

# SCHULTE MEN DO LAST SERVICE ON NEBRASKA SQUAD

## Big Six Meet Sees Several Huskers End Cinder Path Careers.

## TOMSON, LAMSON TO GO White, Garvey, Faytinger, True Are Included Among Losses.

The Big Six meet last Saturday saw several valuable tracksters on Coach Schulte's squad do their last bit of running, jumping and weight performing under the Scar-let and Cream. The "Indian" takes heart, however, in reviewing the sensational array of freshmen talent he will have on tap next season.

Schulte's losses include Cobe Tomson in the broadjump; Bill Lamson and Merle White in the hurdles; two important members of that sensational shuttle relay team that absconded with titles wherever it competed; Phil Garvey and Wesley True in the distance runs; Elmer Faytinger in the javelin and Eisenhart in the discus.

The sprint ranks are less depleted and next year will find Jerry Lee, George Smutny and Harold Petz all back on duty. Overstreet and Foster are the flashiest of the freshmen aspirants and John Roby and Clayton Snow will be in top shape for call to dash service.

**Has Good Material.**

Material in the 440 and 880 is nothing short of extraordinary. Bob Ostergard, Rodgers, England, Sierkes and McDonald, all varsity men, will be in quarter mile trousers. The list of 140 first year men includes Fred Overstreet, Wickman, Keeline, Drummond, Barger and Booth.

Then there are those phenomenal freshman 880 men notably Senco Asher, Jim Storey and Francis Ayres.

Asher recently ran the 880 in 1:56.8 in the freshman telegraphic to be closely pushed by Storey who has done better than 1:57.6. Ayres, who hails from Lincoln high, can breast the half mile tape in less than two minutes.

In the long distance runs Gordon Nuerenberger, Watson and Marrow will be back.

The two mile stretch will draw sterling performers from the ranks of the freshmen including Blazer, Tool, Sliker, Hoffman, Wyrens and Asher. Holcomb, Stump and Roter have also had valuable experience in the long run.

**Has Shuttle Possibilities.**

Jackson, Petz, Smutny, and the Carroll twins, Linus and Leon, will be available to fill the gap that Lamson and White leave in the

# CORNHUSKER TILT WITH KANSAS AGE ENDS SPORT YEAR

## Two Games Series Finishes Season for Scarlet And Cream.

## ARRANGE PIGSKIN TILTS First Encounter Set Here With South Dakota as Opponents.

The last drop will pour out of the Cornhusker 1930-31 sports bucket today when Nebraska plays its second game of the two tilt baseball series being staged with Kansas State at Manhattan.

With this school year almost relegated to history, athletic optics in the university are focusing on next year's schedule.

Only a short three months intervene before Memorial stadium will again resound with the plunk of football shoe on pigskin. With this in mind it is noteworthy that the second game on the Husker lineup will be fought Oct. 3 at Evanston, Ill., against Northwest-ern, one of the most formidable of the foes Bible's men will encounter next season.

**Opens in Lincoln.**

Play opens in Lincoln Sept. 26 when South Dakota U. comes here. Other extra-Big Six teams that are listed on Nebraska's schedule include Iowa university which will come to Lincoln on Dad's day, Nov. 7 and the University of Pittsburgh. The Huskers play Pittsburgh Nov. 26 to close the season.

When Big Six directors met here last week they drew up partially complete basketball and wrestling schedules. These lists and the 1931 football program follow:

# CONFERENCE HEADS - FIX 1932 SCHEDULE

Big Six football schedules for 1932 are out.

The game dates were arranged at the conference director's meeting held in Lincoln last week during the Big Six track meet.

Arrangements so far display seven of the contests on the 1932 Cornhusker schedule including home games with Pittsburgh, Missouri, and Kansas Aggies. The Huskers will engage Oklahoma, Kansas, Iowa and the University of Iowa away from Lincoln. There will be other games added to the Nebraska encounters before a year from next fall.

In 1932 Nebraska will join with Missouri in starting on the series of Thanksgiving day battles between the two schools that is expected to establish a "Turkey Day" tradition between the Huskers and Tigers. The first of these will entertain fans in Memorial stadium. Then the following year Nebraska will meet Missouri in Columbia on Thanksgiving and that plan will be developed thereafter.

# GIRL GRADS OUGHT NOT SEEK JOBS SAYS DEAN

## Barnard Head Says Women Should Leave Positions Open for Men.

NEW YORK, Virginia C. Gilder-sleeve, dean of Barnard college, and one of the foremost woman educators in the country, says that girls graduating from college in this year of depression should not seek jobs unless they are forced to earn their living.

"If the girl graduating this June has a family that can possibly support her for a while longer, or a kind aunt to help her, or a little money in the bank, then she should not try to get a position in times like these," Dean Gilder-sleeve declares in Physical Culture "Silly Custom."

"A few years ago," she says, "a silly custom grew up among girls of the rich set, of studying stenog-raphy and taking posts as clerks in offices, even though they had no special taste for the jobs. At the present moment this would be even more foolish for such affluent workers."

A college girl in dire straits, she declares, should take up any honest work she can "in order to keep off the breadline. No kind of honest work, will done, will ever disgrace anyone," she avers, "even though it be dishwashing and the girl's ambition is to sing in grand opera."

Dr. Alexander Meiklejohn, chair-man of the Experimental College of the University of Wisconsin and former president of Amherst, de-claims in Physical Culture that if the young men who are graduated this June emerge "intellectually lifeless" they might better have "spent the years in digging ditches than in going to college." Says he to the college graduate:

"What have you been doing with your mind? Is that mind an eager, living, venturing energy going forth on its own initiative? Or have you come to deal with your mind as a sort of bucket to be filled by the inert results of other men's thinking?"

# AGGIES TRAMPLE HUSKER TWIRLERS TO TUNE OF 20-4

## Oetgen, Wandra Are Unable To Prevent Hits of Kansas Nine.

In a wholesale slaughter that terminated 20 to 4, Kansas Aggies' baseball team knocked down three Cornhusker pitchers and proceeded to trample on them for fourteen hits, five of which were home runs and four of which were two base smacks.

Auker pitching for the Kansas State club was the outstanding player of the game. He let Nebraska down with four hits and in five trips to the plate knocked out two home runs, a two bagger and a single.

Oetgen started in the box for Nebraska but was impeached in favor of Wandra after the Aggies had crashed out five hits that scored nine runs in four innings.

Wandra was unable to stop the Kansas, however, allowing six hits to bring in nine more mark-ers in the next two innings. Liv-ington finished the contest on the mound proffering three hits to the Manhattan clubsters.

**Errors Made.**

The error complex that dogged the Huskers earlier in the season set in again yesterday when eight diamond crimes were committed by the Nebraskaans.

When the Kansans cut loose with an orgy of scoring that saw men cross home plate in every inning except the seventh.

Maser, Davison, Kotah, and Ros-enberg scored for the Huskers.

Browne's men will have an opportunity for revenge this after-noon when the second contest of the series is to be played. Armatis will probably deliver from the box for Nebraska today with "Boo" Williams behind the bat.

# BIG TEN MEN OUTDO BIG SIX IN 10 TILTS

## Wind Hinders.

Big Ten teams performed more sensationally than Big Six track-men in ten out of fifteen events in their ten team meet at Evanston according to a comparison of the engagement records.

Clyde Coffman's 13 feet 5 5/8 inches pole vault for a new con-ference mark was also four inches lower than the Big Ten vault bar clearance. The Jayhawk had a wind to contend with, however.

Milton Ehrlich of Kansas Aggies high jumped higher than all Big Ten comers by 1 inch and 5/8 in clearing the bar at 6 feet 3 5/8 inches.

Cobe Tomson of Nebraska did a foot and a half better in the broad jump than the Big Ten leapers when he hopped himself 23 feet 4 1/4 inches with the wind.
