

STUDENTS MUST SECURE MIZZOU TICKETS TODAY

All Who Wish Seats Should Get Reservations Now, Selleck States.

200 EXTRA OBTAINABLE

Fans Will Sign at Coliseum, But Get Cardboards At Columbia.

All University of Nebraska students who desire to obtain tickets for the Cornhusker-Tiger gridiron clash at Columbia, Mo., Saturday, must do so before tonight. John K. Selleck, manager of student activities of the university, declared Wednesday night.

Although the 600 tickets which were originally sent here from Columbia have been sold, reservations are being made at the coliseum for an additional 200, he said today. A telephone call to Columbia resulted in having the extra 200 reserved.

Students were cautioned to make their reservations here before Mr. Selleck leaves tomorrow night on board the train which will carry the Scarlet and Cream to Columbia. He plans to take the reservations list with him at that time. Tickets thus reserved will be available Saturday morning between 8 and 12 o'clock at the men's gymnasium on the University of Missouri campus at Columbia.

Should the 200 extra tickets prove insufficient to supply the demand, more can be obtained, word from the manager's office said today. Whatever the final number is, it will set a new record for Nebraska students at a Missouri gridiron struggle. The old record of 400, set two years ago, has already been surpassed by more than 200.

CORNHUSKER SPIRIT BREAKS OUT TODAY

Ten Minute Rallies Offer Students Chance for Cheering Team.

Shouldering sparks of Cornhusker spirit which have been rapidly increasing in anticipation of the annual traditional football struggle between the Scarlet and Cream gridsters and the Missouri Tigers will have opportunity to burst into flame today in the final rallies preceding the game.

Ten-minute rallies will be held in front of Social Sciences hall between classes today so all the student body will have a chance to cheer the team before it leaves for Columbia. Cheers will be led by "Mike" Charters, varsity cheer king, and by the other varsity cheerleaders.

As these ten-minute rallies will be the only outlet for spirit before the game huge crowds are anticipated to take part in them. The R. O. T. C. band will play and the Corn Cobs will be present in a body to aid in the pep.

Last year before the Missouri football game the Missouri football game Husker spirits reached such a high point that many classes were interrupted by lines of yelling students. Many instructors were forced to excuse their classes on account of the frequent interruptions.

The graduates are shown the two new sorority houses which have been put up during the past summer. They are also introduced to the new members of the faculty in another article. ELIGIBILITY CUTS BAND FOR TIGER TRIP TO 44 MEN

41 Can Go; Three More Are Eligible, But Unable to Make Trip.

TOTAL MAY RISE TO 48

Seven Are on Doubtful List; May Also Arrange to Go to Columbia.

Forty-one members of the R. O. T. C. band who will make the football trip to Columbia, Mo., and seven more who may be able to go were announced by William T. "Billie" Quick, director of the band, Wednesday. Eligibility was the deciding factor in keeping more than half of the band from making the trip, according to Mr. Quick.

According to the regular university eligibility rules which apply to the band just as to any other organization on the campus, persons who have incompletes or conditions, or who did not make twenty-seven credit hours since preceding semester of school, cannot make the trip. This rule eliminates the thirty freshmen in the band.

Besides the thirty freshmen, sixteen upperclassmen were ineligible. The complete roll of the band consists of about ninety. The seven men, besides the definite list of forty-one, who may be able to go are made up of three who are ineligible but may be able to clear up the ineligible before Friday, three eligible men who at present cannot go but are trying to make arrangements so they can go, and one who is sick.

Band Hard to Balance.

"We had planned on taking a fifty piece band but due to eligibility rules we have had a hard time trying to select the fifty," stated Mr. Quick. "The main trouble with the forty-one who can go is that there is no balance. The total number is made up almost entirely of trumpets and clarinets. There is only one bass horn and only two drums in the bass section of the band. These are not enough to balance the other instruments."

Transportation and admittance to the game will be furnished the band members. Pullman if desired and meals must be paid for by each individual, however. The band will accompany the special train which is routed through Kansas City and leaves Lincoln Friday night at 9 o'clock, arriving in Columbia at 8 o'clock Saturday morning.

The forty-one who will make the trip are: Captain Carroll Pauley; trumpets: Warren J. Ayres, Jerome Bishop, Albert W. Dahl, William Fitzgerald, Wesley Hinesfeld, Howard Hubbard, Myron O. Johnson, Lester Schick, H. S. Spencer, John Steen, Richard Stratford.

Trombones: Joe Alter, Charles C. Bryant, William Darrah, Harold Hofer, George Klok, Robert Schick, Baritone: N. B. Bennett, Lloyd Thompson. Bass: Lester Selentine, Drums: Norman Hoff, Victor Sloan.

Clarinet: Albert Back, F. L. Burchar, Ben Hemphill, Robert Jewell, Charles McGuffin, Royce Miles, Charles Probasco, Herbert Probasco, Robert Venner, Elmont Waite, Floyd Woolcott. Saxophones: Charles Bratt, Robert Harper, Herman Miller, Sidney Epstein, Samuel C. Ely, Herbert Holmes, and Julian Jacobs.

The seven who are doubtful about going are Gordon E. Ayers, trombone; Scott Cramer, baritone; Eugene Robb and Hugh Sherwood, horns; Raymond Hitchcock and Leonard Hunt, basses, and Glen Church, drums.

Real 'Royalty' Acts For Players' Initial Production of Year

The "son" of the Duke and Duchess will act in "The Royal Family," to be given by the University Players for the last time on Thursday at the Temple theater.

This prospective duke, however, happens to be the dog which Herby Yenne as Tony Cavendish leads on the stage during the third act. It is a registered chow owned by Father Quinn, pastor of the Sacred Heart church. Its father and mother were called Duke and Duchess.

The chow is a Chinese dog, and it is said that many Chinese families breed these dogs for their fur which they ship to the United States. It is red-brown color and resembles red fox except for the fact that it is much coarser.

CORN COBS CHARTER BUS FOR TIGER TILT

Forty Men Will Make Trip; All Ineligible Cannot Be With Group.

PLAN TO LEAVE FRIDAY

Corn Cobs, men's pep organization, will make the trip to the Husker-Tiger football tilt as a group in a special chartered bus, according to a decision which was made at a meeting last night.

Of the group, forty men will go to Missouri in the bus. According to present plans, the bus containing the organization will stop over night Friday in Kansas City. The Cobs will proceed from Kansas City to Columbia early Saturday morning.

"Since there is a fifty cent per man deficit to be made up, every Corn Cob who expects to make the trip must pay his fifty cents at the student activities office in the union building some time today," said Stanley Day, president of the organization.

A list of those eligible to go will be posted in this office and only these men will be permitted to make the trip. Any man who is reported by the dean of student affairs as ineligible for any reason can not make the trip or be with the organization at Columbia, according to Day.

If present plans are followed the "Corn Cob" bus will depart from Lincoln promptly at 1 o'clock Friday afternoon. All men are to meet in front of Social Sciences building where they will be picked up by the bus.

COUNCIL MEETS; HEARS REPORTS OF COMMITTEES

Group on Athletics Wants Student Members on Control Board.

OTHER WORK TAKEN UP

Barb Constitution Presented And Fellman Voting Plan Discussed.

Agitation for student membership on the university athletic board of control was initiated Wednesday at the regular meeting of the Student council when the committee on athletic relations made its report. The committee of which Bob Kelly is chairman presented a resolution recommending to the board of regents that there be two students on the athletic board, to be elected by the Student council from within its own membership.

The council did not pass the resolution, pending a further investigation as to the attitude of the present members of the board regarding the proposal. Several members thought that the proposal was asking too much, and others were of the opinion that another method of electing the representatives should be worked out.

Presentation of the Barb council constitution for approval and an explanation of the proposed plan of proportional representation by David Fellman were the principal other matters taken up at the council meeting which was held at 7 o'clock instead of 5 in order to permit Fellman to be present.

The Student council gave the Agriculture Executive board permission to supervise all subscription dances and rejected a proposal. (Continued on Page 3.)

QUARTERLY REPORTS ARE BEING MAILED

Slips Will Reach Students This Week End, Says Dean Thompson.

Quarterly reports are being mailed from the student affairs office, and they should reach the students this week end or the first part of the next week, according to Dean Thompson. The fraternities will receive the reports Monday.

Assistant Dean Harper states that all students will be reported who are doing unsatisfactory work in two fifths of their registers, and they will be called into the dean's office for a conference. Juniors and seniors as well as the lower classmen are included in this statement.

The usual number of students are down in hours this year but practically every college is overcrowded, so it is probable that there will not be the accustomed leniency, Harper stated.
