

HUSKER BASEBALL TEAM WINS TWO FROM JAYHAWKS

Win Friday Tilt 9-8; Take Saturday Mix 9-7 for First Wins.

DAVISON HITS HOME RUN

Armatis and Wondra Take Credit for Victories; Snygg Hits Well.

Browne's Cornhusker baseballers broke into the winning side of the league with a pair of victories over the Kansas Jayhawkers Friday and Saturday. The Huskers copied the first tussle by virtue of Mutt Davison's home run in the last half of the eleventh frame, and connected for five runs in the eighth inning to squeeze out a 9-7 win.

Henry Armatis hurled good ball in the first game, lasting out the entire game. Davison and Snygg were the men with the big bats, collecting three bingles apiece. The Kansas perpetrated nine bobbles in the field, with many of the errors aiding the Scarlet in the counting department.

Wondra Takes Win. Wondra relieved Fred Otgen at the start of the eighth inning, and held the Kansas club scoreless, receiving credit for the victory.

Mutt Davison dazzled in the fielding department, with Rosenberg turning in a pair of nifty catches. Tom Bishop was the fielding star for the boys from Mount Orad, coming up with a pair of stops that robbed the Huskers of more base hits.

Play Good Ball. The Huskers played good baseball in both games, coming from behind to cop both tussles. The hitting strength of the Huskers came into evidence for the first time this year, and the fielders made their errors at less crucial times.

Summary of first game: Kansas vs Nebraska. Score: 8-9. Hits: 10-15. Errors: 9-8.

Summary of second game: Kansas vs Nebraska. Score: 7-9. Hits: 12-18. Errors: 6-8.

Home run: Davison. Three base hit: C. Fisher. Two base hit: Bishop. Sacrifice hit: Williams. M. Maser. Struck out: By Cooley 1, by Walsh 1, by Armatis 9.

Summary of second game: Kansas vs Nebraska. Score: 7-9. Hits: 12-18. Errors: 6-8.

BUNNY OAKES TELLS OF MONTANA SCHOOL

Former Line Coach Enthuses Over New Position in Missoula.

Bernard F. "Bunny" Oakes, former Nebraska football line coach who has accepted a position as head football coach at the University of Montana, returned to Lincoln early last week after a five weeks leave of absence spent in conducting spring practice on his new assignment.

Oakes, who turned out some of the greatest lines Cornhusker fans have ever witnessed is all enthusiasm over the school and country in Montana.

"Possibilities are good in the future for representative football teams at Montana," Oakes said. Among others in his next year's schedule Oakes' team will encounter the University of Washington, Washington State, Oregon State and the University of Southern California.

Coach Oakes was bubbling over with superlative adjectives in describing the beautiful virgin timber, lakes and streams in and about Missoula. He said that game and fish abound and that tourists come from all over the country to hunt big game and vacation there.

Montana teams are called the "Grizzlies" just as Nebraska squads are referred to as the "Cornhuskers."

Oakes continued, "The school is located in the heart of many national forest districts of Montana, it being only a six hour drive north to Glacier National park, and an easy day's drive south to Yellowstone park."

"Bunny" Oakes will leave in about a week moving his home to Missoula where he will teach in the football coaching school there this summer.

CORNHUSKER NETMEN SPLIT IOWA MATCH

Saturday Games Officially End Season But May Play Next Week.

WILL TRY NEW SYSTEM

Nebraska halved a tennis match with Iowa State on the Lincoln tennis club courts Saturday morning in the closing encounter of the spring. The Huskers split points 3-3 in the same manner earlier in the week when Washington came here.

In the singles racquet jousts Thompson defeated Paul Mahood of Nebraska 6-1, 7-5. Johnson also downed Cameron of the Huskers in a hard fought affair that jumped erratically from Iowa to Nebraska advantage with the score reading 6-3, 1-6, 6-2.

Sherman Wins. Then Harold Sherman unsheathed his gutted club and smacked the white pellets back at Schneider of the Cyclones for a victory in easy figures 6-2, 6-4.

Boo Mario also collected the weak spots of Fero of the Ames team and fashioned them into a score that ended 6-3, 6-3 in the Nebraska man's favor.

Thompson and Johnson paired off and squelched the dual endeavors of Paul Mahood and Bob Mario but Sherman and Cameron avenged that defeat with a 6-2, 6-4 triumph over Schneider and Fero.

EnDS Season.

Those these contests end the official schedule for this season Nebraska may play Iowa again next week in order to try out a new system of play which has been suggested in which each man on the one team plays a one set con-

test with every man on the opposing lineup. The purpose of this innovation will be to assure that the best team wins.

INSTITUTE HOLDS LUNCH HONORING DR. G. CHATBURN

(Continued from Page 1.) one of the many hundred students who have had the privilege of attending classes of Dr. Chatburn, he was very anxious that all know that he had felt the doctor's personal influence as a result of his contacts with him.

"What a wonderful memory of his work the doctor leaves the school." These were the opening words of Dr. Bailey in speaking of the many things that Dr. Chatburn could look back on with satisfaction, after a career of service.

Cochran Gives Eulogy. The theme of Prof. Roy Cochran's eulogy was the doctor's participation on the loan committee. "He has been a great influence and encouragement to students and his attitude has been sympathetic, although he has been sincere in his dealings with the loan fund."

In telling of Dr. Chatburn's achievements and lasting influence, Mr. Wilson said, "You have taken with you into your well earned retirement the love and affection of your associates. You will live on in the hearts of the many students that have been in your department and have received

your instruction. Because your own life has had a vast influence in forming their own, thousands of people at this time have finer characters than they otherwise would have."

MRS. POMERENE LEAVES \$2,000 FOR LOAN FUND

(Continued from Page 1.) is a joy to me to be able to give back, at least a small portion of the amount my husband garnered thru his industry and his training, made possible thru the advantages offered by this great state, Nebraska, which he had a part in making. It comes me, that these gifts to the University of Nebraska are patriotic contributions, and so long as the university and the state of Nebraska endure, may this gift endure for student welfare."

In another section of her will Mrs. Pomerene left \$1,000 in trust with the First Trust company, the income to go to the Nebraska W. C. T. U. also to be used by them for student loan purposes. She further provided that should the Nebraska W. C. T. U. ever disband, that this \$1,000 should go to the University of Nebraska.
