A campus editor makes this testimoulal: "I one everything to Ber-mude onions I was weak and mudown before enting them. Now I am run down every day, but the onions have given me afrength enough to pick myself up and hur myself to safety. I can truthfully say am glad I know my onions."

DOCTOR DECRIES TARDY RETIRING

Students Use Alarm Clocks Because They Ge to Bed Too Late

Minneapolis, Minn. May 10 .- Studenis are compelled to use alarm clocks to wake up in the morning because they do not get to bed early enough at night. Dr. Harry Lees, assistant director of the Stu dents Health service declared yes Doctor Lees made the statement

in defense of the traditional stu-dents alarm clock, in response to r condemnation of the morning gone a "silly, superstitions, and barm-tul," made by Dr. Jesse Williams, director of physical education at the New York Teachers college, Although Doctor Williams claims that students should wake up nat urally, proceed lengurely to break Just without experiencing the tor fures of a cold plunge, Doctor Lees claims this is impossible in the modern student body

Setting up exercises were cor demped as a waste of time by Doctor Williams, and came in for the denunciations as the alarm

LOCKE WILL RUN Roland "Gipp' Locke, bolder of world's record for the 220-yard dush, and former captain of the Husker track team, will appear in exhibition race next Wednes. day. The race is a limit meet spon-uul track and field meet spon-sored by the Palls City Journal. The race is a part of the an-

Today on Memorial Scholum oval track (2) athletes from 106 high schools will compete for state high This is the largest collection of track stars ever to assemble at the Cornhusker school, which is a very good indication that track interests in the Husker state or increasing each year, thanks to the great work of the Nebraska track menter? Coach Nenry F. Schulte. Athletic offivials at Nebraska are expecting many records to fall in the final run-off Saturday afternoon on the stadium cinders. High school an tists of the track seem to be in abundance this season and from the records turned in during the present season, followers of the track are in store for some new prep track records Saturday.

When the track athletes of the came series to be played with the Big Six conference convene at lows Haskell Indians, O. E. Gauger will State on May 17 and 18 for the an offich the second game on Saturday numl conference championably. This will leave Ted Pickett and meet, the conference pole vaulters Henry Armatia for the sectes with will attempt to break the Nebraska the Kansas Jayhawkers on Monday pole vault record, which is held by Frank Wirsig of the 1927 team Haskell Indians have a record for Wirsig's record of 12 feet 4 and 14 last three years that shows inches has stood for two years but few games dropped, although dope has it that the Nebraska recthey bave met mest of the middle ord will tumble into the bucket west teams. The Redskins will face with many others at the first an-Nebraska squad fresh from two qual Big Six conference meet, Maufetories over the Kansan Aggies rice Saults of lown State has been hast week. Despite a slow stars in copping more than 12 feet consist-the first part of the season, the early all spring and looks good to work of Pickett and Armstis in the drop Wirsig's record. Other vaultlast encounters brings the Hunkers ers who will be in the running for to a high rank in pitching ability. a new vaulting record will be Drake of Oklahoma, English of Mismuri Cheurs of Oklahoma and Witte and Ossian of Nebruska.

Roland 'Gipper" Locke, former Cornhusker dash star and holder of the world's record in the 220-yard dash, will run an exhibition race in his favorite distance in the annual Falls City Journal track and field meet at Falls City on May 15. The former track star accepted the in vitation to run in the 220 yard scrint with a group of picked high school athletes from that section of the country. Locke has a group of no has taken part in several feature exhibitions.

Nebraska and Coach Schulte have long been known for the great array of hurdlers turned out and iow comes a new and faster bur dler in Harold Peta, a sophon thinber topper who looks like a Petz is from champion. and clipped the high sticks this week in 15.3 in a trial run against and with every breath, sindents week in 15.3 in a trial run against hear of them. White onions, red Couch Ed Weir and Smutney of They eat them raw, with Schulte's team of hurdlers this spring are one of the greatest in said that spectators are the history of the Scarlet and
