

## SUMMER SCHOOL BALL PLAYERS WIN OPENER FROM HAVELOCK NINE

Game Is Forced To An Extra Inning Following Tie Score.

Return Game Soon; Still Some Berths Open For Baseballers.

The Summer Session ball team defeated Havelock of the municipal league last Tuesday evening, 6 to 5 in eight innings after the score stood even at the end of the regular seven cantos. A number of substitutions were made and because all of the Havelock team were not present, several summer students played for that aggregation. A return game will be played at Havelock soon.

The team representing the university included Swartz, catcher; Harrison, pitcher; Vogt, first base; Cox, shortstop; Ritchie, right fielder; Arthur Jones, third base; Larson, left fielder; Schroeder, center field; Murray, second base. Witt substituted for Murray in the sixth inning.

The Havelock team included Burke, catcher; Gately, second; Norlinger, pitcher; Carl Cox, first base; Platt, shortstop; Bush, third base; F. Grower, left field; Gillispie, rightfield; Coglizer, centerfield. Dunn and Taylor umpired the game.

Everyone interested in playing are still urged to come out either at 6:30 Monday or Thursday or both nights. Teams have not been chosen and everyone will get an opportunity to play each of these nights. Verne Jones has been appointed to assist Arthur Jones with the baseball and will continue to direct the horseshoe tournament.

### Thomas Lectures Attract Many Teachers, Is Report

Teachers from many states attended the special series of lectures and discussion groups on the teaching of English in high schools recently held by Professor Thomas of Harvard university, according to a report made Tuesday by Letta M. Clarke, assistant professor of methods of instruction in English. Much satisfaction was expressed by those hearing Professor Thomas and in several instances, individual conferences were arranged for the discussion of particular problems.

"The work has proved most valuable," was the opinion of Miss Clarke. "I, personally, as well as the teachers who had the opportunity of attending, feel most grateful that such a valuable experience was made possible."

Among those attending regularly were teachers from Ohio, Michigan, Kansas, Colorado, Wyoming, Illinois, Oklahoma, Iowa, Montana and Wisconsin. The positions held by the teachers ranged from grade work to college, tho the majority were high school teachers of English.
