

# WRESTLING SQUAD MEETS MISSOURI THERE SATURDAY

### Both Teams Appear on Par; Kellogg Says Men in Good Shape.

## REES ON INJURED LIST

### Both Teams Have Kansas Defeat to Credit; Expect Battle.

This is another strenuous week for Coach Johnny Kellogg and his Husker wrestling squad, because on Saturday they go up against the University of Missouri strong men at Columbia.

Kellogg is putting his men through their paces at a fast clip in anticipation of a real battle with Missouri. On paper the two teams appear to be on a par, both having defeated Kansas by identical scores, 31 to 3. The Oklahoma Sooners have victories to their credit over both teams. However, the Cornhusker matmen are confident that they will be able to take the measure of the Tigers, despite the fact that the odds appear to be "even up."

### Men in Good Shape.

Coach Kellogg declares that his men are all in good shape with the exception of Vane Rees, a veteran, who wrestles in the forty-five pound class. Rees has been suffering from an attack of boils, and if the latter prove to get the best of him, his place will be taken by Smith. Heady, 115 pounder, received a head injury in last week's meet with Kansas State, which may force him to forego competition Saturday. Woelker, Cox and Walker are waging a merry fight for the right to work in the 135 pound division. The man who wins in the tryouts held this week will wrestle for Nebraska at Columbia.

### Fresh Meet to Be Held.

According to the wrestling mentor, the Freshman Numeral meet will be held ten days or so after the end of the wrestling season, which occurs one week from Saturday when Iowa State comes here to engage the Huskers. All freshmen are urged by Kellogg to come out and get experience, which will stand them in good stead for varsity competition.

The following is a list of the men who will probably compete at Missouri:

- 115 pound class, Heady or Worthington.
- 125 pound class, Larson.
- 135 pound class, Woelker, Cox, or Walker.
- 145 pound class, Rees.
- 155 pound class, Shirley.
- 165 pound class, Adams.
- 175 pound class, White.
- Heavyweight, Peterson.

## CUNNINGHAM SPEAKS AT ART CLUB DINNER

Members of the Art club held a dinner last week in the China room of Morrill hall. Miss Rose Connell was in charge of the dinner, at which forty people were served. Prof. H. F. Cunningham of the architecture department informally addressed the members at the conclusion of the dinner.

Because of urgent requests on the part of several beard growers on the Oregon state campus whose efforts have resulted in a crop of blonde whiskers, a prize will be awarded for the best blonde chin adornment at the Type Louise Crawl.

## McGaffin Asks for Underclassmen to Decorate for Prom

All freshmen and sophomore men interested in activities are urged to report to Bill McGaffin in the coliseum for work on Junior-Senior Prom decorations at 1 o'clock this afternoon.

## Getting Off The Bench

By Leonard Conklin

SOMEONE wrote once about the qualities in an athlete that makes him a champion; an excellent physique, an earnest love for the game; those are necessary, but there is another inherent force that goes to make good athletes great. It is called poise.

Jim Bausch had it when he flung the javelin further than all comers here to win the conference track meet for Kansas last year after he had just vaulted 13 feet to tie with Bill Ossian for first place in that event. Coburn Tomson has it when he manages to leap just the two or three inches further on his last try to edge out an opponent in the broadjump.

SELDON Davey had poise down at Lawrence when he dropped the free throw in the extra period that allowed Nebraska to cruise home with a 31 to 30 triumph over the Jays. Steve Hokuf radiates with it whether he is in football togs, basketball shorts or track spikes. It is the force that enables a player to produce at the critical moment. Too bad there wasn't a little of it handy in the last 25 seconds of the Kansas Aggie-Nebraska brawl the other evening.

Coaches would pay plenty of money for this poise if some one could market it in bottles.

RUDY VOGELER is going to equip his swimmer with outboard motors if they get another drowning like the one Iowa State administered in Omaha last Saturday. This Vogeler is quite a versatile individual. His swimming team won the Big Six championship last year; his boxers place in nearly every tournament they enter; his intramural department is better organized than it has ever been before; and he teaches some gym classes besides.

"Indian" Schulte is on the warpath these days. Willis Lamson, whose high hurdling is a joy to watch, is navigating with the aid of a cane; Leon Carroll stumbled on a hurdle and is nursing a troublesome ankle; that is, Schulte thinks it is Leon; Doc McLean has to keep Linus doped up with a different set of mercuric bromide brands to keep the twins distinguishable.

WHITE, another barrier topper, and Jerry Lee have had the flu; several other spiked warriors are pestered with ineligibilities; and Coach Schulte is chewing his cigar more vigorously than ever when he thinks of the Kaggle-Husker track meet Saturday. Your life's not worth a nickel down in the bottom of the coliseum these days. The baseballs are zipping here and there propelled by arms stiff and distinctly unreliable.

And incidentally, anyone who practices golf indoors against a canvas while it's still winter would snuff playing marbles. That for the driving backstop in the coliseum.

MILLO Cameron batting a tennis ball about and the courts drying up near the drill field suggests that racketeering will get under way as soon as Harold Sherman gets on the spot and starts sending the white round pellets for a ride. Kind of Chicagonese, uh?

## SOLDIERS TO HAVE PARTY

### Pershing Rifles Invite 255 People to Annual Dance On March 7.

Members of Pershing Rifles, the military organization of the University R. O. T. C. unit will stage their annual party on Saturday night, March 7, at the Lincoln hotel, according to an announcement made by Claude Gillespie, captain of the group.

Leo Beck's orchestra has been secured to furnish the rhythm for the affair. Invitations have been issued to over 225 people. Chaperons have not been selected as yet.

# SCARLET SHARES SECOND HONORS WITH K-AGGIES

### Chance to Tie Jayhawkers For First Place Shot By Tuesday Tilt.

## FINAL GAME SATURDAY

### Sooners Come North With Record of Two Wins, Six Defeats.

Team	w	l	pt.
Kansas	9	7	2
Nebraska	9	5	4
Kansas Aggies	9	5	4
Iowa State	9	4	5
Missouri	9	4	5
Oklahoma	8	2	6

Another Big Six round of basketball is nearly over and the Kansas Jayhawkers have a guaranteed monopoly on the championship position. Nebraska and Kansas Aggies are tied in second place as a result of the K-Aggies' 32 to 30 triumph over the Huskers Tuesday night. When the Cornhuskers lost that game they blew their only remaining chance of tying with the Jays for first place.

If Missouri should edge out a victory over K. U. on Friday that will still leave the Lawrence Lads with a game advantage over Nebraska and the Aggies, so Phog Allen's men can't possibly be demoted now.

The final Husker game of the season comes off in Lincoln Saturday night when the Oklahoma Sooners journey northward with only two wins during the whole season to their credit. Oklahoma has one other contest besides this tie to play off while all the rest of the teams in the conference have one remaining clash on their slate.

There will be five men suiting up for the last time for Nebraska on Saturday night. Morris Fisher, Don Maclay, Seldon Davey, Ed Stipsky and Leonard Conklin are all basketball seniors and will be ineligible to play after the Oklahoma game.

## OKLAHOMA AGS BID FOR TRACK HONORS

### Team, Captained by Jenkins, Two Mile Champ, Is in Good Shape.

STILLWATER, Okla.—Led by Capt. Alvin C. Jenkins, Kansas City Athletic club two mile champion, Oklahoma A. and M. college trackmen will make a determined bid for Missouri Valley conference indoor track honors at Des Moines Saturday night.

However, Drake university, host to the meet, is favored in the dope. Coach Roy W. Kenny will take ten or eleven men to Des Moines, twice as many as he had in Kansas City for the K. C. A. C. invitation meet last week end.

Favored along with Jenkins to make a favorable showing is Peyton Glass, Jr., who sped into the semifinals in the 50-yard dash at Kansas City. Sid Clarke, fleet gridman, will also be entered in this event.

Two 440 Men. Ralph Knight performed for the Cowboys in the 440-yard dash at Kaysee, but George McGuire, a teammate, beat him in a practice run last week. They will settle the matter Monday or Tuesday.

Other probable choices for the Des Moines jaunt are Taylor Lain, mile run; Claude Leonard, high jump, and Robert Taton, pole vaulter.

Coach Kenny expects to select another pole vaulter, a shot putter and a high and low hurdler in the elimination trials.

Leaving Stillwater early Thursday, the Cowboys will arrive in Des Moines Friday but will have no opportunity for a warmup before preliminaries at 10:30 o'clock Saturday morning in the Drake fieldhouse.

Creighton and Washington universities and Grinnell college, besides A. and M., and Drake, will be represented. Grinnell won the meet last year. Drake was second.

## PHI MU, ALPHA CHI WIN IN BASKETBALL

### Alpha Xi Delta, Delta Zeta Take Tuesday Tilts by Decisive Scores.

Alpha Xi Delta defeated Kappa Alpha Theta by a score of 23 to 9 and Delta Zeta downed I-X-L by 15 to 6 points in Tuesday night's games of the basketball tournament. With the results of last night's games, Phi Mu, 11, N Epsilon I, and Alpha Chi Omega 1, Lambda Gamma 0, (forfeited), the tournament will soon be entering the last rounds.

Majors serve as referees for the games which have been running off as smoothly as could be expected. Few groups have anything but strictly amateur teams and competition is beginning to run high. Schedules should be watched closely as changes and postponements are often made. The Kappa Chi Omega game scheduled for 7

o'clock this evening has been postponed. The revised schedule is as follows:

- Thursday, 5 O'clock. Alpha Omicron Pi vs. Kappa Phi. Alpha Kappa Alpha vs. Huskerettes.
- Thursday, 7 O'clock. Kappa Kappa Gamma vs. Phi Beta Phi.
- Friday, 5 O'clock. Sigma Kappa vs. Hobby club. Delta Gamma (1) vs. Kappa Delta (1).

## K. U. MENTOR PICKS MEN FOR DUAL MEET

### Jayhawkers, Missouri Plan Indoor Track Classic at Kansas City.

LAWRENCE.—The Jayhawkers entries for the Kansas-Missouri indoor dual track meet to be held in Convention hall, Kansas, Mo., next Saturday have been selected by Coach Brutus Hamilton. The meet Saturday will be the twenty-seventh renewal of their indoor classic and will bring the teams together after a lapse of a year because of inability to agree on a date for the meet last year.

The Kansas-Missouri dual meet is one of the oldest indoor competition meets in the country and is always viewed upon with much interest. Kansas won the 1929 meet by the score of 51 to 34 and Missouri won in 1928, 40 2-3 to 36 1-3 and out of the total meets held Kansas has won only six as compared to twenty won by Missouri. The showing of the Kansas team in the recent K. C. A. C. invitation meet held in Kansas City pleased Coach Hamilton but he is fully aware that Missouri did not have its full strength then and for that reason they can be counted upon to do more than they did at that time.

The outlook for the meet is that of a great night of stirring events between Tigers and Jayhawkers. The meet is scheduled to have eleven events; eight track events, three field events. Coach Hamilton has picked a third man for alternate in some of the events and the list of entries is as follows:

- 50-yard dash—Sickel, Klaner and Gridley.
- 50-yard low hurdles—Gridley, Flick and Klaner.
- 50-yard high hurdles—Flick, Nichols and Gridley.
- 440-yard dash—Jones, Stralow and Young.
- 880-yard dash—Fullerton and Bondank.
- Mile run—Soellner and Levine.
- 2 mile run—Levine, Soellner and Kennedy.
- High jump—Hanson, Black and Coffman.
- Pole vault—Trueblood, Coffman and Farmer.
- Shot put—Foy, Rison and Coffman.
- Mile relay—Jones, Young, Stralow, Soellner, Flick and Hanson.

## K. U. TO CHOOSE NEW RELAYS COMMITTEE

### Freshmen Members Will Be Chosen by Upperclass Men of Group.

LAWRENCE, Kas.—An immediate call for applications from freshmen men students desiring to try out for membership in the Kansas relays students committee of the University of Kansas was voted by the seven upper class members of the committee at their first meeting of the year yesterday.

Six freshmen are chosen each year for membership on the committee, and four of these are retained as members in their sophomore year.

Freshmen desiring to apply for tryouts are asked to make application in writing, address it to the "Manager of Kansas relays" and are asked to meet Monday, March 2 for an interview.

The ninth annual Kansas relays will be held this year, April 18, at Memorial stadium.

The relays has grown to be an event of national importance that draws athletes from universities and colleges in many states. There will be no events for high school athletes at the relays this year.

Much of the promotion work and actual running off of the meet is done by the Kansas relays student committee. The upper class members of the committee are: Don Seals, Belle Plaine, senior manager; Harry Miller, Kansas City, Kas., and Fred Speh, Wichita, juniors; George Theis, Wichita,

John Sleeper, Iola; Gordon Sloan, Holton; and Norris Robertson, Concordia, sophomore members.

## WITTE COACH OF CHAMPS

### Former Nebraska Athlete's Wyoming U Team Wins Conference Title.

The University of Wyoming basketball team, coached by "Dutch" Witte, former Nebraska athlete, copped the Rocky Mountain conference title when it defeated Colorado Teachers 42-38 recently. Witte's team has lost only one conference game this season. They were defeated 34-27 by the Teachers earlier in the year.

Les Witte, brother of the coach, playing his freshman year, has made a name for himself as a forward on the Cowboy team. Young Witte as a Lincoln high school player, was honorary captain and all-state man in three positions. He is leading the conference scorers, having chalked up 163 points in 12 games.

## Syracuse Students Land at Merida for Andean Expedition

Brilliant orange-colored trucks of the Syracuse university Andean expedition are at present traversing winding mountain roads, near the base city of Merida, located in the high Andes. The party arrived in La Guaria on Jan. 8, and made a short stay in the capital city of Caracas, twenty miles distant. Boarding the "Carabobo" once again for a few hours' sail to the westward, the group disembarked and unloaded the supplies and equipment at Puerto Cabello on Jan. 10.

This information is implied in a letter received from Dr. Parke H. Struthers, written when the expedition director was in Caracas. The voyage from Porto Rico, the reception in Caracas, and preliminary impressions of Venezuela are contained in the following extracted paragraphs:

"Trip 'Beautiful.' "The trip from Porto Rico was beautiful, sailing south through the small islands near Culabre and Veizeuz. I awoke this morning to find we were anchored in the harbor at La Guaria. The maritime Andes rise 6,000 feet, one on top of another in a terrifying fashion. At 8 o'clock all the group went on shore and ran the twenty miles in cars to Caracas. It is impossible to tell the drastic nature of this ride. Hairpin curves do not describe it. The cement road runs in a series of switchbacks, with very sheer bluffs of 1,000 feet. The grade was an even 9 percent all the way.

"At Caracas I saw Minister Sumnerin of our legation. He was very kind and had arranged for his secretary to go over with me all the details of the trip. General Gomez, or rather his minister of foreign affairs, issued a statement which is extremely courteous and one which facilitates the entry of our expedition equipment and assures the success of the trip as far as the Venezuelan government can aid me."

## Miss Ketterer's Group to Entertain Tomorrow

On Thursday night, Leone Ketterer's Freshman Commission group will entertain the other Freshman Commission group and Lyndell Grumback's sophomore group in Ellen Smith hall from 7 to 8 o'clock. There will be a program of music and readings, after which will follow a social hour.

## Peeping Tom Pays Second Series of Midnight Visits

The campus "Peeping Tom" is abroad again, and has been visiting some of the sorority houses. The Chi Omega house was the honored one this time on Monday night. A rather well-dressed young man came up to the house, looking for an address and asked to use the telephone. They showed him the first floor phone booth, and he stayed in there quite a long time, but the girls noticed that he did not dial a number. After he left, it was found that the house mother notified police and the house was watched, but he did not return.

The same night, while cords were eating a midnight lunch at the Kappa Alpha Theta house, someone came pounding on the window trying to get in, but when the occupants of the house ran upstairs, he left also.

Some few weeks ago, a midnight visitor tried to get into the Alpha Delta Pi house, and got as far as the second floor fire escape leading to one of the girl's rooms, but fled when he was discovered.

## IOWA STATE NAMES NEW FOOTBALL HEAD

### George Veenker, Michigan Basketball Coach, to Be Mentor.

AMES.—George Veenker, former University of Michigan basketball coach, has been appointed head football coach at Iowa State. It was revealed in an announcement made yesterday by President R. M. Hughes and athletic officials of the institution.

Formal approval by the state board of education has not yet been granted, but the recommendations of the officials, but it is expected soon.

Veenker succeeds Noel Workman who handed in his resignation last fall after his team underwent an unsuccessful season in which they did not win a game.

He will take up his duties March 11, two days after the Michigan basketball season comes to a close.

## Women Voters League Plans to Discuss Bill

At the weekly meeting of the League of Women Voters, Thursday afternoon at 4 o'clock in Ellen Smith hall, the discussion will be on the bill now in Congress to abolish the Library commission. Miss Virginia Guthrie, vice president of the organization is in charge of the meeting and will lead the discussion.

## K. U. Girls' Rifle Team Defeats Two Opponents

LAWRENCE, Kas.—The women's rifle team at the University of Kansas defeated Keene normal school, in New Hampshire by the score of 492 to 394, and also California was defeated by the score, 1886 to 1851 in their recent telegraphic meet.
