

GREEK DIVISION WINNERS LISTED FOR CAGE RACES

Theta Chi, A. T. O., Delta Sig And Sig Alpha Teams Hang Up Wins.

BIZADS TRIM LAWYERS

Most Groups Depend on One High Scorer for Main Work of Evening.

Theta Chi pulled out 12 to 11 over the Betas, thereby winning their division of the interfraternity league. The A. T. O. team trounced the Pi Kappas to the tune of 16 to 6. Delta Sigma Phi won a closely contested game from Omega Beta Pi 24 to 20. The Sig Alphas walked over the Phi Sigs 24 to 12. In an intercollegiate game, the lawyers were thoroughly trounced by the potential business men with a score of 29 to 12.

Steinbeider, the elongated center for the Theta Chis was the big reason why his team won the championship over the Betas, as he made just an even one-half of his team's points. This battle was plenty close throughout, with the winning team doing most of their point making in the first half. Roberts played a nice game at the guard post, continually breaking up the scoring thrusts of Westcott and Reckner for the Betas.

Brands Leads A. T. O. Team.

Brands led the A. T. O. outfit in their struggle against the Pi Kappas, accounting for six of his team's 16 points. Lackey, candidate for a center berth of the yearling team, played a bangup game, feeding the ball to his mates in big league style. During the first half both teams had difficulty in locating the hoop, with the winning team only making three field goals.

Gabrielson and Keith led the Delta Sigma Phi team to a warmly contested victory over the Omega Beta Pi aggregation, by making 20 of their team's 24 points. Gabrielson was the leading scorer for the evening, tallying six times from the field and dropping two gift tosses through the hoop for a total of 14 points. Lad countered 8 points for his team, but was unable to make enough to tide his team over to a victory.

Louis Brown led the Sig Alphas to an easy victory over the Phi Sigs, counting 8 points before the melee was terminated. Bud McBride appeared in a new role, when he showed up attired in a would-be basketball suit. Bud dropped two field goals through the hoop, and was very much in evidence when the Phi Sigs attempted to score from the field. Smith was the high point man for the Phi Sigs, totaling 5 points for the evening's effort.

Davidson Scores.

Mutt Davidson, stellar freshman basketball, led the Business men in their defeat of the Lawyers, by making 12 of his team's 29 points. Johnny Kimball, potential varsity man, was next in line in the scoring column, making 8 points before the final bell clang.

Don Kelley contributed just half of the Lawyers' 10 points, but his mates were unable to make the necessary two pointers. The victory enabled the Bizad men to enter the finals in their race. When the Cornhusker carnival rolls around, they will meet the Teachers for the inter-college championship.

Tau Kappa Epsilon won their game on a forfeit, when the Phi Kappa team failed to make an appearance. Pi Kappa Phi was awarded their game against the Theta Xi team, also by forfeit. Delta Sigma Phi also won their game against Phi Delta Theta team on a forfeit.

KEITH MARTIN WINS IN POSTER CONTEST

Walter Ducker Is Second; Affair Is Statewide and Open to All.

Keith Martin, Lincoln, won first place in the statewide poster contest. He was a sophomore in the school of fine arts at the University of Nebraska.

Walter Ducker of Lincoln won honorable mention with his poster work. He is a junior in the school of fine arts. Rose Reynolds of the university won the contest last year.

The contest was open to any resident of Nebraska and contributions were received from all parts of the state and from many schools.

The subject of the contest was advertising the annual art exhibition. The judges of the contest were Mrs. Dean R. Leland, Mrs. A. R. Edmiston, Fred Craig, W. L. Yenkinson and Dr. J. E. M. Thompson. Mr. J. L. Teeters established the prizes last year for the poster contest.

GETTING OUT OF THE VALLEY

By Elmer Skov

More help in finding a name for this. An anonymous letter, typed on student council stationery, imparts the information that Nebraska is a member of the Missouri Valley Intercollegiate Athletic association, and that the name "In the Valley" is traditional, having been used on the sports column of The Nebraskan for six years. For these reasons, the writer of the letter recommends retention of the old name.

The situation is critical. Coming as it does on student council stationery, the letter has more weight than an ordinary suggestion. It may be almost a command. We are impressed but not persuaded.

The accomplishment of the Nebraska swimming team in taking Iowa State to a cleaning deserves commendation. The Iowa dual meet was the second added to the list of Husker victories in Big Six competition. In addition, the Ames team won the Big Six title last year. Chances for white sweaters for letter men in swimming seem to be good.

Excessive comment on the manner in which the clothes fall to fit one of the members of the basketball team has driven us to poetry:

THE NAME OF THE MAN NAMED GRACE CAPT. AND BASKETBALL POINTS IN PLAY. THE MAN WHOSE NAME IS GRACE. HE SHOULD WEAR SUSPENDERS. WILL SOME ONE PLEASE GET IN THE CASE? (This is dedicated to Herb Gish. He is the man to buy the suspenders.)

ALPHA XI DELTA AND DELTA ZETA ON TOP

Coed Basketball Tourney Continues; Schedule Is Revised.

Alpha Xi Delta and Delta Zeta ran off with high points in the early games of the women's intramural basketball season. Alpha Xi Delta trounced Kappa Phi by a score of 26 to 14, and Delta Zeta won from the Huskerettes with a score of 16 to 5.

Once again the schedule has been rearranged as listed below. No games already scheduled, however, will be cancelled, and future reports to the time and place listed will call for a forfeit. Upperclassmen expecting to play, and not registered for physical education work, must obtain a permit from the health office, as underweights and weak hearts are barred.

Read the schedule once more and note the changes:

WEDNESDAY, FEB. 12.

5 p. m.

Phi Omega Pi vs. I-X-L, women's gymnasium.

Delta Delta Delta vs. Alpha Delta Theta, women's gymnasium.

7 p. m.

Dormitory A vs. Kappa Alpha Theta, gymnasium.

Alpha Omicron Pi vs. Chi Omega, gymnasium.

THURSDAY, FEB. 13.

5 p. m.

I-X-L vs. Sigma Eta Chi, Bancroft.

Delta Gamma vs. Gamma Phi Beta, Bancroft.

7 p. m.

Phi Mu vs. Pi Beta Phi, gymnasium.

Alpha Delta Pi vs. Kappa Delta, gymnasium.

FRIDAY, FEB. 14.

5 p. m.

Kappa Alpha Theta vs. Kappa Phi, gymnasium.

Alpha Phi vs. Huskerettes, gymnasium.

Delta Zeta vs. Alpha Delta Theta, Bancroft.

Chi Omega vs. Kappa Kappa Gamma, Bancroft.

EAVESDROPPING

CHECKS NOT NEEDED WASHINGTON STATE COLLEGE EVERGREEN, Pullman—To be in style at the state college of Washington you must work your way through! That's what nearly eighty-five percent of the men and thirty-seven percent of the co-eds are doing. This large percentage is earning from one-fourth to all of its current college expenses.

In the east, according to recent newspaper reports, the average is about thirty percent for the men, so State College figures indicate that western collegians are just three times as resourceful in this respect as their eastern brothers.

OHIO SERENADERS NEED UMBRELLAS

COLUMBUS, Ohio, Feb. 3—Serenaders who sang under the windows of Westminister hall at Ohio State university Wednesday night were prepared for an unfavorable reception. Each musician was armed with a stout black cotton umbrella.

Threatening heads appeared from the windows, but the singers nonchalantly raised their umbrellas and warbled on. Torrents of hot water descended harmlessly. There was but one casualty when someone urled an apple down so forcefully, that it ripped a large hole through one of the umbrellas.

PLEDGES DATE RED HEADS

OKLAHOMA DAILY, Norman—As a punishment for laxity in pledge duties, Phi Gamma Delta pledges here were ordered by the active members to have strawberry-blond dates in a corner drugstore on a certain afternoon, or suffer the consequences.

The neophytes began "drawing fire" about 4:45 and continued to drag the university's flaming youths into the corner shop, crowded with laughing spectators.

NEBRASKA WILL MEET ST. LOUIS AGAIN TONIGHT

Last Non-Conference Tilt Of Season Puts Squad Into Stiff Fight.

NEBRASKA STANDS THIRD

Next Big Six Game Will Be With Tigers; Grace Jumps Score.

Table with 3 columns: Team, Points, Rebounds. Rows include Kansas, Nebraska, Kansas State, Iowa State, Oklahoma.

Nebraska's basketball team met St. Louis university here tonight in a return engagement, the last non-conference tilt of the season. When they met during the Christmas holidays in St. Louis, the southerners downed the Huskers, 36 to 28, in a fast contest.

Hot on the heels of the St. Louisans will come Missouri, tied for the lead of the Big Six conference, to test the Cornhuskers Saturday night. Big Six play so far this week has been limited to the Kansas-Nebraska affair at Lawrence Monday night, in which the Jayhawks kept their perfect record unblemished by downing Nebraska, 27 to 20, by downing Kansas a string of four in conference circles, and kept the Jayhawks tied with the Missouri Tigers for the lead of the loup.

By virtue of scoring two field goals and a free throw, Don MacLay, Nebraska center, extended his lead in the conference individual scoring race, and raised his total to 87 points, 31 points ahead of Craig of Missouri and Roadcap of Iowa State, who are tied for second with 56 points each. Harvey Grace, Nebraska forward, went ahead of Tom Churchill of Oklahoma in the scoring table. His total for the six games in which he has played is 43 points, one more than Churchill has made in as many encounters. Grace is now in fifth place. Bishop, Kansas forward, came from thirteenth place to a tie for sixth with Churchill when he made a total of twelve points against Nebraska Monday. Morris Fisher, Nebraska forward, still holds fourth place with 48 points, five more than his co-forward Grace.

The fifteen high scorers.

Table with 2 columns: Player, Points. Rows include MacLay, Craig, Roadcap, Fisher, Grace, Churchill, Bishop, Hawk, Niemo, Woods, Thompson, Hubbs, Meyer, White, Crockett.

up until 6. As cheers announced the arrival of each pledge and his auburn-locked partner, the sought after fingers of crimson discolored the cars and faces of the embarrassed neophytes who managed to stumble over chairs and drop their bats in their anxiety to sink into oblivion.

One ingenious freshman taxied up to the high school when the supply of red heads ran low and brought back a golden-haired lass that was allowed to count. Another pledge secured Mrs. J. H. Allen, Delta Tau Delta hostess, to save himself from punishment.

ENGINEERING COURSE IS CHANGED.

University of Washington, Seattle—As a result of a popular demand by both employers and students the University of Washington is considering a revision in the courses in the college of engineering, which would provide a more commercial or industrial curriculum.

The course would consist of a major in one of the four principals fields of engineering and a minor in the school of business administration. These courses would be co-ordinated so as to train the student thoroughly in the business or administrative part as well as the technical end of engineering.

The new course would lead to the degree of B. S. without any other designation, such as civil, electrical, mechanical or chemical.

University Radio Program for Week.

- 9:30—Weather report. 9:35—"The Invalid's Tray" by Mrs. True Homemaker. 12—Student. 2:30—Sociology talk, "Social Work as Every Man's Interest," by Nedra Larson, assistant in social work. "Lincoln, the Man," by Adeline Reynolds, assistant professor of history. Thursday. 9:30—Weather report. 9:35—Weekly museum talk by F. G. Collins, curator. 12—Talk from the dairy department of the college in agriculture. 12:10—"Baa! Baa! White or Black?" by Paul McMill, assistant state extension agent in boys' and girls' clubs. 12:30—Farm flash. 2:30—Evening lesson of the radio-dependence course in "Better English for Everyday Use," by Maurice H. Kupper, professor of English. Subject, "Stumbling Blocks in Grammar." Friday. 9:30—Weather report. 10—"The Nursery School," by Mrs. True Homemaker. 12—"Farm Equipment Week—Feb. 7-22," by C. L. Zink, instructor in agriculture engineering. 12:30—"Farm Business Plans," by A. W. Medlar, associate professor of rural economics. 12:30—Farm flash. 2:30—Health talk. To be supplied by the college of pharmacy. 2:45—"Psychology Applied to Advertising," by W. E. Fisher, instructor in the department of psychology and philosophy. Saturday. 9:30—Weather report. 9:35—Twenty-first lesson of the radio course in Beginning Spanish, by Dr. J. E. A. Aleski, of the department of romance languages. Assignment, Lesson 21 in the text book. 10—Annual charter day program, observance of the University of Nebraska on Feb. 25, 1889.

Versatile Sooner Athlete May Letter In Four Major Sports in Single Year

NOMAN, Okl., Feb. 12—Tom Churchill, Oklahoma's versatile athlete, has announced his intention of training for the Olympic games to be held at Hollywood, Calif., in 1932. He was on the United States deathrow team that competed at Amsterdam in 1928. This year, however, he is going to forego deathrow work due to an injured ankle, which will keep him out of the sprints and high hurdles. He will not give up track altogether for Sooner coaches are counting on him to be a consistent performer in the javelin, discus and weight events.

In addition to throwing the weights on the track team, the giant speedster also plans to try for a place on Oklahoma's baseball team this spring as a pitcher. Should he letter in both baseball and track, he would be the first athlete in Sooner history to win four major letters in a single year. A football letter has been awarded to him already, and he will get his "O" for basketball as soon as the season is over.—Oklahoma Daily.

SIGMA PHI EPSILON HEADS TRACK MEET

Unofficial Tabulation Gives Leaders 3,610 Points; Pi Kappas Next.

Unofficial scores compiled at the close of the first day's competition in the interfraternity indoor track meet give Sigma Phi Epsilon first place with 3,610 points, with Pi Kappa Alpha, Sigma Alpha Epsilon, Kappa Sigma and Tau Kappa Epsilon ranking next in the order named. Seventeen fraternities are represented in the scoring column.

Good marks were turned in for the 50-yard dash, with Barnes and Roby negotiating the distance in 5.7, while several men got under six seconds. In the high jump, Lee, Sigma Phi Epsilon, jumped 5 feet 11 inches to go above the 1,900 mark in the scoring system.

In all events, only the two best marks in each fraternity were scored. In events where only one man from the fraternity finished competition, no points were awarded.

Table with 2 columns: Fraternity, Points. Rows include Sigma Phi Epsilon, Pi Kappa Alpha, Sigma Alpha Epsilon, Kappa Sigma, Tau Kappa Epsilon, Phi Gamma Delta, Delta Chi, Delta Sigma Lambda, Alpha Gamma Rho, Theta Chi, Sigma Nu, Delta Phi, Alpha Sigma Phi, Phi Gamma Delta, Theta Xi, Sigma Alpha Mu.

Edna St. Vincent Millay, one of the foremost American women poets, was made an honorary member of Theta Sigma Phi recently.

TONIGHT IS SET FOR 'STEVE HOKUF NIGHT'

Crete Sending Delegation And Band in Honor of Husker Athlete.

GROUP TO ATTEND GAME

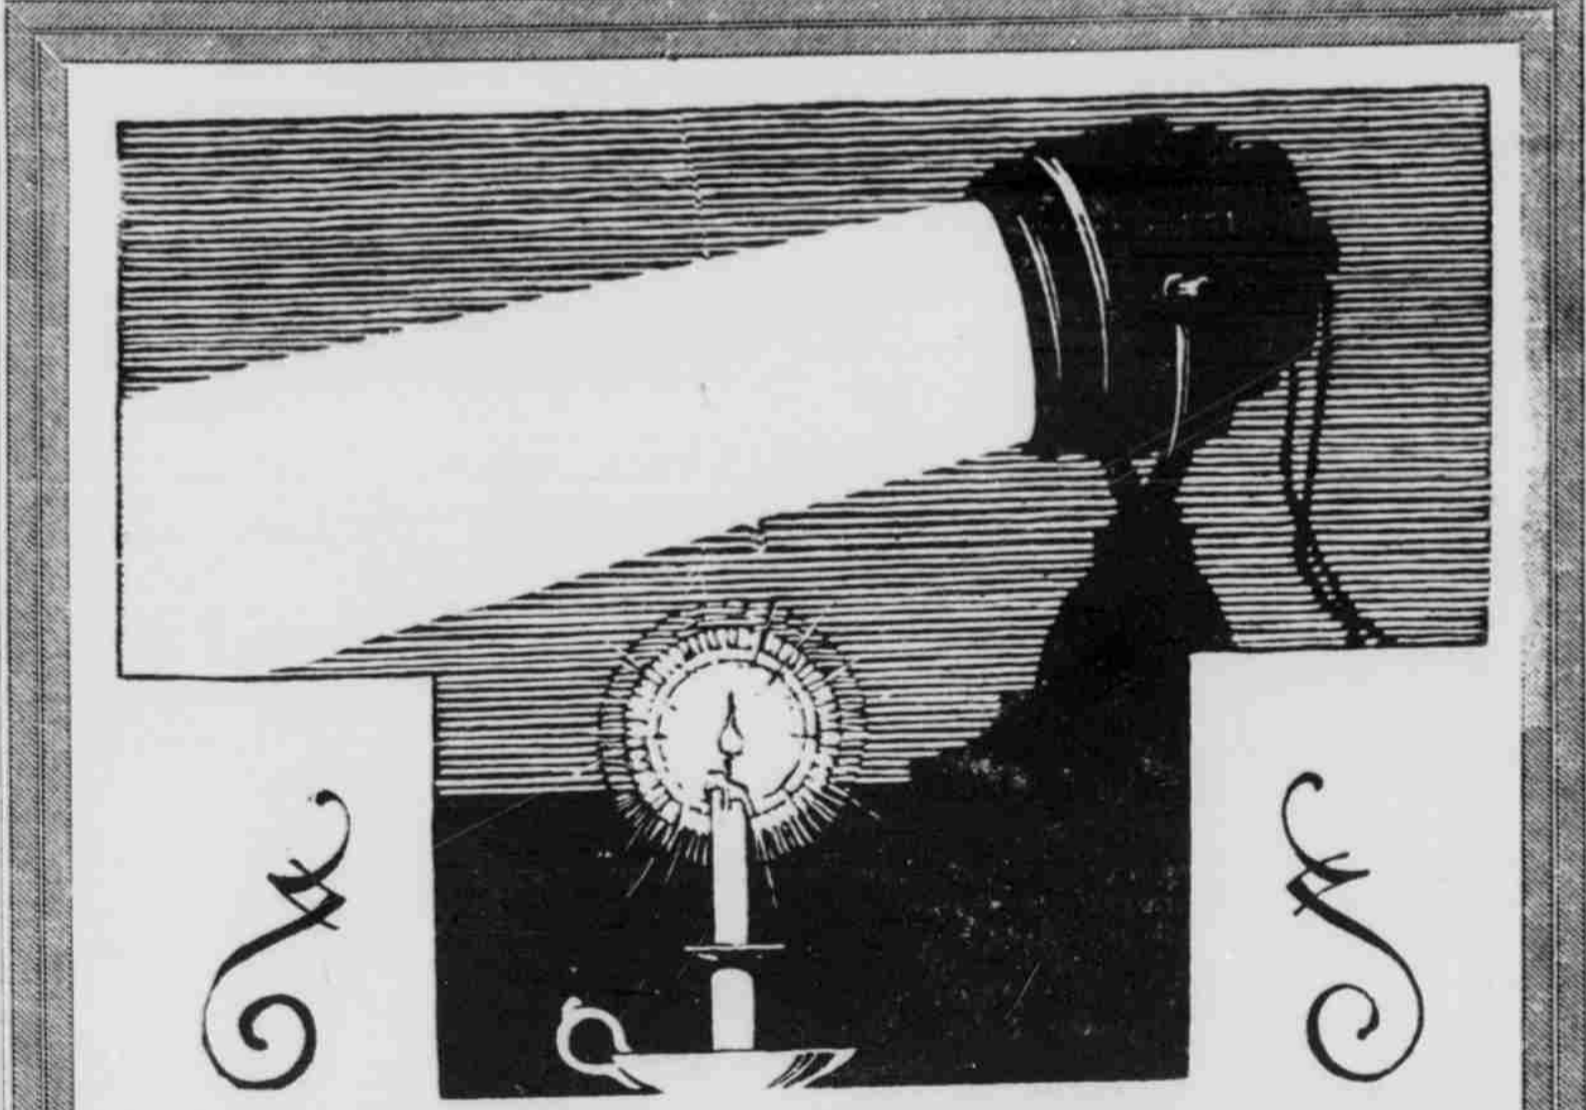

Although Husker fans may not be aware of the fact, tonight is "Steve Hokuf Night," or at least to the members of the Crete Community club and Rotary club, who are attending the St. Louis-Nebraska basketball game in a body to honor Saline county's most famous athlete.

The Crete delegation is also bringing along the 110th Medical regiment band to enliven the occasion. A committee representing the two organizations has been busy getting as many of the members lined up for the trip as possible.

The husky Crete guard has become the hero of his home town with his first year of Nebraska competition, both on the football team and his rapid progress in Coach Charley Black's court class.
