Ames Defeats Local Team 12 to 5 Friday. 4 to 0 Saturday.

# Outfielders Scintillate Efforts to Win Last Game.

A 4 to 0 shutout Saturday morning at the hands of the Iowa Cydrooped home from Landis field depressed by a 12 to 5 defeat ad-ministered by the Ames club and the next morning the "Tall Corn"

boys repeated. With the exception of an erratic third inning Browne's men looked good enough Saturday, Wandra was delivering with Russ Snygg behind the bat. The Iowa Staters tapped the Husker hurler for nine swats collecting their tallies at the rate of three in the third and one in the first half of the ninth.

#### Outfielders Look Good.

Nebraska's outfield scintillated in the second when Dempcy and Kotab each galloped into short field to gather in shocstring catches a foot above the ground. At bat in the second, Kotab, Snygg and Frankfurt filled the bases but died there when Costin hit into a double out and Dempcy popped out to left field.

Then in the third Wandra weakened a bit. Johnson walked for the Cyclones and the buxom Shea crashed out a three bagger. Shea added another tally to the Iowa total and Bowen was walked in for the third market. With three men on Wandra came out of a hole without seeing his offerings further mutilated.
