Drawings submitted in the twen-Paris prize drawing ty-second contest will be on display today and Monday in the architectural drawing laboratory on the fourth floor of the former museum, ac-cording to W. G. Hill, instructor in the architectural division of applied mechanics. This is the first year that the University of Nebraska has been able to obtain

these drawings.

Each year the Beaux-Arts institute of New York conducts a contest for the best architect's drawings. The winner represents the United States at the Ecole des Beaux-Aris of Paris, the foremost architectural institute in the world. I. D. Murphy of the Massachusetts Institute of Technology, who was States, won first place last year.

SOUTHERNERS GET EARLY TOUCHDOWN

(Continued from Page 1.) took the oval on Nebraska's 48yard line and drove down half the length of the field with Mills, Mayhew, and Captain Crider taking their turns at lugging the pellet. On the last drive the ball was on the Nebraska 5-yard line and the flashy Mayhew took the ball and skirted right end for the needed yardage and a touchdown. Much deliberation and planning preceded Oklahoma's try for the extra point and Coach "Bunny" Oakes sent fresh material into the Husker wall in an attempt to stave off defeat at the hands of the Oklahoma eleven. Mayhew went back to kick the extra point but missed the cross bars and the score remained at 13 to 13.

The work of the Cornhusker ingmen, "Buck" Morgan and Steve Hokuf, was probably one of the greatest exhibitions of work turned in by Nebraska ends in many years. The two flashy ends played a spectacular hard fighting game and while playing against the great Tom Churchill from Oklahoma, the Nebraska ends stood out in dazzling form and made possible many of the gains and touchdowns of Nebraska in
