

NEBRASKA WILL FIND OKLAHOMA HARD OPPONENT

Every Team in Conference Is 'Pointing' For Huskers.

SOONERS LOOK GOOD

Southerners, Despite Wet Weather, Won Over New Mexico.

Nebraska-Oklahoma Record. Year Winner Score. 1912 Nebraska 13-9. 1919 Tie game 7-7. 1921 Nebraska 44-0. 1922 Nebraska 39-7. 1923 Nebraska 24-0. 1924 Oklahoma 13-7. 1925 Nebraska 12-0. 1928 Nebraska 44-6. 1929 Tie game 13-13.

Swinging into its Big Six schedule, Nebraska will open conference competition this Saturday when they journey down to Norman to meet the Oklahoma Sooners.

Met First 1912. The two teams met for the first time in 1912, Nebraska winning 13-9. The 1924 game, played in the old Missouri Valley conference, is the only time the Sooners have won, the final score being 13-7.

In the last game played at Norman, Clair Sloan and Blue Howell lead their mates to a smashing 44-6 triumph. Last year the two teams met in Memorial stadium and played four quarters of even football, the final result being a 13-13 tie.

Foreign Soil. This year Nebraska will meet Oklahoma, Iowa State and Kansas on foreign soil, while Missouri and the Kansas Aggies will appear in Lincoln.

In their game with New Mexico the Oklahoma Sooners were handicapped by a wet field but managed to pile up their top-sided advantage in spite of this.

JAYHAWKS, HASKELL INDIANS TO TANGLE

Kansas Resume Relations With Red Men After 24 Year Lapse.

LAWRENCE, Kas.—With the Creighton game out of the way, 26 to 0, the University of Kansas football team turned its attention to preparation for resuming athletic relations with Haskell Indian institute, after a lapse of more than twenty-five years.

The game next Friday night, as a part of the annual Indian reunion and pow wow, will bring together two fast teams, the Jayhawkers led by James Bausch, 200 pound star, who made two touchdowns and added points twice after touchdown at Omaha last Saturday, and for the Indians Louis Weller, 130 pound halfback and captain of the team.

The Indians have been playing all types of football, and have been putting over their plays with snap and flash. Kansas, on the other hand, has the heaviest line in years and combines with weight fact, execution of plays.

The Kansas-Haskell record of other years: 1894-Kansas 22, Haskell 6. 1895-Kansas 20, Haskell 6. 1896-Kansas 18, Haskell 6. 1897-Kansas 12, Haskell 6. 1898-Kansas 5, Haskell 14. 1899-Kansas 5, Haskell 12. 1900-Kansas 6, Haskell 12. 1901-Kansas 6, Haskell 22.

CROSS COUNTRY TEAM IS TO GO TO OKLAHOMA

Nebraska's two-mile team will leave Thursday afternoon for Norman, Okl., where they meet the University of Oklahoma team in a dual meet between halves of the Oklahoma-Nebraska game Saturday.

Men making the trip are Phillip Garvey, Rushville; Gordon Neurenberger, Wakefield; Robert Morrow, Omaha; Alfred England, Hershey, and Edward LeDoyt, North Platte. The team will leave at 1:30 Thursday over the Burlington.

Weir Warns Huskers Lest They Under Estimate Sooner's Strength; Recalls Drubbing Handed Nebraskans in 1924

BY ART MURRAY

When Nebraska takes the field Saturday at Norman against Oklahoma for their first conference game of the season they will do well to bear in mind the 14 to 7 defeat that Oklahoma handed Nebraska in 1924 at Norman, according to Coach Ed Weir.

It was in the second game of the season in 1924 that Oklahoma outfought and outscored an over confident Nebraska team. Nebraska outplayed the strong Illinois team the preceding Saturday and held them to a 9 to 6 score.

Nebraska was jubilant over their showing against Illinois, stated Weir and went to Norman feeling that their mix with Oklahoma would be just another sixty minute game. It was a warm day and the Huskers were slowed up by the heat, whereas Oklahoma had pointed for the game and entered it determined to win.

Fight Over Confidence. Nebraska coaches are fighting overconfidence because this year is very similar to the one in 1924 when Oklahoma beat Nebraska for the first and last time. Nebraska proved they had the better team in 1924 stated Weir by beating three of the teams that defeated

ALPHA PHIS WIN OVER DELTA ZETAS 7 TO 6

Fast Speedball Game Is Played by Sororities Last Night.

HIGH HEELED SHOES OUT

The Alpha Phi, apparently jealous of the Pi Phi mimicry of the Regies play Monday night, kicked a goal for their opponents the Delta Zetas, but won a fast speedball game by the score of 7 to 6 last night.

Neither group had their full team out, but played with nine players on each of their teams.

The first quarter opened with the Alpha Phi making a goal by passing which didn't count. Later in the quarter, however, by using the same tactics they were able to secure a pass, Verne Sandusky to Evelyn Kosh, to net 2 points, which ended the quarter with the score 2 to 0.

Raber Scores.

Ruth Raber in the second quarter kicked a goal for the Alpha Phi making the score at the end of the half 5 to 0. Carlein Phillipp was outstanding in the third quarter, distinguishing herself by kicking a goal for the Delta Zetas, which made the score 5 to 3 in favor of the Alpha Phi.

Delta Zeta began a passing attack which resulted in a touchdown putting them in the lead for the first time. Ella Mae Marks was responsible for the play. The Alpha Phi then passed their way to a one point victory.

Girls who do not have low heeled shoes will not be allowed to play since there is danger of turning ankles when high heels are worn. The rest of the schedule is as follows:

Wednesday, at 5—Chi Omega (2) vs. Gamma in Beta. Thursday, at 5—Alpha Chi Omega vs. Delta Gamma. Friday, at 5—Phi Omega Pi vs. Kappa Kappa Gamma.

NEW INTRAMURAL MANAGER SYSTEM SAID VALUABLE

The new intramural manager system offers "valuable competitive experience" for the students struggling to reach the coveted position as one of the senior fraternity sport managers in the opinion of Rudolf F. Vogeler, supervisor of intramural athletics and in active charge of the Greek sport program.

Under the present organization there are two senior managers, Duane Hutchinson and Orville M. Stoever, and four junior managers, Gilbert Webster, Roy Behrens, Ernest Deming, and Tom Eason. The four following men have filed applications as sophomore under the junior managers: Sidney Ziffren, Eugene Dowell, Dimer Durisch, and Carl Humphrey. Supervisor Vogeler says there is work for several more sophomore candidates.

Manager awards include sweaters for the two seniors and intramural medals for the junior officials.

All-University Tennis Tournament Is Success

The All-University tennis tournament has proved a successful innovation at Nebraska, according to Rudolf Vogeler, director of intramural athletics, and in charge of the scheduling and bracketing of the matches.

Anyone who had not lettered in tennis on the Cornhusker squad was eligible to enter and thirty-eight men chose to vie for the gold and silver medals offered for winner and runner up. The preliminary rounds are under way at present and play in the brackets should begin before the week is up.

Wisconsin Church Groups Plan Course in Religion

MADISON, Wis.—Plans for an all university religious college sponsored by five of the student religious groups on the campus have been practically completed, according to the chairman of the student curriculum committee. Membership is open to the entire student body of the university and it is desired to make these meetings as nonsectarian as possible.

The Congregational Student association, Wesley foundation, Hillside foundation, Wayland club, and the Presbyterian student alliance "are the five campus religious groups through whose initiative the long dreamed of course has become a

Vogeler Calls for More Soph Managers

Rudolf Vogeler, director of intramural athletics, yesterday issued a call for more sophomore managers at fraternity athletics. Vogeler requests that sophomore candidates be present at the meeting for all managers and prospective managers to be held this afternoon at 4 in his office in the coliseum.

The Benchwarmer by Gay Craig

FACING Oklahoma and Iowa State on two successive week ends is going to prove a pretty tough test for the Huskers if the present outlook means anything.

Oklahoma has been kept indoors most of the time by a rain which is reported to have been falling for close to sixty hours. If it keeps up that way the men will have to be equipped with pontoons or else play water polo instead.

And when this Oklahoma red mud is wet it's really muddy, as Chris Mathis and Lawrence Ely will tell you. These two men played with the freshman team at Oklahoma last year in a sea of mud.

Another thing that makes a football season hard on Nebraska is the fact that every school in the conference is pointing for the Huskers.

While this is a tribute to the esteem in which Nebraska is held, it doesn't help make the ball games any easier to win.

Iowa State, with an open date on its card, is bending every effort towards perfecting their attack and defense. When the scarlet team clashes with Coach Noel Workman's pupils they will probably have their work cut out for them.

THE return of Marion Broadstone should help materially in strengthening the Husker forward wall. Eno has been shifted to the other side of the line to serve as a reserve for Hugh Rhea while Broadstone and Kroger will take care of the right tackle job.

If Broadstone puts on this "ghost helmet" he sometimes wears in practice he should be able to help the team materially.

He could hide in the mud until a Sooner went by with the ball, then jump up and yell "hoo!" The chances are ten to one that the man would drop the ball and run the other way.

It's at least worth trying.

JUST who are these wood-land sprites flitting about the campus at odd hours of the day attired in green? Is it a new way of designating incoming freshmen?

And the tops are too. And they gambol about. Like flies in glue.

If they jump and run. Like a sprightly lass. You're correct, my boy. It's the girl's gym class.

Ah! A great light dawns. These fair maidens are the patrons of the physical education department. Well, that's that.

WASHINGTON U HAS EXTENSION PUPILS IN DISTANT LANDS

SEATTLE, Wash.—Classes in Alaska, Porto Rico, the Philippines, and even South America are held every day by the University of Washington extension.

Two thousand students are enrolled in the three hundred extension courses offered this year. Many of the courses consist of evening class work, but the majority are home study work.

Many of the students are business people, and men and women planning to continue later at the university. Some have no interest in credit work at all, and sign up for courses that are purely cultural, having no credit value, according to the director of the extension service.

A collection of 22,000 moths and butterflies, the work of a lifetime, has been presented to Cornell university by Addison J. Ellsworth, a printer who made a hobby of collecting butterflies on holidays and Sundays.

PIANO STUDENTS!

Adult beginners and intermediate wanted by graduate student with nine years' piano teaching experience. Phone between 2 and 4 L 781 RATES REASONABLE.

HUSKERS TRAIN VIGOROUSLY FOR OKLAHOMA GAME

Strength of Sooners Not Underestimated; Lay Stress on Passing.

BROADSTONE IS BACK

Big Line Man Ready for Call After Besting Grade Troubles.

The Cornhuskers spent a long, hard evening Tuesday in preparation for the Oklahoma game Saturday at Norman. The Nebraska squad is not underestimating the strength of the Sooners, and stress was laid on passing, and ironing out the defects of the Texas Aggie game.

A big improvement was seen in the passing and receiving, and every indication points to this style of play being used a great deal in the coming game. Faults which were so noticeable in the Texas game are rapidly being corrected.

Varsity worked out with the Freshmen for a great part of the evening, with the latter using Oklahoma plays. Two sets of backs were used. The first included Mathis, Frahm, Rowley and Young, while Brown, Perry, Kreizinger and Paul made up the second set.

Byrnes in Left End. The line was composed of Rhea, Kroger, Koster, Justice, Ely, Byrnes and Prucka. Byrnes was in left and replacing Hokuf who is nursing a sore leg, but is expected to be in shape the last of the week.

Broadstone, whose scholastic difficulties have kept him on the bench so far, is said to have surmounted this obstacle and will be ready for call.

An open practice will be held in Memorial stadium Wednesday with a scrimmage against the Frosh.

About 33 members of the squad will leave for the Sooner stronghold Thursday afternoon, with no stops enroute.

INTERCOLLEGE SPORT WILL BE CONTINUED

Response From Students Last Year Results in Increased Program.

VOGELER IS SUPERVISOR

Intercollegiate athletics, introduced into basketball and playground baseball last year in order to offer minor athletic competition for nonfraternity men, found such a ready response among students that it will be continued on a more intensive scale this year.

Such was the information given out yesterday by Rudolf Vogeler, supervisor of intercollegiate athletics.

In addition to basketball and playground ball, college representatives will be found struggling at soccer, and volleyball this year for the honor of the dentists or lawyers or the arts college as the case may be.

Four Athletic Managers.

Four athletic managers have already been appointed and the remaining four will be announced soon. Assignments so far are Otto Dillon, agricultural college manager, Joe Faimon, pharmacy college manager, Russell Snycg, teachers college manager, and Louis Etherton, manager of the engineers.

Winner's awards include fourteen bronze medals of the intramural type for soccer, eight for basketball, nine for volleyball, and thirteen for playground ball.

The intercollegiate soccer schedule follows:

Pharmacy vs Law, Monday, Oct. 13. A. & S. vs Agriculture, Tuesday, Oct. 14. Teachers vs Dentists, Wednesday, Oct. 15. Engineers vs Bus. Ad., Thursday, Oct. 16.

200 Jayhawkers Will See K. U. Play Quakers

LAWRENCE, Kas.—Dr. F. C. Allen, director of athletics at the University of Kansas, expects 200 or more students and alumni to go to Philadelphia Nov. 1 when the Jayhawkers meet University of Pennsylvania. Special rates are being given by the railroads.
