

## PICNIC TICKETS WILL BE SOLD THURSDAY BY STUDENT DUCAT TEAMS

Nearly 1,000 Picnickers Are Expected by Executive Committee.

Sports and Dinner on Ag Campus Will Be Followed by Mixer-Dance.

With ticket sales scheduled to commence on Thursday under the direction of several separate and organized teams, members of the student executive committee are expecting an attendance of nearly a thousand at the all-university picnic which will be held on the agricultural college campus at 5 o'clock, Friday.

At a similar affair last year an attendance of 750 was recorded but in line with the new summer student recreational attitude as evidenced at three parties of the summer a much larger group is expected.

### Tickets Also At Long's.

In addition to the tickets which will be sold by the teams, under the general direction of Gladys Zutter and Margaret Huston, they may also be procured at Long's College Book Store which is furnishing them. The period of sales will last from Thursday morning to Friday noon, the closing limit. Sales price for the picnic tickets, which covers all expenses for the picnic dinner and ensuing games and sports, is thirty-five cents. For those who also desire to attend the mixer-dance to be held at the agricultural college student activities building in the evening an added charge of one dime will be made.

According to members of the executive committee the ticket sales have been arranged in this fashion for the convenience of summer school students. Under this plan, they say, those who wish to attend the picnic only, will not have to forego the added charge of a dime for the evening dance. Conversely, those who are unable to attend the picnic may still attend the dance for the nominal sum of a dime, without having to purchase a regular picnic ticket.

### Affair Starts At 5.

All who purchase picnic tickets are instructed to meet in front of Teachers college at 5 o'clock where transportation will be provided. Everyone driving cars is asked to co-operate in transporting the picnickers, but busses will also be available to insure everyone of a means of conveyance to the picnic site. Prof. E. W. Lantz is in charge of transportation.

Sports and games will open the picnic program, beginning shortly after 5 and continuing until 6:15 when the picnic dinner will interrupt festivities for the time being. After dinner a fun fest, under the direction of Wendell Dodd and Sara Upton will continue until time for the dance. Arthur and Verne Jones are in charge of the games and sports and Supt. M. R. Colson is supervising food arrangements.

## AMHERST FIELD PARTY VISITS MORRILL HALL

The Amherst university field party from Amherst, N. J., which is traveling under the direction of Dr. F. B. Loomis, head of the Amherst museum and famous paleontologist, visited the Morrill museum last Sunday afternoon. Dr. Loomis expressed enthusiastic comments about the manner in which specimens were displayed and was impressed with the many new types which have been found in the state. With him were F. B. Loomis, jr., John W. Harlow and L. H. Walz, all of Amherst university. They will hunt fossils along the southern part of Nebraska this summer.

## 717 GRADUATES TAKE WORK THIS SUMMER

Large Increase Over Last Year; Doubles Winter Enrollment.

With a total enrollment of 717 students, an increase of 23 percent over last summer has been made this year in the graduate college, according to figures released today by Dean F. W. Upson of the graduate college at the University of Nebraska. Last year the total attendance was only 583. Of the number taking advanced work this summer, 411 are men and 306 are women.

Nearly twice as many students take graduate work during the summer as during the regular school term, a comparison of figures indicates. During the second semester, 420 were taking advanced studies. Instructors who take advantage of the vacation period to work toward higher degrees are largely responsible for the summer increase.

Of the 425 who are working toward advanced degrees this summer, 298 are men and 127 are women. Fifty are candidates for the Ph. D. degree, 334 for M. A. and 41 for M. Sc. honors. Two hundred ninety-two are taking advanced studies but do not desire degrees.

With 197 teachers taking advanced work, the field of education is most popular among graduate students. Of this group, 128 are specializing in school administration, 51 in secondary education and 18 in educational psychology.

Other studies which have attracted graduates are English, 31; history 27; botany 14; home economics, 12; mathematics 12; zoology, 12; geography 11; classics 11; agronomy 5; business organization 4; economics 3; civil engineering 1; electrical engineering 2; geology 5; German 2; psychology and pharmacology 2; pharmacy 1; philosophy and psychology 9; physics 3; political science 6; Romance languages 5; rural economics 1; sociology 3; vocational education 5.

## Students Must Apply For Degrees Today

Candidates for degrees or certificates at the close of the summer session must make application for them at the office of the Registrar by Tuesday, July 7. This applies to students wishing junior certificates also. Students wishing teachers certificates issued by the department of public instruction may obtain the application blank at this office.

Florence I. McGahey, Registrar.

## UNFAVORABLE YEAR AHEAD FOR TEACHERS

Salaries Are Lower and Few Have Positions, Report Of Bureaus.

With a smaller percentage of teachers securing appointments and a general reduction in salaries becoming effective, prospects for students who are planning to teach this fall are unfavorable as compared with the situation of a year ago, according to information compiled by W. H. Batson, director of the University of South Dakota, and received at the university yesterday.

About one-third of the teachers desiring schools this fall had received appointments by June 1, according to the report which is based upon figures submitted by appointment bureaus in fifteen of the middle western states relative to teacher employment and salaries paid as compared to former years. The information gathered pertained to the situation on June 1.

In Nebraska, from 20 to 25 percent of the people enrolled in teachers bureaus had received appointments up to June 1. This was a smaller percentage than the number of positions secured during the year.

## THREE WORLD MARKS LOWERED AT A. A. U. TRACK, FIELD MEET

Beard Tops High Hurdles in 14.2 Seconds; Mortensen Wins Decathlon.

Senior and Junior Titles Go to Los Angeles A. C.; Rain Mars Performance.

Three world records were broken, one tied, and three national A. A. U. meet records were bettered at the stadium Saturday in the senior and relay events. On the preceding day, ten records were established in the junior championships. Despite a rain which fell steadily during the morning and most of the afternoon, more than 6,000 witnessed the Saturday competition. With a total of 43 points in the senior events, the Los Angeles Athletic club made a clean sweep by winning both the junior and senior crowns.

Pearcy Beard, formerly of Alabama Poly, and now competing for the New York Athletic club, set a new world's record in the high hurdles with a time of 14.2 seconds. The former mark was 14.4 seconds made by Thompson of Dartmouth in 1920.

Jess Mortensen of the Los Angeles Athletic club boosted the decathlon total with a record of 8177.463 points. Paavo Yrjola of Finland had previously held the record with a total of 8053.29.

Pat McDonald, veteran lieutenant of police in New York City, tossed the thirty-five pound weight for a new height of 21 feet 6 inches. McDonald is fifty-two years old and weighs 350 pounds.

### Wykoff Ties Record.

Frank Wykoff of Southern California tied Eddie Tolan's world record in the century dash when he led a field of noted runners with a time of 9.5 seconds. Three watches caught Wykoff in 9.3, one in 9.4 and another in 9.5. After a long consultation, the officials announced the time of 9.5.

### The results:

#### SENIOR CHAMPIONSHIPS, Saturday Evening.

Pole vault: Won by Wool, Olympic club; second, Harvey, Denver A. C.; third, Jefferson, Los Angeles A. C.; fourth, Zimmerman.

## Lutherans Plan Second Picnic Friday Evening

The second picnic to be given for Lutheran students and their friends will be held Friday evening, July 10, at the Lincoln Auto club park, according to an announcement today by Rev. Henry Erck, student pastor. Those wishing to attend should meet at the Temple building Friday afternoon at 5:30 o'clock.

As plans had been made for the picnic before learning of the university affair which will be held at the same time, the committee debated whether the church party should be postponed. After a discussion with members of the student executive committee, however, arrangements were completed for the picnic to be held Friday evening.

The picnic will be the last social function of the Lutheran group during the summer as Reverend Erck will leave next week on an auto trip to Wisconsin. The committee in charge of refreshments includes Margaret and Brigitta Koerting of Lincoln and Louise Merz of Seward.

## Golf Scores Must Be in Wednesday

Qualifying flights of eighteen holes must be played and scores turned in by Wednesday morning, according to M. R. Colson of the student executive committee, in announcing rules governing the men's golf tournament which is to be played within the next few days. Scores may be reported to Mr. M. R. Colson, Alfred Calvert, E. W. Lantz, or O. L. Wekk.
