COUNCIL STRIKES BACK AT CLAIMS OF BARB GROUP

Governing Body Reaffirms Right Alter Name of Non-Greeks.

FELLMAN GIVES VIEWS

Submits Formal Resolution Stating Powers of Organization.

Striking back at the defy of Alan Williams and the Barb Executive Board the Student Council yesterday passed a resolution stating its plenary powers and reaffirming its right to change the name of the nonfraternity organization. The resolution came from the Student Council committee on student organizations of which David Fellman is chairman. It was introduced by David Fellman.

The resolution is a formal statement of the powers of the Student Council as its members see them. It is particularly directed at the Barb Executive Board who have refused to accept a change in name. The name that the members prefer is Barb Council.

As the constitution was submitted to the Student Council the name of the organization was Barb Council. The council recommended to the faculty committee that the name be changed to Barb Executive Board and this recommendation was accepted.

Barbs Conduct Parties.

The Barb Executive Board of the Barb Council has been conducting all the All-University parties. Permission to do that was given them last year by the faculty committee.

Other business taken up by the council were the resubmission of the minor class officer recommendation to the faculty committee and consideration of the Ayres plan for varsity parties. Members of the council also discussed ways and means of putting the proportional representation plan into effect.

Ralph Raikes suggested that the political factions should be required to draw up constitutions. A committee was appointed to investigate the matter.

The resolution drafted by Fellman and passed by the council follows:

KLUB CONTINUING TRYOUTS FOR PARTS

Announcement of Completed Cast Will Be Made Next Week.

Announcement of the entire cast of the Kosmet Klub show, "Sob Sister," will be made by the first of next week. Carl J. Hahn, production manager, assured anxious questioners Wednesday.

A check of the eligibility, class schedules and ability of those entered in the try-outs will be completed within the next few days, Hahn explained.

Class schedules are now being examined to find the possible open periods that applicants will have to devote to their parts. A report on scholastic eligibility is now being completed at the dean of student affairs office.

The three act show, "Sob Sister," calls for eleven principal parts, a chorus of ten women and ten men, and a number of extra parts. A close check on eligibility is being made on those who have applied for parts in the show, Hahn intimated.

Try outs were held last week, Tuesday, Wednesday and Thursday. Following requests of Carl Hahn and Bill McCleery special try outs were given a few applicants who were not able to appear during those days.

Individual try outs are now being held. Those applicants who have not been examined for their ability are requested to see either McCleery or Hahn immediately.

Nebraska Graduate Invents New Unbreakable Phonograph Record

Thanks to the efforts of a former University of Nebraska student, the oldtime fragile wax phonograph record will soon be relegated to the scrap heap. In its place one will buy discs which baby brother may use for cartwheels when they are not being played. They may also be used without damage to their reproducing qualities as weapons of offense instead of dishes at the height of party gaiety.

These new durium resin records are unbreakable, of infinite durability and may be folded in two and carried in the inside coat pocket. They are the invention of Hal Beans, who grew up in Omaha and secured his bachelor and master's degrees at the University of Nebraska in the late '90's. A special dispatch to the Omaha World Herald from a New York correspondent relates the story of Mr. Beans' remarkable achievement.

Now at Columbia. Beans is at present a professor of chemistry at Columbia university. He attributes his success

U CHRISTIAN GROUPS SCHEDULE SPEAKERS

Dr. von Dewall, Miss Read, Frank Wilson Are to Give Addresses.

ALL ARE WELL KNOWN

Dr. Wolf Von Dewall, who is being brought to the campus by the University Christian associations, will speak at the university convocation at 11 o'clock on Friday in the Temple auditorium. "Germany, France, and the League" will be the topic of his address.

VonDewall was a class friend and adviser of the late Minister of Foreign Affairs Stresemann. He is president of the Rotary clubs of Germany, and president of the League of Nations association of Germany. He is also editor of the Frankfurter Zeitung, one of Germany's principal newspapers.

At 12 o'clock Dr. Von Dewall will be the principal speaker at the World Forum luncheon, which will be held at the Lincoln chamber of commerce. "Dominating Ideals of Germany Today," will be the subject of his talk.

Large Crowd Expected.

The Lincoln Rotary club, and Wesleyan university are co-operating with the university Christian associations in sponsoring the luncheon. Meredith Nelson, co-chairman of the committee in charge of the World Forum, has stated that several hundred people expected to attend.

Tickets for the luncheon can be obtained from C. D. Hayes, secretary of the university Y. M. C. A., in the Temple, or from Miss Erma Appleby, secretary of the university Y. W. C. A., in Ellen Smith hall. The tickets sell for fifty cents, having been recently reduced from seventy cents.

Dr. von Dewall will also speak at 10 o'clock, Friday in Dr. Laura E. Pfeiffer's European history class, which meets in Social Science room 201. Anyone can come in and hear Dr. von Dewall at this time. His talk will deal with some phase of the League of Nations.

Miss Read Will Speak.

Miss Margaret Read, who the Christian associations have also brought to the campus, will be unable to give any talks today as she has overtaxed her voice and must rest for a day. She will speak in Miss Adeline Reynolds' English history class Friday afternoon at 3 o'clock in the Social Sciences auditorium. The class will be open to all who care to attend.

Miss Read is a graduate of Cambridge university, where she received a masters degree with honors in history. She has spent five years in India under the direction of the Y. M. C. A. In 1923 she conducted an investigation of the conditions of the working women of Calcutta.

Miss Read is a former secretary of the British Student Christian movement, which has headquarters in London. She is touring the United States, visiting the

GROUP DEMANDS ABOLITION MINOR CLASS OFFICERS

Governing Body Resubmits Request to Faculty Committee.

PROPOSES RESOLUTION

Recommendation Criticizing Inactivity Submitted by McCleery.

Abolition of minor class officers continued to occupy the center of the stage at the Student Council meeting yesterday when the group resubmitted its resolution to the faculty committee on student organizations. This time the Student Council "demanded" that the faculty committee act on its former resolution.

The council passed the recommendation going away with minor class officers several weeks but the faculty group ignored the proposal. No action was taken on it either favorably or unfavorably.

McCleery Drafts Motion.

Bill McCleery drafted and criticized the recommendation, proposing its failure to pass it as arbitrary. There was considerable discussion in the council over the exact wording of the resolution.

The advisable of "demanding" or "requesting" action provided the main clause of discussion. A move to amend the resolution to make it read "request" lost by a large majority, only three voting for it.

The resolution as submitted is as follows: Whereas, the Student Council studied conditions in regard to the election and duties of minor class officers and decided that it would be to the advantage of the student body if such officers were abolished, and

Whereas, such action as taken by the faculty committee on student organizations in arbitrarily tabling this matter, would render the Student Council powerless and superfluous, and

Whereas, Dean T. J. Thompson's suggestion that students may

MANY VIEW HEAVENS THROUGH TELESCOPE

Lecture by Prof. Swezey at Observatory Is Well Attended.

The regular open house at the university Observatory was well attended Tuesday evening, according to Prof. G. D. Swezey of the astronomy department. A clear sky permitted good observation through the department's telescopes.

Jupiter, the Pleiades and nebulae were viewed by those present during the evening, while Professor Swezey lectured upon the subject of the world's largest telescope. He cited the hundred-inch lens at Mount Wilson, Calif., as the largest in use today; but told of a two hundred-inch lens which is to be built some time in the near future. The location of this giant telescope has not yet been decided but will no doubt be in the west coast mountains where the atmospheric interference is the least.

The composition of the proposed telescope is to be of fused quartz rather than glass because of the low expansion coefficient of quartz. Professor Swezey pointed out.

ARTS TABLEAUX WILL BE PRESENTED AGAIN

Duplication of Program Is Planned for Tonight in Morrill Hall.

Tableaux presented at the Beaux Arts ball will be repeated Thursday night at 8 p. m. in Morrill hall auditorium. Members of the Nebraska art association will be admitted free; others will be charged twenty-five cents admission. At this time the art galleries will be thrown open to the public.

The program will be an exact duplication of the one presented at the Beaux Arts ball, in which the four art periods were depicted by poses and dances. Orchestral will open the program with "The Judgment of Paris," showing the underlying spirit of the classic period. The formal art of the Baroque period, and the frivolous Rococo period will follow in the program. A dance by Mrs. Flavia Waters Champe depicting the modern period will close the program.

Columns From Omaha Depot to Be Used in Campus Decoration

To supplement the decorative plan of the University of Nebraska, granite columns, which formerly graced the Burlington depot in Omaha will be used. Authority for the railway commission to move the columns from Omaha to Lincoln for the University of Nebraska free of freight has been requested by the Burlington railway. Chancellor E. A. Burnett of the university said in a letter to the commission that the columns would not be used in any new building on the campus, but would be included in the decorative scheme.

JUDGE CHAPPELL WILL ADDRESS SIGMA DELTA CHI

Sigma Delta Chi, professional journalistic fraternity, will hold its regular dinner meeting at the Lambda Chi Alpha fraternity house at 3701 K street, at 6 o'clock. District Judge E. B. Chappell, who has charge of the equity docket, which includes the court of domestic relations and the juvenile court of Lancaster county, will speak at the meeting. A business session will also be held.

COMMITTEE NAMES PROM CHAPERONES

Governor, Mayor Are to Represent State and City.

TWO BANDS WILL PLAY

Chaperones for the Junior-Senior prom, March 7, have been procured by Cyril Winkler, member of the committee, and according to Winkler are representative of the faculty and community.

Heading the list is Governor and Mrs. A. J. Weaver, Mayor and Mrs. Don Love, Lieutenant Colonel and Mrs. F. F. Jewett, Dean and Mrs. T. J. Thompson, Dean and Mrs. W. C. Harper, Dean Amanda Heppner, Prof. and Mrs. Paul Grumann.

According to the plan which will be in effect for the first time at any major university social function, two ballrooms will be used to accommodate the crowd and two orchestras will entertain throughout the evening. The traditional party will be held at the Lincoln hotel in the main ballroom and the Venetian room. Plan of decoration will be announced later.

Tickets for the affair have been printed and will soon be distributed to the Corn Cobs to begin the sale which will commence the latter part of this week. Tickets will be sold for three dollars each as per last year due to the increasing costs of producing a university party of such proportions, according to Don Carlson, prom chairman.

Mildred Orr, Nyle Spieler, Faye Williams and Helen Whitmore, the four candidates for prom girl who were chosen at the student election, will be voted on the night of the prom.

MRS. MERRILL WILL INFORM COED VOTERS

Law Professor's Wife to Explain Government of City.

Mrs. Maurice Hitchcock Merrill will explain the working of the city government at the meeting of the "Efficiency in Government" group of the University League of Women Voters on Thursday afternoon at 4 o'clock in Ellen Smith hall. A round table discussion will follow the talk. The meeting is in the form of a tea and refreshments will be served.

The women in industry group of the league and of the Y. W. C. A. will visit Gooch's mill at 3 o'clock on Thursday afternoon. They will tour the mill and inspect and sample the food products. The girls will meet at Ellen Smith hall at the stated hour.

On Wednesday afternoon Ethel Sievers conducted a discussion on the World Court at the meeting of the international relations group. This meeting was informal and refreshments were served.

Mattson's Persuasive Powers Triumph Over Courage of Gunman

Russell Mattson, chosen in Tuesday's election as Ivy day orator, truly has persuasive powers of tongue. At least, a certain holdup man would probably testify so if he could be found to make a statement.

Mattson, who is a senior in the college of law, was accosted by a man with a gun, while walking to his rooming house in south Lincoln at about 9 o'clock Monday evening. Though the stranger did not present a particularly prepossessing appearance, the gun did not look in the least inviting, according to Mattson.

The man proceeded to remove the young lawyer's watch and pocketbook, containing about \$2.82. He was about to continue on his way after concluding these business details, but Mattson, not being the ordinary sort of victim, detained him and entered into conversation.

CARNIVAL WILL HAVE PROGRAM, DANCE, BOOTHS

Annual Athletic Funfest Has Varied List of Entertainment.

GIRLS TO AID IN SPORT

Sororities Plan to Conduct Seventeen Arcades of Amusement.

Looming as the feature for the week-end is the Cornhusker carnival at the Coliseum Friday night starting at 8 p. m. The first part of the evening will be devoted to a program of events by the men's athletic department. The varsity dance will start at 9:30 p. m., and at this time the booths furnished by the women's intramurals will open. This is the first time that the men and women have combined for the annual carnival.

The Cornhusker derby, relays, vaudevilles, tumbling, boxing, wrestling and other events given by the men's athletic department, will be followed by the dance.

Wild Cat Money.

Wild cat money of one thousand dollar bills can be bought for a nickel a piece, and with these bills entry to any booth may be obtained. Entrance admission will be thirty-five cents. A kissing booth by Delta Gamma, in charge of Jean Rathburn, is one of the most promising of the seventeen scheduled affairs. The other booths include fortune telling, by both Gamma Phi Beta and Alpha Phi, planned by Mildred Bickley and Helen Baldwin. Kappa Alpha Theta artists under the direction of Mary Snow will make shadow graphs.

Phi Mus Show Cakes.

Phi Mu, under the direction of Janet Raff, will show Nebraska cakes of '98. Side shows, including Wonderland by Patricia Schneider, Alpha Delta Theta, will be offered, and an African Sunset and a Nebraska Red Bat will be demonstrated by Delta Delta Delta, with Barbara Sporry in charge. The Downfall of Modern Greek Art by Alpha Omicron Phi, under Doris Humann, is promised. Alpha Xi (Continued on Page 2.)

TASSELS WILL TAKE IN PLEDGES TONIGHT

Women's Pep Organization Will Initiate Thirty-One Members.

Formal initiation of Tassel pledges, honorary pep organization for women, will be held at the Cornhusker hotel following a dinner at 6:30 p. m., Thursday evening, Feb. 20. Stunts by the pledges will precede the initiation proper, which are in charge of Lucille Akerman, Helen Manning and Helen McClesney. Sally Pickard, president, will supervise the initiation.

The pledges to be initiated are Georgeanna Bockes, Dorothy Clark, Ruth Diamond, Julienne Dietken, Paula Eastwood, Gretchen Fee, Kathryn Gilger, Mildred Gish, Gladys Hall, Mable Heyne, Lulu Jo Highland, Marjorie Hyde, Evelyn Jones, Kathryn Cruise, Mary Louise Long, Lucille Ledwith, Mary Alice Loy, Emma McLaughlin, Margaret Mann, Betty Reimers, Bernice Palquist, Lillian Richtig, Doris Root, Ruth Shelburn, Ruth Schill, Verna Stevens, Mary Jane Sweet, Betty Wahlgast, Dorothy Weaver, Alice Wedman, Lucile Wright.

DRAMATIC CLUB WILL STAGE PRODUCTION

Committee Still Uncertain As to Nature of Play to Be Given.

At a meeting of the Dramatic club last night it was definitely decided to produce a recent dramatic production in the near future. This program is being started and will be one of the major activities of the club for the second semester.

A committee composed of Lowell C. Davis, chairman; Cordelia Ayres, Dorothy Weaver and Donald Carlson was appointed by Mildred Orr, president of the club, to select the show.

The exact nature of the production is still uncertain but some show which has proven itself very popular will be chosen. "The Trial of Mary Dugan," "Broadway," and others have been suggested to the committee in charge.

The promotion of this activity will enable most of the club to become actively engaged in some form or another of stage work.

KOREAN WOMAN SAYS AMERICAN INSPIRES

Mrs. Kim Credits Rise of Her Sex to Influence of Christianity.

LONGED TO COME TO U. S.

"You have no idea what an inspiration the American woman has been to us Korean women," declared Mrs. Induk P. Kim enthusiastically before sophomore commission Wednesday in Ellen Smith hall. "In Korea we feel as if we were nearly negative values, while here in America you are distinctly positive values." Mrs. Kim, a native Korean, left her home, her husband and two small children to realize a lifelong ambition, to come to America and see American women, in order that she might be better able to relieve the plight of her countrywomen.

"Christianity has done more than any other single factor to life the burden under which the Korean women have labored for hundreds of years, she declared. No Christian man now has more than one wife. Men seem to have acquired new conceptions of their sisters and wives, and realize that they have been treating them unjustly. That is, Christian men," she corrected. "Polygamy is still and accepted institution in most of the upper-class homes," she added regretfully.

Tells of Women's Plight.

Mrs. Kim described in detail the extent of the household duties to which every Korean woman is subjected. Most of them are never able to leave their homes, according to the speaker.

When Mrs. Kim was six years old her mother dressed her as a boy in order that she might derive the benefit of at least a few years' education, as girls were not expected to attend schools. For two years, until after she was eight years old, she went to the boys' school several miles from her home.

"From the time I was quite young," Mrs. Kim continued, "it was determined to see American women for myself. My philosophy has always been 'Where there's a will there's a way,' and 'God helps those who help themselves.' After I was married I had the responsibility of my children, my mother-in-law, my home, and partial support of my family, but my determination lost none of its fire," she laughed, "and here I am."

Receives a Scholarship.

Mrs. Kim received a scholarship from Wesleyan college in Macon, Ga., where she was a student for two years. She has also received help from many other persons, one a blind man who gave her \$5 a month for seven years. She has been in this country for three years and is now traveling in support of the Student Volunteer movement.

She hopes to return to China either this year or next, where she hopes to teach reading and writing during the day and give illustrated lectures on housekeeping and hygiene in the evenings. She plans to return to Lincoln for another short stay, early in March.

Hokuf, Star Husker Athlete, Holds Unusual Record for Clean Playing

By Art Mitchell.

Five games without a single personal foul!

That is the record of Steve Hokuf, Husker basketball guard. His first fouls in six games were two committed in the Missouri-Nebraska fray Saturday night.

His five-game string without a personal foul started with the Kansas Aggie encounter, and ran through the Iowa State, Kansas, Oklahoma, and St. Louis university games. In each of them the Crete star played full time. He contributed seventeen points towards Nebraska's total in the five encounters, an average of three and two-fifths points per game.

Hometown Honors Him.

Hokuf, who was honored last Wednesday when citizens of his home town staged "Hokuf night" at the St. Louis-Nebraska game, is a sophomore in the university. He was a regular on the football team last fall, getting an end berth after turning in a fine performance against Pittsburgh. His work in basketball has placed him well to the fore, and he has held one of the guard positions on a permanent basis since early in the season.

JOHN BROWN IS APPOINTED NEW CADET COLONEL

Colonel Jewett Announces Advancements for the Semester.

LIST IS NOT COMPLETE

Kelly Is Made Lieutenant Colonel; Wilson Gets Rank of Major.

John H. Brown, '30, Holdrege, received the appointment of cadet colonel of the University of Nebraska R. O. T. C. unit for the second semester of the year, according to an official announcement made by Lieut. Col. F. F. Jewett, commandant, late Wednesday afternoon.

In addition to the above appointments several other men were advanced in rank for the new school term. Clarke W. Kelly, '30, Beaver City, was advanced to the rank of cadet lieutenant colonel. Benarr M. Wilson, '30, Omaha, was elevated to the rank of cadet major of the first battalion.

Justin J. Thomas, '33, Seward, was given the captaincy of Company K, Dwight L. Anderson, '30, Ogallala, received a similar post in Headquarters Company.

Lieutenants Named.

Marion E. Hestbeck, '31, Ogallala, and Winslow R. Willis, '31, Lincoln, who previously held positions as cadet second lieutenants, were elevated to first lieutenancies. They were assigned to Companies B and K, respectively.

Four advancements to second lieutenant rankings for the second half of the year were announced from the office of Colonel Jewett. These are: Master sergeant, Curtis Nelson, '31, Bristol, Company F; first sergeant, Gladie Linderman, '31, Grand Island, Company A; J. Roger McCammon, '31, Omaha, Company G, and John Mertz, '32, Omaha, Company A.

During the preceding semester, John Brown, new cadet colonel, served as lieutenant of the R. O. T. C. unit. Clarke Kelly occupied the post of cadet major, and Benarr Wilson had the rank of cadet captain.

Additional assignments and transfers were being compiled Wednesday, to be officially announced at a later date.

COUNCIL GIVES OUT RULES FOR RUSHING

Order Concerning Pledging of Local High Men Is Revealed.

Official rushing rules relative to the rushing of Lincoln high school men have been requested by many fraternities. Practically every fraternity is making plans for the coming rush season and in order that any misunderstandings as to the rushing of local prep men may be completely cleared before definite plans are assumed by the fraternities, the executive order of the Interfraternity council of Jan. 15, 1927, effective on and after that date, relative to Lincoln rushing, follows below:

1. There shall be no rushing or pledging of local high school students either during the school year or during the vacation periods. By local high school student is meant one enrolled in the Lincoln high school, the Teachers college high school, the school of agriculture, or other local secondary schools, who are not registered in the University of Nebraska. It is assumed that under this provision local secondary schools may include the secondary schools in University Place, College View and Bethany, due to the fact that these three towns are now parts of the city of Lincoln.

2. The specific rules concerning local high school students are as follows:

A. No local high school boy shall
