

OUR SCORES SYSTEM USED IN PARKING

With a little extra consideration and care on the part of the students and faculty members in parking their cars, room for at least a hundred more cars could be found in the parking spaces on the campus. Col. W. H. Oury, head of the military department, declared yesterday.

SUMMER BRINGS OLD STUDENTS BACK TO VISIT

Throughout the summer months a number of alumni have visited the geological department in Morrill hall. Among them were Leonard Duerfeldt of the class of 1930. He has been working with the Sinclair Oil and Gas company at Fort Worth, Tex. Frank Pospisil came all the way from Venezuela, South America, to visit his alma mater. Mr. Pospisil is connected with the Lago Petroleum corporation. In addition thirty-five old students of the geological department made trips back from their various jobs.

HUSKERS HARD AT WORK PREPARING FOR COYOTE TILT

Only Four Days' Practice Remain Before First Game Saturday.

SESSION OPEN TODAY

Varsity to Scrimmage With Frosh This Afternoon; Lineup Named.

With only four days practice left before the opening game with South Dakota next Saturday, the Cornhuskers went through a long hard workout Tuesday afternoon. While the backs worked on plays the linemen spent much of their energy working out on the dummies and charging machines.

Open practice for the public will be held Wednesday at 4 o'clock, against a freshman team. The frosh will use South Dakota plays in the scrimmage.

The probable starting lineup for Wednesday's game, and the most likely to start in the game next Saturday is made up of a veteran line, with the exception of the ends. The lineup: Harold Petz, left end; Hugh Rhea, left tackle; George Koster, left guard; Lawrence Ely, center; Chick Justice, right guard; Jim Gilbert, right tackle; Burt Durkee, right end. The backfield is composed of Chris Mathis or Lewis Brown, quarterback; Marvin Paul, left halfback; Lee Penny or Melvin Swanson, right halfback, and Everett Kreizinger, fullback.

The above lineup is merely tentative and many changes will probably occur in Wednesday's game with the freshmen. Two other eleven's are giving the first-named squad plenty of competition and are likely to see service in Saturday's conflict.

IOWA GRIDDERS GO LIMIT IN PRACTICE

Mettle Will Be Tested in Saturday Game With Simpson.

AMES, Ia., Sept. 22—Starved for the taste of victory for almost two full seasons, Iowa State college griddeers are beginning their final week of practice before the opening game with Simpson college with a spirit that bids fair to put an end to their losing streak.

Despite the rains that have struck Ames for the past four days, the Cyclones have had no let-up in practices. In the initial scrimmage game Saturday, several important things were disclosed to Coach George Veenker. Nolte, giant veteran at tackle, showed old time form at his post while Bob Smith, leading candidate for the other tackle position demonstrated that he has lost none of the fight which has characterized his play during the past two seasons.

Nigel, 200 pound center, was shifted from his old position to end, but fails to match Swoboda's speed going down the field under punts.

Bowen continues to rank as the best kicker on the squad, altho Grefe has also been getting off some good punts. In Grefe, Schraf-

Coach 'Indian' Schulte Returns to Nebraska Campus After Two Months' Visiting Athletic Centers Abroad

By MARVIN SCHMID.

Coach Henry Schulte returned yesterday to the Nebraska campus after a two months' visit to Europe, beaming with enthusiasm over a very "successful and enjoyable vacation" through a deep tan acquired in his tours of Germany, France and Czechoslovakia.

Devoting most of his time abroad to the study of athletics, "Indian" Schulte declared that there is obviously a very remarkable trend toward sports and games. "There is much more athletic competition carried on during the summer months in the countries I visited than here," he explained.

Although he was unable to carry out his original plans of exchanging professorships with a German instructor, because of the latter's illness, the coach devoted part of his time in Europe to lecturing, coaching and broadcasting. He also attended the Masyrek games held at Pardubice, Czechoslovakia, where nine nations entered their best bets; the German and English dual track meet at Cologne, the French-German dual meet at Paris, and the German championships meet at Berlin.

This nine nations entering men in the Masyrek games were France, Germany, Hungary, Austria, Italy, Yugoslavia, Poland, Sweden and Czechoslovakia. Germany won both the German-English dual track meet at Cologne and the French-German meet at Paris.

Schulte Issues Call For Fall Track Men

Coach Henry F. Schulte issued a call yesterday for all track candidates, prospective and otherwise to report for fall track.

roth, Johnson and Bowen, Veenker has uncovered a wealth of passing strength and from all appearances he intends to take to the air quite often.

vised bulletin in the "Rag" office soon.

The pledges to Pi Epsilon Pi as announced last night by the various fraternities are as follows:

- Alpha Chi Sigma: Herbert Suedburg, Alpha Gamma Rho: William Ralston, Alpha Epsilon Phi: Nell McFarland, Alpha Tau Omega: Bob Pilling, Alpha Theta Chi: Jim Crabbill, Beta Tau Delta: Glenn Hampton, Delta Chi: Van Linn, Delta Theta Phi: Byron Cherry, Delta Upsilon: Carlisle Sorocson, Phi Alpha Delta: Edgar Thomas, Phi Kappa: Francis Basteri, Phi Kappa Psi: John Seppan, Phi Kappa Phi: George Kern, Sigma Alpha Epsilon: Gus Schramck, Sigma Alpha Mu: Fred Schramm, Sigma Nu: Norman Jeffrey, Sigma Phi Epsilon: Pete Porter, Sigma Phi Sigma: Bob Durt and Henry Larson.

Tau Kappa Epsilon: Harold Wmquest, Theta Chi: Milton Parker, Xi Psi Phi: Edwin Treba, Beta: Kenneth Hroopier.

The fraternities excluded from the above list are those which have not turned in the names of their pledges.

EIGHT HUNDRED GIRLS ENROLL IN PHYSICAL COURSES

Eight hundred women have already enrolled in physical education according to statistics released Monday. Registration for classes will begin Monday Sept. 28 and continue through Tuesday Sept. 29.

Preceding registration all women are required to take a physical examination in order to determine the work they will take. Archery, dancing, fundamental gymnastics, golf, hockey, individual gymnastics, and tennis will be offered the women according to their physical ability. Swimming will not be offered until the indoor season which begins in November.

AUTO PERMITS REQUIRED.

University of Kansas administrators this year are evading responsibility for automobile escapades of students by requiring all those wishing to drive cars to present permits signed by their parents.

rated one of the greatest fullbacks of the game last year, and his work in the Notre Dame game gave an example of his ability. Rentner is an accurate passer and was the big factor in Northwestern's successful march to a conference championship.

The problems which Hanley will find most difficult to solve will be to find a left end to receive passes in place of Baker, discover a kicker, and drill a field general who can direct the team's attack. The center position will also have to be filled with a man who is an accurate passer and one who can fit in the pass defense used.

Sees Finn Olympic Threat.

According to Schulte, Finland will offer some extremely strong competition in the impending Olympic games at Los Angeles. This country is especially potent in the distances from 1500 meters up and in field events. Germany will also make a strong bid for one of the higher placings, for they look very good in sprints and field events, the coach said.

He indicated, however, that his belief was that there would be a limited number of entrants as compared to former years. The cause of his belief in this, he laid to the present world depression.

It was estimated by the coach that athletic competition carried on during the summer abroad is five times as great as in America. Football, soccer, tennis and handball are the main athletic events carried on during these months, he explained. "However, international handball games are indulged in quite frequently," he added.

In discussing the peculiarities Schulte grinned, "stadiums over there are built for standing room."

curate passer and one who can fit in the pass defense used. All in all, Coach Hanley is facing a big task in preparing the team for the first games of the season with Nebraska and Notre Dame.

Conklin NOZAC SYMBOLIK

The new Conklin line is amazingly modern. New shapes. New color beauty. Pens \$9.75 to \$19; pencils \$1 to \$4.50.

The Nozac is filled or emptied by merely turning the knurled end of the barrel—like you wind a watch. Leak-proof. Smooth, easy action.

HANLEY'S MEN BUSY AS FIRST TILT NEARS
Northwestern Squad of 53 Gets Ready for Cornhuskers.

EVANSTON, Ill. (AP.) With a squad of fifty-three men attending each practice session, Coach Dick Hanley began intensive preparations for the opening of Northwestern's campaign to defend the 1930 Big Ten championship now held in common with Michigan. Most of the players have been in training for several weeks.

Northwestern got away to squad practice without waste of time, and the defending champions carried on with a vigor and spirit suggesting success for the Purple. Hanley can bank on that spirit. He knows it is an essential Northwestern must have if it whips Nebraska Oct. 3 and moves on to the Notre Dame Oct. 10.

Hanley is facing a tough job. Five regulars from last year are the balance wheel for a team which must depend on reserve lettermen and sophomores in other positions.

The tackles Capt. Dal Merrill and Jack Riley, starting their third year together are a pair to please any coach. Zach is over six feet tall, weighs more than 215 pounds and is an agile performer. Jim Evans, another third year man, is the other line veteran.

Reb Russel, fullback, and Pug Renner, right halfback, are the veterans in the backfield. Russel was

TO FILL IT YOU WIND IT

JUST stick the Nozac's nose into the ink bottle, twist its tail and the "pen that winds like a watch" is loaded with more words than men ever before wrote with a fountain pen. There is no rubber sac in the Nozac. Thus the ink capacity is 35% more than other pens of the same size. Visible ink section or all-opaque barrel as desired. With the visible ink Nozac you can always tell at a glance when it's time to replenish the chromatographic juice. Step into your most up-to-date supply store and see this ultra-modern writing machine. It doesn't cost much—\$6 and \$10 for the pens—two thrilling models. Pencils to match \$3.50 and \$5.00.
