

DELTA TAU DELTA WINS PLAYGROUND BASEBALL TITLE

Defeat Tau Kappa Epsilon Wednesday 4 to 2 in Ten Innings.

TWO SCORED BY RAUGH

Puts Deltis in Position to Carry Off Jack Best Trophy for Year.

Delta Tau Delta won the intramural playground baseball championship and set itself up for an even chance to abscond with the Jack Best trophy by downing a Tau Kappa Epsilon club 4 to 2 in the last half of the tenth inning yesterday evening.

The contest went to extra innings when matters stood at 2 all with Paul Battey pitching to Brandt for the Deltis and Ed Stipsky delivering for the Tekes to Jensen.

In the tenth Woff and Sauer got on and Bob Raugh's heavy smash that went for two bases scored two runs and won the contest.

The championship Delt team is composed of Moore, Battey, Wolf, Stoeber, Brandt, Sauer, Raugh, Hebelan, Henry, and Powell. The personnel of the Tekes then included Koben, Schure, Jensen, Lunney, Lenquist, Winkler, Stipsky, Mulberry, Skinner and Nye.

This latest title assures the Deltis of at least second place in the Jack Best trophy race. The giant cup will adorn a Delta Tau Delta mantle only in case the Deltis come thru with a victory in intramural golf over the Sigma Chi's.

This match is scheduled to take place at Antelope park next Sunday morning.

At present the A. G. R.'s lead the Deltis in Jack Best competition by the hair margin of one-tenth of a point. The Alpha Gamma Rho total score for the year amounts to 781.55 points. If the Deltis win first in golf they will accumulate 799.4 markers and the Jack Best cup. A second, however, will leave them trailing the A. G. R.'s with an aggregate of 781.4 just one-tenth of a point short of the farmer athletes.

The Tekes, last year's Jack Best winners, are in third place with about 715 points.

MAGAZINE TAKES ARTICLE BY DAW FOR PUBLICATION

C. L. Daw, graduate assistant in geography, has prepared an article on "The Distribution of Rainfall in Nebraska" which has been accepted for publication by the Geographical Review and will appear in an early issue. The acceptance of his article by this magazine is quite an honor for Mr. Daw, since The Geographical Review accepts only distinctive contributions in geography. Daw will leave Monday for Emporia, Kan., where he will teach geography in the summer session of the Kansas State Teachers college.

YENNE RETURNS FROM MEETING OF PLAYERS

Prof. Herbert Yenne of the dramatics department returned last week from Madison, Wis., where he went to attend a national council meeting of national officers of Collegiate players. The meeting was held at the University of Wisconsin and was the first since election last year. Professor Yenne is first vice-president of the national organization.

Miss Rigdon to Teach Here in Summer School

Miss Vera Rigdon, graduate assistant, will teach here the first six weeks of the summer session. Following this she will be in charge of a party on a travel study tour thru European countries. This will be the third such trip for her. Next year she will be professor of geography in the State Teachers college at Delta, Mississippi.

Interfraternity Year Book to Be Distributed

The inter-fraternity council year book will be distributed this morning to representatives of all fraternities. The book is a record of the years activities of the council and includes the constitution, by-laws, and the membership of the various committees.

KANSAS AGGIES BEAT CORNHUSKERS 5 TO 1

Win Second Game of Series After Hurlers' Battle for Six Innings.

ARMATIS GIVES SIX HITS

Kansas Aggies defeated Nebraska yesterday at Manhattan by a score of 5 to 1 after a pitching duel between Armatis and Underwood. This game was the second of a series between the two.

The Aggies bunched three hits in the sixth to score four runs and win the game from the Huskers. Up to the sixth Armatis held the Manhattanites to three hits. In that inning Forsberg rapped out a triple, Negro a homer, and Fisher poled out a homer. The other run in that inning came as a result of a walk, a passed ball, a fielder's choice, and a steal of home by Prentop.

Rosenberg led the Husker batters but no one was on base when he singled. The only score on the Huskers sheet came when Davison singled, advanced on Kotab's single, took third when Snygg walked and scored on an error.

Underwood and Armatis each allowed six hits. The box score:

FILM EDITING IS NEW JOB FOR GRADUATES

Film Corporation Announces It Will Take Students For Training.

HOLLYWOOD.—New opportunities for college graduates to enter motion picture production were announced recently by film corporations.

For the first time next June, graduates will be received at the studios for training in film editing. College men and women under twenty-five who show aptitude for film editing will be selected. In the old silent era editors and cutters required no knowledge of diction and dramatics such as is demanded in editors of talking pictures.

College graduates who speak, read and write Spanish, German, French or Italian will form the nucleus of this charged department which will also carry a group of experienced editors, for work on English and foreign language films being produced at the studios.

Will Pay Wages. Adequate living wages for the first twelve months will be paid. This editorial department will be regarded as a stepping stone to directorial and writing jobs. Student editors will be given the opportunity to carry on from the beginning to the finish of a production, starting with the adaptation of the screen story, through writing the dialog, watching the actual filming and recording, preliminary assembling of the film, seeing the daily "rushes" and the final editing and previewing.

K. U. ARRANGES TWO COURSES IN MEDICINE

Extension Division Will Conduct Post-Graduate Short Courses.

LAWRENCE, Kas.—Two post graduate short courses in medicine for eastern Kansas will be conducted by the extension division of the University of Kansas during the months of June and July.

One course, starting the week of June 1, and continuing for nine weeks in each of the seven cities, will be given by Drs. L. D. Thompson and John V. Lawrence, both of the staff of Washington university school of medicine, St. Louis. The course will be devoted to "internal medicine."

Classes will be organized in Iola, Fort Scott, Parsons, Independence, Coffeyville, Kan., and Joplin, Mo. The order in which the cities will be visited by the doctors has not been determined. It is probable that classes will be held in two of the cities on each Monday for nine weeks; in two other cities each Tuesday and in each of the three other cities on Wednesdays, Thursdays and Fridays.

Another course, one in obstetrics, will start in the week of June 8, and will continue six weeks. It will be given by Dr. L. A. Calkins of the staff of the University of Kansas school of medicine, and will include classes in Emporia, Ottawa, Topeka, Kan-

City, Kan. (Bell Memorial Hospital), Atchison and Hiawatha, or else St. Joseph, Mo. A course in this latter region will be given next fall on gynecology.
