WOLF BELIEVES CLASS OFFICERS ARE IMPORTANT

Blue Shirt Head Repudiates Nash Charges About Presidencies.

FAVORS UNION BUILDING

Points to Last Semester Class Meetings for Campus Spirit.

Indicating an opinion similar to the one expressed by Neal Gomom, Yellow Jacket faction leader, Art Wolf, newly elected president of the Blue Shirts, yesterday declared that he believed class presidencies play a vital part in campus extra-curricular.

"Although the duties which a class president has to execute vary from year to year I believe that any assertion, such as the one issued by Delphin Nash, barb leader, is entirely unfounded on fact," Wolf announced.

Duties Now Limited.

"Right at present the duties of class presidents are limited. There has been a tendency, however, for them to take more upon themselves and part of accomplishment can be blamed on the failure of popular student support. During the past semester two of the Blue Shirt presidents started the practice of holding class meetings in order to promote campus spirit. Student attitude was not in harmony with such a plan and reason for discontinuing these meetings is lack of student interest."

There is a very strong possibility, Wolf pointed out that class presidents will have more to do in the future. If there is a drive to raise funds for a student union building the presidents of the respective classes will naturally play an important part in co-ordinating the movements of the campaign. This has been true in past drives of this nature as in the case of the campaign for securing monetary pledges to aid in the building of Memorial stadium.

Hopes for Union.

"The Blue Shirts would like to see a student union campaign started," Wolf declared. "We believe it would be successful because Nebraska has never failed in doing the thing it has set out to do. In the event of such a campaign, class presidents would of course be utilized. Last spring when the suggestion for a union building was brought up, Professor Schramm's first action was to call a meeting of class and organization presidents."

The Blue Shirts will put up candidates for the position of class presidency at the coming election. They have no intention of refraining from placing candidates in the field because of the barb faction's charges that such offices are useless, Wolf concluded.

MISS LADIES TO SPEAK.

Ida M. Ladiges, graduate student in home economics, will speak at the Y. W. C. A. vespers at the agricultural college Tuesday, February 10, on "Cumberland Settlement Schools."

Union Building at Kansas Is Successful

Fred Ellsworth, Alumni Secretary for Jayhawkers, Explains Purpose of Union and Method of Financing It in Nebraska Alumnus.

Nebraska students and alumni who attended the Kansas-Nebraska game at Lawrence last fall had an opportunity to see and admire the new student building which has been erected on the Jayhawk campus. All were high in their praise of the edifice which was erected as part of the Kansas World War memorial to the Kansas students who died in the war.

One of the features of the entertainment of the Nebraska contingent visiting Lawrence was the dance held the evening following the game in the rooms provided for that purpose in the Union building.

In the January issue of the Nebraska Alumnus there appeared an article by Fred Ellsworth, alumni secretary of the University of Kansas regarding the building in which he explains the purpose of such a building and something of the way the project is being financed, as well as a description of the Union.

In part Mr. Ellsworth says: "It was a feeling that the University of Kansas needed a place for development of personal contacts and a democratic comradeship that led to the inclusion of the Union as part of the university's World war memorial."

Similar to Nebraska, Kansas erected a stadium as part of their war memorial, and the Union waited. Mr. Ellery says: "As a matter of fact, only that contingent of Kansas men and women who had seen unions in operation on other campuses were in any particular hurry to build such a

CORNHUSKER SALES CAMPAIGN EXTENDED

Edmonds Declares Students Must Pay Delinquent Installments.

Those who contracted to buy the Cornhusker on the installment plan must pay up their delinquent installments by the end of the week if a copy of the Cornhusker is to be reserved for them, Ed Edmonds, business manager of the Cornhusker, stated Monday night. Many students have neglected to make their payments and must complete them by Saturday.

The sale of Cornhuskers is going rather slowly. To reach the necessary number of books planned for and to insure the book as it was originally planned, 300 more copies of the annual must be sold, Edmonds declared. Consequently the sale of Cornhuskers will be continued until Saturday night instead of closing Wednesday afternoon, as it was previously announced.

Al Larrabee, the campus photographer, is now back on the job and is making appointments for group pictures of organizations. All pictures which had been previously arranged for have been taken, and Larrabee will have time this week. Organizations which are able to have their pictures taken this week should make appointments with Mr. Larrabee as soon as possible.

Many organizations on the campus have not yet declared whether they want their pictures in the annual. The business staff of the Cornhusker would like to hear from these groups as soon as possible. If possible they should have their pictures taken at the campus studio some time this week.

VOLUNTEER GROUP TO HEAR DR. HARRISON

Dr. Paul Harrison will meet the members of the Student Volunteer group Wednesday afternoon at Westminster house. An informal meeting will be held at 4 o'clock, at which time any persons interested in missions are invited to attend.

PLAYERS ENTERTAIN LEGISLATORS MONDAY

Present Current Success, "Ladies of Jury," to State Solons.

650 SEE PERFORMANCE

Nebraska legislators and their families were guests of the University Players last night at an exclusive performance of their current success, "Ladies of the Jury." It is an annual courtesy of the Players to entertain members of the legislature and their families with a performance of one of the plays presented while the legislature is in session. Approximately 650 legislators and their families attended the performance last night.

A special performance of Fred Ballard's witty satire on the American jury system will be given tonight to accommodate those who were unable to see the play during its regular run last week. The play has been an unusual success, equally popular with collegians and townspeople, and has played to capacity houses every night of its week's run.

Legislators were given something to think about and perhaps something to legislate about when they saw Miss H. Alice Howell, as Mrs. Livingston Baldwin, Crane, vamp, coquette and frighten eleven irate members of a jury that her decision of "not guilty" was the right one. And they were convinced, too.

The play is a highly amusing comedy, filled with laughs and rather subtle humor. The genuine satire on the jury system, especially the feminine part of it, is almost buried in the avalanche of laughs which start as soon as the curtain goes up, but it is there and so are the defects as the play reveals before the final curtain.—R. WINNERS OF CONTEST AT PARTY ANNOUNCED

Niebaum, Rinker, McCallum, Darrington Identify the Most Birds.

Those who took prizes of one dollar each are Aaron Niebaum, Nickerson; Lucille Darrington, Weston, Ia.; R. K. McCallum, Guide Rock, and J. Henry Rinker, Rippey, Ia.

Unusual interest was aroused during the contest, it was said. A total of 200 contestants entered. None of the prize winners had all of the answers correct, nine out of ten being the highest score.

The test was to determine one's ability to recognize the cries of well known birds. Upon entering the Coliseum each person was given a slip of paper on which to write the identifications. Miss McCoombs gave imitations of the ten birds that were to be identified.

THIRTY SOPHOMORES STUDY NEWS WRITING

George Round Will Conduct Course; Plans Edition of Newspaper.

Second year students in the farm operator's short course at the agricultural college are receiving two week's instruction in news writing similar to that given the first year students recently, according to H. K. Douthitt, short course director. He announced recently that George Round, jr., '32, is again acting as instructor.

There are thirty students in the second-year group. Round is giving them a few hints about good news writing and correlating his lecture with the farm operator's newspaper which is scheduled to come out for the first time this week. In his initial class meeting, the college of agriculture student told the farm boys to establish responsibility on the part of the news editors on the new sheet.

The instruction will go forward this week and Friday Round plans to take the boys to the Lincoln Star for an inspection trip. The first-year students were taken through the same newspaper recently.

FISHER AND HOKUF STAR IN VICTORY

Fisher Gathers Eleven Points to Regain Scoring Lead in Conference; Hokuf Is High Man in Game With Twelve Tally Total.

NEBRASKA OUT IN FRONT 22-12 AT HALF TIME

Jayhawker Squad Invades Husker Territory Saturday; All-Time Record Crowd Predicted and Selleck Plans for Monstrous Crowd.

BY DON CARR.

MANHATTAN, Kas.—(Special)—Nebraska's basketballers proved Monday night that they have what it takes to make champions when they came back against the K-Aggies, and handed them a 37 to 31 beating. Steve Hokuf was the main spring in the Nebraska offense, collecting twelve points, and his guarding was of the sensational variety.

Morrice Fisher regained the lead in the individual scoring in the conference when he caged four field goals and registered three gift tosses. Outstanding guarding was the high light of the evening, with Hokuf and Koster collaborating for the Nebraskans, and Fairbank, an Aggie guard proving the big shot in the ranks of the Farmers.

Charlie Black's men proved the old theory that it is entirely possible for a good team to hit the rocks and then come back with a brilliant performance. Saturday night when playing against an inspired Missouri team, they looked anything but champions, but last night their fast breaking attack overcame the Manhattanites with room to spare.

Hokuf Stands Out. Hokuf was the outstanding man on the floor, contributing one of the finest pieces of guarding that has ever been shown on the Kansas court. Koster proved an able aid in curbing the scoring activities of the opposition.

Davey made two field goals and two free throws, while long Don MacLay was sinking four goals from the court. Stradski and Nigro were the heavy scorers for the Aggies, contributing eight and nine points, respectively.

The Husker Iron Men stayed in the tussle until the final whistle, while the Aggies were substituting frequently in an effort to find a combination that could effectively subdue the scoring tendencies of the Scarlet.

Nebraska led 22 to 12 at the half, but when the second period got under way, the K-Aggies climbed up in the scoring column and were behind only 26 to 28 at one time. The Huskers rallied at this stage in the ball game, and took the heart out of the Aggie forces when they sank a barrage of goals to put the game on ice.

The win gave the Blackmen a commanding lead in the conference again, and are assured of no less than a tie for the rest of this week. Kansas aspires and is deeply plotting to take the Huskers into camp when they invade the fields of the Cornhuskers Saturday.

An all time record crowd is predicted for the Saturday battle, and John K. Selleck is preparing to handle a monstrous crowd. The Kansas lost to Oklahoma Saturday in a big upset to the Oklahoma Sooners, but they do not play a game this week, and will be in top fettle to redeem their early season extra period loss Black and his cortege of goal flippers. The team returns today and will scrimmage long and hard against the frosh to be in the pink when they meet the Jayhawkers.

Miss Violet Olson Outlines Work to Be Done in Girl Reserve Leader Class.

About fifteen have registered for the Girl Reserve advisers training course which will begin Thursday, Feb. 12, at 7 o'clock at Ellen Smith hall. It is expected, however, that about twenty-five or thirty women will take advantage of this course. It is being sponsored by the membership committee of the Y. W. C. A. of which Miss Minnie Nemechek is chairman. Alice Quigle has been placed in charge of this project.

Definite requirements for the completion of the course have been outlined by Miss Violet Ann Olson, Girl Reserve secretary, who will have charge of the course. In order to obtain the certificate which will be granted to all those who successfully fulfilled the requirements it is necessary to attend all eight lectures. Each person taking the course is expected to keep a notebook which will be called in at the close of the course.

Reports Required. A written report of two field trips and reports on the material given in reading are included in the requirements for the certificate. There will be special papers, the subject of which will be announced at a later date. In order to obtain a background for work of this kind four of the lectures will be devoted to the theory of the subject. The last four will include information for organization.

This course is designed for those especially interested in organizing extra-curricular activities and sponsoring such groups, and is open to all women except freshmen.
