### PLANS FOR KING KOSMET'S SHOW GET UNDER WAY

Organizations Plot Skits For Thanksgiving Day Festivities.

### HAHN CALLS FOR ACTS

Klub Will Sponsor Annual Election of School's Sweetheart.

Plans for the Thanksgiving morning matinee presented annually by the Kosmet Klub are rapidly being put under way, according to Carl J. Hahn, production manager of the club. Fraternities and sororities wishing to have skits in the show should see Hahn at once and secure application blanks. A number of organizations are already working on skits for the show, Hahn stated, and it is expected that the greater part of the fraternities and sororities will have an act to offer. Nature of the acts depends largely upon the fraternities or sororities presenting them. Skits should be developed so as to bring out the best individual talent of an organization.

Precedence at last year of presenting Nebraska's sweetheart, elected by a vote of the student body supervised by the Kosmet Klub, at the show will be followed again this year. This election will be held in the near future. Ruth Hilton was last year's sweetheart. Included in last year's show which was known as "King Kosmet's Royal Revue," were a singing and dancing act by Delta Gamma and Sigma Chi; a presentation by Kappa Kappa Gamma and Alpha Tau Omega; a comedy football team by Alpha Omicron Pi which played to music by one of Lincoln's orchestras; a blues singing act by Alpha Chi Omega; and a skit by Alpha Phi and Sigma Kappa.

A rally conducted by Chick Dux, well known, was staged for the Kansas Aggie-Nebraska football game during the show last year. A huge crowd packed the Liberty theater and the matinee was proclaimed a great success. This year's show will not only equal that of last year but will even excel it in regard to novel ideas of presentation and entertainment. Those desiring to submit skits for the show may reach Hahn in the Kosmet Klub rooms in the Annex building any afternoon from 5 to 6 p. m. or at the Sigma Nu house, 625 North 16th.

### Physical Education Instructor of China Visits This Campus

Miss Margaret Andrews, director of physical education at Gingsing college, Nanking, China, visited the University of Nebraska last week on her way home to California via Europe. Miss Andrews and Miss Mabel Lee, director of the physical education program for women at the University of Nebraska, were classmates at Wellesley college.

While on the campus, Miss Andrews spoke to the junior and senior women majoring in physical education. Miss Andrews related the story of her forced flight from the city of Nanking during the revolution, after she had hidden in an attic for two days under the guard of college Chinese students.

### ENGINEER STUDENTS MEET FOR BASEBALL

All engineering students interested in playing indoor baseball are requested to meet in the university coliseum at 5 p. m. Monday, Oct. 21.

### Fassnacht Represents Lifetime of Preparation for Part of 'Christus'

BY DON LARIMER AND GEORGE DUNN.

Adolph Fassnacht, the "Christus" of the Freiburg Passion Play, which was presented Thursday, Friday and Saturday under the auspices of the American Legion, at the university coliseum, not only portrays the part of Christ on the stage, but also, as far as it is humanly possible, lives a Christlike life in private.

From babyhood his life has been one of continual preparation for the part he now personifies, both in character building and in familiarizing himself with the Savior's sacred role. He was born in Bavaria, Sept. 8, 1881, while the Freiburg Passion Players were traveling. The following Christmas he made his first stage appearance in the manger scene as the Christ child, while his mother played the part of Mary, mother of Jesus. Later, as yet a child,

### SIGMA XI PLANS INITIAL MEETING MONDAY EVENING

Sigma Xi will hold its first meeting in the Morrill hall auditorium, Monday, Oct. 21, at 8 p. m., according to Dr. Emma N. Andersen, secretary. Dr. H. G. Deming, professor of chemistry, will give a review of the research activities of some of the larger American corporations. He will tell about the funds and personnel that are devoted to this research.

Dr. Deming will also give some details concerning his recent experiences in charge of the department of information of Arthur D. Little, Inc., a firm of consulting chemists and engineers in Cambridge, Mass., which employs about fifty research workers. The meeting is open to the public.

### 15,000 PEOPLE VIEW FASSNACHT COMPANY

Freiburg Passion Players Impress Many With Tragic Story.

### COSTUMING ADDS MUCH

Approximately 15,000 people saw the Freiburg Passion Play during its four performances given Thursday, Friday and Saturday in the university coliseum under the auspices of Lincoln Post No. 3 of the American Legion.

Adolph Fassnacht, as Christus, supported by other members of the cast portrayed the New Testament story in a vivid manner, which despite the fact that the play was carried on in German, was easily followed by the audience. The gorgeous costuming of all the characters, whether principals or members of the rabble, added much to the impressiveness of the spectacle. An excellent orchestra, aided by a chorus made up of musical organizations on the campus and about the city ably interpreted the religious music accompanying the performance.

The play opens with a portrayal of Christ's triumphant entry into Jerusalem, and follows through the New Testament story of the subsequent events leading up to His crucifixion, and closes with an interpretation of the Resurrection. Particularly impressive were the scenes of the Last Supper, the Betrayal, the Trial, and the Crucifixion.

All the members of the cast entered into their parts in a sincere manner that the Biblical characters lived once more for the people viewing the play.

### COMMERCIAL CLUB IS PLANNING INITIATION

President Says Group Will Take in New Members Wednesday Night.

The University Commercial club will hold its fall initiation at the club rooms in the Social Sciences building Wednesday night, Oct. 23, according to Glen Reichenback, president.

The Commercial club has for its purpose acquainting Bizzad students with current commercial problems to promote school friendship with the Bizzad college. The club initiates was gathered at a smoker held in the Temple building earlier in the year at which time all men interested in all Bizzad activities were present.

If interest taken in the early season smoker, and in the only luncheon which the club has sponsored this year, is continued the Commercial club will enjoy more concentrated support than at any time in its history. Nearly 100 men attended the smoker, and fifty or more were present at the luncheon in the Lincoln Y. M. C. A. building.

### Fassnacht Represents Lifetime of Preparation for Part of 'Christus'

he played many other parts and when a lad of sixteen years of age he played the part of St. John. While a student at a high school at Straasburg he began training his voice and character for the part of our Savior under the direction of his father.

At the age of 22 he, for the first time, assumed the part played so long by his forefathers, and continuing for the past 26 years he has played the Christus part in nearly every continental European country and recently in America. Mr. Fassnacht cares nothing for the financial returns which fall to his lot. Rather he treasures the plaudits of thousands who yearly throng to see this marvelous production. His well trained voice has occasioned countless offers of large salaries from many opera companies both here and abroad, but he adheres to the traditions of his ancestors and his love and belief in the part of Christ.

### PLAYERS BEGIN SEASON BEFORE LARGE AUDIENCE

Efficient Cast Presents 'The Royal Family' As First Play.

### MISS FRENCH HAS LEAD

Organization's Fifteenth Year in University Starts Well.

Crackling wit, flashing humor and brilliant satire distinguished "The Royal Family" in the eyes of an appreciative audience at the opening performance of the fifteenth season of the University Players Friday evening at the Temple theater. Augustus French and Herbert Yenne won the instant favor of all by the unusual way in which they handled their parts. Miss French, who has had considerable experience as an actress, played the role of a very successful Broadway star who with rehearsals, benefits, money affairs, hunting jobs for distant relatives, and looking out for her mother, brother, and daughters leads a very busy life. Miss French handles her part in a truly professional manner, and when overburdened with all her responsibilities she tells the whole through that she is going to leave the stage, the situation grows dramatic.

Mr. Yenne needs no introduction to Nebraskans who have seen his work in past years. He seems to revel in his part as the impetuous son of the house who is always in some difficulty and arouses much merriment by his forced flight to Europe to escape the attentions of a Polish actress whom he has made love to in Hollywood and his forced return home again in the third act after causing a Balkan war. As the over-confident, noisy man of the house, Mr. Yenne gets the laugh easily. (Continued on Page 2, Col. 5.)

### SPIRIT RUNS HIGH AT RALLY FRIDAY NIGHT

Cornhuskers Show Great Enthusiasm on Eve of Panther Game.

### PITTSBURGH MEN SPEAK

A monstrous bonfire, which lit up more than half of the drill field, was the scene of one of the greatest exhibitions of Cornhusker spirit ever shown, at Friday night's pep rally preceding the Pitt game.

The impending rain no more cooled the spirit of the Husker adherents than a glass of water would have affected the huge bonfire. The rally started at 7 p. m. in front of the temporary bleachers which were built for the speakers. Cheers and yells were roared out into Huskerland from hundreds of throats led by Robert "Mike" Charters, head cheer leader. George Mickel and Harold Benson, the other two varsity cheer leaders aided Charters.

Team Absent. Coach Dana X. Bible, varsity coach, and his team were not able to be at the rally, but in a talk given by Eldred "Bud" Larson, president of the Innocents society, it was suggested that cheers be given lustily enough to be heard by the coach and his team at the Lincoln Country club.

W. D. Harrison, athletic director of Pittsburgh university, gave Pittsburgh's greeting to Nebraska and he said that the game Saturday was the toughest game on Pitt's program. Pittsburgh was also represented on the speakers' bleachers by Mr. Hill, assistant dean of student affairs.

### Gish Speaks

H. D. Gish, athletic director, was the first Cornhusker speaker at the rally. According to Mr. Gish Saturday's game was the first of a new three year home and home contract between Pittsburgh and Nebraska. He expressed hopes that this connection between the two schools continue indefinitely.

After many requesting roars Coach Henry "Indian" Schulte was brought to the speakers' place on the bleachers. Coach Schulte lauded the great evidence of Cornhusker spirit and urged that it continue throughout the game. After the speeches more songs and cheers were administered by the student body. The rally came to a close on the drill field by the singing of the new Nebraska Field song. For over a half hour after the crowd left the drill field lines of cars containing cheering Cornhuskers spread the Husker spirit throughout Lincoln.

### CORN COBS WILL GO TO MISSOURI CLASH

Pep Organization Decides To Attend Columbia Game En Masse.

### SELL PLAYERS TICKETS

When Nebraska clashes with Missouri next Saturday at Columbia, the Corn Cobs, men's pep organization, will be on hand to take the lead in Cornhusker cheering. That the Corn Cobs would go was decided definitely at a meeting held Thursday evening and the final announcement was made Saturday morning.

Members wishing to make the trip are requested to report to Stanley Day, president, or Fred Grau. Arrangements are being made to accommodate the Corn Cobs in transportation to the annual battle between the Big Six rivals. Results of the University Player's season ticket campaign, handled by the Corn Cobs, were also announced at the meeting. During the three day period, 1177 tickets were sold by the men's pep organization.

The trip to Columbia was made possible financially by the work of selling programs in the stands during football games. At the S. M. U.-Nebraska game 7,980 programs were sold and with a sellout for the Pittsburgh game it is expected that the program sales will soar to 10,000.

### BUS COMPANIES SET RATES TO COLUMBIA

Two Organizations Submit Bids; No Action Yet Taken by Third.

Two bus companies have submitted rates for the football trip to Columbia, Mo., next Friday but no definite action has been taken yet as a third company consulted has not responded. This announcement was made Saturday by Eldred Larson and Joyce Ayers, committee of Innocents in charge of rates.

The estimates submitted by the two companies are somewhat lower than those of the railroad, according to the Innocents' committee. There will be no definite word about special fares to Columbia until the third bus company has been heard from. This will delay the announcement of exact bus fares to Missouri until Tuesday.

The Innocents committee has been very active in attempting to get a lower rate than that offered by the railroad and has telegraphed and telephoned all major bus lines coming through Lincoln.

### MISS PFEIFFER GIVES TALK TO COSMOPOLITANS

The Cosmopolitan club met Friday evening at 8 p. m. in the university Y. M. C. A. club rooms for its first meeting this year. The evening's program featured a talk by Dr. Laura E. Pfeiffer on "International Relations." Dr. Pfeiffer began her talk by tracing the history of world peace up to the present effort of the League of Nations at disarmament. She then told of the present status of each nation regarding disarmament and the respective attitudes upon the question. Her talk was concluded with an enumeration of the reasons why complete disarmament is impossible.

The remainder of the program consisted of an accordion solo and a saxophone solo followed by a short business meeting.

### PANTHER SCORES IN SECOND CANTO

Driving Attack Nets Two Touchdowns for Easterners Late in First Half; Cornhuskers Score in Final Period of Vivid Struggle.

### SLOAN TO MORGAN PASS NETS NEBRASKA TALLY

35,000 Witness Thrilling Game on Memorial Stadium Field; Second Largest Crowd Ever Attending Football Contest at University.

By Jack Elliott.

A mighty driving, plunging and unbeatable Golden Panther football eleven from the University of Pittsburgh crushed the University of Nebraska Cornhuskers on Memorial stadium field Saturday in one of the greatest intersectional gridiron classics staged at Nebraska for many years. Using a powerful driving punch in the second quarter the Panthers scored two touchdowns on the Huskers, Nebraska coming back in the last quarter to score its lone touchdown of the afternoon, the game ending 12 to 7. A colorful crowd of more than 35,000 football fans filled Memorial stadium to overflowing to witness the all important east-west game.

Throughout the first quarter the Panthers and Huskers battled on even terms with both teams scoring a pair of first downs and the Cornhuskers outgaining the easterners on yardage. But at the opening of the second stanza, the Panther eleven cut loose with a mighty driving punch that ended up with Wallich's spectacular 50-yard run down the field to put the ball on the 5-yard line. Two powerful drives by "Pug" Parkinson, Pitt's fighting fullback, put the ball over the white line for the first score of the afternoon.

Pittsburgh Scores. The Pitt crew scored its second and last touchdown after Nebraska had been assessed a 15-yard penalty for roughness which put the oval on Nebraska's 10-yard line. It took just four downs for the mighty "Pug" Parkinson to drive over for his second score of the afternoon. His kick as before was wide.

Coming back on the field the second half, the Scarlet of Nebraska put up a terrific fight against the Panthers and unleashed a daring aerial attack which in the final quarter, netted the Cornhuskers a touchdown. A long dazzling forward pass from the hand of Clair Sloan to "Eck" Morgan put the ball over for the only Husker touchdown of the afternoon. Sloan's try for the extra point was good and thus ended the scoring of the afternoon. Early in the game, Sloan attempted a drop kick from well back on the field but the kick was low. Parkinson also attempted a drop kick but was unsuccessful.

"Dutch" Witte and Clair Sloan started in the Nebraska lineup, the first game for the two backs to start this season. Both Witte (Continued on Page 3, Col. 1)
