

**TEACHERS HIGH IS REGISTERING NEW STUDENTS TODAY**

At most schools summer enrollment is considerably less than through the academic year. This

is not so at the Teachers high school in the Teachers college.

Its regular enrollment of approximately 200 is expected to remain practically constant during the summer session. In addition to teachers who have been at Teachers high the past year are six new instructors, most of whom

are taking graduate summer school work in addition to teaching. They are: Harry Hoy of Lyons,

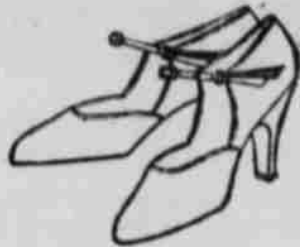

Mrs. Lily Park of Lincoln, Miss Blanche Stevens of San Simon, Ariz., Miss Beatrice Koch of Norfolk, and Miss Clara Johnson of

Superior. Others on the Teachers high school faculty are: Miss Eliza Gamble, Miss Hazel Hagerman, P. G. Johnson, and W. B. Johns.
