PRIZE OFFERED HIGH Y. W. C. A. SOLICITOR

Reward to Be Money Toward Trip to Estes Park Conference.

SORORITY GIRLS BARRED

Y. W. C. A. cabinet Wednesday night voted to appropriate ten dollars to be applied on the expenses toward going to the Y. W. C. A. conference at Estes park as a prize to the girl who among the organized rooming houses and dormitories solicits her house 100 percent and at the same time has aggregated the highest average contribution.

Purporting to stimulate interest in the annual finance drive among unaffiliated girls, and at the same time to provide an opportunity for some girls to get into Y. W. C. A. conference this summer is the reason for the action of the cabinet, according to Georgia Wilcox, chairman of finance.

In each house in which five or more university girls are living, the president of the house or some responsible girl has been placed in charge of soliciting that house.

The campaign is being made with an eye to making each house 100 percent, however large or small the contribution of each girl may be.

Drive Soon Over. Wednesday will bring an end to the campaign and house presidents and solicitors will meet for a tea at Ellen Smith hall from 3:30 to 5:30 at which time they will turn in money and cards and make their reports.

Should any solicitor find it impossible to be at the tea on Wednesday, she is asked to turn in her money, cards, and report to the office some time before that date, because it is hoped that the drive may be completed before Christmas.

Any girl who has previously solicited in her rooming house, and would like to try again in order to have a better chance for the prize may get cards at the office from Miss Bernice Miller.

Such girls will also be welcomed at the tea, and should the results of the contest find any one of them meeting the requisites for the prize above anyone else, she will be given the prize. No member of a social sorority, however, is eligible for the prize.

NEBRASKA WINS FROM COYOTES IN CLOSE GAME

MACLAY IS HIGH SCORER

South Dakota Leads at End of First Half with 13 to 10 Score.

The Cornhuskers opened the 1930-31 basketball season last night by winning from the University of South Dakota, at Vermillion, S. D., by the narrow margin of 18 to 17. The game was marked by ragged offensive and tight defensive play.

Don Maclay, center for the Nebraskans, was high scorer of the game, having four field goals and five free throws to his credit, making a total of 13 points.

Steve Adkins, rangy Coyote forward, almost proved the undoing of the Cornhuskers when he scored five field goals during the first half, which ended 13 to 10 in favor of South Dakota.

With four minutes left to play in the last period the Nebraskans forged into the lead, at one time being ahead by three points.

Both teams attempted long shots, the Coyotes to regain the lead and the Cornhuskers to increase it, but both teams were poor in the scoring department of the game.

Adkins and Root made all the points for the Coyotes, while Davey, Conklin and Maclay counted for the Huskers.

The scoring summary: South Dakota—46 ft. f. 14, 13 2 5. Root, f. 13 2 5. Adkins, f. 6 0 12. Stewart, f. 0 0 0. Walker, f. 0 0 2 0. Hoppel, f. 0 0 0 0.

Fancy Diving and 100-Yard Back Stroke Events to Be Held This Week.

All-University swimming meet is nearly completed with only two more events to be run off in the program lined up by Coach Rudolf Vogeler.

The fancy diving and the 100-yard back stroke will probably be finished next week.

Fred Krause seems to be leading the mermen, he has firsts in the 440-yard free style and the 220-yard free style, and also annexed a second in the 40-yard free style, the event being won by his nearest competitor, Clarke Powell, who also has a first in the 100-yard free style.

Within the next few days the last two events will be finished and the final results can be obtained. As the meet now stands only results can be given in five of the seven events.

Results: 100 yard breast stroke, won by Don Carle, second Frank Addo. Time of winner, 1:22.

40 yard free style, won by Clarke Powell, second Fred Krause. Time of winner, 21:6.
