

# TRACKMEN WILL ENTRAIN FRIDAY FOR K. U. MEET

### Southern Trip Is Also to Include Dual Match With Sooners.

## INELIGIBILITY HITS TEAM

### Eller, Gray, Seger, True, Petz May Be Forced to Stay Home.

Squad of approximately twenty-five University of Nebraska tracksters will leave Lincoln Friday night at 10 p. m. for the Kansas relays at Lawrence on Saturday and go on down to Norman for a dual meet with Oklahoma on the following Wednesday. Ineligibility and injuries have hit the Schulte squad hard and several men may be able to make the trip because of scholastic difficulties.

Harry Eller, Gray, Seger and True are all having trouble with their studies and may have to stay at home if they are unable to remove the red marks before time to leave. Eller pulled a muscle Wednesday night and may be unable to remove the trip even if his grades are up. Harold Petz is still troubled with the leg injury received at the southern relays and may not be able to make the trip. Merle White, a sophomore, will be taken along to fill in on the hurdles.

#### Men Listed.

Men making the trip are: Rodgers, Stefan, Currier, Ostergaard, Fulrott, Etherton, Griffen, Garvey, Neurenberger, Craig, Hege, Tomson, Ossian, Hokuf, Rhea, Faytinger, Benbrook, Pierce, Lamson, Thompson, Smutney and White.

LAWRENCE, Kas., April 17.—(Special.)—The most brilliant field of athletes ever to compete in the eight years of history of the University of Kansas relays is entered to compete at Memorial stadium field and track here this afternoon of April 19. Twenty-eight major universities and colleges, forty-one college class institutions, eighteen out of state high schools and more than a hundred Kansas high schools have listed athletes in the program of fourteen relay races and ten special individual events.

The 100-yard dash promises to be the classic assembled group of sprint stars yet starting this season, including Cy Leland, flying halfback of Texas Christian university; Claude Bracey, Rice institute flash and former Olympic team member; Eddie Tolan, negro speedster of the University of Michigan; Jack Ford of Northwestern university; Mike Treps of Marquette university, and a score of other notables from the Big Six, Western conference and other sections of the middle west and south-west.

Winners of last year at the Kansas relays who will be here to defend their titles include Leo Sentman of the University of Illinois, in the 120-yard high hurdles; R. M. Leas of the University of Indiana in the 3,000 meters run; Parker Shelby of the University of Oklahoma, M. Perkins of the University of Texas, and Robert Carr of the University of Illinois, all of whom tied for first in the high jump; and Tom Warne of Northwestern university who tied for first in the pole vault.

#### Decathlon Entries.

The decathlon, the only event of the Kansas relays proper that runs on Friday and Saturday, has drawn a field of twelve entries. "Buster" Charles, Oneida Indian of Haskell institute, is the favorite in this ten event test through having finished second in the past two years to Tom Churchill of Oklahoma, who will not be back to defend his title. Robert Todd of the University of Indiana is another great all-around athlete entered in the decathlon.

Other entries are: James Grant and Curtis Beaver of Haskell institute; W. A. Boyd of Westminster college, Fulton, Mo.; L. Stearns, Butler university; B. Douglas, Grinnell college; Donald Krause, University of Nebraska; F. Brooks of William Jewell college, Liberty, Mo.; and Stambaugh, Folks and Strong of Southwestern State Teachers college, Weatherford, Okl.

## DELTA TAU DELTA GETS FOURTH WIN: D. S. L. IS VICTIM

Delta Tau Delta's playground baseball team scored its fourth consecutive win in league four last night when Delta Sigma Lambda went down to defeat, 5 to 0. It was likewise the fourth consecutive win for Arden Wolf, Delt pitcher.

So far this year, only two runs have been scored against the Delt team, one each by the Sigma Alpha Epsilon and Pi Kappa Alpha teams.

# BASEBALL SQUAD WILL ENCOUNTER HASKELL INDIANS

### Redskins Plan to Invade Huskerland On Friday And Saturday.

## LINEUP IS UNCERTAIN

### Several Players Are to Be Tried Out in Season's Initial Contest.

Nebraska's baseball team will face its first test of the 1930 baseball season Friday afternoon, when the Haskell Indians invade Landis field at 4 o'clock. A second game with the Indians will be played Saturday at 2:30 o'clock.

#### Have Hitting Practice.

Although the diamond was still soggy yesterday afternoon from rains this week, Coach Chippy Rhodes sent his players through a session consisting chiefly of hitting practice, the department in which the Cornhuskers have seemed the weakest in practice sessions. Dutch Wittie, who hit .415 last year, is the only one who has shown much ability to crack the horseshoe so far this year.

The Nebraska lineup for Friday's game has not been definitely announced, and probably will not be before the game starts. The choice of a hurler will depend largely on the weather, according to Coach John (Chippy) Rhodes. Farley, Smith or Fairchild, none of whom lettered last year, are considered as likely contenders for the opening assignment of the year if the weather is bad. If the temperatures are more favorable, Dickert, Sloan or Armatis probably will

### Vogeler Asks Greeks To Finish All Games

All interfraternity playground baseball games which have been postponed must be played today, it was announced by Rudolph Vogeler, director of intramural sports. Mr. Vogeler also requested all teams which have games scheduled Friday but who do not wish to play them, to play them today, and not to postpone them until after vacation.

start. Soyke or Williams will draw the catching assignment. Veterans in lineup.

Ullstrom is expected to draw the first sack job. Maser, second base. Spike Williams, shortstop, and Davison, third base, will complete the infield. All of the men save Davison lettered last season. Patton, Wittie and Row have the best chance in the outer gardens. Wittie and Row lettered last season, and Patton won his N four years ago.

The games this weekend will probably see plenty of substitution, for Coach Rhodes is desirous of trying out a number of new men. The results of the two encounters will be taken by a number of fans as being indicative of the Cornhuskers' strength this season. The squad is practically the same as that of last year, when the Huskers took the Big Six pennant.

Because of higher wages, Jarosch working men are buying buses out of American lumber instead of building.
