

### WALLER SCORES WAR IN TALK AT VESPERS

#### Secretary Believes World Can Outlaw Strife Among Nations.

"Two big things are necessary to promote world peace," declared Bolton C. Waller, secretary of Student's Christian Movement in Great Britain, at Vespers Tuesday evening. "The world must change its outlook toward war and outlaw war through political means."

According to Mr. Waller, the League of Nations is an attempt to establish peace on a larger scale in the world. Whether the league is to progress in outlawing war in the future depends not only on the league, but also on the nations. Nations depend for their attitude on public opinion which is greatly influenced by the younger generation.

Consequently it is the responsibility of the students to outlaw war. The league aims to settle disputes not by bloodshed and destruction, but peacefully and in a just way. The league has already prevented and settled disputes between countries and thus not only maintains peace, but betters the human race. It has all ready swept away child labor and the drug traffic.

**League is Peace Movement.**

Mr. Wallace says the League of Nations is the natural and logical development of society to maintain peace in the world. Nations formerly thought that war like slavery was inevitable and natural. Later they began to regard war as wicked and destructive and now they are looking forward to the abolition of war.

The United States, whether or not it joins, is needed with its wealth and influence, states Mr. Waller. The league is like a patient fire extinguisher—good for little fires, but not capable of putting out big ones. But little wars, just as little fires, will grow if not stopped. War breaks the hope of establishing better work and better work through conference is needed to prevent such catastrophes.

Mr. Waller visited the U. S. in 1913 to attend the international meeting of Students Christian Movement in Mohawk Lake, New York. Forty or fifty countries were represented and it was here that he first received his inspiration to become interested in international affairs and world peace. Mr. Waller believes a thing so destructive, unjust, cruel, and wasteful must be wrong and not inevitable, for war does not guarantee justice.

The meeting was led by Mary Nichols, chairman of the publicity committee of the Y. W. C. A.

### CAMPBELLITES PLAN SERIES OF PARTIES

Dr. B. F. Hendick's Sunday school class will hold a buffet luncheon Wednesday, Feb. 6 at 6 o'clock in the parlors at the First Christian church. Mrs. Williams' class will have a party also at the church at 7:30 o'clock. Mr. Snyder's class will entertain at a February party in the church parlors on Thursday, Feb. 6. All university students, both the men and the women are invited to these three functions.

**Engineers Planning To Take Spring Trip Must Attend Meeting**  
There will be a meeting of those students of the engineering college who are planning on making the inspection trip to Chicago in April. The meeting will be held in room 206 in the Mechanical Engineering building promptly at 5 p. m. on Friday, Feb. 7, 1930.

Not only should every student be present who is certain of making the trip, but also those who may be uncertain at present. It will be necessary for the inspection trip committee to secure information from the students.

### CIVIC OPERA TROUPE BEGINS ANNUAL TOUR

#### Many Make Application For Tickets to Lincoln Presentation.

The Chicago Civic Opera company, which will present "Carmen" at the University of Nebraska coliseum Thursday, March 20, has started its trans-continental tour. Leaving its \$20,000,000 theater home in Chicago Sunday, the great operatic organization went direct to Boston where the artists will present two weeks of opera. This will be followed by a week's stay in Detroit after which the operatic caravan will start south, singing at Columbus, Louisville, Dallas, New Orleans, Memphis, San Antonio and Shreveport before heading northward.

Advance ticket sales to the Lincoln performance compare favorably with this early date last year, according to John K. Selleck, in charge of the coliseum appearance here. University of Nebraska students have shown a deep interest in the musical event by early purchase of good sized blocks of seats, while additional orders have been received from student representatives of Nebraska Wesleyan university, Doane college and Cotner college.

Out of town mail orders also have been large. Ticket reservations have been made from numerous Nebraska cities and towns including Beatrice, York, Crete, Seward, Schuyler, Holdrege, Clarkson, Albion, Syracuse, Peru, Scribner, Richland, Hastings, Geneva, Tecumseh, Pawnee City, Whitman, Wahoo, Nebraska City, Loomis, Dorchester, Cortland, Bennet, Adams, Alvo, Indianola, Grand Island, Fairfield, Fremont, Ceresco, Milford, Valparaiso and Wymore.

### MILESTONES

Events Taken from the Files of The Daily Nebraskan.  
—1925—  
Hugh B. Cox was appointed editor of The Daily Nebraskan. Clarence Eickhoff was named business manager.  
Delta Lambda, local social fraternity, became affiliated with Delta Sigma Lambda, national fraternity.  
Dr. J. J. Keegan was appointed dean of the college of medicine at Omaha to fill the vacancy left by the resignation of Dr. I. S. Cutler.  
—1920—  
Coeds were voting on whether to wear the mortar-board caps during the last two weeks of school or to discard the tradition.  
Carolyn Reed, editor of The Nebraskan, editorialized on the lack of interest in campus activities.  
The athletic department was trying to get Fred Luehring as athletic director.  
—1915—  
"The Last Seminar" was the headline describing the final practice session before the annual Nebraska-Wesleyan basketball game. Students and faculty formed the World Polity club, for the promotion of peace. C. A. Sorenson was president and Earnest Graves was vice president.  
The Phi Gams and Phi Peis beat the Sigma Nus and Sig Eps respectively at basketball.  
—1910—  
All of the sororities agreed not to receive men callers on Sunday in order that the girls could hear an address by a prominent Y. W. C. A. worker.  
The Junior Prom committee foiled a widespread plot to crash the Prom.  
The sophomore class basketball team left for Syracuse, Neb., to play the town team there.  
—1905—  
Sunday, no paper.

### ALUMNI ARRANGE TO GATHER CHARTER DAY

#### Former Students Celebrate Founding of State University.

Charter day, Feb. 15, commemorating the founding of the University of Nebraska, is to be observed this year at numerous points throughout the state and country, according to Ray Ramsay, alumni secretary, who is in charge of the affair.

The celebration is an alumni event and consists of conclaves at the various alumni clubs in all parts of the nation. Representatives from the university, usually members of the professional staff, serve as speakers at these occasions.

"The idea of the whole thing is to stimulate a little more university enthusiasm among the alumni," declared Ramsay. "Some of the clubs have already started scholarship funds to be used by students of this university and things like this are being encouraged at these gatherings."

Saturday, Feb. 15, is the date set for Charter day to be observed but the clubs have been instructed to gather at any time near that date in order to make it possible for some of the speakers to appear at several places. Since the affair falls on a Saturday, some of the clubs have decided to gather on Friday, Feb. 14. A radio program from KFAB will be one of the features Saturday evening.

Much cognizance was made of the event last year when the University of Nebraska was sixty years old. A special edition of The Daily Nebraskan containing historical data of the university and its environs was sent to each member of the alumni association. Similar speeches and programs were held that time.

### University Instructors Address High Students

Miss Beas Steele, home economics instructor, spoke before the high schools at Elgin, Newman Grove and Albion the past week. She talked about art in everyday life. Miss Grace Margaret Morton, professor of design in the college of agriculture, spoke on art in relation to clothing before the Seward and York high schools, Thursday and Friday.

### MILD HELL WEEK AT OHIO.

OHIO STATE UNIVERSITY, Columbus, O.—Neophytes were welcomed gently in the majority of the initiations at both fraternities and sororities, at Ohio State, but gone are the days when a mild-mannered lamb required several weeks of convalescence from the severities of initiations that conformed to the old meaning of the word.

There were some cases of the skin you love to touch being touched with a paddle, resulting in a schoolgirl complexion. Several fraternities indulged in a practice that furnished edification for the brotherhood and education for the pledge. This consisted of a series of pantomimes in the true Shakespearean manner, enacted and composed by the neophytes.

### A KISS WITH A GOPHER.

UNIVERSITY OF MINNESOTA—A chorus girl's kiss with every subscription was the lure held out to prospective purchasers of the Gopher, undergraduate yearbook—until school officials heard about it. Managers of the drive had engaged twelve girls, appearing at a local theater. They were to have an hour and fifteen minutes.

Before the plan went into effect Dean E. E. Nicholson heard about it. "Nothing doing," quoth the dean.

And the subscription campaign returned to its normal, drab ways.

### QUARANTINES AT ILLINOIS.

UNIVERSITY OF ILLINOIS—Thirty students of the University of Illinois, eighteen of them members of Alpha Xi Delta sorority, and twelve members of Phi Sigma Kappa fraternities have been placed in quarantine.

The sorority women were quarantined for diphtheria when Gertrude Horton, '33, a pledge, contracted the disease, while the fraternity was placed in confinement when L. S. Hopkins, '32, a member, was found suffering with scarlet fever.

Cigarette advertising has been banned from the Haverford News, the undergraduate weekly newspaper at Haverford college, Pa.

### MEDICAL COLLEGE ACTIVITY

PAUL C. PLATT, Editor.

Second Semester Opened Monday.  
The University of Nebraska college of medicine opened its second semester's work Monday morning. There were ninety-one freshmen, eighty-three sophomores, sixty-five juniors and thirty-three seniors who enrolled in the regular work. There were seventeen graduate students, one post graduate and three special students. This makes a total of 293 enrolled in the school for the coming semester.

Thirty-two Seniors Graduate.  
There were thirty-two seniors who graduated from the school of medicine at the close of the past semester. Their internships have all been arranged and the list of them is given below. This is just one half of the class; the other members will be graduated in the spring. By going during the summer session a senior can finish in the winter.

The class with their internships is as follows:  
Herbert F. Anderson, Methodist hospital of Southern California, Los Angeles; Charles P. Baker, University of Nebraska, Omaha; Winfred R. Blume, Immanuel hospital, Omaha; Melvin C. Bolender, Jennie Edmundson Memorial hospital, Council Bluffs, Ia.; Robert Gale Boyd, Royal Victoria hospital, Montreal, Canada.

Everett G. Brillhart, St. John's hospital, Tulsa, Okla.; Gene D. Caldwell, Grasslands hospital, Valhalla, N. Y.; Clarence I. Drummond, King County hospital, Seattle, Wash.; Keith G. Folger, private practice; Frank S. Furman, University of Nebraska hospital, Omaha; Kenneth Gates, University of Nebraska hospital, Omaha; Lloyd E. Griffin, United States army; Thomas L. Gritzka, Baylor hospital, Dallas, Tex.

Charles E. Gurney, University of Nebraska hospital, Omaha; Lloyd P. Hetherington, King County hospital, Seattle, Wash.; Robert L. Hook, University of Nebraska hospital, Omaha; Arthur E. Jensen, Immanuel hospital, Omaha; Jerry C. Kildebeck, Nebraska Methodist Episcopal hospital, Omaha; Raymond G. Lewis, City hospital, Cleveland, O.; Rose Linaman, Children's hospital, San Francisco, Calif.; Dale O. Lloyd, California Lutheran hospital, Los Angeles, Calif.; Edward M. Mark, California Lutheran hospital, Los Angeles, Calif.

Louis Mark, University of Nebraska hospital, Omaha; Robert H. Moore, Kansas City General hospital, Kansas City, Mo.; Lloyd H. Mousel, Tacoma General hospital, Tacoma, Wash.; John H. Neely, Anker hospital, S. Paul, Min.; William E. Olson, Gorgas hospital, Anson, Panama Canal Zone; Howard Royer, Grant hospital, Columbus, O.; Albert C. Schmidt, Columbia hospital, Ann Arbor, Mich.; John M. Sheldon, University hospital, Ann Arbor, Mich.; William Wayne Waddell, Lakeside hospital, Cleveland, O.; Horace H. Whitlock, United States public health service.

### Fraternities Hold Parties.

The five medical fraternities each held house parties at their homes last Friday night. There were a number of guests present at each home, most of them being premedics from Lincoln. The fraternities holding parties were: Phi Rho Sigma, Phi Chi, Phi Beta, Alpha Kappa Kappa and Nu Sigma Nu.

The Nebraska university college of medicine chapter of A. O. A. held its banquet last Friday night at the Hotel Patson.

### Dr. Peirce Entertains.

Dr. Carleton B. Peirce entertained his senior class in Roentgenology last Thursday evening at his home.

Interfraternity Basketball  
The drawings and plans are all arranged for the playing of the interfraternity basketball tournament which will start on next Thursday night in the Technical high school gymnasium. The games will start at 7:30. The halves will be played alternately in each of the two games played each night in order to give each team a better chance to recover.

Ernie Adams, of Benson high, has been obtained to officiate the games. Ernest Weymuller, the athletic manager, has the tickets purchased and they will be on sale in all the fraternity houses and at the gymnasium the nights of the games for 25c. Everyone is urged to attend these games and thereby renew their youth and give their lungs an airing.

### FAMOUS INSTRUCTORS IN SUMMER SCHOOL

#### Vacation Institution Is to Have Teachers From Other Schools.

In addition to the regular instructional staff of the university, an unusually distinguished group of visiting instructors will offer courses during the 1930 summer school session at Nebraska.

Among the professors from other schools who will teach during the summer at Nebraska are Dr. Ernest Anderson, chairman of the department of chemistry at the University of Arizona; Dr. Paul R. Mort, professor of education at Columbia university; Dr. Ernest Horn, chairman of the department of elementary education and director of the elementary training school at the University of Iowa; Miss Mildred Miller, kindergarten-primary supervisor of Cleveland Heights, Ohio; Prof. Bert Cooper, of Missouri State Teachers college; Dr. Thomas Milton Carter, head of the department of education at Albion college, Albion, Mich., and Dr. C. E. Van Sickle, chairman of the department of history at Franklin college.

**Famous Educators to Talk.**  
Two other distinguished educators not included in the regular summer school staff will give a short group of lectures in various departments of the teachers college during the summer.

Dr. B. H. Bode, chairman of the department of principles and practice in education at Ohio State university, will lecture at Nebraska June 12 and 13. Dr. Bode is the author of several books on education and one of the outstanding authorities on his subject in America. Charles W. Bailey, head master of Holt Secondary school in Liverpool, England, will lecture here three days during the summer but the dates for his lectures have not been definitely fixed.

### FINAL PLANS FOR BALL TO BE MADE AT FRAT MEETING

Final plans and arrangements for the interfraternity ball will be made at the regular meeting of the interfraternity council Wednesday evening at 7:15 in room 9 at Morrill hall.

Members will also decide on the matter of having rush cards printed for next fall. Under the new rules on rushing the council takes charge of printing the cards.

### DECKER ANNOUNCES TRYOUT FOR OCTET

Try-outs for the girls' octet will be held today in room 220, Morrill hall from 2 to 4 o'clock.

There are openings for several places and Herman Decker, head of the music department, wishes to have as many girls try out as possibly can.

Priced—5.75  
—Second Floor.

## Miller & Paine

**Over the Horizon**  
HERE they come—the nucleus of an all-electric merchant marine. Yesterday, they were a dream. Today, they are well over the horizon, linking the ports of the east and west coasts with fortnightly service. The goal of the Panama Pacific Line is to build three more turbine-electric ships thus enabling weekly New York-Frisco sailings.

Even now, the three liners *California*, *Virginia*, and *Pennsylvania*, constitute the largest fleet of turbine-electric commercial ships in the world.

Besides propelling these ships, electricity hoists freight, raises anchors, mans pumps, turns rudders, drives winches, and warps the vessels into their berths. It lights lamps, spins fans, operates elevators, cools and cooks food. Its magic touch is apparent on every deck.

All electric equipment, above and below deck, is a product of General Electric.

The planning, production, and distribution of such equipment has been largely the responsibility of college-trained men who are working with General Electric and who have aided in bringing these ships over the horizon.
