

GIRLS TO FINISH COMPETITION IN PAIR OF SPORTS

Nebraskaball and Bowling Races Due to End During Week.

NEW EVENTS STARTING

Rifling Instruction Carded For Monday, Tuesday; Practice Follows.

Intramural program for women continued this week with two sports ending. Others will take their place. Wednesday night will see the close of the bowling tournament, and Nebraska ball champions will be determined Friday night. Rifling practices are beginning, and plans for ping pong and basketball pre-tourney practices are under way.

Tomorrow night, Chi Omega team one and Alpha Phi's second team will clash and attempt to mow down a sufficient number of points to gain them entrance in the semi-finals Tuesday night. Pi Beta Phi (2) will meet Sigma Eta Chi, last year's winner and record holder of this season. Alpha Delta Phi (1) will bowl against Sigma Kappa.

Sigma Kappa defeated Kappa Beta in the Nebraskaball tilt played Saturday morning, entering them in competition with four other teams: Pi Beta Phi, Phi Mu, Delta Gamma, and Alpha Xi Delta.

Finals Friday.
Pi Beta Phi plays Phi Mu Tuesday at 5, Delta Gamma meets Sigma Kappa Wednesday at the same hour, and Alpha Xi Delta, by its victory over Chi Omega, meets the winner of Pi Beta Phi-Mu match. Semi-finals and finals will be played Thursday and Friday.

Contrary to the procedure last year, rifling this year will not take the form of a competitive tourney between intramural groups. Girls interested will try out for the varsity rifle team composed of ten girls, and each group will be given 25 points for each girl within that group who receives the necessary one hour of instruction, one hour of practice, and who shoots a record score. Likewise, 25 points will be awarded for each girl who makes the varsity team.

Instruction Monday.
Instruction will be given those who have signed for it Monday and Tuesday, with practice shooting opening Wednesday and continuing the remainder of the week. No one can compete who has not had an hour of instruction and practice. Students will report for both instruction and practice at the hours which they have previously indicated. All girls have been asked to sign a list in Andrews hall after receiving instruction and practice.

The hours open for instruction Jan. 12 and 13 are Monday—1, 2, 3, 4; Tuesday—9, 10, 11, 1, 2, 3 and 4. Practice shooting hours for the remainder of the week continue the same as one Tuesday. Continued practice and shooting hours for record score will be held Jan. 19, 20, 21, 22, 23. The hours are: Monday, 1 to 4; Tuesday, Wednesday, Thursday and Friday 9:00 to 11:00 and 1:00 to 4:30.

Matches Start Feb. 2.
Intercollegiate matches will be held from Feb. 2 to March 21. Anyone wishing to try out for the varsity team, which includes ten girls shooting the highest scores during the week Jan. 19-23, must receive, at the range under the direction of the sergeant, the one hour of instruction Jan. 12-13, also one hour of practice shooting on days designated for practice.

During the week Jan. 19-23 those having completed the one hour of instruction plus the one hour of practice will shoot two practice targets and in addition one record target. The record targets will be signed by the sergeant and they will be used in selecting the varsity team. Girls who make the varsity team must have the required scholastic standing for all varsity teams.

A thoroughly enthusiastic football song was needed by the university in the fall of 1901, according to the columns of The Daily Nebraskan.

Tennis Dates Must Be Made by Jan. 12

All men registered for tennis must take a final examination from Joe Stanton, instructor, before credit will be reported for the course.

Appointments for this examination must be made before Jan. 12, 1931. Appointments may be made at the office of the division of physical education for men, room 207, coliseum, or by telephone—university phone 21, between the hours of 11-12 a. m. or 2-6 p. m.

VOGELER ANNOUNCES BASKETBALL FINALS

Farm House Wins League IV Title by Downing Delts. 23-20.

LAST GAME ON TUESDAY

Schedules for the intramural basketball finals were announced Saturday by Rudy Voegler. League IV was settled when Delta Tau Delta lost to Farm House 23-20. The finals will get under way Tuesday night, Jan. 13, with the second round scheduled for the following Thursday. The two remaining teams will play for the championship Tuesday, Jan. 20, on the varsity court, the game starting at 7:00 o'clock.

Sigma Alpha Epsilon, Phi Gamma Delta, Acacia, Alpha Gamma Rho and Beta Theta Pi are the teams already sure of competing in the tournament, together with the winner of League IV.

In the upper bracket for the first round of play Tuesday, Jan. 13, the winner of league IV has drawn a bye while Phi Gamma Delta and Sigma Alpha Epsilon clash. In the lower bracket Acacia drew a bye while Alpha Gamma Rho and Beta Theta Pi clash in the first round.

VOCATIONAL TALKS FOR GIRLS PLANNED

A. W. S. Board Sponsoring Series, With Miss Dunn in Charge.

The A. W. S. board will open a series of weekly vocational guidance conference periods Monday when social work will be considered. Miss Catherine Dunn of the sociology department who is sponsoring the conference will speak at several meetings during the week and give time for personal conference.

On Wednesday afternoon at 5 o'clock Miss Dunn will speak before the sophomore commission groups and persons interested. She will discuss the field briefly and will answer questions for persons dubious as to their vocations.

Each day Miss Dunn will be in her office in the Social Science building from 9 until 11 o'clock to hold private conferences with students. Special appointments will be made upon request.

In classifying the possibilities under social case work, Miss Dunn lists family case work, child welfare work, visiting teacher positions in schools, psychiatric problem cases and medical social work. Personal work is also in this group. Miss Dunn will also talk on institutional work, group work in recreation and character building like that of the Y. W. C. A., and Camp Fire girls, and executive work of organization and administration.

SENNING SPEAKS BEFORE MEETING IN CLEVELAND, O.

At the Cleveland convention of the American Political Science association during the holidays, Dr. John P. Senning, chairman of political science here, spoke on "Need of Studying Administration in its Actual Environments" before a round table discussion group on methods of studying public administration. He discussed relation of civic organizations to administrative heads and the desirability of a continuous tenure of office in positions of public service.

Dr. Walter Returns To Heidelberg Safely

Dr. Heinrich Walter of Heidelberg university who spent several months of last year working in the physiology laboratories of the University of Nebraska has safely arrived home, according to word received here by J. E. Weaver. Dr. Walter visited America under the auspices of the Rockefeller foundation in a study of the osmotic relations of prairie plants.

YENNE HONORED BY COLLEGE PLAYERS

Herbert A. Yenne, assistant professor in dramatics, was elected first vice president of the National Collegiate Players association at the national convention held in Chicago during the Christmas holidays. Mr. Yenne is also associate editor of the Players magazine, a publication sponsored by the organization of which he is an officer.

IOWA WRESTLERS DEFEAT HUSKERS IN FIRST CONTEST

Final Heavyweight Match Decides Outcome of Season Opener.

TOTAL SCORE IS 11 TO 17

Meady, 118, Larsen, 135, Reese, 145, Win for Nebraska.

University of Nebraska wrestlers lost their first dual meet of the year to the University of Iowa grapplers Friday night when Ardean Peterson, Cornhusker heavyweight, lost to Righter of Iowa in an overtime bout. The Hawkeyes won by a final score of 17 to 11. Iowa was compelled to forfeit five points in the first bout when Deege, 118 pounder, sustained renewal of a rib injury and had to quit the ring.

Meady in the 118 pound class, Larsen in the 135 pound group and Reese in the 145 pound class, turned in the Nebraska victories.

Summary.
118 pounds: Meady (N) won from Deege (I) by default.
126 pounds: Peer (I) won from Lindskog (N) by decision in two overtime periods.
135 pounds: Larsen (N) won from Amille (I) by decision.
145 pounds: Reese (N) won from Weldon (I) by decision.

155 pounds: Coomes (I) threw Shirley (N) with a bar arm and reverse headlock in 5:06.
165 pounds: Poyner (I) won from Robertson (N) by decision.
175 pounds: Coughlan (I) won from Adam (N) by decision.
Heavyweight: Righter (I) won from Petersen (N) by decision in two overtime periods.

IOWA STATE SQUAD HAS HARD WORKOUT

Coach Pits Two Strongest Lineups Together for Long Session.

AMES, Iowa.—Pitting his two strongest lineups against each other yesterday for a full 40 minutes, Coach Louis Menze gave the Cyclone basketball team one of the hardest scrimmage sessions it has had this season. On the varsity five the regulars Hawk, Heitman, Roadcap, Rieke and Thomson worked in combination; and on the opposition the coach used Bowen, Holmes, Ludwig, Bowes and Wilcox.

Roger Bowen, who played half-back on the Iowa State football team, was in uniform for the first time since Christmas. Bowen was a numeral as a member of the yearling team last year and will probably be groomed for a guard position.

Roadcap was again ready for action last night. Roadcap was knocked unconscious in the Minnesota game when Hawk charged into him on a follow-around in the first play. Roadcap played but a few minutes against the Gophers and Heitman was dismissed during the first half because of personal fouls.

The Oklahomans bring a well rounded team to Ames, including in their lineup two all-American scholastic players.

11 GRADUATES OF GEOLOGY SCHOOL VISIT ON CAMPUS

Visitors at the office of Prof. E. F. Schramm in the department of geology during the holidays were: Allan Reiff, '29, and Ira Brinkerhoff, '28, both with the Producers and Refiners corporation of San Antonio, Tex.; Harvey Whitaker, '29, consulting geologist at San Antonio; Guy Schall, '25, consulting geologist of Wichita Falls, Tex.; Will-am Schultz, '29, of the Empire company, Lyons, Kas.; John Bean, '29, of the Gulf Production company, Ft. Worth; Vernon Hess, '29, of Tulsa; Gale Gibson, '27, of the Phillips Petroleum company, Breckenridge, Tex.; J. E. Burnett, '16, chief geologist of the Lago Petroleum company, Maracaibo, Venezuela; Clarence D. Buffett, '22, assistant production engineer for the Midwest Refining company, Midwest, Wyo.; and W. Keith Miller, '29, Skelly Oil company, Tulsa.

DECKER ADDRESSES YORK WOMEN'S CLUB

Hermann T. Decker of the school of fine arts gave a lecture recital before the York Women's club Monday afternoon. He was accompanied by Jean E. Decker.

Magazine Carries Instructor's Work

A full page wood-cut by Ben Albert Benson describing Christmas appeared in the December issue of the Rotarian magazine. Mr. Benson graduated from the University of Nebraska school of fine arts in 1925 and was an instructor here until this year. He is now engaged in commercial art work in Chicago.

Handball Entries Will Close Monday

Entries for the All University handball singles tournament will close on Monday, Jan. 12 at 5 o'clock. All men in the university are eligible to compete. Gold medal will be awarded to the winner, and a silver medal to the runner-up.

The interfraternity bowling tournament will start the week of Jan. 19. Entries will close at the intramural office Jan. 16, at 5 o'clock.

The week starting Feb. 2 is the date set for the interfraternity indoor track meet. Formal entries at the intramural office are not required. Every fraternity must participate with at least two men, and finish two men, in every event. Further particulars will be sent the organizations this week.

FORTY WRESTLERS GO THROUGH PRELIMS

Kansans Prepare for Match With Oklahoma Jan. 21; Opens Season.

LAWRENCE, Kas.—Forty University of Kansas students are going through the preliminary drill necessary for the wrestling season, which opens with a match against the University of Oklahoma at Norman Jan. 21.

Coach Leon Bauman has a number of promising candidates in all except the 115 pound class, and a freshman squad of more than usual promise. Final tryouts for the team will be held late next week.

Wrestlers showing up well include: Jay Shroyer, heavyweight, St. Joseph, Mo.; Carl Cummings, 165 pounds, Washington, Kas.; Ned Russell, of Lawrence, and George Brown, Wichita, in 135 pound class, and Wayne Larrabee, of Haddam, in the 125 pound class.

Freshmen showing up well include Pete Mehlinger, of Kinsley, heavyweight; Scott Kennedy, Lawrence, 125 pounds; Otto Prochazka, of Atwood, 155 pounds; Jack Redmond, Saline, 115 pounds; Richard Capron, Kansas City, Mo., 135 pounds, and Ralph Johnson, Burlington, 145 pounds.

Bauman hopes to schedule matches with Salina Wesleyan and East Central colleges of Oklahoma.

OKLAHOMA A. & M. WRESTLERS HAVE TWO MEETS AHEAD

STILLWATER, Okla.—Special Two double-header meets comprise early season competition arranged for Oklahoma A. and M. college wrestlers, Coach E. C. Gallagher has announced.

The first, on the night of Jan. 16, will be a sixteen-match affair in which grapplers of East Central and Northeastern State Teachers college will vie with the Aggies. Then, on January 23, Oklahoma City university and Southwestern State Teachers college matmen will combine against the Gallagher crew.

Other dual meets for A. and M. include invasions by Kansas State Agricultural college, January 30, and Kansas university, February 5, and a trip for the Aggies to Norman, February 13, to meet Oklahoma university Sooners.

In March the Aggies, as usual, will enter the two national tournaments, the collegiate and the amateur. Definite announcements as to time and places for both have not been made, but the probable choices will be March 21 and 22 for the collegiate, with place unsettled, and March 28 and 29 for the American amateur union at Grand Rapids, Mich.

A. and M. will conduct the state high school tournament at Stillwater Feb. 27 and 28.

Invitation Contest To Close on Jan. 22

Saturday morning a group of Camp Fire girls studied rock specimens commonly found in Nebraska which are on display in the Morrill hall museum. They were conducted through the museum by F. G. Collins, assistant curator.

WAYNE MUNN DIES SAN ANTONIO FRIDAY

Former Nebraska Grad and Wrestling Champ Taken by Bright's Disease.

Wayne "Big" Munn, thirty-five, former Nebraska football star, and later world's heavyweight wrestling champion, died at San Antonio, Tex., early last Friday from Bright's disease.

Wayne attended the university in the years preceding the World war. He had the distinction of winning three letters in one year, 1917-18, in football, wrestling, and track. He was the Missouri Valley heavyweight wrestling champion in that year.

Munn won the world's heavyweight championship in 1925 when he was matched with Ed "Strangler" Lewis in a Kansas City ring. "Big" Munn won the match two falls out of three, on one occasion picking Lewis up and tossing him from the ring. His title was short lived, however, as he was thrown by Zbyszko less than three months later in Philadelphia.

Munn is survived by his widow, Edna W. Munn; a daughter, Mary Ann; three brothers, Wade of Lincoln, Monte of Chicago, and Glenn of Akron, O.; and a sister, Elizabeth.

Munn's three brothers were also star athletes at Nebraska, each of them holding three letters.

Burial will be at Fairbury, Neb.

JOSEPH SARGENT, STUDENT HERE IN 1898, IS VISITOR

A campus visitor during the holiday season was Joseph Sargent, who was a member of the college of engineering class of 1898. Because he enlisted in the Spanish-American war he was not granted a degree until 1903. Mr. Sargent, in addition to being a captain of engineers in the American expeditionary forces in France during the World war, has had an active career as an engineer throughout the world.

His most recent position has been supervising and consulting engineer for a power development company in Rio de Janeiro, Brazil. He has been engaged in constructing a large dam to be used for irrigation purposes.

Kirsh Writes Article On Photographs Plates

Dwight Kirsch of the school of fine arts is the author of an article on "Color Plate Technique" which appears in the American Annual of photography for 1931. The article is a discussion of practical methods of photographing with color plates and of using these natural color photographs as lantern slides.

tern slides. The material in the article was gathered through experiments he has made during the past five years.

341 STUDENTS TO BE AVAILABLE FOR SCHOOL POSITIONS

Three hundred and forty-one students in teachers college last month registered at the university teachers placement bureau and are available for high school and grammar school positions next year. Of those who enrolled at the pre-holiday registration, 167 are women who plan to teach in high schools, 144 are women seeking grade school positions, and 30 are men wanting high school teaching jobs. A total of 538 men and women are now registered in the active files of the placement bureau, according to R. D. Moritz, director.

He Got the Facts Behind the News!

Stretching its huge bulk across the San Francisquito Canyon, the St. Francis dam cupped a deep blue lake of water against the hills. Peacefully, fruitfully tilling the soil in the valley below were the water-hungry farmers of Santa Clara.

Then, something happened! Without warning, the great man-built barrier crumbled. A vast flood reared its bulk into a ferocious torrent—smashed everything that stood in its path. Another unwarranted disaster. Lives lost! Property destroyed! Why?

An *Engineering News-Record* editor in San Francisco hopped a fast plane. Rapidly he surveyed the scene; investigated and photographed the remaining traces of structural fault; wired his paper.

Fast news? Yes, but what of his story? Nothing sensational in the story he wired—no wrath-stirring adjectives calculated to arouse public sentiment. This editor tersely related the reasons for the disaster—scientifically pieced together the causes of foundation failure—gave construction engineers the facts which they could not get from newspaper stories.

Many weeks later an official investigating commission confirmed, almost to a word, that first telegraphic flash of the McGraw-Hill editor. Meantimes, editors of metropolitan dailies used the McGraw-Hill story to reassure their readers that similar disasters were not likely to occur in other places.

Each McGraw-Hill Publication has built a splendid reputation among leaders of industry and business for truth, leadership, constructive foresight. From the publication which covers your chosen field, you will get a close-up of what your future employers and fellow-workers are thinking of and doing. McGraw-Hill Publications are in your college library. Ask the librarian.
