Pledges Entertain at

The annual school of journalism dinner, sponsored to Theta Sigma Phi will be given at the Annex cafe. Thursday at 6 o'clock. "News" will feature the program

with students in the roles of such well known journalists as William

Randolph Hearst and Arthur Bris-

Acacta members were hosts at

a "goof" party in their chapter house bailroom Friday evening.

Fifty couples, in costume, attended the party. Prizes were awarded

for the cieverest "goofy" costumes, with the chaperons, Mr. and Mrs. E. L. Reichart and Mrs. W. A.

Gamma Phi Beta house, deco-

rated with snow men and icicles

above a snow covered floor, was

the scene of a dance Saturday eve-

ning. Forty couples, including members and guests, attended the

dance which was chaperoned by Prof. and Mrs. Robert L. Reynolds and Mrs. F. H. Beedle. Guests were served punch from bowls

cleverly concealed in snow banks

Sigma Kappa pledges enter-tained at a house party for active

members on Saturday evening. Decorations changed the interior

of the chapter house into that of a yacht with a state room and ball-

room. Port holes and life pre-

servers completed the atmosphere of the ship. As chaperons at the dance were Mr. and Mrs. J. P.

Fifty couples attended the danc-

ing party given by pledges of X1 Psi Phi at the chapter house in

green. A number of out-of-town

lumni remained for the party

after the game. Mr. and Mrs. Ray A. Killian and Dr. and Mrs. R. E. Sturdevant chaperoned the affair.

DELTA UPSILON WINS SOCCER TOURNAMENT

Delts Go Down to Defeat In Final Game: Eller And Moore Star.

WEATHER HINDERS GAME BUSINESS OFFICIAL

Delta Upsilon today ruled the inter-fraternity seccer ranks by afternoon.

Each of the teams had two foes in the game—the other and "Old Man Weather," who did his best to complicate the situation. A high wind that swept across the drill field with breath-taking force made accurate kicking and even

The Delta Upsilon club was ap-parently superior throughout the contest, scoring one goal in each period of the game. The team had more fire than the Delta organization. Eller and Joe Moore looked best on the offense for the D. U. team, and between them directly or indirectly accounted for all the points scored in the engagement Kelley, D. U. goal guard, was a power on the defense for his team, turning back what looked like good kicks at various times in the course of the contest.

Tau Kappa Epsilon and Delta Sigma Phi, scheduled to play in a tilt to determine third and fourth place winners in the soccer tournament, did not meet, due to the fact that their field was in poor condi-

RUN TRUE TO FORM Betas, Delta Chies, Sig Eps, Beta Theta Pi, Delta Chi, Sigma Phi Epsilon and Sigma Chi adinterfraternity water polo tournament when they won their second-round matches last night. The Beta club submerged Delta Tau Delta to the tune of 13 to 0, performances in winning the title two years in a row, but the score last night was much larger than had been anticipated. Hall make two touch goals for Bets Theta Pi in the first half. The other three points came when Smith, goal guard, threw the ball the entire length of the pool, not even so much as aiming at the goal. The ball hit on the edge of the goal Free throws decided the Delta Chi-Omega Beta Pi till. Jackson blind flying! made two in as many attempts to give the Delta Chis a 2 to 1 defeat. Peterson made the lone Omega Beta Pi counter, and missed one Three new G-E contributions which would have deuced the A touchgoal by Broadstone gave

to the conquest of the air

INDBERGH, flying blind much of the way, bit Ireland "on the nose" as he winged toward Paris. Now, as an aid to air navigation comes the magneto compass, a product of General Electric research, which gives pilots a navigating instrument of extraordinary accuracy.

Meanwhile, two other General Electric con-

tributions to aviation have been developed—the electric gasoline gauge and the radio echo altimeter. The ordinary altimeter shows only height above sea level. The radio echo altimeter warns the pilot of his actual distance above ground or water by flashing green, yellow, and red lights on the instrument board.

Every year hundreds of college-trained men and women enter the employment of General Electric. Research, steellar to that which developed "eyes" for bline flying, is one of the many fields of endeavor in which they play an important park
