

### PANTHER-TIGER BATTLE HEADS GRID PROGRAM

Two Spring League Teams Will Compete for Championship.

BOTH SQUADS UNBEATEN Former Group, Coached by Browne and Lehman, Is Favored.

#### HOW THEY STAND.

Panthers	W.	L.	Pct.
Tigers	1	0	1.000
Bears	0	1	.000
Bulldogs	0	1	.000

Championship of Nebraska's spring football league will be the stake when the Panthers and Tigers battle on Memorial stadium road at 2 o'clock Saturday afternoon.

The Panthers, coached by Joe Lehman and W. H. Browne, are at the top of the heap so far by virtue of two victories, one from the Bulldogs and one from the Tigers. They squeezed out a 7 to 6 win over Furry Oakes' Bulldogs in a hard fought contest last weekend.

Panthers Favored.

They are the favored team in the contest Saturday. Chris Mathis, yearling quarter last fall, is expected to bark signals for the team again this week. Frahm, Stash and Young will likely be in the backfield for the group in the championship engagement. Against them will be Manely, Loren, Brown, Nelson and Long, according to present indications. The two backfields are of about even weight, although the Panthers have a slight edge on experience, with Frahm and Red Young both on their team.

Cellar honors as well as championship laurels will be played for Saturday. The Bears, losers in one game, will engage the Bulldogs, who have dropped two decisions. Despite the fact that the Bulldogs have lost both of their tilts, they will take the field as slight favorites in the second game of the afternoon.

#### Lineups Listed.

Their starting backfield will include Jack Miller, quarter; Perry and Packer, halves; and Kreisinger, fullback. In the Bear lineup will be Louis Brown (quarter); Bly and Penney, halves; and Raugh, fullback. Both of these backfields are tentative and may undergo change.

Cold weather this week has made practice sessions far from being satisfactory for D. X. Bible and his fellow coaches. Attendance at the sessions has been limited and little actual progress has been made. Although the temperatures were more favorable for workouts yesterday only a little over half of the total squad reported. Team play was the major function of the evening.

### PLANS ARE COMPLETE FOR METHODIST FETE

Committee Prepares Unique Entertainment for Friday Party.

Plans for an all Methodist "Spring Fever" party to be held at Grace Methodist Episcopal church, twenty-seventh and K streets, from 8 to 11:30 o'clock have been completed by the committee in charge. The party will be the fourth party of its kind to be sponsored by the Methodist student council this year.

The evening's program will consist of both amusing and serious entertainment. Comic features will include a diagnosis and treatment of the insidious spring fever malady; a volunteer fire department on hand to reduce extreme cases of spring fever and incidentally to rescue a charming lady from a burning building; and the old established remedies for spring fever such as sassafras tea, sulphur and molasses.

#### To Present Opera.

An opera, "Treated ill Trovator" will be given "in delirium." Those taking part in the opera are Monica, Imprisoned lover, Lloyd Watt; Leonora, the heroine, Marjorie Foreman; Count de Lunatic, the villain, Ralph Benton; and Mercina, the servant, Howard Bonnette. A mystery quartet will add to the program.

The more formal part of the program will include talks on the idea of the entire social and religious program of the Methodist student council by Miss Berenice Hoffman, president of that group and Rev. W. C. Fawell, Methodist student pastor.

Chaperons for the party will be Professor and Mrs. M. H. Merrill and Reverend and Mrs. W. C. Fawell.

### Broken Bow Student Undergoes Operation

Miss Helen Holden of Broken Bow, a senior in teachers college, was operated on for appendicitis at the Lincoln General hospital Monday. Her condition is reported satisfactory.

### RENT CARS

Models "A" Fords, Chevrolet sixes and fours and Reo Wolverines and Flying Clouds. Special discount on Chevrolet 4 cylinder cars and Reo Wolverines. Reservations held until 7 p. m. Sine charge begins at 7 p. m. Plenty of cars at all times. We will appreciate your business.

Motor Out Company

### Choppy Rhodes Urges Practice Attendance

Coach Choppy Rhodes has issued an urgent call for all baseball men to be out for practice this afternoon. If weather permits, the squad will go outside. If not, a workout will be conducted as well as it can be downstairs in the Coliseum.

### RHODES RETURNS TO COACH BASEBALLERS

Bad Weather Responsible For Delays in Early Workouts.

### TO TAKE SOONER FIRST

With the return of John "Choppy" Rhodes from Laramie, Wyo., where he has been directing spring football practice, Nebraska's baseball team looked certain to swing into a concentrated spring training period today, with the first game only three weeks off.

Rhodes, who returned yesterday morning from the school where he will be head coach next fall, said yesterday afternoon that outdoor workouts would start as soon as the weather was favorable. "If it is warm enough, we may move out doors Friday afternoon," the mentor declared. He said that Monday would mark the first heavy workout, if weather was favorable. The outdoor practices will be at Landis field, where all games will be played.

The coach faces a gigantic task if he is to develop a smooth working nine by three weeks from Saturday, when the Huskers invade Norman, Okla., to meet the Sooners, in the opinion of observers. A period of indoor workout, supposed to have started some three weeks ago, failed to draw any large number of players, at least partially because of insufficient facilities for practice.

Last year, the first in several in which Nebraska had put a team in the field, the conference championship was brought home. Practically the entire squad is back this year.

### MEDICAL COLLEGE ACTIVITY

PAUL C. PLATT, Editor.

#### Medical School Mixer.

The medical school mixer held last Friday night was well attended and financially it was a success. There was a good representation of both students and faculty members present. The ball room on the main floor of the Rome hotel was very attractively decorated. Bridge tables were set in the room off the dance floor and for those who did not wish to dance. The music was furnished by the College Club orchestra. The committees in charge are to be congratulated on the way they managed the affair and it is hoped that they may have many more such all-school parties.

Dr. W. M. Anderson To Leave Omaha.

Dr. W. M. Anderson was the guest of the department of internal medicine at a dinner Tuesday night at the university college of medicine. Dr. Anderson will leave the school of medicine about the first of April for California. He will go in with his former partner here in Omaha, Dr. Crummer, who is now located in Los Angeles.

The invitations were extended to the members of the faculty by Dean C. S. Poynter. Dr. E. L. Bridges is the chairman of the department.

The successor to Dr. Anderson has not been chosen as yet.

### EAVESDROPPING

Polly Ticks Again.

Now that the women on the hill have had their annual fling at politics—with more or less dubious success—it is about time for the men's political pot to start boiling. In another anticipation of this prodigiously important development, there is rippling over the campus a mild wave of curiosity as to what political alignments will dispute the elections.

Will the Pachacamac die once more, triumphantly and unopposed through the field? Will the Black Mask be donned again by its apparently vanished constituents? Or will some independent party produce a dark horse to make the race an interesting one?

According to the present outlook, the Pachacamac have a clear field. In fact, we are almost ready to predict a repetition of the last election. But that prospect brings up the question: Why have a party system of student government? If one party is to control campus politics, why not do away with it entirely and let individual students vote for whomever they wish?

—THE DAILY KANSAN.

### FINAL MEETS IN MAT TILT OCCUR THIS AFTERNOON

Winners in Six Classes Are Scheduled to Clash For Supremacy.

### MATCH REVEALS ABILITY

Kellogg Sponsors Tourney To Uncover Possible Varsity Men.

Finals in six classes to determine who will receive wrestling numerals in the meet being held in the basement of the Coliseum for all men who have not engaged in varsity competition will begin at 4 o'clock this afternoon. Horace Kellogg, who is the only entrant, McKean disposed of Witt, his only opposition in the 175 pound class Wednesday to claim the numeral in that division. Nine men were eliminated in yesterday's semifinals.

John Kellogg, varsity wrestling coach, is holding the numeral bouts for the purpose of reviewing possible varsity material and promoting interest in the sport at Nebraska.

#### Variety of Matches.

Semifinal matches yesterday offered a variety of performances. Heady advanced to meet Nelson today for the 125 pound crown by virtue of a forfeit by Jackson, who did not appear for the tussle.

Larson and Levinson chased each other back and forth across the mat three or four times before Larson succeeded in flattening the latter in one minute and thirty-five seconds in the 135 pound class.

In the same class Heizer and Siefer staged an extra period battle that gave Heizer the decision. A slight time advantage that let him go behind in the extra minutes were responsible for Heizer's triumph. Diversity of style is causing much speculation as to who will wear the numeral after the Larson-Heizer struggle today.

#### Hill Defeats Heigle.

Hill had little trouble with Heigle in the 145 pound weight. After forcing Heigle to the mat and holding him on the verge of a fall for 2 minutes Hill pinned his opponent in 2 minutes 20 seconds. Hill and Lundgren will meet in this afternoon's finals.

What promises to be the best exhibition yet is slated in the 155 pound class between Olsen and Stewart. Olsen eliminated Sallor yesterday by a fall in 2 minutes 57 seconds after time had been called out because of Sallor's nose bleed. Olsen had a time advantage when the rest period was called.

Drobny forfeited to Stewart when the former's shoulder was thrown out of joint. Stewart had accumulated a time advantage before the accident occurred. Olsen is an experienced former Tech high man and Stewart shows a knowledge of wrestling.

#### Kozelka-Miller Clash.

Kozelka and Miller will come to hold for the 165 pound championship as carried over from Wednesday's tussle.

Hulbert pulled a last minute upset that put Hoffman underneath for a fall with the clock reading 5 minutes 31 seconds. With half the time gone the men were within 3 seconds of each other. Hoffman slipped into a clever hold that gave him 30 seconds time advantage over Hulbert. Hulbert then rolled into a clutch with Hoffman beneath him and the extra weight of his opponent exhausted Hoffman and made the fall possible. Hulbert will encounter White for the heavy weight numeral championship today.

### RIFLERS HOLD TEST MATCHES ON RANGE

Red Team of Captain Lyons Outshoots McGimsey's Blue Sharpshooters.

### MEET IS FOR PRACTICE

In a shoulder to shoulder rifle match, Capt. H. Y. Lyons' Reds were victorious over the Blue team of Sgt. Cecil McGimsey. Thursday afternoon, on the gallery range in Andrews hall. The score was 1216 to 1244 with Charlie Wertman, crack shot from Milford, as high man with 270 out of a possible 300.

The match was for the purpose of giving the rifle squad practice in shoulder to shoulder shooting for the sectional match conducted by the National Rifle association on April 5 at Iowa City. Iowa university will be hosts to teams from Michigan, Wisconsin, Arkansas, Minnesota, St. Louis, North Dakota, Washington and Nebraska universities; Coe college and Kansas, North and South Dakota and Oklahoma state colleges.

Thirteen Iowa national guard units are sending teams besides several high schools. Kemper and Wentworth military academies will also be represented. Several civilian teams will compete in the team matches and the various individual matches.

Captain Lyons is expecting the Nebraska corn borers to beat the Hawkeye team next week. Iowa university was the winner of last year's regional match which was held in St. Louis. The team of five with several alternates will leave next Friday for the Iowa city by automobile with Lt. Col. F. F. Jewett and Captain Lyons. They will be quartered in the armory or in the university quadrangle.

The match fired yesterday was

### SPEAKING OF baseball as a reminder of Greater Lincoln exposition in the Coliseum, for it is the presence of that function there which has drawn down the wrath of the sandloters. The management, evidently not content with irritating the baseball men, arranged to have its callopie driven along a campus street during class hours the other morning, utterly disturbing the rest of the six thousand students who were peacefully attending classes.

Callopie music is inspiring, without question, but it does not fit into the routine of class work very well. N. B. (For freshmen, coeds, and others who need it). The word is not pronounced cally-ope. But it must be admitted that it sounds better when it is pronounced that way. The shooter doesn't claim any credit for getting it right. He had to look it up, too.

An Associated Press dispatch from Glasgow, Scotland, tells of a new position created in the department of street railway maintenance by an efficiency expert. One man has been engaged with the sole duty of filling and lighting the pipes of the workers as they are in need of this service. Workmen, according to the dispatch, are to furnish their own tobacco, matches, and suction.

Think of your own wise cracks about that one.

over the same course of fire as the one to be held in Iowa city next week; prone, kneeling and standing. Wertman, who was high man Thursday, was also high at Vermillion and St. Louis when the Husker team outshot South Dakota and Washington universities. George Pattison, Table Rock, was second high with 167. He has the highest average individual scores of the squad in the postal match season just closed. Ted Burgess of Omaha was third with 260. Howard Mixson, freshman from Omaha, was the fourth with 253. Wertman, Pattison and Burgess were on Captain Lyons' team, as were Fred Sundeen, Lincoln, 255; and Paul Yocum, Sutton, 265.

On Sergeant McGimsey's team, besides Mixson, were George Philipson, Lincoln, 247; M. L. Kaker,

Lincoln, 240; Curtis Nelson, Hiawatha, 249; and Joe DeKlotz, Lincoln, 242. Alternates were Marion Rinker, Perry, Iowa, 235; Bob Jewett, Lincoln, 233; and Tom Huddleston, Lincoln, 231. The losers are planning a dinner to be given to the winners as part of the agreement made before the match.

### An Unusual Display, Showing Various Stages in the Making of Famous

# Clothcraft Clothes!

LET US SHOW YOU "What Is Inside the Cover"—FRIDAY!

IF YOU knew of the many diversified operations necessary in the making of your suit of clothes you would marvel. CLOTHCRAFT CLOTHES have combined these many operations in an interesting window display. From the receipt of the woolen piece goods, through to the shipment of the finished suit, you will be able to see every operation.

The thoroughly modern factory, the newest machinery, the highest grade of skilled labor, the enormous purchasing power, the frequent and rigid inspections, are some of the reasons why CLOTHCRAFT CLOTHES fit and give the service that is hard to equal at their low prices.

See our window, showing a few of the many steps in the making of CLOTHCRAFT Suits. Let us show you what is "inside the cover." Every Suit bears our guarantee of service and satisfaction. They come in all the newest fabrics and patterns with model to fit everyone.
