Panthers Take 8-0 Decision From Bears; Young Gets Touchdown.

MANY BREAKS IN GAME

Bulldogs Drop Decision to Tigers 7 to 0—Manley Does Scoring.

BY ART MITCHELL.

Blocked kicks, intercepted passes, a few long runs and off-side penalties by the score marked two gridiron encounters on Memorial stadium on Saturday afternoon, the first of a series of week end battles during the spring training period.

The Panthers, coached by Joe Lehman and W. H. Browne, Nebraska's new freshman mentor, scored an 8 to 0 decision over Ed Weir's Bears in one of the tilts. In the other, the Tigers, protégés of Bill Day and Charley Black, took a 7 to 0 decision from Bunny Oakes' Bulldogs.

Both tilts were featured by the work of new squad members, including many luminaries from last year's freshman team. In neither of them were thrills so intense that spectators assumed the usual sort of emotions which mark a football crowd.

Panthers-Bears.

The Panthers, winners over the Bears, scored their eight points on a safety and a touchdown, both of which were breaks of the game. The encounter started out with the Bears apparently holding the upper hand in the first quarter. Near the latter part of the period, however, the Panthers, who had the wind advantage, had forced the Bears back near their own 20 yard line.

Rough, Bear fullback, dropped back to kick out of danger, only to have his line leak. Panther linemen were upon him hardy before he had his hands on the pigskin, and his kick was blocked. A mad dash toward his own goal enabled Rough to recover the oval back of the goal line, which gave the Panthers two points but prevented a touchdown.

Young Gets Away.

The second quarter held little of interest for spectators, except for one 30 yard punt return by Red Young, variety flash of last season. In the third period, however, the Bears opened up with a passing attack which for a time threatened the downfall of the Panthers. Louis Brown, diminutive quarterback from last year's freshman team, and Creighton letter winner, was on the throwing end of the passing combination, while Rough was on the receiving end of one which took which put the ball on the Panthers' 20 yard line.

The Bears soon lost the ball on downs, and the Panthers booted out of danger. Another beautiful pass from Brown to Paul, who made a fingertip catch, was completed on the next series of plays, but a third throw intended for Paul was intercepted by Mathis, Panther quarterback, almost on his own goal line as the period ended.

Quarters Show Up.

In the fourth quarter the Panthers got their touchdown which practically cinched the game for them. It came on another unlucky toss by Brown, which was intercepted by Red Young who raced forty yards for the tally. His try for point was blocked.

Both quarterbacks in the game, Mathis of the Panthers and Brown of the Bears, showed generalship of an extraordinary caliber for freshman players, and each added his bit to the total of his team's yardage.

Bob Rough, former Lincoln high ball toter, looked good for the Bears, especially in the kicking department, while Paul was the best yard gainer for the team. Red Young was easily the outstanding man of the Panthers.

Tigers-Bulldogs.

Old Man Time was the deciding gentleman in the Tigers' victory over the Bulldogs, for it was he who prevented two touchdowns by the latter.

Manley scored the Tigers' only touchdown in the first quarter and Long added the extra point on a set kick. It followed a series of runs by Manley and Long and passes from the latter to the former. Manley carried the ball over for the touchdown on a brilliant 10 yard off tackle gain. The ball had been put in position when Packer, punter for the Bulldogs, received no support from his line and his kick was blocked.

It was in the second quarter that Old Man Time stepped up and landed the Bulldogs their first bad break. Just two minutes before the period was over, the Canines started a march goalward.

Steady Advance

A series of spinner plays and linebacks advanced the ball half the distance of the field. When the two teams lined up on the ten yard line, there was just 15 seconds remaining in the half.

Jack Miller, Bulldog quarter, showed rare headwork and called a pass play off a spinner formation. Art Perry threw the ball right into Miller's arms, but Miller failed to cross the goal line by a single yard. The half ended with the ball on the Tigers' one-yard line in the Bulldogs' possession on first down.

Again in the last period Father Time handed the Bulldogs a bad break, for in that period a belated start down field carried them to within ten yards of the Tigers' goal once more, only to have time called too soon. The last play of the period saw Hi Prucka, varsity

end of last season, throw Art Perry for a ten-yard loss.

Long Stars

The passing and running of Bus Long, always a rough and ready buckaroo, had much to do with the Tigers' win. Art Perry, Bernie Packer, Kreizinger and quarterback Jack Miller, freshman in at fall, were great factors in the cub's showing. Ely, center, was a power in the line.

THETA XI'S TAKE DELTS IN CLASS B CAGE FINALS

White Comes Through With 7 Counters for High Point Honors.

FINAL GAME OF SEASON

Preliminary Dope Is Upset In Unexpected Victory For Engineers.

Theta Xi came into possession of the Class B interfraternity basketball championship by defeating Delta Tau Delta, 15 to 13, at the Coliseum Saturday morning. The Delts had defeated the Theta Xi's once earlier in the season and were doped to win but the Theta Xi five could not see it that way. Early in tournament play Theta Xi was eliminated by Xi Psi Phi but was awarded the game later because of intelligibility on the part of one of the dental fraternity's players.

The Delts started the game minus the services of Stover and Rough. Stover was the Dell scoring agent in the last two victories but was able to account for only two points after he entered the contest yesterday. White, Theta Xi center, donated a much needed seven points to his squad's total. Delta Tau Delta led at the end of the first quarter five to four. The half ended eight to seven. Theta Xi, and the score was tied up twice in the third period at nine and eleven all. Irregular passing and much fouling was in evidence with a total of 22 fouls being called during the battle. This tilt concluded interfraternity basketball play at Nebraska for this season. The summary follows:

Taking a Crack at the Church

The Favorite Pastime

of a good many liberal speakers and magazines today is to take a crack at the church on every occasion and to assume the church has not kept up with the times and does not adventure thinking or living. For a tough minded beautiful philosophy of life where shall we go?
