30 Dental Students Study This Summer

Thirty men, one-fourth as many as are enrolled during the regular term, are taking dentistry this summer. In addition to lecture and research work, the dental students spend considerable time actually practicing dentistry in the public clinic open daily from 8 a. m. to 4 p. m. through the nine weeks session of summer school. Dental

services in this clinic are furnished at cost.

BUKEY WORKS FOR PH. D.
 Prof. F. S. Bukey, associated

with the college of pharmacy, is attending the University of Michigan this summer and working for his Ph. D. degree. Professor Bukey received his Master's de-

gree from the University of Michigan last summer and was awarded a fellowship for his research work in arsenic preparation.
