A. competition this winter.

## DIRECTOR ANNOUNCES TENNIS COURT RULES

### Women Use Nets South of Bessey Hall; Others Open to All.

Rules governing the use of the university tennis courts for the 1929 season were issued yesterday by H. D. Gish, director of athletics at the University of Nebraska. Attention has been called to restricted hours, open hours, time of play, and priority of matches on the courts. Anyone violating the rules in regard to the courts may have the privileges of the courts denied them.

In regard to restricted hours attention is called to the fact that the six courts south of Bessey hall are reserved for use in Woman's Physical Education classes on Monday, Wednesday and Friday from 8 o'clock to noon, and from 1 to 2 o'clock, and on Tuesday and Thursday from 8 o'clock to noon, the courts will be reserved for the physical education classes.

### Coliseum Courts Open

The new tennis courts on either side of the Coliseum are open for use to the general student body, administrative officers and faculty of the University at all hours of the day. Those courts south of Bessey hall will be open to all after 5 o'clock on Monday, Wednesday and Friday, and after noon on Tuesday and Thursday. The courts are open all day Saturday and Sunday.

Playing periods are limited to one hour each in the event that other players are waiting to use the courts. Playing time changes on the even hour. Any player waiting on the court has the privilege of asking how long he has been on the court. It is suggested that all prospective users of the courts try to arrange their time in order to begin playing on the exact hour.

### Doubles Hold Priority

Double matches have priority rights over singles. Individuals playing singles shall be allowed to finish their set in the event that other players are waiting to use the courts. On the completion of the set, if other players are waiting to use the court, double matches must be played.

Scheduled tournament matches have prior rights over all other matches. Tournament matches should be scheduled at the office of the intramural director, university Coliseum 105.

## BOWLERS PLAY FINALS TONIGHT

### Pi Kappa Alpha-Pi Kappa Phi Contest Ends Greek Competition

Despite the fact that certain state athletic officials have voiced their sentiment against the national high school basketball tourney which is held at the University of Chicago every year, the tourneys will be continued, according to word from Amos Alonzo Stagg, University of Chicago menator. Stagg started the national cage tourneys eleven years ago and he thinks the tourneys are too successful to abolish. The 1929 classic was won by Athens, Texas, and was one of the most successful ever held on the University of Chicago courts. Chicago has not profited financially by the meets as all the funds are used for the annual track meet for the nation's high schools.

Our dear friend "Freddie" Ware of the Omaha World Herald, states in his daily Sportlog something to the effect that it might possibly be a good thing if the Cornhusker school would adopt the plan Kansas uses in dealing with its annual high school basketball tourneys. In the Husker state hundreds, yes hundreds of basketballers from the state high schools flock to Lincoln every March for the annual interscholastic basketball meet in the Coliseum while down at Lawrence sixteen teams enter the Kansas tourney each year. Eleven of the teams are winners of the district meets and five of the teams are selected on their record during the year. We happen to hail from the Jayhawk state and after watching the Nebraska state high school basketball meets for three years, we would say the Cornhusker institution has left its neighbor-school in the dust. Here at Nebraska every spring the University entertains hundreds of high school basketball players. While in Lincoln these youths become familiar with their state school. At Kansas sixteen teams are entertained during the state meet and when the high school lads begin looking for an institution to continue their education, sixteen schools know what is up at Lawrence while the rest take it from rumor.

these large high school basketball meets, track meets, wrestling meets and scholastic affairs of all sorts for the state high schools. It is the one big reason why very few of Nebraska's products seek their education in other schools outside the Cornhusker boundaries. Nebraska keeps its products at home. While if we turn to Kansas and other states similar, the result is that a good percentage of its high school students take to out of their education.
