

BIBLE EASES UP AFTER CONTEST WITH FRESHMEN

Huskiers Given Instruction In Blocking as Team Preps for Game.

ROBY GIVEN PROMOTION

Dope Indicates Cornhusker Victory as Coyotes Are Injured.

Having sent his candidates thru a strenuous scrimmage Wednesday, Coach Bible eased up and gave the Huskers an easy workout yesterday. The Scarlet and Cream were given considerable instruction on blocking, in preparing themselves for the opening game with South Dakota, Saturday. A crowd of 10,000 is expected to flock to the gates for this game.

Splitting the candidates into groups, Coach Bible was working with the backs, Assistant Coach Browne was instructing the ends and tackles, while Coach Day was assisting the guards and centers. Roby, triple threat artist from Nelson, was promoted to the varsity yesterday.

Coach Bible is undecided as to who will start this game. He has a number of outstanding men for each position, and it will enable him to start this game with strong reserve strength. In the backfield he has such men as Kreitzinger, Paul, Mathis, Brown, Manley, Nelson, Swanson, Miller, Roby, and Penny. Then the sophomore backfield of Sauer, Bauer, Masterson, and Boswell will see plenty of action. Petz, Joy and Killbourne, Durkee, Scott, Milne, Nesmith, and Schmitt as wingmen. Tackle candidates include Rhea, Gilbert, O'Brien, Scoggan, Hulbert, and Hollenbeck. The guards will be well taken care of by Koster, Justice, Bishop, LeBus, Gartner, and Adam. The pivot position will be handled by Ely, and McPherson.

With such boys on the field, Nebraska should be in the game with 100 percent strength. The coyotes should be strong despite the fact that Jumbo Stuben, 219 pound tackle, will be out of the Coyote lineup for several weeks, possibly for the rest of the season. The big fellow suffered a knee injury in the third period of the Yankton fray and physicians who later examined the Sioux City boy found a torn ligament. Bob Campbell, veteran fullback, who suffered a broken collarbone in the same game is the only other Dakota regular not slated to get the nod in the Husker melee.

South Dakota and Nebraska have met on the gridiron ten times in the last thirty years, the Huskers emerging victors in seven, tying two, and losing one. The last meeting was in 1922 when the Red Jerseys ran wild to take the long end of a 66 to 0 verdict.

K. U. Begins Work On Two Mile Team With One Veteran

LAWRENCE, Kas., Sept. 24.—Brutus Hamilton, track coach at the University of Kansas has but one letterman back for his two-mile race team which since last year has been a feature of football of the Big Six. Gerald Stover of Winona is the only veteran in this event, but the coach hopes to develop a team that will give a good account of itself.

The race is run by teams representing the same schools as are contesting in football, in each Big Six contest, and is put on during the interval between halves. Six men start and the five first to finish for each team count in the scoring.

Putnam of Iowa State set the record at 9:22.5 at Columbia last year.

AMES MENTOR LISTS STARTING GRIDDERS

Veteran Tackle Benched as Coach Names Opening Game Lineup.

AMES, Ia.—With two weeks of intensive practice finished, Coach George Veenker announced Wednesday that he had tentatively decided on his starting lineup for the opening game with Simpson College here Saturday.

The men who will probably be chosen are Swoboda, left end; Roe, left tackle; Etzel, left guard; Beyer, center; Dixon, right guard; Nolte, right tackle; Gordon Nagel, right end; Bowen, quarter; Grefe, left half; Duesenberg, full; and Impson, right half.

Bob Smith, who won letters twice at right tackle, will not be in the starting lineup because he has failed to come up to Coach Veenker's expectations this fall. Ken Wells, veteran back, is also listed on the second squad. Veenker made it clear that he was dissatisfied with his men solely on the basis of this fall's practices and the one scrimmage held to date.

Tackling practice against freshman ball carriers occupied a good share of the time on the Cyclone practice schedule Wednesday. Not caring to chance an injury to any of his men, Veenker continued dummy scrimmages instead of actual scrimmages.

OKLAHOMANS WORK OVERTIME ON GRID

Seventy Freshmen Prepare For Annual Tussel With Varsity.

NORMAN, Okl.—With the annual varsity-freshman game scheduled for Saturday, Coach Lawrence Haskell and his assistants, Curtis Berry, Clyde Kirk and Colonel "Bus" Mills, are toiling overtime to whip the large squad of approximately seventy Sooners freshmen into condition for the contest.

Some corking good men have checked out Bonner regalia, including Ray Phillips of Classen, Bud Browning of Classen, Leonard McFee of Pawhuska, Milburn Robinson of Seminole, Lee Dawson of Chandler and James Stacy of Altus, all of whom were named on all-state elevens last autumn.

Monday the Sooners varsity engaged in light scrimmage on a grassed field that had been wetted down by a fire hose to prevent blowing dust. Coach Adrian Lindsey was concentrating upon a backfield composed of Quarterback Bob Dunlap, Ernest Massad at half and Marvin Ellstrom at full with various men being given a crack at the other half position.

Iowa University Plans Broadcast Courses by WSUI

IOWA CITY, Ia.—Four courses, broadcast direct from the classrooms of the University of Iowa, will be featured by station WSUI, located in Iowa City, for the first semester of the academic year. These courses are being offered under the administration of the extension division.

The following courses will be offered by radio: History of the west, the English novel, classical music, and the short story. The first two courses will be broadcast in the morning and the last two in the afternoon.

FOURTEEN VETRANS AID TIGER PROSPECTS

Missouri Bears Down With Game Against Texas U Set for Oct. 3.

Approximately fourteen lettermen led by Capt. Frank Bittner and as many sophomores will make up the varsity squad at the University of Missouri when the Tigers begin final preparations for the opening game of the season with the Texas Longhorns at Austin, Oct. 3.

This division of the squad was made necessary to determine who would play with the "B" team when it meets Westminster college at Fulton. Members of this team will be selected from the remainder of the squad.

In addition to Bittner, Wilcox Asbury, Donald Eaves, George Edmiston, Carl Johannsmeyer, Max Collins and Edgar Asbury are the backfield men who are fighting for a place on the team. Sophomore backs include Percy Gill, Woodrow Hatfield, William Lancaster and George Stiller.

Van Dyne is Back. Johnny Van Dyne, who rejoined the squad last Saturday and whose eligibility is still undetermined, and Kelly Heitz, a provisional letterman, are on the doubtful list, but may make a bid for their positions.

Kay Oth, sophomore center, and Gilbert Denny, Elmo Niblo, and Carl Yeckel are all battling it out for the pivot position. Veteran guards who are expected to see action against Texas are Fred Hartman, Hal Austin, Phil Yeckel and Jack Swatek.

Kenneth Kerby and Otha Rawlings, veterans, and Noble Noblitt and Ray Porter, sophomores, are in line for call in the tackle positions while Orval Bookemeier, Mack Gladden, Grant Morgan, Lettermen, and Robert Gotham, a sophomore, are working for the wing positions.

Wildcat's Punt Expert Should Be Out, Yet In

Oliver Olson, sophomore fullback candidate at Northwestern, has created one of the major problems facing Coach Dick Hanley as he goes about the task of organizing his football squad for the season.

Olson comes from Wheaton, Ill., and started the season as the third string fullback with Bob Russell and Ken Mennan conceded an edge.

There is one department, however, in which Olson so far outshines his mates that it appears he cannot be kept out of the lineup. He is one of the greatest kickers to enter Northwestern in some years. The difficulty in using him lies in the fact that his blocking is below par.

All three of last year's punters, Woodworth, Hanley and Bruder, have completed their competition and the entrance of Olson is a fortunate break for the Wildcats.

The Wildcats went on a new practice routine Tuesday of one practice a day instead of two. A long forward passing drill was part of the program. Coach Hanley is anxious to develop receivers who can handle Pug Rentner's passes.

Just read an article by a noted modiste. She said, "Clothes should be chosen not for their own beauty alone—but also for their power to enhance the wearer's charm. She'd approve of Magee's Co-ed Campus Shop"

TENNIS COURTS OPEN FOR FALL TOURNEY MONDAY

The university tennis courts will be open Monday for the interfraternity tennis tournament scheduled to start at that date. Fall weather was determined to be more consistent for tennis than spring showers. The possibility of reserving the inside courts is more likely at this time also.

K. U. PLAYS COLORADO AGGIES IN FIRST TILT

Carnie Smith, Quarterback, Outstanding Back in Kansas Varsity.

LAWRENCE, Kas.—Some idea of what the K. U. Football team may look like develops as Coach H. W. "Bill" Hargiss puts the men into team formation for practice for the opening game of the Jayhawk schedule with Colorado Aggies, Saturday. Actual scrimmage, with the squad divided into opposing teams has taken the place of the previous drilling in fundamentals.

The team led by Carnie Smith at quarter made some effective gains, both by straight football and by plays that included passes. His line included Pete Bausch, Otto Rost, Zovimer Kvaternik, Clarence Spangler, Earl Foy, Maurice Kitz, and James Brazil. The backfield was made up of Lee Page, Elmer Schaeke and Fred Black.

Gridley and Foy have suffered slight injuries, but are expected back in the line soon. Sports followers are fairly well satisfied with the showing of the squad, but concede that Coach Hargiss will have his work cut out for him if he is to whip the team into championship form.

GWINN HENRY OPENS MIZZOU GRID CAMP

Seventeen Veterans, Twenty Eligible Sophomores in Tiger Squad.

Seventeen lettermen and twenty eligible sophomores in the returning material around which Coach Gwinn Henry expects to build his 1931 football team at the University of Missouri.

Missouri lost virtually all of its line, but many of the men eligible for this season are rated as better men than those lost. Carl Johannsmeyer, 200 pound back, is expected to return after a year's lay-off due to ineffectiveness. Johannsmeyer is considered the best punter that Missouri has ever had, and is expected to be the ace of the Missouri backfield. Captain Bittner and Max Collins, are two old backs returning.

AG CLUB HOLDS MEETING

Group Has First Session Wednesday; Reports New Plans.

Meeting for the first time this year, the Ag club on the agricultural college campus Wednesday night announced a constructive program for the year. Plans were also laid for the annual initiation ceremonies for freshmen boys on the campus.

President Delphian Nash announced that the club hopes to get more students interested this year by having some worthwhile programs. Prominent public speakers and authorities from the city will be engaged from time to time to appear before the group. In addition the club plans to sponsor several mixers in the student activities building during the year.

PITT GRIDIRON HOPES HIGHER THAN IN 1930

Sutherland Finds Plenty Recruits to Replace Spring Losses.

Prospects in the camp of Jack Sutherland's Pitt Panthers are exceptionally bright. Positions left vacant by graduation have been filled and the large squad that has been working out looks better than the team last year which dropped games to Notre Dame, Ohio State and tied with Nebraska.

Pittsburgh has taken on a very heavy schedule, meeting the Army, Iowa, Notre Dame, Nebraska, Tech and West Virginia eleven.

Thus far Sutherland has been devoting his time to developing capable reserve material for his veteran line, and picking out a quarterback to fill the shoes of last year's captain, Eddie Baker. Bob Hogan, sophomore, has done the majority of quarterback work and has also been doing fairly consistent kicking.

Pitt's forward wall this year ranks with the best in Panlter history, and is made up of veterans from end to end. Captain Eddie Hirschberg and Rip Collins have first call on the wing positions. Quatse and Jim MacMurdo are sure bets for the tackle posts. MacMurdo is expected to make a strong bid for All-American honors this year.

At the guards are found "Hart," Morris and Mike Milligan, common known as the lightweight guards. Milligan weighs about 168 pounds with Morris tipping the scales at 172, but to them is assigned the important task of running interference in the regular Sutherland manner.

Ralph Daugherty will play his final year at center. Daugherty in another prospect for the All-American team and is expected to make this year his best. He is being pushed hard by Joe Torney who gave such a fine performance against Notre Dame last year. It will be difficult to keep him out of important games.

The regular lineup has been fairly definite. The backfield has Hogan, Clark, Heller and Reider with Hishberg, Quatse, Milligan, Daugherty, Morris, MacMurdo and Collins. This is the team that is expected to see most of the action in Pitt colors this fall.

Former Sooner Star Snubs Pro Football For College Degree

NORMAN, Okl. (Special).—Col. "Bus" Mills, the University of Oklahoma's All-Big Six quarterback last fall, is back in school in quest of a degree in petroleum engineering. Mills gave up a chance to play "pro" football in order that he might attend school.

Mills will report to the New Orleans club of the Southern association next March, for a trial in the outfield. New Orleans has a working agreement with Cleveland of the American league. Mills was sent to Decatur where he hit .285 and held the record of never making an error.

Sophomore Managers To Meet at 5 Today

There will be a meeting of all candidates for sophomore intramural managers tomorrow afternoon at 5 o'clock in the "N" club room.

"Since I lent him my pen it has never been the same!"

Don't make yourself unpopular by borrowing students' Pens. Unless the pen is a Parker Duofold, your hand is apt to foul the point, or change its action. Don't expose yourself.

Stop at the nearest pen counter and pick the Parker Duofold that fits your hand to a "T". You'll be prepared then for any emergency—even for lending—graciously.

For no style of writing can foul, or alter Parker's miracle Duofold point. Still it writes as easily as you breathe—with amazing Pressureless Touch!

And even the Parker Duofolds at \$5 have 22% to 69% more ink capacity than some pens of other makes priced 50% higher. Yet none has Parker's stylish, balanced, streamlined design—"America's Shapeliest"—or Parker's Invisible Filler, or Patented Clip that lets the pen set low and unexposed in the pocket.

See Parker's \$10 style at only \$5 in the radiant new Burgundy Red and Black Lady and Junior Duofolds.
