

# HUSKERS START SOUTHERN TREK

### Thirty-Four Board Train for Oklahoma for Saturday Grid Battle; Entire Squad in Top Condition Except "Dutch" Koster, Hugh Rhea.

### ELMER GREENBERG IS PICKED GAME CAPTAIN

### Workout Planned Friday; Hokuf, Prucka, Kroger, Rhea, Justice, Greenberg, Ely, Mathis, Frahm, Rowley and Young Likely to Start.

Seeking their third successive Big Six title the Nebraska Cornhuskers, thirty-four strong, pulled out of the Burlington station Thursday afternoon at 1:40 p. m. headed for Norman and their first conference clash of the season with the Sooners this Saturday.

Every man on the team is in top condition for the game with the possible exception of George Koster, who is still suffering slightly from a cut over the eye received in the Texas game and Hugh Rhea, who has an old leg injury bothering him again. Elmer Greenberg, Omaha, the game captain for Saturday, will probably start at left guard in Koster's place but it is doubtful whether Rhea's leg will keep him out of the game.

### Plan Workout Friday.

The Husker gridgers called it a week Thursday when they went through a short workout at noon preceding their departure. A light workout in the Oklahoma stadium Friday will be the last before game time Saturday.

Steve Hokuf and Frank Prucka were not in the Wednesday scrimmage, due to minor injuries, but both will be in shape for the game this week end. Kroger and Rhea are almost sure to start at tackles with Justice and Greenberg at the two guards.

### Ely to Start.

Ely will complete the forward wall, the Grand Island boy having shown enough stuff in the game last week to assure him of the starting assignment.

The only change in the backfield will be the replacement of Kreizinger by Claude Rowley. This Rowley turned in an excellent performance against the Texans and has been getting the call at the halfback post most of the week. His punting and passing were both good and he will take part of the load off Red Young's shoulders. The remainder of the secondary quartet will probably be the same as last week. Mathis, Frahm and Young. With this quartet Bible will offer a more varied offense, Young and Rowley both being

capable triple threat men while Frahm can be depended on for an occasional gain through the line.

### Sooners Have Two Teams.

Down in Oklahoma, Ad Lindsey has had two complete teams at work most of the week perfecting a defense against Nebraska plays. He has also developed a second backfield composed of Walker, Curritt, Borah and Robinson which will be inserted if the regular backs find the going too hard.

Wednesday night the Oklahoma varsity was given a taste of Nebraska plays by the yearlings, while another team was working on the counter attack which the Sooners will launch against Nebraska. Grooming of reserve material has occupied the major part of Lindsey's attention the entire week.

Thirty-four men were taken on the trip to Norman, Coach Schulte and his cinder party and officials making up a party of fifty or more. Adrean Peterson, tackle, was picked following Wednesday's scrimmage as the thirty-fourth man.

### Thirty-four Make Trip.

The following men made the trip: Jerry Adams, Bill Bokenkroger, Charles Byrnes, Marion Broadstone, Lewis Brown, Claire Campbell, Bert Durkee, Lawrence Ely, Gordon Eno, Harold Frahm, Game Captain Elmer Greenberg, Ludwig Gartner, Steve Hokuf, Corwin Hulbert and Charles Justice.

Additional members of the varsity squad were Roscoe Kroger, Everett Kreizinger, George Koster, Lester Long, Bob Manley, Chris Mathis, Wally Marrow, Forrest McPherson, Jim Milne, Clarence Nelson, Adrean Peterson, Marvin Paul, Berne Packer, Art Perry, Frank Prucka, Claude Rowley, Hugh Rhea, Bob Stansberry and Bob Young.

## BIG 6 TEAMS PLAY 289 LEAGUE GAMES

### Nebraska Wins 76; Loses 18 of Contest; Kansas Next With 66.

Football teams of the schools now forming the Big Six have played 289 games among themselves in the years they have been in competition. Of these, Nebraska has won 76; Kansas 66; Missouri 48; Oklahoma 26; Iowa State 23 and K. S. A. C. 20. Thirty of the games were tied.

Games lost were Nebraska 18; Kansas 58; Missouri 56; Oklahoma 38; Iowa State 37; and K. S. A. C. 52.

Kansas and Missouri have played to five ties; Kansas-K. S. A. C., Kansas-Oklahoma, K. S. A. C.-Oklahoma, and K. S. A. C.-Missouri have played to three ties each.

In the matter of two ties apiece, Kansas a Nebraska, Missouri-Nebraska and Nebraska-Oklahoma have tied two each and single tied games were played between the following teams: Ames-Kansas, Ames-K. S. A. C., Ames-Nebraska, K. S. A. C.-Nebraska and Missouri-Oklahoma.

## BROWNE POINTS FROSH FOR TILT HERE ON OCT. 18

### Yearlings Complete Week Of Hard Scrimmages Against Varsity.

### ONLY ONE ON SICK LIST

### Same Lineup As Started Against Huskers to Meet Oklahoma.

Coach W. H. Browne's freshman gridgers have finished a week of intensive drill in preparation for the invasion of the Oklahoma freshmen Oct. 18. The practice time was divided between scrimmaging the varsity with Oklahoma plays and developing an offense for the Oklahoma frosh.

Coach Browne will have the entire time next week to drill his squad on both offense and defense in preparation for the game. He intends to make his team into a smooth working machine that will smother the Sooner frosh.

### Lineup for Sooners.

The lineup which started against the varsity in Wednesday afternoon's scrimmage session was composed of Blackstone, center; Austin and Bishop, guards; O'Brien and Scogran, tackles; Kilbourne and Rosswick, ends; Norwood, quarterback; Masterson and Overstreet, halves; and White, fullback. This will be the probable starting lineup against Oklahoma Oct. 18.

The entire squad is in excellent shape with the exception of Ken White, hard hitting fullback, who was carried off the field Wednesday with a sprained ankle. It is hoped that he will be able to play against Oklahoma but it is doubtful if the injured ankle will come around by then. If White is unable to play his position will probably be taken by LaBounty.

## ALPHA CHI SPEEDBALL ENTHUSIASTS WIN 3-0

### Defeat D. G.'s in Slow Game P. O. P. and K. K. G. Play Tonight.

The fourth of a series of games in the women's intramural speedball tournament was played last night on the field east of Social Sciences, when the Alpha Chi Omegas eliminated the Delta Gammans in a slow game by the score of 3 to 0.

Both of the teams were handicapped by their lack of knowledge of the game, resulting in no outstanding plays. Jean Allen of the Alpha Chi Omega team was the most outstanding player on either team. It was she who in the opening moments of the game kicked the ball the length of the field for a touchdown.

The Delta Gammans rallied in the second quarter and played a fairly good game to the end, but lacked the vital punch to win.

Tonight the Phi Omega Pits play the Kappa Kappa Gammans.

RALEIGH, N. C.—(IP)—David A. Ramsey, a 16 year old youth from the orphanage at Oxford, N. C., is earning his way through North Carolina State college here and at the same time supporting an aged grandmother and helping financially his sister who is still in the orphanage.

### Another item for Ripley's "Believe It or Not."

The athletic department is not able to furnish Hugh Rhea with football pants which are large enough around the knees. The Arlington husky is forced to cut the canvas just below the knee to allow room for movement.

"You've heard about Earnshaw cutting a fringe on his sleeve so batters won't see the ball," Hugh said in commenting on his knee fringe. "Well, I cut this bunch of fringe so the other team can't see the football if I kick it."

This is a novel idea and if it works as Hugh thinks it will the punters will probably all have a long fringe hanging down. These Hawaiian hula-hula skirts would be quite the thing if the idea is any good.

### NEBRASKA's team will trot out on the Oklahoma field minus their conventional scarlet jerseys. White sweaters with scarlet numerals will take the place of the old equipment.

Year before last the Huskers wore white sweaters to distinguish their men more easily when they played at Kansas. Last year they wore scarlet jerseys throughout the entire season.

But this year the department was forced to invest a few dollars in white sweaters so the men could be seen. Oklahoma will wear red jerseys and the scarlet ones formerly used by Nebraska would not stand out.

The only trouble with these white jerseys is that they get dirty so easily. And in a rough game like football is, keeping a white jersey clean would be practically impossible.

### IF YOU have a little time some afternoon walk over behind Social Science hall and watch these sorority gals play a game of speed ball.

The men who called them the "gentle sex" would form a new opinion if he saw the game played by a bunch of these Greek letter women.

The game was invented by some person in the physical education department and calls for a combination of soccer and basketball. The girls are allowed to pass the ball around if they do not move more than one step. If it drops on the ground they are supposed to kick it and have regular soccer or hockey goals.

### THE GAME is played on a field a block long and a touchdown counts two points while a kicked goal is worth one point. The editor of this column watched the final half of one game but was never able to figure out just how they score.

The points are a little confusing but the action of the game is not. Some of the girls really show potentiality as track men, or rather women, and it would gladden Coach Schulte's heart to see them in action.

Taken all in all, however, it seems a pretty strenuous girl's game and only the hardy survive.

what is the secret of his success with track athletes? Every coach in the country has probably tried to solve this problem and from the results gained, a majority of them are still puzzled as to the solution.

But the big thing in Schulte's program is interest and respect. Every afternoon you can find any number of men working out at the stadium under the Indian's watchful eye. These men, be they bad or good, are all given attention by the coach and every man made to feel that a personal interest is being taken in his work.

That's the big secret of the success. He gets the men to work out the year around and discovers possibilities that other coaches would pass up.

In addition to that he inspires a love in the heart of every man so that that man would run his heart out for the old Indian. That's the secret.
