

TRACKMEN WILL ENGAGE AMES IN SATURDAY MEET

Cinder Stars Slated Face Strong Opposition in Cyclone Squad.

HUSKER HURDLERS OUT Smutney and White Receive Injuries; Thompson, Petz Remain.

Nebraska will apparently face a tough foe when they meet Ames Saturday afternoon on the Husker cinders. The Cyclones turned in a convincing win over Grinnell and Drake last week and the two teams seem to be fairly well matched on paper.

Hager, Ames high hurdler, turned in a mark of 6.5 seconds which equals the conference record. Smutney, Husker hurdler, is laid up with a couple of bad knees as a result of a spill at Columbia and White, another hurdler, turned an ankle in practice last night. This leaves Petz and Thompson as the only outstanding Husker candidates. Soules, another Ames hurdler, equaled the conference record in the lows. The hurdles will probably be the most exciting events of the afternoon, as other marks are fairly equal.

The probable list of Husker entries as announced Tuesday afternoon is as follows: Petz, Smutney, Steffah, Eastman and Hege. High hurdles: Petz, Thompson, Smutney and White. Low hurdles: Petz, Thompson, Smutney and White. 140-yard dash: Currier, Rogers, Mays and Stefuss; True, White and Eller may be used in the relay.

880: Ostergard and Fulrod. Mile: Garvey, Etherton, Neurenberger. Two mile: Sprague, Seger and Wendt. Pole vault: Ossian, Krause and Bell. High jump: Renbrook, Pierce and Cook. Broad jump: Tomson, Hege, Craig and Gray. Shot: Rhea, Rowley and Justice.

EAVESDROPPING

STRETCH CHEWING GUM.

The following excerpt from Penn State's daily shows the gum chewing tendency in its full force. The anti-gummers have evidently contacted for a special statistician to aid them in their campaign. "If the sticks of gum chewed daily in State College were placed end-to-end they would reach from Co-op Corner to Recreation Hall, a compilation of figures obtained from local merchants during the last week-end reveals.

This mythical stick would circle the New Beaver Field track and if transposed to the football field would form almost four lengthwise strips between the goal posts. It has been computed that if all the wads discarded in one day were placed in a mound on the Bellefonte Central tracks, it would be large enough to derail the train.

A complete canvass of the town stores shows that the average daily sale of chewing gum amounts to 5,485 sticks. President Ralph D. Hetzel, Dean Arthur R. Warnock, many professors, and the majority of the male students are among the numbers who entered local shops during the last semester to purchase the elastic product. Whether or not the elastic Hetzel is an addict to the craze is not known, but information was received from a reliable source that he personally purchased a box of chicklets containing 240 of the sugar-coated pellets. Thomas I. Probert, instructor in economics, leads the pedagogical field with an average of one pack daily.

Contrary to popular belief costs seldom buy gum, merchants report. One dealer declared that less than twenty-five women students purchased the confection from his store during the entire year.

State College merchants declare that at present sales in gum are being boomed, but they give no definite answer as to what is causing the rage. Some believe it the result of intensive advertising campaigns by manufacturers of the product, while others surmise that it is due to overworked minds which need some outlet for excess energy.

TWO MORE WEEKS RUSHING.

SYRACUSE UNIVERSITY, Syracuse, N. Y.—Sororities of Syracuse university, under a new plan, will extend rushing next fall for two additional weeks. Communication with the freshmen can be held in the capacity of Big Sister only, or with special permission of Panhellenic. This will eliminate all personal dating and parties will be the only method of rushing. During the first week of rushing in addition to the opening tea, three parties will be allowed on alternate night. During the second week each sorority may give two parties.

"EYES" IN TEN TONGUES.

UNIVERSITY OF TEXAS, Austin—The tower of Babel where a thousand tongues were spoken has been revived on the campus since the school song, "The Eyes of Texas," has been translated into nine languages taught here.

The translations were made at the request of President Y. Benedict by language teachers and are to be published in "The Alcalde," ex-student magazine. French was the only language on the campus into which the English words could not be translated. The French professor charged with the task of translation "gave it up" in despair. "The Eyes of Texas" can now be sung in Spanish, Hebrew, Italian, Czech, Greek, Swedish, Dan-

INTERFRATERNITY BASKETBALL THURSDAY, FEB. 20.

Court III (Class A). 7:00 o'clock, Delta Chi vs. Farm House. 7:25 o'clock, Acacia vs. Alpha Gamma Rho.

ish, German, Esperanto and English. KAPPA LAWN A CEMETERY? University of Colorado, Boulder: Identity of University of Colorado students who removed eleven tombstones from Columbia cemetery and left them on the lawn of the Kappa Kappa Gamma sorority was sought by university and city authorities today. Seven automobiles, "borrowed" from fraternity houses, were used in transporting the tombstones from the cemetery to the sorority house. It is believed the act was perpetrated by fraternity initiators.

ALPHA GAMMA RHO, TEKES WIN GAMES

Farm House and Pi Kappa Phi's Are Defeated Fraternities.

FINAL TIE IS POSSIBLE

Alpha Gamma Rho and Tau Kappa Epsilon won their games in Class A interfraternity basketball Wednesday night in the coliseum. In Class B, Beta Theta Pi swamped the Delta Chi's, 25-5, and the Kappa Sigs held a slender 13-12 advantage over Pi Kappa Alpha when the final whistle sounded.

The Tau Kappa Epsilon five was able to maintain its small margin of superiority to take a fast game, 29-20, from the Farm House. Young, T. K. E., was high point man with seven field goals.

Alpha Gamma Rho displayed a flashy offensive game to run away from the Pi Kappa Phi team 31-20. Although the A. G. R.'s grabbed an early advantage, Sloan and Davison pushed the Pi Kappa to a 12-11 lead just before the first half ended. The game was apparently anyone's until shortly after the start of the fourth quarter, when things began to happen. Deuser, speedy A. G. R. forward, sank six field goals from as many different positions on the court, before the Pi Kappa could get him covered. Davison came back strong but his baskets fell far short of catching the rapidly mounting A. G. R. score. Besides six in a row, Deuser had collected one field goal and two free throws for a total of sixteen points.

MARKSMEN WIN THREE OUT OF FIVE MATCHES

The University Rifle team won three out of five shooting matches that were held Saturday, Feb. 15. The competing teams were the University of Kentucky, University of North Dakota, Western Maryland university, Montana State college, and North Carolina State college.

Nebraska's two defeats were by the University of Kentucky with a score of 3724, and North Carolina university with a score of 3648 as compared to Nebraska's score of 3631. According to Sergeant McGimsey, the score turned in by the University of Kentucky is the largest ever recorded against the University Rifle team by a competing rifle team.

PI LAMBDA THETA PLANS ENTERTAIN WOMEN TEACHERS

Honoring all junior and senior women in Teachers' college, Phi Lambda Theta, honorary and professional society for senior women in Teachers' college will entertain at a tea in Ellen Smith hall, Thursday, Feb. 20, from 4 to 6 p. m. All upper classwomen in Teachers' college are invited to attend. Entertainment will be very informal and there will be no official receiving line. Hazel and Helen Struble will present several duets and harmony numbers, and there will be other special music. Mary Elinor Aldrich is in charge of the arrangements for the affair, assisted by Mildred Olsen. Election of new members for Phi Lambda Theta will be held as soon as grades can be checked in the registrar's office.

125 Engineers Take Slide Rule Course

Over 125 engineers attended the first two meetings of the class in slide rule instruction offered by Dean O. J. Ferguson, every Monday night at 5 p. m. in Mechanical Engineering 2206, according to roll taken. The different scales on the various types of slide rules are being explained and drills in each scale are being given. There will be six more meetings and engineers wishing to attend may register by turning in their names at the usual period.

GIRLS HOLD WAFFLE DANCE.

UNIVERSITY OF OREGON—Introduction of a new Associated Women Students event was successfully made yesterday when the first A. W. S. waffle dance, held at the craftsmans club, drew a crowd of around 300. With Alice Wingate as general chairman, a large staff of cooks, mixed, baked and served waffles throughout the afternoon while the students danced.

HOOPSTERS RESUME PRACTICE FOR AMES

Scrimmage Features Entire Session; Squad Has Drive and Fire.

NEBRASKA RATES THIRD

After a day's rest, Charley Black's Cornhusker basketball team was back at work in the Coliseum last night, preparing for the Iowa State game Saturday night. The effect of the layoff was noticeable in the drive and fire of the two teams in their scrimmage against the freshmen. The entire session was spent in scrimmage, with the exception of the warming up period. The first quintet to go up against the green shirts was made up of Hokuf and Witte, guards; Maclay, center, and Fisher and Grace, forwards. After about thirty minutes, this crew was replaced by Stipsky and Lewandowski, guards; Jensen, center, and Conklin and Davy, forwards. If Nebraska wins the Iowa game Saturday, the Blackmen are practically assured of third place in final standings. They may be in line for something better, depending on the outcome of the Kansas-Missouri games, of which there are two, the Missouri-Oklahoma game and the Missouri-Iowa State game.

Present standings of the teams are:

Team	W	L	pts
Kansas	6	0	1,960
Missouri	5	0	1,714
Nebraska	3	2	714
Iowa State	3	3	623
Kansas Aggies	2	3	429
Oklahoma	2	3	400

PHYSICAL ED GROUP FORMALLY INSTALLED

Grand President Initiates Tau Chapter of Phi Epsilon Kappa.

Tau chapter of Phi Epsilon Kappa, national physical education fraternity, was formally installed at the University of Nebraska Tuesday night by Dr. Carl B. Sputh, Indianapolis, Ind., grand president. Dr. Sputh was aided in the initiation by Coach Browne of Lincoln high school and Rudolph Vogler, director of intramural athletics at the University of Nebraska. Numerous letters and telegrams of congratulations from other chapters were received by the new chapter upon its formal installation.

Officers of the new chapter are: William Cotter, Chicago, Ill., president; Kurtis Lenser, Hildreth, vice president; Charles E. Miller, Lincoln, secretary and treasurer; George R. Cook, Casper, Wyo., editor and historian; William Horney, Lincoln, guide; and Howard Johnson, Denver, Colo., sergeant of arms. Faculty members initiated at the same time were H. D. Gish, director of athletics; Dr. C. C. Weidmann, of the education department; B. F. Oakes, varsity football line coach and freshman basketball coach; Wilbur Knight, director of physical work at the Agricultural college; and E. W. Lantz, of the education department.

OMAHA PREACHER SPEAKS AT MEET OF UNITARIANS

That there is no difference between the machine age and what people think of as "back to nature" was explained by Lawrence R. Plank, minister of the Unitarian church of Omaha, in his address before the young people of the All Souls Unitarian church at a noon luncheon at the Temple cafeteria, Wednesday. Mr. Plank said that nature works through man in constructing buildings and making inventions. It is not man alone that does these things. About twenty-five attended the meeting.

SIGMA ETA CHI CHURCH GROUP HOLDS BANQUET

Sigma Eta Chi, Congregational girl's sorority, held a dinner and program at Ellen Smith hall, Tuesday, from 6 to 8 p. m. Miss Gertrude Hanford and Mrs. Ervine Inglis presided at the tables. All members, alumnae, and friends of the organization were invited. Following the dinner a program was presented consisting of piano and cello solos, readings and a duet role play. Martha Ruerkle, president, gave a talk on "Who, What, When, Where and Why."

ENGINEERS RATIFY CONSTITUTION AND NAME NEW HEADS

The recently proposed constitution of the local chapter of the American society of Chemical Engineers was formally passed at

RIFLEMEN SCHEDULE NINE FUTURE MEETS

Nebraska Team Will Enter Missouri Valley and National Shoots.

University rifle team is planning on holding nine rifle matches in the near future. Four of these matches will be shoulder-to-shoulder meets while five will be postal competitions.

The first shoulder-to-shoulder match will be held March 1 when a six-man team will go to Vermillion, South Dakota. The next meet will be held at St. Louis, Mo., on April 15. Here four rifle teams, Washington university, University of Missouri, University of Kansas, and Nebraska university, will compete. Another six-man team will hold a shoulder-to-shoulder match at Iowa, April 5.

The above matches are being held for the purpose of determining the championship of the Missouri valley. Nebraska teams competing in these matches will be chosen by Sergeant McGimsey.

Y.W.C.A. SPONSORS RADIO PROGRAM WEDNESDAY NIGHT

Doris Powell, Hazel and Helen Struble and Charlotte Peterson were among the entertainers on the program broadcast from KF-OR on Wednesday evening under the auspices of the Y. W. C. A. Doris Powell sang a group of three popular numbers and Charlotte Peterson played a piano selection, "Hungarian Rhapsody No. 10" by Franz Liszt. Hazel and Helen Struble entertained with several vocal duets with the former playing the piano accompaniment. The program was arranged by Berneice Hoffman.

SECOND ISSUE OF LAW PUBLICATION TO APPEAR SOON

The second issue of the Nebraska Law Bulletin will go to printer tomorrow and is expected to be of the press during the latter part of the month. The new number features the first installment of a series of articles on Nebraska suretyship, by Professor M. H. Merrill. In addition there is a continuation of a series of annotations of Nebraska cases to the American Law institute "Restatement of Law of Agency," which is presented by Professors Hugh F. Gillespie and William Sternberg, of the Croighton university law faculty. Members of the student law editorial board will also comment on recent Nebraska cases.

N. E. A. OFFICER GOES TO MEET ON EAST COAST

Miss Clara Wilson, chairman of the department of kindergarten primary education, left Wednesday afternoon to attend the meeting of the department of superintendence of the National Educational association to be held in Atlantic City. Miss Wilson is an officer of the nursery, kindergarten, primary section of the N. E. A. Enroute she will visit the University of Chicago and Columbia university. She will also attend the meeting on "Exceptional Children" to be held in Philadelphia.

Delian Society Intends Hold Open Fun Meeting

Delian Literary society will hold an open meeting in room 203 of the Temple building Friday evening, Feb. 21. The evening will be taken up with games and stunts.

GOED CAGE TOURNEY GOES ANOTHER ROUND

SHOW GOOD TEAMWORK

Totalling the highest number of points of any game in the tournament, Phi Omega Pi last night (Tuesday) Sigma Eta Chi by an overwhelming score of 41 to 8. The N'ergettes decisively defeated the Chi Omegas by a 12 to 1 score; Alpha Delta Theta won from Alpha Phi by a score of 12 to 6; and I. X. L. nosed out Alpha Delta Pi with a 6 to 4 score.

The Phi Omega Pi-Sigma Eta Chi game was a fast one and good teamwork was displayed on the part of the winners. The forwarus on the winning team shared honors, or nearly so, Oda Vermillion scoring 21 points and Grace Vlasak 20. Attempt as they might, the guards on the losing team were unable to prevent their opponents from piling up the high score.

Chi O's Stage Comeback. The N'ergette-Chi Omega game, although the score would indicate a one-sided game, was, after the first half, a good and decidedly swift game. Poor guarding in the first half on the part of the Chi O's allowed the N'ergettes to get a decided advantage. The second half was scoreless for both teams; the Chi Omega guards, Mildred Berger and Eida Guhl, did good work in the second half. Florence Heyne, forward for the N'ergettes, was high scorer with eight points to her credit.

Marie Havlicek, Alpha Delta Theta forward, made 10 of the 12 points made by her team. The game as a whole was evenly matched.

A change in the schedule has been made due to the mutual consent of both teams for a postponement. Delta Gamma and Pi Beta Phi will not play tonight from 7 to 8 o'clock but will probably play Saturday morning.

CLASSIFIED WANT ADS.

APPEAR ALL its a Townsend photograph you want. GIVE COURTESY your photographs from Hank's studio will please.

ROOMS in modern home, \$8 per month. 415 No. 27th. B245b.

Removing mental barriers

In the Bell Telephone System men are constantly studying new ways to make the customer's dealings with the company easy and pleasant. The new "counterless" idea, now being introduced in the telephone company's business offices, is a case in point. Here the customer is placed at once on a friendly personal basis with the company representative. He is invited to sit down comfortably and discuss his business. Certainly more satisfactory than standing at a counter. This single instance represents a point of view which telephone men think is important. Telephone service calls for engineering skill and more—it needs human understanding.
