### EXTENSION DIVISION **ASSUMES NEW DUTIES**

Will Administer Work of Nebraska High School Debating League.

Part of the routine duties of the officers of the Nebraska High School Debating league were transferred to the extension division of the University of Ne-braska at the annual meeting held at the Hotel Fontenelle, Omaha, on

The publication of literature of the league, distribution of informa-Delta formal tion, and much of the detail of administration which has formerly been handled by officers of the league will now be handled by the university extension divisione. It is believed the change will provide for a more uniform administration.

White Continues Work. Prof. H. A. White of the university will continue as president to advise the members and direct the educational activities of debating. without being held responsible for the routine duties. Director C. K. Morse of Curtis will continue as secretary-treasurer in charge of the districts of the state.

Heretofore, the division has been on the basis of the number of the schools in the league in a given year, which accounted for some districts being large and some small. opean art centers as Flo territory and to stimulate interest state, whereas formerly the boundfrom year to year. Hope for More Members.

The new plans have been undersome towns would join the League Wells. Miss Mabel Langdon and than two hundred persons are extotal membership of the different schools has been about 200, but in be followed by group singing and passed the niney mark. With the pastors will be introduced and Lloyd Watt will lead the singing districts interest in the league is expected to maintain a large membership.

At the annual meeting it was determined to award suitable trophies each year to both the championship school of Nebraska and the runnerup in the tournament. These will be cups, qiaques, or other emblems. During the last four years the State Bar association has maintained a cup which goes permanently to the school that wins it twice. The new plan is not to replace the older arrange-

ment, but to supplement it.
The dates of the annual tournament were set as April 16, 17, and 18, and it was decided that all district debates must be completed by
