

# LONG, YOUNG SHOW BIG IMPROVEMENT

### Two Backs Display Better Form in Tossing Passes, Change Off at Hurling; Extensive Aerial Attack Expected in Game Saturday.

### PANTHERS WORK OUT IN CHICAGO THURSDAY Pittsburgh Badly Used Up from Notre Dame Fray But Practically All Its Man Power Is Available for Nebraska; 3 Westerners to Play.

A hard practice Thursday night concluded the Cornhusker's preparation for the invasion of the Pittsburgh Panthers Saturday.

Coach D. X. Bible followed his usual tactics of the week by sending two complete teams against the first year men who were using Pittsburgh plays. Both teams alternated on a defense against pass plays and an offense of running plays.

Long and Young changed about throwing passes. These two men have shown a marked improvement during the week, and seem to have at last reached the co-ordination necessary for a successful pass attack. Nebraska fans will undoubtedly see a great deal of the aerial game Saturday.

**Starting Lineup.**  
The probable starting lineup for the Pittsburgh tilt will be composed of Holm and Frucka, ends; Rhea and Broadstone, tackles; Greenberg and Koster, guards, and Ely, center, with Young, Frahm, Kreizinger and Mathis in the backfield.

The second team used in practice last night was made up of Bokenkroger and Byrnes, ends; Eno and Hulbert, tackles; Campbell and Adam, guards; and McPherson and Maasdam alternating at center. Manley, Nelson, Packer, Marrow and Brown saw action in the backfield.

**Stop in Chicago.**  
CHICAGO.—The Pittsburgh Panthers, on their way to Lincoln, Neb., for their inter-sectional tilt with the Cornhuskers this Saturday, stopped Thursday afternoon for a short workout on Staggs field.

Coach Jock Sutherland isn't quite certain as to his starting lineup but indicated that it is likely Paul Reider will start at left half and Jimmy Clark at full. This cuts down the Panther weight considerably as Reider tips the scales at but 155 pounds and Clark 160.

Pitt, although badly used up in the Notre Dame game, has practically all of its man power available for the Huskers.

**Three Westerners.**  
Three western boys, Rip Collins, the end, Buzz Brown, the half, and Francis Sigal at guard, likely will see action. All three of these men are natives of Sioux City. Collins is fairly certain to start at right end. The regular Pitt guards were badly used up in Saturday's game and Sigal may be used against Nebraska. He is a sophomore.

Buzz Brown, who has been on the injured list lately, likely will swing back into action from a halfback position. He is a brilliant ball carrier.  
The squad will leave early Thursday evening for Omaha where it will be quartered until Saturday morning.

# PHI MU WINS OVER ALPHA DELTA THETA

### 9 to 0 Score Puts Losers Out of Speedball Tournament.

Phi Mu put Alpha Delta Theta out of the running for the women's speedball championship last evening when they came out at the long end of a 9-0 score.

The game was noticeably one sided. Due to a forfeiture, the Alpha Delta Theta team had never played a game and their lack of knowledge put them to a decided disadvantage.

On the winning team, every player distinguished herself by accurate and agile footwork. A passing combination of Dorothy Charleson, Catherine Cruze and Evelyn Schoonover could not be broken up, and six of the total scores were amassed through the efforts of this trio.

The remaining three points of the game were made when a long kick by Jeanette Moseman went through the goal posts for three points in the first minute of play during the third quarter.

### IOWA STATE TAKES TO WORKOUT FIELD DESPITE WEATHER

AMES, Iowa.—In spite of a light rain, the Iowa State football team took the field for a light workout last night. While the first team practiced on offensive formations for the Oklahoma-Iowa State game to be played here Saturday, the seconds were pitted against the varsity for a long session.

Farrell and Johnson, ends; Nolte and Dixon, tackles; Hood and Etzel, guards; Lichter, center; Albee, right halfback; Walker and Impson, fullbacks; Wells, left halfback; and W. Johnson, Hawk, Trauger and Bowes, quarterbacks, were the men used during the workout.

Coach Noel Workman was uncertain of his starting lineup but indicated that either Grefe or Trauger will be used, depending upon weather conditions. The rest of the team will be the same as in previous games, with light practice on tap for Thursday and Friday.

### JIM BAUSCH WILL PLAY IN KANSAS-PENNSYLVANIA TILT.

LAWRENCE, Kas.—Kansas university's football team left Lawrence Wednesday night for the game with the University of Pennsylvania at Philadelphia this Saturday. James Bausch, center of the professional row in the Big Six conference was with the team and Coach Hargiss said the big back would be in the lineup this week end.

The Kansas athletic board, meeting at Lawrence Wednesday, declared an impartial investigation revealed neither Bausch nor any other player had been subsidized or recruited in violation of conference rules.

As John Bentley says, "The Huskers are due for an explosion." We're all waiting for it and it's due to break this Saturday afternoon.

### LAMBDA GAMMAS BEAT ALPHA PHIS 6-3 IN SPEEDBALL

The Lambda Gammas defeated the Alpha Phis in speedball last night by a score of 6-3. The game was postponed from last week when a member of the Lambda Gamma team was injured. Last week the game at the end of the half was 3-3; only one-half was played last night.

Although a light rain fell, the spirits of the players were not dampened, and both teams played a good game of speedball. The only score of the half was made by Vera Fenter of the Lambda Gamma team.

War themes won first place among both books and plays in the poll of "senior superlatives," at the New Jersey college for women.

Freshmen at the University of Utah will not wear frock caps and also break traditions by walking up restricted steps to the campus buildings.

# Last Year's Pitt Game a Real Thriller

### Parkinson's Plunge Responsible for Husker Defeat to Tune of 12 to 7; Pass, Sloan to Morgaa, Scores Touchdown for Nebraska.

Last year's game between Pittsburgh and Nebraska was a thriller the full sixty minutes of play and the outcome was in doubt until the final gun. Big Tom Parkinson's plunging proved the downfall of the Huskers and the Panthers edged out a narrow 12-7 victory.

After battling without a score for the first period, Walinchus, a substitute halfback, broke loose and ran forty-six yards down the sidelines before Marvin Paul brought him to earth on the Nebraska 6-yard line. After three tries at the line, Parkinson went over for the first touchdown of the game.

Parkinson Again.  
A second Panther marker came late in the same period, Jock Sutherland's huskies starting a sustained march down the field from their own 38-yard line. Parkinson again going over the final chalk mark.

Nebraska fought bitterly and was always a threat yet it was not until the final quarter that the Scarlet was able to rally. A blocked pass on the Pitt 24-yard line gave the ball to Nebraska. After a penalty and a try at the line, Sloan flipped to Morgaa for a 26-yard gain and a touchdown.

Pitt was undefeated through the regular playing season but was outclassed in a post season battle with U. S. C. The lineups:

Nebraska	Pittsburgh
Morgaa	Donohoe
Broadstone	Tully
Koster	Montgomery
Maasdam	Daugherty
Greenberg	Dimecio
Ray	MacMurdo
Frucka	Collins
White	Baker
Young	Umana
Wells	Parkinson
Sloan	Williams
Try for Point: Sloan (kick), Parkinson (kick).	
Touchdowns: Parkinson 2, Morgaa 1.

turned, the president will be sustained unqualifiedly.  
Hoover a Prohibitionist.  
President Herbert Hoover did not approve of the repeal of the Eighteenth amendment, the Volstead act or the Jones law. He advocates aid to enforcement of

these measures. At one time he intimated that he did not think the attitude of the press was conducive to prohibition.  
Dr. Senning discussed the Illinois political situation and the upheaval in Nebraska. Not all republicans are in sympathy with

Senator Norris, said Dr. Senning, but some of the democrats are unsympathetic toward Mr. Hitchcock, manifesting the idea of voting for Norris.  
The meeting closed with a reading by Charlotte Wells. Ethel Seivers presided.
