Another offer will be \$100, which is given annually by Dr. George Borrowman of Chicago, holder of two degrees from the university and a form social, and religious. Though shaken she manages to carry on all these phases. There is not the chaos we read of in newspaper reports. "Why do you their newspapers bear re-

Business Is Barometer.

Business conditions are the barometer of what China is doing. said Elliott. In 1930 China did prize of \$100 in gold, to be pre-sented to the junior non-fraternity world ever done yet 1930, was

few years of the city Amoy, which is representative of the Walter J. Nickel, '16, Chicago, progress all over China. And Ill., will give his annual award of Amoy is a new city. It was \$25 to the freshman man or founded in 1300 which is recent Amoy is a new city. It was founded in 1300 which is recent for a city of China. When Mr. Elliott first went there in 1915. It was in a wretched state then. Even today you can reach across many of their streets they are so narrow. Until 1922 there was not a single vehicle in the city a wheel barrow.

Country Progresses.

But since 1922 and 1927 when Mr. Elliott left he said it progressed enormously. There was a new university built there. Four new churches were built by Chinese Christians. A new Y. M. C. A. building was erected, 80 percent of the funds being raised by Chinese. A modern water system was put roads forty feet wide. A new telephone system was formed with underground connections. And through this exchange Mr. Elliott said he could get his number in either English or Chinese. That is enough to get a call through in English.

During the period of the erec-tion of the Y. M. building at Amoy there were three changes of government. "But in spite of political

That Manchuria has of business men over the state. 100,000 more square miles of land than Texas and has the thickest than Texas and has the texas will also be directly serviceable to a struggle for it.

Mr. Elliott concluded by saying

will be obtainable, where conventions and other meetings will be held, and where professional standards will prevail which should do much to promote the advancement of the science and the art of business." Has Good Library.

The college has the beginning of a good library but has insuffici-ent space to increase it. Most of the books are kept in the arts and science library in the social science building altho a great number are kept on the third floor. The third floor library is not available to students because the college does not have a librarian to take care of the books. Dean LeRossignol

be bought because there was no place to put them after they were Miss Eugenia Hsia. Miss Maude be bought Gwinn, Denver, field secretary of the student Y. W. C. A. presided. purchased.

The orgininal form of the bizad college, the school of commerce, was created in May, 1913, as a part of the arts and science col-lege. In 1919 by an act of the legislature it was trans-Y. W. C. A. work and is president formed into the college of busi-of Theta Sigma Phi. Evelyn Krotz ness administration. Dean LeRossignol, who was head of the old school of commerce, was made dean of the new college and has

been dean ever since. The college has been steadilyincreasing in growth until today it Gwendolyn Hage, is is the third largest college in the university, the arts and science college and teachers college being the only ones with more students. There are now more than 925 students in the college. In the year 1928-29 the registration numbered 822 and 1929 it had increased to 903.

Dean Le Rossignol feels that despite the overcrowded conditions of the college it is one of the best in the country. He said that it ranks with the college at Iowa university as being the leading bizad college between Chicago and the Pacific coast. In the number of students the college is among the leaders of the country. For this reason he feels that it is imperative that the new building be had in order that the great number of student may be taken sophomore member of the board, care of in a proper manner

The American Federation of Arts is a national organization comprising over 500 art museums and associations. It functions as a channel for the expression of public opinion and a clearing house for the art in America, according

to Professor Grummann. these and other ways a separate The federation sends out many building for our college will be a great encouragement to both traveling exhibitions of exceptional quality, the exhibitions being assembled by experts from students and faculty and will enable them to do better work than the leading exhibitions of contemporary work," said the professor.

"The federation also circulates lecutres which consist of typewritten text and from 24 to 100 slides each. Their purpose is to increase "The campaigns which have

the business men of the state as tion of billboards and other things a place where research will be of like nature which take away carried on, where information the natural beauty of this country were under the direction of the American Federation of Arts," said the professor.

## Y. W. CABINET ENTERTAINS

Group Sponsors Tea in Honor of Visiting

Secretary.

The members of the agricultural college Y. W. C. A. cabinet were hostesses at a tea given from 3:30 to 4 o'clock Tuesday afternoon in the home economics building, honoring Maude Gwinn, regional sec-retary of the Rocky Mountain district, and Miss Eugenia Hsia, a Chinese student attending college at Cedar Falls, Ia., who visited the campus in the interest of Chinese Y. W. C. A. work.

Miss Hsia spoke on interesting manners and customs of China. Chinese decorations were carried out. Helen Hengstler played a number of Chinese selections on the piano during the tea, and Miss Grace Morton, of the home economics faculty, sang several selections.

A face framed by either one of these two charmers can look the world in the eye without concern. The various fashions in which they sweep away from the brow are deliberately calculated to do nice things for your hair and eyes and forehead, and to lend distinction, quite indiscriminately, to all
